GAINED WEIGHT LIKE YOUNG PIG SAYS WOMAN

TIPS THE SCALES WITH INCREASED WEIGHT SINCE TAKING TRUTONA.

Terre Haute, Ind., April 12.—"I know Trutona is all and more than is claimed for it," says Mrs. Ella Brewer, a well-known Terre Haute woman, who lives at 2412 South Third Street. Mrs. Brewer's experience with the perfect tonic follows:

"My system had been in a run-down condition for the past three years. My kidneys and liver were out of shape, especially my liver which was very sluggish. I suffered almost constantly from headaches. My appetite was poor and if I ate half as much as I do now, the food would cause gas formation in my stomach which affected my heart. My tongue was always coated, and I began to feel like a nervous wreck. I could sleep but a few hours at night and often awakened with severe pains striking me in the small of my back."

"When I began taking Trutona I weighed about 104 pounds, but today, I tip the scales at 118 and I'm still gaining weight like a young pig. But that's not all. I haven't any more headaches and my kidneys are in as good shape as they were back in my school days. I sleep like a baby and can eat anything I want to."

"My neighbors all tell me I'm looking better than ever before, and I tell them I certainly feel as good as I look. When I see how much Trutona has done for me I know it will help others and for that reason I feel it my duty to recommend this wonderful medicine."

Trutona is really a medicine of unusual merit. It is unsurpassed as a reconstructive agency, system purifier and body invigorant. It has been declared peerless as a treatment for stomach, liver and bowel troubles.

Trutona is now being introduced and explained in Rensselaer at the Larsh & Hopkins drug store.

LOWDEN AND WOOD MANAGERS MAKE FINAL STATEMENTS

Managers of the campaigns of Gov. Frank O. Lowden and Gen. Leonard Wood issued these last minute statements concerning today's primaries last night:

Louis L. Emerson of the Lowden committee said:

"Of the 410 delegates who have been elected to the national convention which will be held in Chicago on June 8, 310 are uninstructed. Of that number Gov. Lowden has more than any other candidate. He is the second choice of more states than all other candidates combined."

"The people of Illinois showed their confidence in him three years ago by giving him an enormous majority for governor."

"His committee hopes and fully expects that the voters of Illinois will go to the polls and register their approval of his candidacy for the presidential nomination."

Nathan William MacChesney, chairman of the Leonard Wood Illinois committee, said:

"Instead of conceding Illinois, we are confident that Leonard Wood will get a vote that will not only astound the political leaders of the state but the country at large."
