

# Ford

THE UNIVERSAL CAR

THIS COUNTRY IS GETTING BACK TO PRE-WAR conditions and the farmer who wants to make money in the future will have to cut the production cost per bushel of his products. To do this he must increase his own capacity and dispose of all excess animal power. The farm is a factory and will pay dividends on modern labor-saving machinery the same as any other factory. Farmers who have kept costs on tractor and horse farming have invariably found that the FORDSON and ASSOCIATED IMPLEMENTS will return a large profit over horses even though the grain fed to horses be at the present low market level. THE CENTRAL SALES CO., of Rensselaer, sewed approximately forty acres of rye this fall using a FORDSON exclusively for power at the following cost per acre:

The ground was plowed, culti-packed, and drilled.	
Total Kerosene, 110 gal. at .23c.....	\$25.30
Total Gasoline, 5 gal. at 30c.....	1.50
Total Motor oil, 8 gal. at 90c.....	7.20
Total Trans. oil, 2 gal. at 80c.....	1.60
Total Man hours, 97 hours, at 40c.....	38.80
Total.....	\$74.40
Depreciation, interest, upkeep.....	56.67
Total.....	\$131.07

Which equals \$3.27 per acre.

## OBITUARY.

William Warren died at his home in Walker township on November 19, 1920, at 11 o'clock a. m. He had been in declining health for several months and began to fail rapidly about a week ago. Heart and pneumonia was the cause of his death.

William Warren was born in Warren, Ohio, March 31, 1843, and at the time of his death was 77 years, 7 months and 19 days of age. In 1852, with his parents, he came to Indiana, and since that time Indiana has been his home except for a four years' period when he served as a soldier in the war of the Rebellion, enlisting in 1861 and serving until the close in 1865.

William Warren was a member of Co. K, 48th Ind. Regt. In 1863 he was wounded and taken prisoner, spending one night in prison, being released the following day when an exchange of prisoners was made. William Warren came of a patriotic family, for during the great Civil war three other brothers and three of his sisters' husbands were in the army, seeing long service and every one suffering from wounds. In the year of 1885 the deceased was united in marriage with Ollie Zick, of Tefft, Ind.

Besides his wife he is survived by two children, Louis Warren of Walker township and Hattie Grube, of Foreston, S. C. Also one brother, David Warren of Rensselaer, Ind., two sisters, Mrs. Maria McElfresh, of Rensselaer, Ind.; and Mrs. Ellen Oram, of Chicago; two grandchildren and numerous other relatives.

All the family were with him during his last sickness except his daughter, who, on account of herself being sick, was unable to be present at the time of his death and funeral.

Mr. Warren's funeral, which was largely attended by his many friends and neighbors, was held at the Methodist church, and a kind and loving father and the memories of his life will be long cherished by those who knew him.

Services were conducted by the Rev. E. W. Strecker and burial made in Weston cemetery.

The burial services were in charge of the G. A. R., deceased being a veteran of the Civil war.

### CARD OF THANKS.

We desire to express our heartfelt thanks to the friends and neighbors for their words of sympathy and the many acts of kindness shown us during the illness and death of our husband and father, Wm. Warren.

MRS. WILLIAM WARREN AND CHILDREN.

### OYSTER SUPPER AND SOCIAL.

The Rebecca of Parr will hold an oyster supper and social in the basement of the Parr schoolhouse Wednesday evening, December 15. All are invited.

## RENSSELAER PUBLIC SCHOOL NOTES

### Primary Building.

The members of the Junior Red Cross have responded with their usual enthusiasm to the call for decorations for community Christmas trees in districts where such are unknown. Many bright and attractive decorations are being prepared.

The third, fourth and fifth grades have worked hard in the campaign against tuberculosis by selling Christmas seals. So far they report about six thousand sold.

Mrs. A. A. Shepler will resume her work in the school next Monday after two weeks' absence. Mrs. M. L. Sterrett has been substituting for her.

