

A GRAND DEMOCRATIC VICTORY

Indiana Elects the Hon. Thomas R. Marshall for Governor by Majority Estimated at from 5,000 to 35,000—Other Democratic State Officers Probably Will Be Elected Also—Marion County Democrats Elect All of Their Candidates.

RALPH MOSS TO GO TO CONGRESS

Howard Maxwell, the Rockville Candidate, is Defeated—Morgan County, Usually Republican, Rallies to the Support of Mr. Moss and Gives Him a Majority—F. C. Tilden, Candidate for Joint Senator, Receives Majority in Every County in His District and Easily Defeats Thomas T. Moore.

FULL RETURNS ARE NOT YET AVAILABLE

Exact Majorities Probably Will Not Be Known for at Least 24 Hours—Everything, However, Points to Great Victory for Democracy—State Legislature Probably Will Be Democratic—Taft Probably Has Carried the State by a Small Plurality—Republicans Concede Election of Marshall, Tilden and Moss.

Thomas R. Marshall, Governor. Ralph Moss, Representative in Congress from the fifth district.

F. C. Tilden, Joint Senator from Morgan, Marion and Putnam counties.

State Legislature probably Democratic.

Putnam County Democratic. Marion County Democratic.

This is the news from the early returns of yesterday's election:

Mr. Marshall is conceded to be elected by the Republican state committee. It places his majority at 5,000. The Democratic committee claims a majority of 35,000 for Mr. Marshall.

In complete returns from the fifth district show that the Honorable Ralph Moss of Clay County will succeed Elias Holliday in Congress. He secured big majorities in Morgan, Putnam, Vigo, Clay and Park counties. His majority is estimated at 1,200.

F. C. Tilden carries each of the counties in his district and is elected

to the state senate. The counties in the district are Putnam, Marion and Morgan.

Putnam County elected all its candidates by a majority of near 500. Marion county returns show that the Democrats have elected their legislative and county tickets. Their majorities are estimated at from 2,500 to 5,500.

The Democrats are claiming that Mr. Bryan has carried Indiana, but the Republicans say that Mr. Taft will get the electoral vote of Indiana. This is a close race, however, and it will not be fully decided until

complete returns reach Indianapolis. Taft, it is generally believed will carry the state by a small plurality. Mr. Bryan lost Marion county by 500.

The Democratic state committee at noon today claimed that they would elect 10 members of Congress. Jesse Overstreet, in Marion County, was defeated for Congress by 500. F. C. Tilden, it is claimed carries the Marion county by 1500. There is no doubt but that Mr. Moss is elected, the state committee says. He will have a majority of near 1200 to 1500.

JIM HUGHES' BIG VOTE

James P. Hughes, candidate for re-election as prosecutor for Clay and Putnam counties carried Clay county by 800. Part of the Democratic ticket in Clay county was defeated. Mr. Hughes' majority in his judicial district will be near 1300.

MORGAN COUNTY FOR MOSS VIGO STRONG FOR MOSS

Returns From Republican County Show That Both Ralph Moss and F. C. Tilden Receive Majorities—Morgan County in 1904 Gave Holliday 529 Majority—Small Majorities For Democrats.

CARRIES COUNTY WITH THEM

Indications from incomplete returns from Morgan county are that it has gone for Moss and Tilden. In 1904 Morgan county gave Mr. Holliday a majority of 529. This year, it is said, that both Mr. Moss, candidate for Congress, and F. C. Tilden, candidate for Joint Senator, have carried the county by a small majority. It is probable that the Democratic ticket, or part of it at least,

has been elected in Morgan county.

Parke county also has given Mr. Moss a majority for Congress.

LATER.

The returns from Morgan county, indicate that Mr. Tilden lost that county by six votes, and Mr. Moss was beaten on that county by thirty votes.

same county by over 5,000. Mr. Marshall's plurality in Vigo was 2727.

The Bryan slump was very noticeable there. In Vigo the Commoner received only 300 majority. Mr. Moss's large plurality in Vigo County assured him of his election.

BIG CROWD HEARS RETURNS

BULLETINS IN FRONT OF HERALD OFFICE LAST NIGHT DRAW LARGE CROWD—EARLY RETURNS SHOW THAT TAFT IS CARRYING EAST BY ROOSEVELT MAJORITY—DEMOCRATS A DISAPPOINTED LOT.

INDIANA SENDS CHEER TO THEM

Reports Received From Indianapolis Late Show That Democrats Will Make a Clean Sweep With Their State Ticket and Good Cheer Returns to the Democrats—Many Stayed at Office Until 1 O'clock.

The election returns shown on a screen in front of the Herald office last night drew a large crowd. Most all of the Democrats who were downtown and hundreds of Republicans gathered in front of the office to hear what was doing in the political zone. The crowd began to gather as early as 6 o'clock.

As the minutes passed by the crowd increased and by 7 o'clock the street was a mass of humanity. The early returns were not at all pleasing to Democrats. The returns came from New York and showed that Taft was going to carry the East with a Roosevelt majority. Better news was awaited but it did not come. The Democrats were about to give up when news came that Indiana would probably elect its Democratic state ticket by a large majority. Then the crowd began to cheer up. Marion County was reported 5,000 Democratic. Things looked better.

The Democrats immediately took heart and stayed it out. Many were at the office until 1 o'clock. By that time Marshall's election was assured. Putnam County was known to have done its duty by rolling up a good Democratic majority. Indiana Democrats knew that they had done their duty and went home happy.

NOTES OF THE ELECTION

Each precinct in Greencastle reports a number of mutilated or blank ballots. In some cases the emblems were torn from the ticket. In other cases the ballot was carefully folded and handed in, but no mark was made at any spot on the ticket and of course there could be no count of the ballot.

The student vote again caused trouble yesterday, especially in the fourth ward. Two students attempted to vote but were refused the right on their own statements that their home's as recorded in the books of

the university, were outside of Greencastle. They were willing to make affidavit, but the inspector declared that he was confident they had no right to vote and would not take the ballot. As a matter of fact after a vote is cast it is counted regardless of what action may be taken to punish the voter, and experience has proved that no attempt is ever made.

Most of the Prohibition tickets voted showed the vote for the national candidates of that party and for

the state candidates of the Republican party.

