IS GROWING FAST.

Test Shows Growth of Corn in Twenty-Four Hours.

Two gentlemen disputing about the rapid growth of corn in this favorable weather made a bet as to how fast it was growing. One thought it would grow two inches in twenty-four hours, the other bet it wouldn't grow over one. They rigged up a contrivance to accurately measure the corn and were greatly surprised to find that the stalk measured had increased a little more than four inches in the twenty-four hours.

A Wretched Mistake

to endure the itching, painful distress of Piles. There's no need to. Listen: "I suffered much from Piles," writes Will A. Marsh, of Siler City, N. C., "till I got a box of Bucklen's Arnica Salve, and was soon cured." Burns, Boils, Ulcers, Fever Sores, Eczema, Cuts, Chapped Hands, Chilblains, vanish before it. 25c. at M. C. Quigley's.

A Surprise Dinner.

Sunday, July 24th, 1910, the relatives and friends gathered at the home of Mr. and Mrs. William Murphy for the purpose of surprising Mrs. Murphy, and to say she was surprised would be putting it very mild, as she was visiting friends in Greenfield when she came home and found the house and back yard full of relatives and friends to meet her.

After shaking glad hands with each and every one, the women set about to prepare dinner, and, Oh my! such bountiful dinner! The table was made to fairly groan under the weight of good things to eat. After dinner the company spent the time in conversation and games, croquet seeming to lead, W. Dobbins being the champion player.

Those present were Mr. and Mrs. J. P. Murphy, Mr. and Mrs. John E. Murphy, Mr. and Mrs. B. H. Murphy and daughter, Mr. and Mrs. George McQuerry and family, Mr. and Mrs. W. H. There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only Constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

Address: F. J. CHENEY & CO., Toledo, Ohio.

Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

Doing Well in the West.

The Rev. R. O. Rogers, of this city, is having remarkable success in revival meetings in Oklahoma, and has received a call to the pastorate of each of the churches where he has conducted meetings. There are few men so well informed in bible subjects as Mr. Rogers.

AND NOW WE ARE GOING TO HAVE A REAL CIRCUS

Hagenback-Wallace Shows Will Join the Forces that Are Bringing Crowds of People to This City.

H. C. Newman, special contractor for Hagenback and Wallace's Big Indiana Show, met Ira Stephens, Greenfield's well known bill poster, at the Columbia hotel Saturday morning, and arranged to bill this city for the appearance of his show for Tuesday, August 16th. While here he contracted with J. M. Hinchman for his grounds on the west side of North State street.

The car with advertising and posters will arrive about the first or second of August when Greenfield and

all the towns of the county will be thoroughly posted with advertising. This show will come over the Pennsylvania railroad from the west and will come from Noblesville, where it will show the day before.

The show this year is larger than ever before, and has many new features.

It will include three rings and two stages. The Hagenbeck and Wallace Show is distinctly an Indiana show. While it shows over the whole country still it was originated in Indiana, and spends its winters in the state.

CROQUET STRIKES TOWN OF SHIRLEY

Latest Events That Have Occurred in and About This Second Town of the County.

Shirley, July 25—Charley Williamson in the west part of town, has set apart a portion of lot for a croquet ground, and will appropriate enough of funds to get a first class set of croquet, and by the way he has devoted a portion of his time toward making it one of the finest croquet grounds in this section of the county, you can bet your last dollar that he will prepare for the championship.

Charley Jackson, who has been with the Hanna & Masters gas company for several years, has resigned as the gas company, it is said, will discontinue the gas business this year, as Billie Reeves has taken charge of the remainder of the business, and will be the chief man in charge hereafter, and will no longer be called the Hanna & Masters gas company. Mr. Jackson, who has proved himself to be a trustworthy man, has not yet decided just what he will do, but we hope he will still remain in Shirley.

Mrs. Elmer Gates, in company with Miss Mary Gates, her daughter, left the latter part of last week for Liberty, where they will spend a few days visiting their relatives. Mrs. Gates will return in a few days, while Miss Gates will spend her summer vacation with her uncle, L. G. Farr, of Liberty.

Ernest Morrow's little son, who has been very sick for a few days, died Saturday morning at 1 o'clock.

W. R. Bailey, of Fairmount, was in Shirley last Friday in the interest of his real estate, which is the Schomberg property on East Main street. Bailey is a real estate man and always has something to deal, and was here on that mission.

The lot owners of Shirley received notice last week from the town clerk to mow their weeds, and if they don't comply with the notice, the clerk will order them mowed and settlement made by him.

Last Sunday was another unfortunate day for the traction line to run Sunday excursions to Indianapolis, as the weather was not at all favorable for excursions.

Billie Dean, who recently purchased himself a commodious lunch wagon, had his wagon on the streets for the first time Saturday night, filled with the finest kind of eatables. Everything looked good, neat and clean and sold out slick and clean, which showed a fine beginning for the new enterprise.

Harry Spangler received a letter from our old friend Noah Hamilton, who holds a civil service position and is located at Mohave City, Arizona. He writes that there has been no rain in that section for the last three weeks. Last week was the first rain for that time and the weather is very warm and sultry. He expects to take a short vacation and spend it in Los Angeles, Cal., where he thinks the atmosphere will be more pleasant and refreshing.

Louelle Shaw and Kathryn Gordon, both of Shirley, are visiting Louelle's grandma, at Farmland, Ind. They will remain about two weeks.

The Shirley Brass Band met for the second time in the New's office, and made further arrangements for the future.

THE KATYDID HAS SPOKEN.

According to the Sign, Jack Frost Will Come in Six Weeks.

The katydid has spoken and according to the believers in that sign, it will be six weeks until frost. That means that Jack will get to town the latter part of August or the first of September. Somewhat of a short summer.

If the sign should be good and there is frost in August, it will mean a year that is frosted every month, except possibly July, although it was cool enough a few mornings ago for frost in the lowlands.

New Wheat Coming In.

The wheat crop is beginning to come in lively to the market. John M. Ashcraft began the delivery of a 90-acre crop at Barrett's Elevator Company Monday. Luther Frost delivered a load of wheat Tuesday afternoon at the elevator of the New Milling Company, which graded 57 strong. The wheat was in better shape Tuesday than it was Monday.

The quality of the wheat is good and the grade will run rather even. The condition of the wheat is also fine and any of it seems fit to ship in cars just as soon as it is delivered. These characteristics of the crop would lead to the conclusion that there would be but very little variation in price. The buyers however, quote wheat from 90 to 98 cents. The first new wheat to market in this city was reported to have brought \$1, but the price has weakened, and the top is placed at 98 cents.

The matter of shipping is proving of some interest to the grain buyers. Whether the railroad companies will have cars enough to supply the demand for moving the grain is an important question. The railroad representatives do not give much encouragement. So far however, the cars are forthcoming.
