

Ford

THE UNIVERSAL CAR

THIS COUNTRY IS GETTING BACK TO PRE-WAR

conditions and the farmer who wants to make money in the future will have to cut the production cost per bushel of his products. To do this he must increase his own capacity and dispose of all excess animal power. The farm is a factory and will pay dividends on modern labor-saving machinery the same as any other factory. Farmers who have kept costs on tractor and horse farming have invariably found that the FORDSON and ASSOCIATED IMPLEMENTS will return a large profit over horses even though the grain fed to horses be at the present low market level. THE CENTRAL SALES CO., of Rensselaer, sowed approximately forty acres of rye this fall using a FORDSON exclusively for power at the following cost per acre:

The ground was plowed, culti-packed, and drilled.	
Total Kerosene, 110 gal. at 23c	\$25.30
Total Gasoline, 5 gal. at 30c	1.50
Total Motor oil, 8 gal. at 90c	7.20
Total Trans. oil, 2 gal. at 80c	1.60
Total Man hours, 97 hours, at 40c	38.80
Total	\$74.40
Depreciation, interest, upkeep	56.67
Total	\$131.07

Which equals \$3.27 per acre.

For the Total cost including Fertilizer and Seed

RARE TREAT FOR MUSIC LOVERS

MUSICIANS OF NOTE TO APPEAR HERE NEXT THURSDAY EVENING.

A rare treat is in store for the music loving public Thursday evening when Miss Wynette Cleveland, Crawfordville pianist, and Miss Anne Leonard, Francesville, vocalist, appear at the Presbyterian church under the auspices of the Industrial Society to give a recital. Both of the young ladies are musicians of note and have attained a high niche in the music world.

Miss Cleveland is from Crawfordville and one of the most brilliant of the younger pianists of Chicago. She was the winner of the Indiana Federation prize in 1919 and diamond medal winner of the Chicago Musical College. Later this season she will appear as soloist with the Milwaukee Symphony Orchestra.

Miss Leonard is well known in this city, being a graduate of the local high school, and a daughter of Mr. and Mrs. W. B. Leonard. She is a graduate of the Chicago Musical College and last year was the winner of the Carl D. Kinsey vocal prize of her school, and also sang with the Chicago Symphony Orchestra, Frederick Stook conducting. This year Miss Leonard won the scholarship of the college, is a member of the Iota Alpha Chapter of the Mu Phi Epsilon Sorority, composed of professional musicians of only high standing and ability.

The following is the program to be given here Thursday evening, December 9:

TAX Payers STRONG FOR ROAD IMPROVEMENT

John Pettet and son, Jay, of Walker township were in Rensselaer Monday. He reports that the recent election on the proposed Dewey Stone road carried almost unanimously.

The Wheatfield Review had the following article in reference to the proposed strip of road to be improved.

The special election held in Walker township last Saturday, Nov. 27, to decide whether the township wanted a new stone road, resulted in favor of the improvement by a vote of 83 votes for to 3 against. The new road will commence on the township line between Walker and Wheatfield townships at the north-west corner of section 2, thence south one mile, thence west through Zedoc two miles, thence south one mile, connecting with the stone road running west to Kniman and when the connecting link is constructed to the stone road, 1 mile south of Kniman, this route will be the most direct road to the county seat.

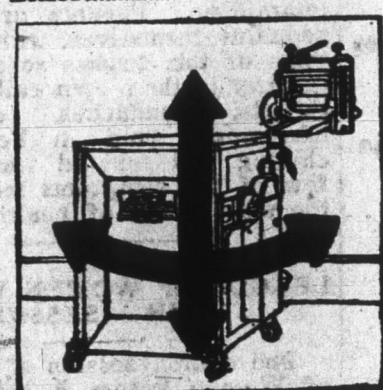

WILL HOLD COUNTY K. OF P. MEETING

The Knights of Pythias will hold a county meeting at Remington on December 16.

The local lodge has been requested to confer one of the ranks on candidates at that meeting. Mabel Gaylord of Great Falls, Montana is the guest of A. J. Keeney, who is county superintendent of school at Great Falls.

Some electric washers lift and dip the soiled fabrics in a tub of sudsy water—and it is a good method.....

Other electric washers rock and toss the soiled fabrics to and fro in sudsy water—and it is a good method.....

The ABC Electric Laundry does both. Rapidly it dissolves those good methods—and it combines their advantages.....

This Ends Discussion!

If you have been looking at electric washers your mind is muddled concerning whether the lifting and dipping method or the rocking and tossing method is preferable. In fact, both are good. Why not get an ABC Electric Laundry that uses both methods—and so ends discussion?

BASKET BALL AT ST. JOSEPH

A STRONG QUINETTE HAS BEEN SELECTED FOR THE 1920-'21 SEASON.

After a number of scrappy, hotly contested games for the coveted positions on the representative team, the following six men have been chosen: Cox, Laux, Scheidler, O'Brien, Arnold, and Finske. Two more are to be chosen in a few days. Cox and Laux will hold up the heavy end of the tossing, while the rangy Scheidler performs at center, with O'Brien and Arnold ready to stop the opponents in their tracks.

This combination should prove one of the strongest quintettes that ever wore the purple and red. Cox, Scheidler and O'Brien are veterans of last year's fast team, which defeated some of the best teams in the state. O'Brien has been elected Captain and will be the pivot of the squad both in offensive and defensive work, as he is an extremely speedy floor guard and one of the surest point getters in the lineup. With Cox, the sure shot of last season at forward, aided by the gritty Laux in the same position, and Scheidler, the fast, hard-working last year's back guard, covering the floor, the 1920-'21 varsity is going to be a hard one to defeat.

Mr. George Hironimus of Rensselaer, has been engaged to coach the team, and is well satisfied with the team he has selected.

Finske will be the utility man, showing the ability of a veteran. The schedule for the season will begin next Saturday, Dec. 11, when the fast Brook High School team journeys here. Brook has played a number of games, but Coach Hironimus is confident that the locals can outclass them.

C. R. Sheffer of Keener township was in Rensselaer Monday. We are pleased to have Mr. Sheffer enrolled with the names of those who received the Republican.

SUCCESSFUL MEETING CLOSSES.

The revival meeting which had been in progress at Virgie for the past two weeks closed Sunday night. Those who have been regular attendants, consider it one of the best meetings they ever attended. As a direct result of the meeting thirty people made the Good Confession and two others took membership with the congregation. The preaching was done by William T. Barbre, minister of the Rensselaer Christian church who has also been preaching for the congregation once a month on Sunday afternoon. During the past year there have been ten other conversions. The baptismal service will be held at the Rensselaer Christian church next Sunday afternoon at three o'clock. There are thirty-two to be baptized. The congregation will be organized into a church in the next few days.

Mr. and Mrs. H. L. Damon of Los Angeles, Calif., are guests here of Mr. and Mrs. Ancil Woodworth of Park avenue, also of other relatives and friends. Mrs. Damon is a cousin of Mrs. Woodworth.

SPECIAL DELIVERY

Rensselaer, Indiana,
December 6, 1920.

Dear Miss Boston Fern:

On behalf of my neighbors I want to say how nice you look and how nice you make a home look. But you must not overlook the fact that we—I mean Miss Pink Begonia, Miss Primrose and many fine plants grown by the same men will make a home look, just as homelike as you can. By Christmas you will find we will be gladly received as a Christmas gift.

Yours,

MISS ALPINE VIOLET CYCLAMEN.