The drift of conversation on the streets this morning seems to show that the greatest interest was centered in the state contest. There was a feeling that only by means of a landslide could Bryan carry the country, and the feeling has proved true. But the state was fighting ground and the fight was hard and everyone interested.

BIG MAJORITY FOR MOSS

Clay County Gives its State Senator A Majority of 862 Over Howard Maxwell for Congress—James P. Hughes Gets 820 But Some of the Democrats Are Defeated.

THREE REPUBLICANS WIN THEM

a majority of 862 and James P. Hughes a majority of 820. Bryan's majority is 480 and Marshall's is 630.

ELECT WHOLE STATE TICKET

LATEST NEWS FROM INDIANAPOLIS IS THAT ALL DEMOCRATS ARE ELECTED AND THAT THE REPUBLICANS CLAIM ONLY TWO OUT OF THE THIRTEEN CONGRESSMEN.

GIVES US A U. S. SENATOR

Legislature Sure to be Democratic in Joint Session—Everything Points To Big Majority for Mr. Marshall—Latest Estimate Places Majority Of Governor and Entire State Ticket at Near 20,000.

The entire state Democratic ticket has been elected by a majority of near 20,000. This is the latest news from Indianapolis. The Republicans have elected 2 out of the 13 congressmen and the Joint-State Legislature is sure to be Democratic.

This means that the Democrats will send a United States Senator to Washington this winter. Mr. Marshall probably will lead the other state officers but by a small margin.

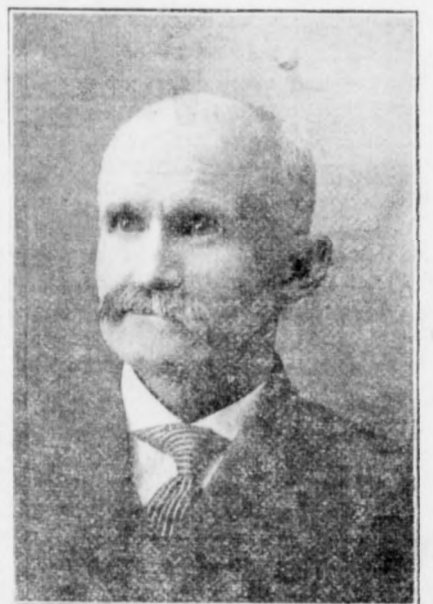

THE TOWNSHIP SITUATION

Returns From Most of the Townships Show Hard Fought Battles With a Result of a Democratic Victory.

WE GAIN TWO AND LOSE ONE

The political battle in the townships was close and hard. In several townships minor differences divided the Democrats, and the same was true in some Republican townships. The fight was especially hard in Jefferson, Monroe and Clinton townships as the vote shows.

The Democrats managed to win a substantial victory even under the

adverse circumstances. They lost one township that has been Democratic since the history of Democracy began, but they carried two that were Republican the last election. The Republican townships are now Washington, Warren, Greencastle and Russellville. The Democrats lost Washington and gained Monroe and Jefferson which has heretofore been Republican.

The winners in the various townships were as follows:

Greencastle, George Landes, Republican, trustee, 182 majority; Geo. Cox, Republican assessor, 90 majority.

Washington township, Addison Chew, Republican trustee, 103 majority; William Dreher, Republican assessor, 14 majority.

Jefferson township, Oliver Stringer Democrat, trustee, 3 majority; Hiram Larkin, Democrat, assessor, 9 majority.

Franklin township, Nathan Call, Democratic trustee, 19 majority; John Oakley, Democratic assessor, majority not given.

TAFT AND SHERMAN ARE ELECTED.

Republicans Carry New York, Successful Candidates Will Ohio, Indiana, Illinois and West Virginia. Have Large Majority In Electoral College.

New York, Nov. 4.—The next president of the United States will be William Howard Taft, Republican, of Ohio. The next vice president will be James Schoolcraft Sherman, Republican, of New York.

This is the verdict returned by the majority of the 15,000,000 voters of the United States. The Republican candidate has repeated Mr. Roosevelt's feat of carrying every northern state, giving him a clear majority in the electoral college of 113 over William Jennings Bryan, the Democratic candidate. Mr. Taft will receive 298 electoral votes to Mr. Bryan's 185. The latter also lost West Virginia, which went to Mr. Roosevelt four years ago, and has gained the one electoral vote which Maryland gave to the Republican candidate in 1906. Oklahoma, the state created since the last presidential election, has enrolled itself, as expected, in the Democratic column.

The states considered doubtful before the election have gone as follows: Maryland, Democratic; Indiana, Republican; Nebraska, Democratic; New York, Republican; Ohio, Republican; and West Virginia, Democratic. In most of these states the vote is close, especially in New York, where Charles Evans Hughes, Republican, has been re-elected governor by 54,000 votes. Taft has carried the state by 100,000.

Results in the East.

Pennsylvania has gone Republican by 250,000 majority and New Jersey by 75,000, the figures in 1904 being 505,519 and 80,538 respectively. Connecticut is Republican save in a few cities and towns, but Congressman George L. Lilley, the Republican candidate for governor, ran behind Mr. Taft.

The lower house of the Sixty-first congress will be Republican by about its old majority. The senate will remain Republican. Speaker Cannon has won his fight for re-election by his usual majority.

Most of the great cities of the country have gone Republican, with the exception of New York and Chicago. In each of these cases, however, the rural Republican majority has been sufficiently large to offset the Democratic urban vote. St. Louis has gone Republican, while the rest of Missouri is heavily Democratic.

Central States for Taft.

Ohio, Indiana and Illinois, the great central states, with an aggregate of sixty-five electoral votes, have gone Republican despite the fight made to bring them into the Democratic column. Governor Deneen in Illinois, Republican candidate for re-election, retained his seat, but Thomas R. Marshall, a Democrat, will succeed Hanly in Indiana, and Harmon, Democrat will succeed Harris in Ohio.

The Republican hope of carrying Kentucky proved vain in spite of the victory of Wilson, Republican, in the gubernatorial contest last year. The greater part of the state's congressional delegation will be Democrats.

