FORDSON TRACTOR MAKES RECORD RUN.

PLOWS FORTY DAYS AND NIGHTS: 900 ACRES WITHOUT REPAIRS

Stopping only for fuel and oil, a FORDSON tractor, owned by N. Korpus of Ludden, Dickey county, North Dakota, recently completed a record run of forty days. Three operators were assigned to the tractor, each working an eight hour shift, thus keeping the tractor in operation 24 hours a day. "Nine hundred acres were plowed without one minute's stop for repairs," says the affidavit received by the Ford Company from the FORDSON owner.

The tractor was equipped with electric lights. No special efforts were made to run a test. The farmer simply obtained his operators and set them to work, with the result that they set a new record.

Last week in this paper we set forth some operating costs, showing that a FORDSON is a MONEY SAVING TOOL FOR THE FARMER TO OWN. The above record of a FORDSON in the hands of an owner shows that the FORDSON is a dependable machine that will do your work with a freedom from repairs and annoyances that can not be equalled.

Next week we will have a word to say about SERVICE.

A FOOL FOR LUCK AT NEW ELLIS THIS EVENING

"A Fool For Luck," a three-act comedy drama, will be the offering of the Gordon Players at the New Ellis Theatre this Saturday evening. It is a play that will please all devotees of the legitimate stage and one that is highly recommended by all critics. This evening's performance will be followed on Christmas day by "Tess Of The Storm Country," featuring Miss Ethel Lorraine as "Tess." A matinee will also be given Christmas day.

The prices for this evening's performance remain the same, 50c and 25c plus tax.
