WHAT IS A ONE-CENT SALE? It is a sale where you buy
an item at the regular price—then another item of the same
kind for 1c. As an illustration: The standard price of Rex-
all Tooth Paste is 30c. You buy a tube at this price, and by
paying 1c more, or 31c, you get two tubes. Every article
in this sale is a high-class standard piece of merchandise,
just the same as we sell you every day at regular prices and
have sold you for years.

A NEW WAY OF ADVERTISING. This sale was developed
by the United Drug Co. as an advertising plan. Rather than
spend large sums of money in other ways to convince you
of the merit of these goods, they are spending it on this sale
in permitting us to sell you a full-size package of high
standard merchandise for 1c. It costs money to get new
customers, and the loss taken on this sale will be well spent
if the goods please you.