The Pacific coast states, California, Washington and Oregon, have given their votes to the Republican candidate, but Nevada, which voted against Parker in 1904, gave its votes this year to Bryan. Montana, the Dakotas and Minnesota are again Republican, but Governor Johnson's personal popularity has sufficed to seat him again in the gubernatorial chair of the North Star state. Wisconsin, Michigan, Iowa and in fact the entire West and Northwest are Republican, but, as noted above, by lowered majorities.

The South Still Solid.

The "solid South" is still solidly Democratic. Mr. Bryan polling the usual large majorities. Only in Maryland has the Republican party made serious inroads on the Democratic vote, and in that state not sufficiently to change the result. Delaware, about which some doubt was expressed before the election, has gone Republican. The New England states have gone for Taft and have elected Republican governors, but the vote in Rhode Island, where the Democrats made a strong fight, is very close. In Massachusetts the Independence party candidate for governor made a good showing, though running far behind the vote of Thomas L. Higinson last year. New York city has been carried by Taft, the first time the Republicans have carried the greater city since 1896.

PENNSYLVANIA IS REPUBLICAN

Party's Vote Cut Down in Cities Where Labor Element Is Strong.

Philadelphia, Nov. 4.—Pennsylvania has gone Republican by a majority of 250,000. In 1904 Roosevelt carried the state by 505,519, and two years ago Stuart, Republican, was elected governor by 48,435. This city, Pittsburgh, Harrisburg, Altoona and other cities have given Mr. Taft pluralities, but Scranton, Wilkesbarre and towns in which the so-called "labor" vote is strong have gone Democratic.

The election in Pennsylvania turned almost entirely on national issues, the highest state officer voted for being a judge of the superior court. For

that office William D. Porter, Republican, has been elected by a majority of about 50,000 over Webster Grim, Democrat.

The vote in the country districts was, as usual, heavily Republican. The state's representation will again be Republican in the Sixty-first congress, the Democrats having gained only one seat. The figures will be as follows: Republicans, 24; Democrats, 8.

BRYAN CARRIES HOME STATE

Democrats Win in Nebraska by Small Majority.

Omaha, Neb., Nov. 4.—Nebraska has gratified the hopes of William Jennings Bryan by going Democratic.

Governor George L. Sheldon, Republican, has been re-elected by a majority of 19,000. The personal popularity of Mr. Bryan in his home state and of Mr. Sheldon accounts for the difference between the governor's vote and that of Mr. Taft. The state's present congressional delegation, five Republicans and one Democrat, stands.

Bryan Silent on Election.

Lincoln, Neb., Nov. 4.—"I do not desire to discuss the result of the election at the present time," said Mr. Bryan after the returns were received here. "At a later date I shall probably have something to say, but now I must beg to be excused." The Democratic candidate's own city gave Mr. Bryan a majority.

CONNECTICUT FOR TAFT

Carries State, but by Greatly Reduced Majority.

Hartford, Conn., Nov. 4.—Despite the efforts made to place Connecticut in the Democratic column, the state has given its vote to the Republican candidate. Mr. Taft's majority, however, fell far below that of Mr. Roosevelt four years ago. Congressman Lilley has been elected governor by 5,000 despite the opposition to him on account of the submarine boat matter and the opposition to him in his own party. Five Republican congressmen have been elected, and the state legislature will be Republican.

The leaders of both parties in the state expressed great interest in the growth of the Socialist vote, which increased from 2,932 in 1906 to 5,250 this year.

Close Vote in Colorado.

Denver, Nov. 4.—Colorado, which gave Mr. Roosevelt a majority of 34,582 in 1904, has gone Democratic, but by less than 5,000. Jesse F. McDonald, however, has been elected governor on the Republican ticket, and three Republican representatives have been chosen.

North Carolina.

Raleigh, N. C., Nov. 4.—The Democratic national ticket has carried North Carolina by a majority of 30,000, the Republican ticket making gains throughout the state. W. W. Kitchin has been elected governor.

The Electoral Vote.

NEW ENGLAND REPUBLICAN

Taft Successful in Massachusetts and Other Eastern States.

Boston, Nov. 4.—This city, together with the rest of Massachusetts, has gone Republican, giving Mr. Taft sixteen electoral votes. The plurality of the Republican candidate is 84,361 over Mr. Bryan, but the votes of the two minor candidates, added to those of the Prohibition and Socialist Labor nominees, were large enough to deprive the Republican party of a majority of the votes in this state.

New Hampshire.

Concord, N. H., Nov. 4.—New Hampshire gave Mr. Taft almost as large a vote as it did Mr. Roosevelt four years ago. The balloting resulted in a majority of about 20,000 for the Republican candidate, which is a slight decrease since the last presidential election. Henry B. Quinn, Republican, has been elected governor.

Maine.

Portland, Me., Nov. 4.—Maine has returned its usual large majority for the Republican candidate, although Mr. Taft's vote did not reach the 36,791 majority polled by Mr. Roosevelt in 1904. The vote is as follows: Taft, 67,203; Bryan, 35,725. No state election was held, as Maine chose a Republican governor and Republican congressmen in September.

Rhode Island.

Providence, R. I., Nov. 4.—Rhode Island's four electoral votes will be cast for William H. Taft. Aram J. Pothier, Republican, of Woonsocket, has been elected governor.

Vermont.

Montpelier, Vt., Nov. 4.—Vermont has gone Republican by 28,000 a falling off of 2,682 since 1904. There was no state election.

PACIFIC COAST FOR TAFT

Republicans Win in California, Oregon and Washington.

San Francisco, Nov. 4.—There was no state election in California to complicate the issues, and the Republican national ticket carried the state by about 40,000 majority. In 1904 Roosevelt carried the state by 115,822 over Parker. The solid Republican delegation has been re-elected without change, and a Republican state legislature insures the election of a Republican to succeed Senator Perkins. The proposition to remove the state capital from Sacramento to Berkeley has been rejected.

Washington.

Seattle, Wash., Nov. 4.—Washington's five electoral votes will be cast for Taft, the Republican candidate having carried this state by a popular majority of 30,000, reducing Mr. Roosevelt's majority in 1904 by 43,442. Samuel C. Cosgrove, Republican, has been elected governor, and the state legislature will remain Republican by a large majority.

West Virginia Carried by Taft.

