MARY PICKFORD MARRIED AGAIN; THIS TIME DOUG

Los Angeles, March 30.—Mary Pickford and Douglas Fairbanks have been married, it became known here late today. They obtained a license here last Saturday and the ceremony was performed Sunday by the Rev. J. Witcomb Brougher, pastor of Temple Baptist church.

Miss Pickford early this month obtained a divorce at Minden, Nev., from Owen Moore. Mr. Fairbanks' former wife married a divorce nearly two years ago in the east.

Miss Pickford and Mr. Fairbanks were married at 10:30 o'clock last Sunday night at the residence of the Rev. Mr. Brougher. Those present included: Robert Fairbanks, a brother of the bridegroom, the bride's mother, Mrs. Charlotte Smith, the Rev. Henry Miles Cook, assistant pastor of the Temple Baptist church and R. S. Sparks, deputy county clerk, who issued the license.

Mr. Fairbanks acted as groomsman for his brother and Margery Daw, a motion picture actress, was bridesmaid.

It is understood the couple went immediately from the minister's home to Fairbanks' residence in Beverly Hills, near Los Angeles, where it is said they intend to spend a quiet honeymoon.

THE FAMOUS LOCKLEAR AT PRINCESS THIS EVENING

The famous Lieut. Omar Locklear, whose stunt of jumping from one aeroplane to another hundreds of feet above the ground while traveling at a high rate of speed, will be seen at the Princess this evening in "The Great Air Robbery." Lieut. Locklear's feats have been the talk of the air world, and no more thrilling stunt than his has ever been attempted. Locklear has followed this daring practice since the close of the great world war and his feat is rightfully called the thrill of thrills. The world has stood aghast and amazed at his daring, and those who attend the Princess this evening will have a chance to see him in his novel stunt.

The play will be repeated Thursday evening.

How would you like to stand on the fragile wing of an airplane at 100 miles an hour? What would you do if you knew you were going to climb with him from one machine to another with Mother Earth 5,000 feet below?

You would send for a lawyer and write your will.

That's the feeling "The Great Air Robbery" gives you. Two

planes in the finger of the camera, the camera man in a third plane and Locklear teetering before you, standing on thin air.

The most remarkable aeronautics ever filmed, including several close-up shots of Locklear making his famous change.

HOOVER GETS INTO G. O. P. RACE

FINALLY CASTS LOT WITH FORCES WITH WHICH HE FORMERLY WAS IDENTIFIED

San Francisco, Cal., March 30.—Herbert Hoover today telegraphed the Hoover Republican Club of California that he would accept the Republican nomination for President "if it is felt that the issues necessitate it and it is demanded of me."

Mr. Hoover thus settled definitely the question of his candidacy, which has been agitating the minds of politicians of both the Democratic and Republican parties for several months.

When Mr. Hoover's name was first mentioned in connection with the presidency, nobody seemed to know to which party he belonged, and the Democrats apparently were angling for him harder than the Republicans.

Booms in Many States.

Booms for him have developed with both parties in several states, and in some his name has appeared on the primary ballots.

Finally it developed that Mr. Hoover had been a Progressive-Republican, but this did not deter the Democrats from continuing to keep an eye on him, for in his public statements Mr. Hoover has gone on record as being more interested in issues than in parties.

COUNTY EDUCATIONAL NOTES.

A second list of contributors to the French Memorial fund was received from the Queen City school in Milroy township. This school term closed last Friday but Miss Mildred Harper, the teacher, was able to explain the lesson to the children of that community and they responded quickly to the cause.

Those contributing were: Irene Slaughter, Lillian Byrne, Ernest Fosdick, Katie Fosdick, Sylvester Fosdick, Earl Shethart, Clifford Shethart, Walter McAleer, Howard McAleer, Hugh Garvin making in all a contribution of sixty-five cents for the school.

Postal money orders are very convenient and a safe way of sending money by teachers who are collecting for this fund.

