IS NAMED LEGION HISTORIAN

Eben Putnam Performed Similar Service Before the Office Was Made Permanent.

A life of singular variety and adventure has been that of Eben Putnam, new-chosen national historian of the American Legion.

Mr. Putnam was born in Salem, Mass., Oct. 10, 1868. He received his education in private schools and the Cambridge high school. While he was a boy he was the companion and assistant of his father, the distinguished anthropologist, Prof. Frederic Ward Putnam, in archaeological explorations in various parts of the world.

Mr. Putnam has been deeply interested in genealogy, eugenics and New England histories, and has compiled and published a number of works on these subjects. He has conducted extensive investigations over a period of more than twenty-five years into the question of immigration. He is a member of the Society of Colonial Wars, the Sons of the American Revolution, the Military Order of Foreign Wars, and American Historical Society.

Early in the fall of 1915 Mr. Putnam became convinced that this country must enter the war eventually, and joined the training school organized in his state. He attended the Plattsburg camp the following summer and the next winter was a member of a provisional battalion of infantry. He was barred from a commission in the line because of his age, but on April 4, 1917, was commissioned a captain in the quartermaster corps. His son also was in the service.

Mr. Putnam served as assistant to the depot quartermaster in Boston and later served overseas in the fuel branch. He was discharged August 22, 1919. Mr. Putnam is a charter member of Wellesley Post No. 72 of the American Legion, and was insurance officer and post historian until he resigned to accept the post of department historian for Massachusetts, where he served also in the capacity of a member of the state executive committee. He had performed the duties of a national historian of the Legion before that office was made permanent.

TO BE GREAT WAR MEMORIAL

State of Indiana to Erect Magnificent Building to House Legion National Headquarters.

The erection of a magnificent building to house national headquarters of The American Legion in Indianapolis is assured following the action of the Indiana state legislature, which voted that the state war memorial should take the form of a structure for this purpose.

A tract of state-owned land in the center of Indianapolis, 900 feet long by 450 feet wide, will be dedicated to this project and the city has been authorized to include two additional city blocks adjoining the state properties. The result will be a splendid plaza with American Legion headquarters in the center. The land is valued at approximately \$12,000,000.

The Legion building will be constructed under the control of a board of trustees appointed by the governor of Indiana. All members will be men of the Legion. Already the Indiana legislature has voted a tax levy which will yield more than \$3,000,000 as an earnest of its desire to adequately house and equip national headquarters of the Legion.

SINCERE FRIEND OF LEGION

Mrs. Janette Logan Jacobs Has Been Hard Worker in Interest of Disabled Ex-Service Men.

A fearless and devoted worker in the interest of the disabled ex-service man, Mrs. Janette Logan Jacobs of New York city, has proved herself a sincere friend of the American Legion. It was Mrs. Jacobs who supplied the Legion with many of the facts which it laid before congress when it demanded the reform of the federal board for vocational education, a reform which had been carried out largely under the direction of the veterans' organization.

Post Meets in Two Towns

When Lee-Bishop post of the American Legion was organized in the two towns of Hudson and Twinsburg, O., a novel scheme was hit upon to avoid jealousy between the communities. The post holds its sessions in the two places on alternate meeting nights.