Wheeling, W. Va., Nov. 4.—West Virginia, classed as a doubtful state before the election, has voted for Taft, but as a result of the split in the Republican ranks, Louis Bennett, Democrat, for governor, and the entire Democratic state ticket has been elected.

Michigan for Taft.

Detroit, Mich., Nov. 4.—Both sections of this divided state have gone Republican, the total plurality for Mr. Taft being about 100,000, a Republican loss of more than 100,000 since 1904. Governor Fred M. Warner, Republican, will retain his seat.

Kansas Still Republican.

Topeka, Kan., Nov. 4.—Kansas is again in the Republican column this year. Mr. Taft's majority in the state is 25,000, 100,000 less than Mr. Roosevelt's majority in 1904. Walter R. Stubbs, Republican, has been elected governor.

North Dakota Republican.

Bismarck, N. D., Nov. 4.—North Dakota has gone Republican, giving Mr. Taft a substantial plurality, though indicating a Republican falling off since the last presidential election.

Oregon.

Portland, Ore., Nov. 4.—Returns from all parts of the state indicate that Taft has a large majority. There was no state election.

Louisiana.

New Orleans, Nov. 4.—As usual, Louisiana is solidly Democratic by a very large majority. There was no gubernatorial election.

Mississippi.

Jackson, Miss., Nov. 4.—Mississippi's ten electoral votes will go, as usual, to the Democratic candidate. There was no state election.

Bryan Loses in Utah.

Salt Lake City, Nov. 4.—Mr. Bryan has lost Utah, and William Spry, Republican, has been elected governor by a small majority.

Montana Goes for Bryan.

Helena, Mont., Nov. 4.—The three electoral votes of this state will be cast for Bryan.

Carried His Own Precinct.

Fairview, Lincoln, Neb., Nov. 4.—Bryan carried his precinct 106 to 52 for Taft.

INDIANA SPLITS ITS BALLOTS

While Electing Taft It Chooses a Democratic Governor.

RESULT OF A BITTER CONTEST

The Election of Thomas R. Marshall, Democratic Candidate for Governor, Over James E. Watson, Was Offset for the Republicans by the Latter Carrying the State's Electoral Vote for Taft by a Very Narrow Majority — Indianapolis Elected Complete Democratic County Ticket.

Indianapolis, Nov. 4.—For the first time since Thomas A. Hendricks was elected governor on the Democratic state ticket and U. S. Grant received the electoral vote of the state for the Republican national ticket, Indiana has given a plurality to the Republican candidate for president, William H. Taft, and elected Thomas R. Marshall, Democratic candidate for governor. Whether Marshall will carry the rest of the state ticket with him is a matter of conjecture. According to the latest estimate Mr. Taft received a plurality of about 15,000, and Mr. Marshall was victorious over James E. Watson, Republican candidate, by about 8,000.

The congressional representation from this state will probably be seven Democrats and six Republicans. The latest returns credit the Democrats with six and the Republicans with five members, with two districts in doubt—the Fifth and Seventh, with chances favoring the Democratic candidates.

The legislature is in doubt. Marion county with its twelve members of the legislature went heavily Democratic for the county ticket and carried down with it the Republican legislative candidates and possibly Congressman Jesse Overstreet. One of the Republican leaders who has been looking after the election of state legislators, conceded that the law-making body is very close, but he adhered to the opinion that the lead the Republicans have in the seventeen holdover senators will save it to the Republicans on joint ballot and insure the re-election of Senator James A. Hemenway.

Among the things ascribed by the Republican leaders for the defeat of Mr. Watson, the probable loss of the legislature, possible defeat of Congressman Overstreet, and the election of a Democratic county ticket, are the liquor question and the labor vote. Just previous to the election Governor J. Frank Hanly called a special session of the legislature, and a county local option law was passed after a bitter fight with the "liberal" element. This law was approved by Mr. Watson and the Republican candidates in their speeches, and in the election Tuesday that element worked for the success of the Democratic state and county ticket. There was also much agitation against what was termed "county graft" against the county officials of Marion county, who were Republicans and this was an additional aid to the Democratic candidates.

The Republicans have carried the First, Sixth, Ninth, Tenth and Thirteenth congressional districts; the Democrats the Second, Third, Fourth, Fifth, Seventh, Eleventh and Twelfth. The Eleventh is doubtful.

Cincinnati Crowd Cheers Taft.

Cincinnati, Nov. 4.—The Republican ticket had a close call in Mr. Taft's home city, the party's majority of 40,193 in 1904 being reduced this year to 5,000. Two years ago it was 7,119. Mr. Taft received the returns at the home of his brother, Charles P. Taft. When his success at the polls was announced the house was surrounded by a cheering crowd calling for a speech from "the next president." Mr. Taft announced that he would make a formal statement in the near future.

G. O. P. Carries Wisconsin.

Milwaukee, Wis., Nov. 4.—Mr. Taft's majority in this state is 75,000, being some less than the majority rolled up by Mr. Roosevelt four years ago. Governor James O. Davidson has been re-elected, and the state's congressional delegation, nine Republicans and two Democrats, will remain the same in the next congress. The legislature will be Republican, and Senator Stephenson will be re-elected.

Iowa Indorses Taft.

Des Moines, Ia., Nov. 4.—Although the Democratic vote which stayed away from the polls in 1904 turned out in full force yesterday for Mr. Bryan, it was not sufficiently strong to carry the state. Taft's majority in Iowa is 40,000 in a full vote of 504,000. B. F. Carroll, the Republican nominee for governor, was successful.

Bryan Carries Nevada.

Carson City, Nev., Nov. 4.—Nevada has been carried by the Democratic party, reversing the result in 1904. Of the state's 10,000 votes Mr. Bryan has received 7,000.

Kentucky.

Louisville, Ky., Nov. 4.—Bryan's plurality in Kentucky is 13,000. Nine and possibly ten Democratic congressmen are elected—a Republican loss of two seats.

RELIGIOUS ACROBATS.

Dangerous Aerial Slide Annually Performed in India.

