STRUCK BY TRAIN; DIES

DAVID ELDER, FORMER CITIZEN, KILLED AT INDIANAPOLIS SATURDAY.

David Elder, until about two years ago a resident of this city, died in an Indianapolis hospital at ten o'clock Saturday night following an accident which occurred at five o'clock that afternoon at the Citizen's Gas Plant when he was struck by a switching engine in the plant yards. His left foot was severed just above the ankle and he also suffered a fractured skull. The unfortunate man was rushed to the St. Francis hospital where he passed away without regaining consciousness.

Mr. Elder united with the Baptist church of this city for many years, leaving here about two years ago to make their home in Indianapolis.

The deceased was 62 years of age, having been born July 28, 1858, in Illinois. His marriage to Magdalena Ohupp occurred March 2, 1877, to which union thirteen

children were born, seven of whom survive, Charles, Ada, Leonard, Floyd, Clara, Clifford and Millard. John, Ida, Omar, Maude, Willard and an infant daughter preceded him to the grave.

Mr. Elder united with the Baptist church at the age of nineteen years and remained a devout follower of that faith throughout his lifetime.

The funeral services were held at Indianapolis this Tuesday morning and interment was made in Crown Hill cemetery in that city.

That Republican County Chairman Moses Leopold, of this city, and Mrs. Frank Howard, of Remington, representing the women voters, have their forces well organized as election day nears.

Indeed, by the interest manifested throughout the county, the interest reaching to the remotest corners of every township. Rare indeed is that day which passes without a rally in some part of the county these days proclaiming Republicanism as the desire of the great majority. The enthusiasm of Republicans knows no bounds and it is safe to predict that the landslide to the G. O. P. this year will be the greatest in history, surpassing even that of 1904 when the late Theodore Roosevelt defeated Alton B. Parker, the democratic nominee, by an overwhelming majority.

The drift to the Republican standard throughout the forty-eight states of the nation has been so steady and great within the past few weeks that it has cast consternation into the ranks of the democratic party. Never were the spirits of the democrats at a lower ebb, and their attempt to make a fight of it is pitiful indeed.

For Wednesday evening, October 6, Chairman Leopold has provided the voters with a real treat in the way of Congressman Will R. Wood of the tenth Indiana congressional district who will make an address at the Princess theatre. Mr. Wood has a message of vital importance and one which should be heard by every man and woman of voting age in Jasper county. Mr. Wood's experience as a member of Congress has placed him in a position to know whereof he speaks, and there can be no doubt but that a packed house will greet him when he steps onto the stage at the Princess theatre at eight o'clock Wednesday evening to deliver his message of Republicanism.

On October 12 Congressman Wood will again pay the county a visit, having been secured to address the voters at a Republican meeting and basket dinner to be held at the Gilliam church in Gilliam township on that date. Preparations are going forward rapidly to make it a day long remembered, and the meeting is expected to be the largest of its kind ever held in that township. It is the earnest desire of the residents of Gilliam that as many of the republicans of the county as can find it convenient to do so be in attendance.

Mr. Wood's final appearance in the county before the election will occur on Thursday, September 21, when he visits DeMotte to make the principal address of the day at a Republican rally. Many interesting events have been carded for the day, including a flag raising ceremony, basket dinner and the presentation of an American flag to the township sending the largest delegation. Several other speakers in addition to Mr. Wood have been secured for the afternoon and the meeting bids fair to be one of the best of the present campaign.

VAN RENSSELAER CLUB MEMBERS, ATTENTION

The regular monthly meeting of the Van Rensselaer club will be held at the club rooms Thursday evening, October 7, and it is desired that the full membership be present. Refreshments consisting of old-fashioned ham sandwiches, cheese sandwiches, pickles, coffee and cake will be served. Be there.

D. D. DEAN, President.

Edna Robison and Jane Parkison went to Indianapolis today to attend a meeting of the Red Cross committee.

Rev. Edward W. Strecker, for the past several years pastor of the Methodist church in this city, has been returned as head of the local institution for another year, his appointment having been made at the closing session of the Northwest Indiana Methodist Conference at Lebanon Monday by Bishop F. D. Seete.

The return of the popular pastor to this city will be very gratifying news to the members of his congregation as well as to the citizens in general. During the Rev. Strecker's pastorate here the church has made great strides under his able leadership and it is a source of pleasure to learn that he is to be permitted to continue his good work here.

K. OF C. OFFER FIVE MILLION TO LEGION

Chicago, Oct. 4.—The board of directors of the Knights of Columbus today voted to offer the American legion \$5,000,000 for the purpose of erecting a memorial building in Washington.

The building, which would be in memory of the Americans who died in the war, would contain an auditorium seating 20,000, quarters for the veterans of foreign wars the G. A. R., The Spanish war veterans and similar societies. Ownership of the structure would be vested in the American legion and it would be governed by a board of directors. Of the fund offered, \$1,000,000 would be used as an endowment for upkeep of the building.

The \$5,000,000 represents the balance of the \$40,000,000 collected by the Knights of Columbus for war purposes and will not be taken from the fund with which the organization plans to continue its national work.

A committee has arranged to meet Colonel Galbreath, head of the legion in New York within a few days to make the proposition to him, but he has not yet been informed of the proposed gift.

RETURNS TO RENEW FRIENDSHIPS AFTER 19 YRS. ABSENCE

Mrs. A. J. Boston of Pasadena, Calif., has been enjoying a flying visit through Indiana visiting relatives, friends and school-mates at various places throughout the state.