There were ten eighth grade pupils from Union township who took advantage of the junior high school at Fair Oaks at the close of their terms in the country. These pupils will receive promotions into the high school without the eighth grade examination as is required from schools not maintaining an eight months term. This is unfair to the pupils who must pass the eighth grade diploma examination because he has a term shorter in length than eight months. However, the law provides that eighth grade pupils can be transferred from a township not maintaining a junior high school to a junior high school just as is done with pupils wishing to attend regular commissioned high schools.

Several schools in the county have closed. Milroy, Union and Barkley are the first to close. Teachers throughout the county are arranging to continue their professional training in various schools in Indiana. The unfortunate feature about our present law is that it caters to the inferior teacher too much. These teachers draw less salary than the better qualified teachers, hence are in demand while the higher priced and best teachers of a higher rating do not receive enough additional above the class "A" and "B" teachers to encourage them to become more proficient. This error is apparent and has been a gross abuse for years yet legislators do not seem disposed to remedy such a "trivial matter."

WEATHER.

Fair tonight, warmer south portion. Thursday probably local rains.

Everett Meyers and daughter, of Chicago Heights, were in Rensselaer. Mr. Meyers reports that his wife is in the Presbyterian hospital where she underwent an operation for gall stones.

FUNERAL OF JAMES T. RANDLE

JASPER COUNTY PIONEER IS LAID TO REST IN WESTON CEMETERY

The funeral of James T. Randle, who died at the home of his son, Edward Randle, at the corner of Cullen and Susan streets, on Sunday March 28, was held at the Trinity M. E. Church in this city Tuesday afternoon and interment was made in Weston cemetery.

The services were in charge of the Rev. E. W. Strecker.

In keeping with the esteem in which Mr. Randle was held by the people of this community the services were attended by a very large number of relatives and friends and the floral offerings were many and beautiful.

The following obituary was read at the services:

James T. Randle, the eldest son of Thomas and Nancy Randle, was born in Hampshire County, West Virginia, October 10, 1831, and died March 28, 1920, at the age of 88 years 5 months and 17 days. As an infant he traveled with his parents in a covered wagon, and after a journey of 27 days over rough ways, thru forests and swamps, they located about four miles south of the present site of Delphi. In 1834 his father secured lands in what is now Barkley township and in the spring of 1835 he moved his family to his newly acquired lands. These few acres were the nucleus of the farm which, under the successful management of the father, Thomas, the son, James T. grew to greater proportions. His entire life was spent on the farm in Jasper county until he moved to Rensselaer in 1883 where he has lived ever since.

In 1854 he married Mary E. Overton, whose parents were also among the early settlers of Hager Grove and whose death occurred August 14, 1877. To this union were born five children, Robert, of Parsons, Kansas; Thomas, of Hope, Kansas; John A., whose death occurred eighteen months ago; Emmeline Makeever and Edward J., of Rensselaer.

On November 24, 1878, he married Ruth A. Harris, daughter of Rial B. Benjamin and the widow of Wm. Harris. She died January 24, 1898. On May 25, 1899, he married his third wife, Mrs. Julia Ender, who died May 14, 1910.

When a young man he joined the Christian church. Later he became a member of the Barkley M. E. Church, and after 1883, when he came to Rensselaer to live, he transferred his membership to the Rensselaer M. E. Church.

He is survived by one brother, Nelson Randle, of this city, four children, fourteen grandchildren and two great grandchildren.

MARRIED AT M. E. PARSONAGE.

The marriage of Charles Karch of Wheatfield and Fairy Elliott of Gifford was solemnized at the Methodist parsonage in this city Tuesday afternoon by the Rev. E. W. Strecker, pastor of the Trinity M. E. Church. The groom is the son of Mrs. Fred Karch of Wheatfield and the bride is the daughter of Mr. and Mrs. James Elliott of Barkley township. Both are popular young people. The Republican joins their many friends in wishing them very best wishes.