India offers many curious things in the way of religion, and the strangest of them all is the aerial slide, which is performed annually at Kulu, in the Himalayas. At a point where there is a cliff overhanging a precipitous gorge several hundred feet in width and a hundred feet in depth a rope is made fast to the rock. The other end of this is carried across the gorge and there secured to a stake. The total length of the rope between the two points is when drawn taut 2,500 feet, and the end attached to the cliff is several hundred feet higher than that fastened on the opposite side of the ravine. Thus a slide is contrived, and it is a dangerous one to all appearance.

It is down this incline that the performer has his path. For the lofty journey a sort of saddle is provided made of wood, with holes in it, through which the rope passes. But before a start is made the whole length of the rope is wet to prevent the saddle from catching fire from the friction. The performer sits astride this seat, and by his legs are fastened bags of sand, which serve two purposes—they enable him to maintain an upright position during his lightning-like descent, and they increase the momentum. The lower end of the rope is carefully wound with bits of carpet to check the speed before the stake is reached. Without this precaution the performer would be dashed to pieces.

The terrific velocity of the descent for the first few hundred yards is shown by the stream of smoke that trails from the wake of the saddle, despite the fact that the rope has been wet. Afterward the incline diminishes somewhat, and the pace becomes correspondingly slower. By the time the goal is reached the performer, as the performer is called, is able to come to a standstill without disaster.

This slide in the air is supposed to reveal the will of the gods as to the crops of the approaching season. If the perilous trip is accomplished in safety a plentiful harvest is assured. Naturally, therefore, every care is taken to minimize the dangers of the performance. The ceremony is of ancient origin, and those who engage in it as their form a small caste apart.—New York Tribune.

How is Your Digestion.

Mrs. Mary Dowling of No. 228 8th Ave., San Francisco, recommends a remedy for stomach trouble. She says: "Gratitude for the wonderful effect of Electric Bitters in a case of acute indigestion, prompts this testimonial. I am fully convinced that for stomach and liver troubles Electric Bitters is the best remedy on the market today." This great tonic and alternative medicine invigorates the system, purifies the blood and is especially helpful in all forms of female weakness. 50c at the Owl drug store.

Home Life in Spain.

One of the prettiest things in home life all over Spain is the natural and kindly way in which the servants are made a part of the family. In the don's house the little maids often take part in the conversation, speak to the guests and ask them to stay longer, and even the porters and kitchen visitors pop their red capped heads into the door to say the Spanish equivalent for "Howdy" to the family, just as old negroes do in the southern states.—Ellen Maury Slayden in Century.

NEW YORK FOR TAFT AND HUGHES

Republican National and
State Tickets Win.

TAFT CARRIES THE BIG CITY

Metropolis Gives Its Vote to Republican Presidential Candidate for the First Time Since McKinley Carried It in 1896.—Buffalo Has Gone Democratic, but Other Cities Are Republican—Next Legislature Will Be Republican—Governor Hughes Expresses Gratification at Result of Election.

New York, Nov. 4.—As the result of Tuesday's election New York state's thirty-nine electoral votes will be cast for William H. Taft and James S. Sherman. Both the Republican national and state tickets are victorious, Chas. E. Hughes being re-elected governor.

Greater New York has gone Republican for the first time since 1896. Reports from all parts of the state indicate that the vote was heavy, the efforts of both gubernatorial candidates to bring out the ballots being rewarded with success. Both the old parties polled full votes, their strength not being seriously affected by the Independence, Socialist and other minor parties. Shearn, Independence party candidate for governor, ran ahead of Wanhope, the Socialist nominee.

Governor Hughes came down to the city from upstate with an indicated plurality of about 121,000. Chanler's plurality south of High Bridge was approximately 68,000. The vote of two years ago was increased by about 150,000; Chanler surprised the Democratic leaders by an unexpectedly large vote in the rural districts, but lost tremendously in the city of Greater New York, where his followers had expected at least 100,000 plurality.

THE SOUTH STILL SOLID

Usual Democratic Majorities Returned in Dixie.

St. Louis, Nov. 4.—Missouri has reversed the Republican victory of 1904 and is again in the Democratic ranks by a majority of 30,000. St. Louis went Republican by a small majority. William S. Cowherd has been elected governor.

Maryland.

Baltimore, Nov. 4.—Maryland's split electoral vote of four years ago, seven Democratic and one Republican, is this year solidly Democratic. The election is close, Mr. Bryan's plurality being about 5,000. The Democrats have gained one congressman. The state delegation in the Sixty-first congress will contain four Democratic representatives and two Republicans. This city has gone Democratic by a close vote.

Georgia.

Atlanta, Ga., Nov. 4.—Georgia's thirteen electoral votes will be cast for William J. Bryan, and the state's representation will continue solidly Democratic. The state election was held in September. The Taft vote in this state fell considerably below that of Mr. Roosevelt, which was 24,003.

Texas.

Austin, Tex., Nov. 4.—William H. Taft did not make as good a showing in this state as President Roosevelt, who polled 51,242 votes in 1904. The vote this year is approximately as follows: Bryan, 220,000; Taft, 20,000. Thomas M. Campbell, Democrat, has been re-elected governor.

Virginia.

Richmond, Va., Nov. 4.—The Old Dominion is still safely within the Democratic ranks by a majority of about 17,000, but lost one Republican congressman. Taft polled only 30,000 votes in a total of 130,000, a Republican loss of 17,880 since 1904.

South Carolina.

Charleston, S. C., Nov. 4.—The Republican party polled only 2,000 of the 58,000 votes in this state, running slightly behind the figures of four years ago. M. F. Ansel has been re-elected governor without opposition.

Florida.

Jacksonville, Fla., Nov. 4.—Albert W. Gilchrist, Democrat, has been elected governor of Florida, and the Democratic national ticket has carried the state by a majority of about 25,000.

Arkansas.

Little Rock, Ark., Nov. 4.—Bryan has carried Arkansas by a reduced majority, as a result of a heavy negro vote throughout the state. All Democratic congressmen were elected.

Alabama.

Montgomery, Ala., Nov. 4.—Bryan, 99,000; Taft, 13,000, are the election figures in this state. Mr. Taft polled 9,472 fewer votes than Mr. Roosevelt did in 1904.

Tennessee.

Nashville, Tenn., Nov. 4.—Tennessee is still strongly Democratic by a majority of 80,000. The Republican vote of 1904 was greatly reduced.

OHIO SPLITS HER VOTE

While Taft Carries Home State, Democrat Was Elected Governor.

