PARAGRAPHS FOR THE BUSY READER

Hanley May Support Harding.—Governor J. Frank Hanley was the guest of Senator Harding at Marion, Ohio, this week. Hanley was the prohibition nominee for president in 1916, but says he is opposed to that party placing a nominee in the field this year.

Forecast For Heavy Harvests.—Larger crops than last are forecast for spring wheat, oats, barley, white potatoes, tobacco, flax, rice, apples. The spring wheat crop is larger than last year's by 82,000,000 bushels, but the winter wheat crop is 114,000,000 smaller.

Made Race at Government Expense.—Questioning of a dozen witnesses at St. Louis Friday by the senate committee investigating campaign expenditures resulted in charges that high cost of living bureaus established by the department of justice "were political enterprises" used primarily to bring about the nomination of Attorney General A. Mitchell Palmer for president by the democratic national convention.

Bolters Talk of Bolt.—The delegates gathering in Chicago at the call of the 48 to organize a new party are divided into many factions each threatening to bolt unless the other concede its demands.

Harding Cannot Attend.—Tremendous demands upon the Republican nominee make it impossible for him to attend the Indiana Republican Editorial meeting at Turkey Run on July 30.

Woolen Mills Close.—Mills of the American Woolen company throughout New England and New York have suspended operation indefinitely, the first great reaction from the war times has fallen upon American industry 40,000 are thrown out of employment.

OLD MAIDS DISCUSS IMPORTANT SUBJECT

Wabash, Ind., July 9.—"Do Old Maids Age Faster Than Their Married Sisters?" and "Shall a Tax Be Levied on Bachelors?" were two of the chief subjects discussed at the annual meeting of the Old Maids' association which was held at the home of Miss Nellie Abshire at Roann. To obtain admittance to the meeting the members had to wear the emblem of the association, a small white flower known as the bachelor button, and every member was carefully questioned before the reception committee would admit her to the meeting.

Miss Myrtle Walters spoke on "How to Be Happy Though Single," Tessie Love replied with "Remarks of Encouragement From Married Members." Members were present from South Bend, Chicago and various towns in Wabash and Miami counties.

Rev. F. A. Sheets, pastor of the U. B. church at Mt. Airy, has tendered his resignation to the church board, same to take effect at once, to accept the pastorate of the Christian church at Remington. Rev. Sheets gave as the cause for his action the discouraging condition existing in the church circles of Mt. Airy, together with the disposition of the Aik church not to help in financial matters.

FORECASTS FOR HEAVY HARVESTS OF CROPS

Washington, July 19.—Forecasts of heavy harvests of the country's principal farm crops marked the July report of the department of agriculture today. The prospective yield in most instances is larger than the average production for the five years, 1914-1918, while tobacco and rice production promises to be the largest on record, tobacco with 112,000,000 pounds more than the previous largest crop, and rice with 11,000,000,000 bushels more than ever produced.

Compared with last year's output this year's winter wheat, rye, corn, sweet potatoes, peach and hay crops give indications of being smaller.

Larger crops than last year are forecast for spring wheat, oats, barley, white potatoes, tobacco, flax, rice and apples.

Throughout June the prospects of every important crop increased.

The spring wheat crop is larger than last year's by 82,000,000 bushels but the winter wheat crop is 114,000,000 bushels smaller, although it is only 45,000,000 less than the five year average production.

Wheat of last year's crop remaining in the former's hands on July 1 was reported as 47,756,000 bushels, or more than 5 per cent of the crop. That added to this year's prospective production, makes available about 856,000,000 bushels of wheat which according to officials will be ample to meet domestic requirements and have a surplus for export.

No circus, no celebration, no Rensselaer attractions so far this summer, we have felt that it was rather quiet in our good town but now we have the promise of a good attraction from The Mutual Chautauqua, good, clean and wholesome entertainment, that every live town needs, remember the dates, July 21st to 25th.

Rev. F. A. Sheets, pastor of the U. B. church at Mt. Airy, has tendered his resignation to the church board, same to take effect at once, to accept the pastorate of the Christian church at Remington. Rev. Sheets gave as the cause for his action the discouraging condition existing in the church circles of Mt. Airy, together with the disposition of the Aik church not to help in financial matters.
