WILL EAT TURKEY THANKSGIVING DAY

John Southard of Milroy township was in Rensselaer today. He still has a broad smile over the result of the recent election and is exceptionally proud of the record of Milroy township, which went for Harding better than two to one. Mr. Southard is the Republican chairman of that township and deserves great credit for the showing made by his party in the township.

Whether it is to celebrate the election or the home coming of their children Mr. and Mrs. Southard are planning on a big time Thursday and the big turkey gobbler has been selected and will in due time be prepared for the Thanksgiving feast.

Their three children will sit with them at the heavily laden dinner table and it will be an occasion of joyful family reunion. The three children are Mrs. Frank Gimson of Monticello, Mrs. Walter Gilmore of Milroy township and Miss Belle Southard, of Rensselaer, who is assistant county treasurer.

But this is not all. A newly married granddaughter is to be present with her brand new husband. The bride is the daughter of Mr. and Mrs. Frank Vinson of Monticello and the groom is Benjamin Kane, a prominent Monticello business man. The father of the bride is the auditor of White county.

PREPARE FOR THE COLD.
I am prepared to give you the best of service repairing your side curtains and Detroit winter tops.

"POLLYANNA" TO BE PLAYED AT ELLIS

"It is the eternal good stuff from which all real plays are made," said Dr. Frank Crane, after enjoying the performance of Eleanor H. Porter's "Pollyanna," which is to be presented by Rensselaer's Community Players at the Ellis Opera House, Wednesday, Nov. 24, under the direction of the Dewey Biggs Post, No. 29, American Legion.

"Pollyanna," the Glad play, which has brought so much good cheer to audiences that have witnessed it in all the larger cities of the United States, tells the story of a little orphan girl, who comes to live with her aunt in a small New England village. In the four acts "Pollyanna" moves about from her aunt's home to the home of John Pendleton, teaching all she meets the great game of "Being Glad" and with such frightful results that it not only cures the hypochondriacs of the village but re-kindles the love affair between her aunt and Doctor Chilton, who have not spoken for twenty years.

"Pollyanna" will be the best local play to be presented here in years. The cast has been selected with care and the scenery and lighting effects will be especially built for this production.

Frances Wood will play "Pollyanna"; Mrs. Cope Hanley, "Miss Polly Harrington"; French Crooks, "John Pendleton"; Harold Littlefield, "Dr. Chilton"; Thelma Shafer, "Nancy"; Jane Parkison, "Mrs. Gregg"; Martha Ramp, "Mrs. Carmody"; Phoebe Randall Brogin, "Miss Carroll," all members of the Ladies' Aid, Roland Reed, "Bleeker" and John Charles Hill and Willet Hill as Jimmy Bean, "an orphan."

The first act represents Miss Polly's home, during the meeting of the Ladies' Aid. Acts two, three and four, John Pendleton's library, next door.

"Pollyanna" is proving to be one of the best drawing plays and is being presented throughout the country at the present time. The royalty for this play is very high but the Community Players are planning to present only the best plays this winter. George Cohen's "A Prince There Was," and Maude Fulton's "The Brat" will follow "Pollyanna."

Some electric washers lift and dip the soiled fabrics in a tub of sudsy water—and it is a good method.....

Other electric washers rock and toss the soiled fabrics to and fro in sudsy water—and it is a good method.....

The ABC Electric Laundry does both. Really it alternates these good methods—and so it combines their advantages.....

This Ends Discussion!

If you have been looking at electric washers your mind is muddled concerning whether the lifting and dipping method or the rocking and tossing method is preferable. In fact, both are good. Why not get an ABC Electric Laundry that uses both methods—and so ends discussion!