Cincinnati, Nov. 4.—With probably the heaviest vote in the history of the state, Judge Taft's native state Tuesday gave him a slightly more than normal Republican plurality, but at the same time a Democrat was apparently elected to the position of chief executive of the state. The two winners are residents of this city, and in Hamilton county they received strong support. The indications are that the plurality for Taft in the state will be from 50,000 to 60,000 thousand, while that for Harmon will be only 5,000 or 6,000. Even these figures, however, may be changed by later returns, although the general fact of Harmon's victory seems settled.

The Democrats gained in the congressional delegation, securing one of the Cincinnati congressmen, although Nicholas Longworth (Rep.) won in his district. In the Third district a factional fight among the Republicans aided in the election of the Democratic candidate. The Thirteenth and Fifteenth districts remain in doubt. Interest on the general result and the slow count delayed knowledge on the general results, although it is known that the Democrats have made some gains. The next legislature elects a successor to United States Senator Foraker.

ILLINOIS FOR TAFT

The Usual Republican Majority Returned in That State.

Chicago, Nov. 4.—Illinois has been carried by the Republican party by a plurality of 150,000, giving the state's twenty-seven electoral votes to Taft and Sherman. The state Republican ticket has also been successful, Governor Charles S. Deneen winning from former Vice President Adlai E. Stevenson, by a plurality of about 100,000, and Cook county gave a plurality to Taft of 50,000 against 125,000 for Roosevelt four years ago. Outside of Cook county the plurality for Taft is not far from 120,000. The plurality of President Roosevelt in 1904 was 304,939 for the state.

Stevenson, the Democratic candidate for governor, carried the city of Chicago by about 8,000 and the county of Cook by about 6,000. He lost heavily, however, in the state outside of Cook county.

The next state legislature will be Republican by a strong majority on joint ballot. This means the re-election to the United States senate of Albert J. Hopkins. Speaker Cannon has been re-elected in the Eighteenth district by a majority of about 7,000.

The voters of the state have endorsed the proposed constitutional amendment authorizing the state to issue bonds of \$20,000,000 for the construction of a deep waterway beginning at or near Lockport, Ill., to a point at or near Utica, Ill., in the Illinois river.

Republicans Carry New Jersey.

Trenton, N. J., Nov. 4.—William H. Taft swept the state, being made the choice for the presidency of 80,000 more voters than approved of Mr. Bryan's candidacy. Seven of the ten congressmen chosen are Republicans and the Republicans will control both houses of the state legislature by even greater majorities than last year. In Essex county Everett Colby has been re-elected to the state senate. He appears to have carried his county ticket through with him.

Taft and Johnson in Minnesota.

Minneapolis, Minn., Nov. 4.—Governor or John A. Johnson's efforts in behalf of the Democratic national ticket have not succeeded in giving the electoral vote of the state to Mr. Bryan, but have availed in re-electing him by a small majority. Of the state's 275,000 votes Mr. Taft polled 172,500, his majority being 99,000 below Mr. Roosevelt's majority of 161,464 in 1904. Governor Johnson's majority of 76,622 two years ago was reduced to 39,000 this year.

Gore Will Be Returned.

Guthrie, Okla., Nov. 4.—Bryan's lead is estimated at only 25,000. The five members of congress, four Democrats and one Republican, have been re-elected. The legislature is two-thirds Democratic, insuring the re-election of United States Senator Thos. P. Gore. The only state officers chosen were Corporation Commissioner A. P. Watson and Justice of the Supreme Court S. W. Hayes, both Democrats.

Taft Wins in South Dakota.

Pierre, S. D., Nov. 4.—This state has been carried by Taft by a plurality estimated at 25,000. In 1904 Mr. Roosevelt received a plurality of 59,114. Robert S. Vessey, Republican candidate for governor, has been elected.

Delaware Goes Republican.

Wilmington, Del., Nov. 4.—Delaware, considered doubtful before the election, has gone Republican, giving three electoral votes to Taft. Simeon S. Pennell, Republican, will be the new governor.

Wyoming Republican.

Cheyenne, Wyo., Nov. 4.—This state's three electoral votes will be cast for William H. Taft, but his popular majority is considerably below that of Mr. Roosevelt.

Montana Goes for Taft.

Helena, Mont., Nov. 4.—The three electoral votes of this state will be cast for Taft. Edward Donlan, Republican, has been elected governor.

Mystery of a Lost Ring

[Copyright, 1908, by American Press Association.]

The main incident of this story was given me for a fact.

The loss of Sophie Brock's engagement ring was a mystery. Less than a week after Clarence Howes had given it to her she went to bed one night with it on her finger, and when she woke up in the morning it was gone. The bedding was searched and shaken; the bed was taken apart, but the ring did not appear.

There was no evidence of burglary except that the sash of a window in Sophie's room, which had been closed when she went to bed, was found in the morning raised.

The persons in the house besides the servants were Sophie's father, mother, a younger brother, aged ten, and her cousin, Winifred Loomis, about her own age. Sophie and Winifred were the only persons sleeping on the floor from which the ring had disappeared. Winifred was an orphan and had been taken in for charity. She was studying to become a teacher. There was no possible explanation of the ring's loss except Winifred had taken it off her cousin's finger while the latter slept. But this did not account for the open window. Besides, Winifred was regarded by all who knew her as an upright, conscientious girl.

As to the theory of the theft by a servant, it was impossible, for the doors leading from both Sophie's and Winifred's room were locked and bolted, though the two rooms communicated and the door between them was open.

When Sophie told her lover of her loss she intimated she believed that for some unknown reason Winifred had coveted the ring and had yielded to a temptation to take it off her finger while she slept. Howes remonstrated against throwing suspicion upon any one without proof, especially Winifred, whom all loved and respected. Indeed, so earnestly did he enter upon Winifred's defense that Sophie took his action for a clue. It suddenly appeared to her that she had a rival in Winifred—that her rival could not endure to see her wearing a ring on her finger which had been given her by the man she (Winifred) loved, and this was her motive for stealing it.

