NO SUBSTITUTE FOR JIM.

Senator Watson is not only one of the real leaders in the United States senate, he is a national figure whose political fortunes in Indiana this year are being watched with much interest throughout the whole country. A special endeavor should be made by Republicans everywhere to see that Watson gets the large vote to which his eminent services to his party and his country entitles him.

Senator James E. Watson is one of the strongest men in the United States senate today. He is a close student in all national affairs and his service in the senate has given him a prominence and recognition in government councils where questions of great national importance are considered. His ability, his geniality, and his activity has done much to give Indiana more prominence in government affairs than any other middle or western state. A failure to return Mr. Watson to the senate will be a disaster to the state of Indiana. No other man of any politics in the state can fill Watson's place because of his past experience and the knowledge he has gained of national affairs. He is a strong man; he is a leader; he is a man that has done Indiana proud and the state cannot afford to lose him at this critical time. The nation needs his services; the nation needs strong men

of ability at this time. There are none stronger; no better American; no more able man in the United States senate than Hon. James E. Watson, senator from the state of Indiana. For the good of the state for the good of the nation at a time when strong support is needed, every voter in the state should lay aside personalities, small things, and grasp the broader views of Americanism, patriotism, at a time when those loyal sentiments are so much needed, and vote to return Indiana's able senator to the support of the incoming American administration. Vote for Mr. Watson as you would for Mr. Harding, and aid in supporting Mr. Harding in making his administration the success that you would have him make for America and American principles. The president must have the support of the congress and the senate. No president can do things alone. That has been tried recently and proved a failure. That is one reason why you are going to vote for a change.

In voting for the change then remember to cast your ballots also in support of that change in the national halls of congress.

CLEVELAND WINS FIFTH WORLD'S SERIES GAME

Cleveland took the fifth game of the world's series from Brooklyn at Cleveland Sunday, nicking the offerings of Burleigh Grimes, Brooklyn ace, for twelve solid smacks, including two homers, one by Smith with the bases choked, and the other by Bagby, Cleveland pitcher, with two on. Brooklyn made thirteen hits but was unable to bunch them effectively.

Willie Wambagans, Cleveland second baseman, turned a trick equalled but once before in major league base ball when he completed a triple play unassisted. Kilduff and Miller had singled in succession when Mitchell, who had relieved Grimes, smashed a liner high and to the left of Wambagans. Wambagans leaped into the air, snatched the ball and ran to second before Kilduff could return to the bag and then tagged Miller who was charging for second. It was a brilliant performance and no better setting could have been given the play than to have it occur in a world's series game.

The series after the Sunday game stood three to two in favor of Cleveland. The teams met at Cleveland again this Monday afternoon.

Henry even carries matches now

HENRY WAS "near."
IN OTHER words, tight.
HE CARRIED two packs,
OF CIGARETTES.
ONE FOR friend Henry.
FULL OF "Satisfys."
AND THE other containing.
JUST ONE cigarette.
AND THAT lone cigarette.
WAS ALWAYS offered.
TO SMOKELESS friends.
WHO WERE all polite.
AND REFUSED to take it.
AND SOMEHOW Henry.
WAS NOT popular.
TILL ONE day by mistake.
HE PULLED the full pack.
AND EVERYONE fell on it.
WITH LOUD cries of glee.
HIS STRONG constitution.
CARRIED HENRY through.
AND DAY by day.
HE GREW more popular.
AND HENRY knew why.
FOR HE'S nobody's dummy.
AND NOWADAYS he not only.
CARRIES THE cigarettes.
THAT SATISFY.
BUT FORCES 'em on people.
GIVES AWAY packs of 'em.
AND, SHUCKS.
HENRY COULD run for Mayor.
AND GET away with it now.

GIVE your friends the real thing—introduce them to Chesterfields! Odds are they'll find just what you've found in this wonderful Turkish-Domestic blend—a smoke that by comparison seems way out of its price class—and it "They Satisfy!"
