

Ford

THE UNIVERSAL CAR

The Ford Model T One Ton Truck was the first low price truck to carry the worm-drive—that tremendous power delivering mechanism had previously been an exclusive feature with high priced motor trucks. In the Ford Truck, however, you get the worm-drive of manganese bronze material, absolute in strength and positive in the delivery of power, at a very low price. Come in and let us point out the many superior merits of the Ford One Ton Truck, because you need one in your work. We give prompt and efficient repair service.

DOCTORS FAVOR NEW TASTELESS CASTOR OIL

NEW PROCESS REMOVES DIS-
AGREEABLE TASTE FROM
CASTOR OIL.

Doctors have always prescribed castor oil when a real laxative is needed, and all mothers know how much trouble it is to get children to take it. There need be no more trouble, for doctors are now recommending Kellogg's Tasteless Castor Oil, from which all nauseating taste has been absolutely removed. Children take it readily. This splendid remedy is the result of a remarkable process perfected by the chemists of Spencer Kellogg & Sons, Inc. Kellogg's Tasteless Castor Oil is exactly the same as the old-fashioned disagreeable kind. Nothing has been removed but the taste; strength and purity remain the same—a 100% pure castor oil. Sold by all good druggists. If you want a castor oil absolutely without nauseating taste, insist on genuine laboratory filled bottles, plainly labeled Kellogg's Tasteless Castor Oil. Three sizes, 15c, 35c, and 65c.—(Advt.)
