

Ford

THE UNIVERSAL CAR

The Ford Coupe, with electric self starting and lighting system, has a big, broad seat deeply upholstered. Sliding plate glass windows so that the breeze can sweep right through the open car. Or in case of a storm, the Coupe becomes a closed car, snug, rain-proof and dust-proof. Has all the Ford economies in operation and maintenance. A car that lasts and serves satisfactorily as long as it lasts. Demountable rims with 3 1/2-inch tires all around. For the doctor and travelling salesman it is the ideal car.

COUNTY EDUCATIONAL NOTES.

State Supt. L. N. Hines delivered
the commencement address at Fair
Oaks last Wednesday evening. The
high school auditorium was filled
and standing room in the halls was
at a premium. There were seventeen
eighth grade graduates and nine
seniors from the high school
who received certificates of promo-
tion and graduation. State Supt.
Hines dealt largely with the de-
mands being made upon the schools
and made an earnest plea for the
square deal for the rural boys and
girls. Prof. A. C. Campbell pre-
sented the class for graduation and
in doing so made an interesting
fare-well speech to the seniors and
extended a hearty welcome to the
eighth grade class. The stage was
nicely decorated in high school and
class colors. All of the teachers
were present except Mrs. Sterrett
who was sick at the Allen Hotel
while the exercises were in pro-
gress. The Rev. C. W. Postill of
Rensselaer gave the invocation and
benediction. Miss Florence Dipple,
who has been teaching music at
Fair Oaks since Christmas, brought
three other young ladies from In-
dianapolis and furnished superb
music for the occasion. Lois Camp-
bell and a little daughter of Joe
Norman's delivered the diplomas.
They performed their part of the
program in a manner that was
pleasing to all. Little Lois Camp-
bell spoke two short little decla-
mations that added excellent spice
to the program. James McKay, one
of the graduating seniors, was not
able to be present owing to his en-
listment in the merchant marines
since Christmas. James McKay and
Howard Rainer finished the course
at holidays. This commencement
showed almost endless work on the
part of the teachers, patrons and
seniors. All who were able to
hear and see were highly elated
over the excellent school accom-
plishments which was concluded by
this program. The school enthu-
siasm and interest at Fair Oaks has
been on the high tide for years.
The school now ranks with all com-
missioned school in Indiana and it
is the ambition of the entire Union
township to maintain this school on
the standard it has so strugglingly
attained.

The commencement exercises at
Tefft will occur on Wednesday,
April 28th. Prof. Hough will de-
liver the commencement address.
Wheatfield town will hold a com-
mencement April 29th and Wheat-
field township April 30th.

Commissions were issued to Kan-
kakee Consolidated and Wheatfield
schools at the April meeting of the
State Board of Education. De
Motte is asking for commission
standing and will very likely be
given that standing upon the re-
commendation of the state high
school inspector. He will visit De
Motte within a week or so. The
commissioned school in Jasper coun-
try to date are: Rensselaer, Rem-
ington, Wheatfield, Fair Oaks, and
Kankakee Consolidated at Tefft.

State licenses were mailed out
to the following successful appli-
cants today (Thursday). Elsie Ben-
son, Bertha Hersman, Mandie Reed,
Millie Hoover, Amanda Steinke, A.
C. Campbell, Mabel Worland, Frank
Woerner, Agnes Kahler, Helen Lam-
son, Gertrude Besse, George Ham-
erton, Bernice Myers, Beatrice
Tilton, Gertrude Kanzeleiter, Daisy
Knaur, Cecile Culp.

The following letter was re-
ceived from W. L. Taylor, State