What we fear we are apt to bring to pass. Howes was a manly fellow, and the moment suspicion, which he considered unjust, was thrown upon Winifred he became interested in her and in the solution of the mystery by which she suffered. He questioned Winifred closely upon every detail, and one day Sophie came upon the two unawares while engaged in an animated conversation. Sophie's glance at the couple caused both to blush. She passed on without a word, and the result of the encounter was a new complication. Sophie was now sure of her explanation of the mystery and was doubly sure that Winifred had captured her lover.

Of all social conditions the most expediting is one involving things known and not spoken. Howes knew that he was suspected of being on terms with Winifred that were not acceptable to his fiancée. Winifred knew this and that she was suspected of having stolen the ring. Sophie knew that both the others were aware of these things, and yet all this knowledge was ignored between the trio. On the surface Howes and Sophie were lovers; under the surface Howes and Winifred were fast being drawn together by an irresistible power, sympathy in one, gratitude in the other.

Howes received a brief note from Sophie breaking her engagement without giving any reason. It drew color to his cheek and a flash to his eye. He replied, accepting the situation with out comment. Winifred remained a member of the Brock household. Why shouldn't she? No one had openly accused her. No one treated her any differently than before the mystery. Nevertheless she lived a wretched life, counting the days till she should be equipped to earn her own living.

One night she awoke suddenly from sleep. The full moon was shining into the room, and by its light she saw her cousin in her room standing before a mirror combing her hair. Winifred asked her what in the world she was doing that for. There was no reply, and in another moment Sophie passed into her own room. There she threw up a window and leaned over the sill, looking out. Winifred, realizing that she had to deal with a sleepwalker and not daring to leave her at the window, led her to her bed. Sophie lay down without awakening, and Winifred watched beside her.

While Winifred lay awake she thought. The loss of the ring must be in some way connected with this somnambulism. Might not her cousin have dropped the ring in the room or out the window? The next morning she revealed what she had seen. Sophie, regarding the story as made up to exonerate Winifred, received it with silent scorn. Winifred searched her cousin's room when Sophie was absent and found nothing. Howes searched the grounds, also without success.

This was in midsummer. One day in October the gardener was pulling up some withered vegetable stalks in the kitchen garden in the rear yard and found the missing ring. It recalled to him that one night while standing at his door he had seen some one throw something from a window of Sophie's room. Sophie had thrown the ring from her window while asleep.

The explanation came too late to effect a reconciliation between Sophie Brock and Clarence Howes. He married Winifred Loomis.

WETS DEFEAT CLAY DEMOCRAT

Drys Force Democrat to a Declaration for Temperance Then Vote the Republican Ticket Along With the Saloon Element.

Clay County, according to reports, has an illustration of practical politics that is worth studying. The civic league, a branch of the Anti-Saloon League has taken a leading part in the Clay County political fight. The candidate for clerk on the Democratic ticket had always been a strong temperance man, but following its usual course the league would be satisfied with nothing less than a public declaration, and further dragged the candidate from his bed at midnight to secure his signature to a remonstrance. Both the declaration and the signature were cheerfully given. At the polls yesterday the league voted solidly with the saloon element for the Republican candidate and defeated the Democratic candidate by several hundred. Such is practical politics.

RECEPTION

Tendered Rev. and Mrs. J. F. O'Haver at Methodist Parsonage Last Night.

A reception was tendered Rev. J. F. O'Haver last evening in the M. E. Church annex, which was a complete surprise, his friends succeeding in holding the secret and in keeping the pastor and his wife away until a company of two hundred had assembled in the annex.

When a few of the members found out that the 3rd of November was the anniversary of the birth of their pastor they immediately began to plan a surprise in his honor. Mr. and Mrs. E. E. Farmer entertained them with a 6 o'clock dinner and they had hardly completed the repast ere a telephone conveyed the message that the Rev. O'Haver was wanted immediately at the church. With the remark that it was probably some one who wanted to get married, they repaired to the church.

The church was darkened but when the worthy pastor and his wife stepped in the lights were switched on revealing the company enjoying to the full the looks of astonishment on the countenances of the victims.

A musical program was the principal feature of amusement. During the social hour T. J. Brooks, with a few well chosen remarks, presented the Rev. O'Haver with a box as a small testimonial of the regards of the members of the church. The box contained thirty-seven dollars, a dollar for each milestone he had traversed.

The company was in an unusually happy mood and the evening was enjoyed equally as well by them as the happy victims of the pleasant surprise.

While the Rev. O'Haver and wife have been here but a short time, they have endeared themselves to the congregation, who in this manner made possible the general wish that he may enjoy many more happy anniversaries.—Bedford Daily Mail.

BIRTHDAY PARTY

A very pleasant party in honor of her birthday was given Miss Josephine Donahue last evening by a few of her friends and neighbors. The affair was planned by Mrs. Marquis and was a complete surprise to Miss Donahue. The guests, near thirty in number, took with them the eatables a supper which was abundant in quantity and delicious in quality. A pleasant evening was spent and the guests joined in wishing Miss Donahue many happy anniversaries.

OVER-THE-TEACUPS MEETS

The Over the Teacups club was entertained by Mrs. R. L. O'Hair and Miss Ella Beckwith at the home of the latter last evening. The ladies attended the moving picture show and watched for the election returns till a late hour. They then went to the home of Miss Beckwith where hot chocolate was served and the remainder of the evening pleasantly spent in social cheer.

AN ACCURATE CLOCK.

The Timepiece in the Observatory of Columbia University.

In the observatory of Columbia university is one of the most accurate clocks in the world. It has run for several months with a mean error of only fifteen-thousandths of a second and a maximum error of thirty-thousandths of a second per day. That means that it does not vary more than half a second a month, or six seconds a year.

Compare this with the first pocket timepiece, the "animated egg of Nuremberg," which required winding twice a day and varied an hour and a half in the same time! Compare it with some of the highest priced watches manufactured today, which often vary more than ten seconds a week, and you will have some idea of the refinements in the science of measuring time. Yet even this accuracy is surpassed by some famous timepieces, if the trade magazines are to be believed. There have been accounts in them of clocks or watches that have varied less than a second in periods as long as ten years.

The clock at the University of Columbia is an astronomical clock. It is surrounded by a glass case in which a partial vacuum is maintained, and in order that the case may not be opened or disturbed the winding is done automatically by electricity. The clock is set up in a room especially constructed to keep it free from jar or vibration. The temperature and barometric conditions are maintained practically constant, and every possible precaution is taken to minimize the errors of the running mate.—New York World.

