OUTLOOK FOR COMING YEAR MAGNIFICENT

WITH REPORTS FROM EVERY PART OF THE STATE GLOWING WITH ENTHUSIASM, 1925 WILL BE YEAR OF MANY ADDED ACCOMPLISHMENTS IN INDIANA KLANDOM

State Has Been Battleground for Enemy Which Unloaded Heaviest Artillery Against Protestant Hoosiers—All Attempts of Foe Fail in Face of Determined Americans—Indiana Played Prominent Part in the Wrecking of Political-Ecclesiastical Machine

With most heartening reports from every part of the state and with enthusiasm among local units at a high pitch, the Klan in Indiana enters the new year with a most magnificent outlook for 1925. Many things have been achieved during the past twelve months and Klansmen are looking forward to big accomplishments during the coming year.

Definite programs for 1925 have been mapped out by Indiana Klansmen and many new Klaverns, auditoriums and Klan homes will be built during the next twelve months. Reports from Fort Wayne, Richmond, Lebanon, Logansport, Kokomo, Michigan City, Hammond, Knox, Winamac, Marion, Union City, Terre Haute, Evansville and Crawfordsville, scattered as they are in all parts of the state, show the strength the Klan has gained during the year.

The fact that through moral influence the Klan has been successful in placing men in office throughout the state who are staunch in their belief in American ideals means much to Indiana Klansmen. It means that the Klan is not a mere organization of men, but a force for good in the state. Bitter attacks throughout the year featured the insidious attacks on the Klan. Behind each