There has been very few absences among the pupils above the first grade during the week.

Twelve visitors are reported for the week. They were patrons and others interested in our school.

The rooms in the building are unusually attractive with Christmas work of the pupils and decorations portraying many phases of Christmas.

Miss Cecile spent last Wednesday with her parents, who were celebrating their fiftieth wedding anniversary. Mrs. John Culp, a former Rensselaer teacher, substituted for her.

### Grammar Building.

Since the acquisition of the armory, this department has four regular gymnasium periods a week, instead of irregular hours as before. Two of the four periods are given in the high school gymnasium.

The pupils of this building have been very successful in their sale of the Christmas seals, each room having sold more than their allotted number.

Patrons are cordially invited to visit this department at all times. We believe that you have a right to be interested in what we are doing, and the way in which it is done.

### High School Building.

The high school girls are taking a great interest in girls' athletics for the winter. During the past week, more than fifty girls have enrolled for girls' basketball or volleyball ball.

The boys' color league basketball has been started with more than sixty boys on the various teams. There are six teams coached by the varsity boys. Material for the varsity team for next year, is in the making in these teams.

At the beginning of the school year, an athletic association membership contest was held in the high school. The Freshmen and the Sophomores were the losers and on Friday night of this week they paid their obligations to the upperclassmen in the form of a two-course banquet. There were many interesting toasts given which helped in making the evening a very pleasant one.

The Nature, History and Agriculture Clubs held their regular meetings this past week. The first two clubs met in the second floor of the grammar building while the Agriculture club was entertained in the home of Earl Wilcox.

The Glee club will present a minstrel show in the high school auditorium next Tuesday and Wednesday evenings. This entertainment is open to the general public and a small fee will be charged.

## COUNTY EDUCATIONAL NOTES.

The Jasper county board of education met in regular session last Monday. All trustees were in attendance except Julius Huff of Jordan township who attended the funeral of his foster mother at Francisville. The board voted unanimously to hold a county institute at the high school auditorium in Rensselaer on Saturday, Dec. 18th. This day will count for one of the regular township institutes. Each school will bring from one to five specimens of superior work to be exhibited at the auditorium on that day. Patrons and friends of education are expected in large attendance. Each teacher was requested to give a cordial invitation to the parents of children represented in her school. The program for the day will be filled with speaking, songs, declamations, etc., etc.

A township educational conference will be held for Hanging Grove township at McCoyburg on Friday night of December 17th at eight o'clock. A box social will follow the conference of speaking which will last about an hour before the boxes are sold. Trustee Parker reports that a large crowd of interested patrons and young people will be in attendance. The evening's doings is designed to meet the needs of elderly persons as well as young people.

The Union schools in Jordan township were unable to open last week as was announced through the notes. Trustee Huff decided that another week's quarantine would be better than to reopen the school. Another family represented in the school took down late last Sunday and led to the change of orders. Patrons are again and again very urgently asked to safeguard the schools and families by keeping a close watch over their children. The schools at Knimans are running again but the primary teacher, Miss Bernice Myers, is on the sick list.

Practically all of the township schools will be closed for two weeks Christmas vacation.

## SEVERE "FLU" EPIDEMIC UNLIKELY THIS WINTER

"There is absolutely no way of definitely fortelling whether this winter will witness any recurrence of influenza in epidemic form," said Surgeon General H. S. Cumming of the United States public health service recently.

"As a result, however, of every careful analysis of the epidemiology of influenza, especially as the result of intensive studies in homes where influenza occurred in 1918, it may be stated that an attack of influenza appears to confer a definite immunity to subsequent attacks; an immunity lasting for several years."

"Inasmuch as the epidemic of 1918 and 1919 affected so very large a proportion of the population, it would not assume epidemic proportions of the past two years, nor would it rage in such severe form."

"When The Moon O' June Is Shining In The Wabash," Lon Healy's new song hit, now on sale at Jarrette's.