IT CLEANS THE SHIPS.

Sailing Through a Volcano Crater in the Aegean Sea.

In the Aegean sea a vessel may sail into the top of a crater, and though it is hard to find anchorage there, yet a mere sail through is appreciated greatly by captains, because it cleanses the bottom of the ships from marine growth.

More than 2,000 years ago the Isle of Santorin was split in half by an earthquake, with the result that what was once the crater of a volcano is now a crescent shaped harbor. Two glistening white towns of Thera and St. Nicholas are perched on the summit of the steep cliffs, whose dark and dismal hue is similar to that of the top of Vesuvius. Standing out against the sky are large numbers of windmills, with many sails, arranged in a perfect circle. These are evidently employed for crushing the olives, which, along with the terraced vines, are the staple product of the island. The Santorin wine is of excellent quality and is highly appreciated in the Levant.

Between the main island on the east and the smaller, Theros, on the west, are the three small Kaumene islands, all of which have come into existence since the original earthquake, while the largest of the three was "born from the sea" less than 200 years ago, showing that the center of the old volcano has still a certain amount of activity.

The water in the harbor into which the sulphurous streams from this volcanic island rain has a peculiar property which completely cleans off growths of every kind from the bottom of any ship.

"Real Sporty" Woodsmen.

The chief recreation of the woodsmen of the Puget sound country is to go to town on Saturday nights. As a valley dweller explained: "They've got money, and they just blow it in. That there is the logger style of it. There's no places of amusement in the town. They can go to the library and sit down or go to a hotel and sit down, but that don't suit 'em. No, they either get drunk or go to church. Some take in both. I've seen 'em at church pretty well loaded. 'Bout seven or twelve o'clock they start for their camp. Mostly they hire a rig and go eight or ten fellers to a team. Oh, they're sporty! There's nothing too good for the loggers and, take 'em as a whole, they're the best class of men I ever run up against."—Clifton Johnson in Outing Magazine.

Etruscan Vases.

The famous Etruscan vases were wrongly named, for, though made in Etruria, they were the productions of Greek genius. They are elegant in form and enriched with bands of beautiful foliage and other ornaments, figures and similar subjects of a highly artistic character. One class has black figures and ornaments on a red ground—the natural color of the clay; another has the figures of the natural color and the ground painted black. The former class belong to a date about 600 B. C., the latter date about a century later and extend over a period of some 300 or 350 years.—New York American.

Where the Cost Comes In. "Do you find the cost of living any higher in New York than it was in the little old town?"

"No. Living doesn't cost so much more, but a fellow has to pay a big price to keep from getting lonesome."—Chicago Record-Herald.

FRIDAY CALLER PLEASE COPY

Here's One That Makes Us Laugh, Ha, Ha, Ha!—The Danville Friday Caller of October 16 Makes a Political Prognostication.

On October 16 the Danville Friday Caller had the following to say:

Thomas R. Marshall, Governor of the great State of Indiana on one of the numerous minor tickets that are in the field, will speak at Plainfield today (Friday) at 1 p. m., upon "The Issues" of the campaign. A magnificent audience is expected to greet Mr. Marshall.

We heard at the time Mr. Marshall spoke in Plainfield that the audience was magnificent and all that was expected. It was a great day in Plainfield. But that is not the best part of this story. The way things have gone are altogether different from what the Friday Caller expected and it is to laugh at the Caller's prognostication, Ha, Ha, Ha!

The Caller expected the same old gang to be in, but the people at the polls knew their business and they were not afraid to attend to it. The "minor party" mentioned by the Caller seems to be a great big party now.

The Caller certainly got a lemon and in the favorite talk of the Republican candidates, before election, we use their same expression and ask the Friday Caller to "please explain."

A MEDFORD STORY.

Legend of the Phantom Ship and Its Mad Pirate Captain.

The town of Medford, Mass., has a legend of a phantom ship beside which the Flying Dutchman is only a peaceful merchantman. The Medford story runs that a ship laden with rum and gold and silver bars put out from that place in the days when the Spanish main was infested with pirates. It was headed for a West Indian port, but got into the doldrums and was so long becalmed that water and provisions gave out, and all hands perished of thirst and starvation. When the wind came up again the ship sailed away with her ghastly crew, was seen by a buccaneer, chased and overwhelmed.

The pirate captain made fast to his prize without firing a single shot, and, attributing the vessel's nonresistance to fear or lack of arms, he was the first man to leap on board. But the rope with which the captured ship had been carelessly lashed to his own parted under the strain of the seaway, and he found himself rapidly borne away from his comrades on what he soon discovered to be a floating coffin. A stiff breeze filled the sails of the derelict, and before his own vessel could overtake it night descended on the ocean, and the pursuing ship lost sight of it altogether. Left alone in pitch darkness on the grewsome craft, the pirate went mad with terror and, seizing the wheel, raced away before the wind and, according to the legend, was condemned to range the seas forever thus in command of his horrible prize.

Woe to the ship that encountered it scudding along by moonlight or in the lightning's glare, manned by skeletons and steered by a shouting, gesticulating madman, and when on several occasions it was sighted in the fog off Medford it was considered as the herald of storm and disaster and the loss of many ships.—New York Press.

"Are you a benedict?"

"No; I'd like to join a lodge, but my wife objects."—Louisville Courier-Journal.

Five Dollar Soap.

"It is the proper thing to have your soap made to order," said a masseur. "All the great actresses, all the great millionaires' wives and many quite ordinary people have their soap made to order, paying for it anything from 50 cents to \$5 a cake.

"This green soap costs \$5 a cake. It is made to order in Paris for a beautiful actress. Note her crest and monogram in gold on each green cake.

"The soap is made not of ordinary soap fat, but of spermaceti, the clear fluid which fills the hollow skull of the cachalot or sperm whale. It is perfumed with ess bouquet, one of the costliest perfumes going. It is, you see, pretty, its odor is delightful, and it yields a perfect lather. Even at that it doesn't seem to me worth 10 cents a wash, but so, the actress tells me, its cost works out."—New Orleans Times-Democrat.
