### CHURCH HAS SUCCESSFUL DAY

Volunteer day at the First Christian church proved a success from every standpoint. Rev. C. W. Caudle, who was the speaker of the day, gave two addresses which were much appreciated. Many families brought their dinners and enjoyed the fellowship at noon. It is believed that practically every member of the church present at any one of the services made a pledge to the church. Next Sunday afternoon the men will visit those who did not make pledges yesterday.

One of the most impressive services witnessed in the church was the baptismal service at the close of the afternoon service when twenty-eight men, women and young people were baptized. Nineteen of the twenty-eight were men and young men will visit those who did not of the number to be baptized could not be present.

## GREEK WARSHIPS. CALL FOR EX-KING

Invitation to Return to His Throne  
Is Received by Constantine.

### FLEET GOES TO MEET HIM

Athens Notifies Monarch—Cruiser and Escort of War Craft Will Receive Him and Family at Venice on Wednesday.

Lucerne, Switzerland, Dec. 13.—Official notification of the result of the plebiscite in Greece and an invitation to return to Athens and ascend the Greek throne immediately were received by former King Constantine here.

The Greek government notified Constantine it will have a Greek cruiser and an escort of warships to receive him and his family at Venice on Wednesday.

Because of the health of Queen Sophia plans had been made for Constantine and his family to travel by the way of Brindisi, but, on account of the arrangements made for his return, his plans have been changed, and the family will leave Lucerne on an ordinary train, probably Monday.

In a message addressed to the people of the United States Constantine said:

"I solemnly declare to the American people that neither the policy I followed in the past nor the action of my people in unanimously calling me to my throne were actuated by any intention to show hostility toward the allies.

### Interests Identical.

"More than anyone else I realize that the interests of Greece and those of the allies and America have ever been and are now identical. I personally am anxious to show it by all the means I possess, and am only too willing to clear up the misunderstanding of which I had until now been the victim.

"I sincerely hope and believe I will get the hearty support of the American people, whose wonderful qualities I admire and whose sincerity, open-mindedness and impartiality I unreservedly rely upon."

### Ships Leave for Venice.

Athens, Dec. 13.—The Greek battleship Averoff, commanded by Admiral Botzle left Piraeus Friday for Venice, accompanied by a number of smaller vessels.

Speculation in foreign exchange has stopped temporarily, but the drachma is quoted at 14 to \$1. It is planned to draw the balance of Greek credits in America to meet the present difficulties facing the government.

Three hundred members of the Greek staff who were appointed during the regime of former Premier Venizelos have been superseded by royalist officers.

Minister of war Gounaris apparently is shaping his course in the belief that the British are not opposed to the return of Constantine.

It is being urged in some quarters that the British, needing the Greek army to oppose the Turkish nationalists in Asia Minor, will restore credits to Greece within a few months.

Prices of most foodstuffs are increasing. When any unusual noise is heard in the streets the remark is made: "That's the sound of the drachma falling."

### CLARA SMITH STILL MISSING

Hamon Case Girl Fails to Appear at Fort Worth—Stage All Set for Surrender.

Fort Worth, Tex., Dec. 13.—Clara Barton Smith, charged with murder in connection with the death of "Jake" L. Hamon, Republican national committeeman from Oklahoma and millionaire oil and railroad man, has failed to appear at the offices of her attorneys, McLean, Scott & McLean, here, as had been expected. All arrangements had been made for the young woman's reception and the law firm's outer offices were filled with newspaper men. Motion picture cameras were set up in the street, and once, when a young woman reporter hurried up to interview Mr. McLean, a camera man ground madly. Miss Smith was not to be arrested while in Fort Worth, it was understood, but was to be permitted to return to Ardmore, Okla., where, it is charged, she fired the shot November 21 that caused Mr. Hamon's death November 26. Her attorneys expected her to arrive from the vicinity of El Paso, Tex.

### NEAR BEER FOR BOOZE; 2 DIE

Patron Returns to Saloon With Pistol After Barkeeper Serves Mild Drink.

Passaic, N. J., Dec. 2.—Two men were shot dead and one seriously wounded in a saloon here after the barkeeper had served near beer to a patron who asked for whisky. Frank Makovsky, who was shot in the neck, told the police that fifteen minutes after he had refused to give whisky to a man he knew only as "Steve," serving near beer instead, the man returned with a pistol and opened fire. The dead are Anthony Gronitz, shot through the heart, and Andrew Barensky, shot through the head. Later the police arrested Stephen Paduch as he was crawling under the porch of his home.

### TAILORS MOVE TO CUT COST

Association Starts Co-operative Shops in St. Louis to Eliminate Contractors.

St. Louis, Dec. 2.—Two co-operative tailor shops will be opened here within the next week, under the direction of the Merchant Tailors' association of St. Louis, on a plan that will result in a material reduction in clothing prices. The work to be done in these shops is at present performed by "contractors" who make up suits after they have been cut out by the merchant tailors, Fox explained. The elimination of these contractors, coupled with the drop in the price of wool, will be important factors in effecting a reduction of \$10 to \$15 on clothing now selling from \$45 to \$75, Fox said.