Mr. A. J. Boston, deceased, was one of the veterans of the Civil war and Mrs. Boston came from Pasadena on the G. A. R. excursion.

Mrs. Boston, who is a sister of the late Stephen T. Malchalis and B. D. Comer, has been away nineteen years and since her return has had many pleasant visits with old friends and acquaintances, one of these occurred at the home of Mrs. B. D. Comer, in Union township, Wednesday, Sept. 29, where open house was held and from early morn till late at night friends and relatives poured in to meet with Mrs. Boston again. At the dinner table great nieces and nephews sat with Mrs. Boston and this was her first visit with them.

One notable feature of the friends who gathered to see Mrs. Boston was the fact that five friends were here schoolmates in their youth. They were: Mrs. Joseph Williams, aged 61 years, Amos Alter, aged 61 years; Mrs. John Alter, aged 67 years; Mrs. John Payne, aged 72 years, and Mrs. Boston, whose age is 63 years. Mrs. Boston remarked that this was one of the most enjoyable visits to recall with these old friends the many interesting incidents which had occurred in the days of their youth.

Thursday Mrs. Comer will take Mrs. Boston to visit her cousin, Mr. Art Prevo, at Medaryville, at which place she will again renew her acquaintance with friends and relatives, as Medaryville was formerly her home for many years.

KNIGHTS OF PYTHIAS GATHER IN ANNUAL SESSION

Indianapolis, Oct. 4.—Members of the Knights of Pythias order from every part of the state tonight were arriving for the annual session of the grand lodge of the domain of Indiana. The sessions open tomorrow and will continue through Wednesday.

About fourteen hundred delegates are expected to attend.

The Pythian sisters will hold their annual session Friday and Saturday. All of the officers of the grand lodge of the Knights of Pythias are expected to be advanced. This leaves only the outerguard to be elected. Candidates for this office are Harry L. Unger, Plymouth; Fred C. Palin, Newton; Nathan J. Lane, Liberty; Louis B. Elmore, Monticello; Guy Dausman, Goshen, and William H. Byington, Evansville.

A distinct boost to the appearance of the business section of the city has been brought about by Wallace and Murphy, proprietors of the College Inn restaurant, who have installed a large electric sign, containing sixty-five lights, on the front of their building. The sign gives Rensselaer a certified appearance and is an advertisement which other merchants might do well to copy.

Vernon Nowels received a telegram this morning from his sister, Mrs. Lillian McGumsty, of Longmont, Colo., notifying him of the sudden death of her thirteen year old son, Alfred. Mrs. Lillian McGumsty will perhaps be better known to her friends here as Miss Lillian Nowels. No particulars of the death have been received.

MRS. FRANCES HOPKINS CALLED

AGED LADY PASSES AWAY AT EARLY HOUR THIS TUESDAY MORNING.

Mrs. Frances Hopkins, for many years a prominent and respected citizen of this city, passed away at her home on Park avenue at four o'clock this Tuesday morning, death following an attack of heart trouble, which had occurred an hour previous. Mrs. Hopkins' death was sudden and unexpected as she seemed in her usual health upon retiring Monday evening.

About three o'clock she called to her daughter, Gertrude, and informed her that she was not feeling well. The latter administered to her, but her condition grew steadily worse and a physician was called, but she sank rapidly until death came.

Mrs. Hopkins had been a continuous resident of Rensselaer for twenty-four years, having come here with her husband and family from Kansas, to which state they had gone after leaving Goodland, Indiana. Previous to the time the family had lived in Goodland they had resided in Rensselaer, having come to this city from Ohio.

The deceased was born in Portage county, Ohio, October 19, 1836, and was therefore almost eighty-four years of age at the time her death occurred. Her marriage to Austin Hopkins occurred March 4, 1854, and to this union five children were born, two of whom survive, Mrs. Wm. Thompson, of Sullivan, Ind., and Miss Gertrude, of this city. One sister, Mrs. Henry Purcupple of this city also survives her.

In the death of Mrs. Hopkins the community feels a deep loss. The greater part of her lifetime was devoted to others and in this community she will be remembered as a kind and loving wife and mother and one who was a power for good in church and social circles. She was a member of the Methodist church with which she united during early girlhood and of the Ladies' Literary society in which she took much interest.

The funeral arrangements have not been completed but services will probably be held Thursday afternoon and burial made in Weston cemetery.

RENSSELAER WORKING HARD FOR LOGANSPORT GAME

Coach Leighley of the high school football team is driving his men hard this week in an effort to place them at the top of their form for the Logansport game here on October 3. The momentous game afforded but little conditioning exercise for his pupils and he realizes that much must be done in the remaining four days if the locals are to stop the Cass county pastimers. It will be remembered that Rensselaer held Logansport to a 7-7 draw at Logansport in 1919, and the squad and their followers are anxious to remove all doubt as to their superiority.

No physical ailments are hampering the work of the squad at present and if the full strength of the team is available Saturday Rensselaer should be returned the winner.

Lionel Barrymore "The Copperhead"

What "The Birth of a Nation" was an epoch in picture making and as a historical feature is not less than "The Copperhead." Perhaps one of the most wonderful characterizations of the history of the screen is to be found in Mr. Barrymore's "Milt Shanks," the man who suffered for forty years under the appellation of "Copperhead," who saw his wife die of a broken heart, who was denied the privilege of looking at the face of his dead son, who went to prison, all to serve

his country as President Lincoln's most trusted secret service agent. The Copperhead is a leaf from American history, with the life and characteristics of the martyred president coming in for inspection. The rest of the cast is universally excellent. The attention to detail which has been given the production is also a notable feature.
