SUMMER COLDS
Many have their worst colds
during the warm months. A
very little of

Scott's Emulsion
after meals, puts that quality
into the blood that helps thwart
that rundown condition that is
so depressing. Build up your
vitality—try Scott's.

HEARTBURN

Once-a-Week Polish
Keeps Teeth Stainless

Why do so many use pumice stone,
charcoal, or other harsh, danger-
ous substances, to remove the unsightly
yellowish or blackish tinge from the
teeth? Simply because they have never
learned to find any tooth powder, paste
or cream that would do the work. The
reason tooth stains are so difficult to re-
move is that they are covered with a
thin film, or "pellicle," which the usual
tooth powder, paste or cream cannot
penetrate or dissolve.
The problem of removing these ob-
stinate films has finally been solved by a
newly discovered tooth powder, which
is called "Once-a-Week Tooth Pol-
ish." This polish not only removes all
stains easily and quickly, but
without the least injury to enamel or
gums—qualities not found in any other
preparation in the market. Once-a-
week tooth polish, obtainable at any
drug store, is not intended as a substi-
tute for dentifrices, but to be used in ad-
dition to them—once a week, as the
name implies. It should be used by
children, as well as adults, as a pre-
ventive of stains, tartar, decay, germs
and pyorrhea.

**DOCTOR URGED
AN OPERATION**

Instead I took Lydia E. Pink-

and Was Cured.

Baltimore, Md.—"Nearly four years
I suffered from organic troubles, ner-
vousness and head-
aches and every
month would have to
stay in bed most of
the time. Treat-
ments would relieve
me for a time but
my doctor was al-
ways urging me to
have an operation.
My sister asked me
to try Lydia E. Pink-

senting to an
operation. I took
five bottles of it and
it has completely
cured me and my
work is a pleasure. I tell all my friends
who have any trouble of this kind what
Lydia E. Pinkham's Vegetable Com-
pound has done for me."—NELLIE B.
BRITTINGHAM, 609 Calverton Rd., Balti-
more, Md.
It is only natural for any woman to
dread the thought of an operation. So
many women have been restored to
health by this famous remedy, Lydia E.
Pinkham's Vegetable Compound, after
an operation has been advised that it
will pay any woman who suffers from
such ailments to consider trying it be-
fore submitting to such a trying ordeal.

KIRKPATRICK IS

PRESIDENT OF INSTITUTE

The Rev. Blaine E. Kirkpatrick,
pastor of the College avenue church,
was honored by the 1919 Epworth
League institute held last week at
Battle Ground, being elected as pres-
ident of the institute for 1920. The
Rev. Kirkpatrick has been registrar
and publicity manager of the insti-
tute for five years. This year he
taught a class in "Life Work."

The Greencastle district, which is
composed of about fifty young people,
won for the second time the first prize
at the annual stunt night contest
given. This year the stunt put on
by the Greencastle district was "A
Sequel to the Death of John Barley-
corn." Last year the play was "The
Death of John Barleycorn." The
theme of the act was the attempted
resurrection of John Barleycorn from
his grave by the many "wet" agen-
cies throughout America. Attempts
were made by these agencies through
the returned soldiers, Congress, the
church and the women of America to
secure the key which would unlock
the vault of John Barleycorn. At last
the vault was blown open and the ghost
of John Barleycorn arose before the
startled audience. The ghost makes
his last speech warning his friend,
Nicotine, to beware lest he shall fol-
low the footsteps of John Barleycorn.
He then berates his henchmen for al-
lowing him to be conquered and for
their negligence and tells them they
must die. They fall upon the stage
and the curtain is drawn. Thus ends
the tale. The leader of the wet ele-
ment who was the devil, was taken
by the Rev. Blaine E. Kirkpatrick, of
Greencastle, who dressed in his flow-
ing red garments with pitch-forks
dragging on the floor made a very
weird and uncanny actor.

Second and third prizes were given
respectively to the faculty and South
Bend district.
The DePauw members who attend-
ed the institute gave a very interest-
ing act portraying life in DePauw
University among which the stone
wall, DePauw's courting classroom,
was the center of attraction. Stunt
night at Battle Ground always is well
attended and the many different acts
make the evening one of special merit
throughout. The four districts in at-
tendance at the institute were Green-
castle, South Bend, Lafayette and
Crawfordsville. About 750 students
were enrolled in the institute.

COMBINED CIRCUSES TO SHOW IN INDIANAPOLIS

The world's biggest amusement in-
stitution, Ringling Brothers and Bar-
num & Bailey Shows combined, is to
exhibit afternoon and night at India-
napolis Monday, August 18.

The consolidation of the "World's
Greatest Shows" and the "Greatest
Show on Earth" in one circus of col-
ossal size constitutes the amusement
surprise of the country. Nothing to
approach this gigantic new circus has
ever before toured America. It has
been formed by merging the pick and
the cream of all that was biggest and
best in the two famous shows. It
would be folly to attempt to enumer-
ate its many wonders. Some idea
of the enormous scale upon which
features are presented may be had
when it is stated that a quarter of
a million pounds of elephants take part
in a single act. In other words—six
times as many of the big-eared giants
than have ever before been seen in
one main-tent exhibition. All else to
be seen is in proportion. The arena
stars embrace all the world's fore-
most circus performers. There are
three hours of novelties and big sen-
sational acts. The menagerie is far
and away the most colossal ever trav-
eled. For instance—a herd of eight
giraffes are exhibited in place of the
two or three shown in the past. The
great tournament which opens the
main-tent program is the most mag-
nificent thing in pageantry yet pro-
duced in America. Hundreds upon hun-
dreds of gorgeously costumed charac-
ters and beautiful horses take part in
it. The morning street parade is the
longest and most brilliant ever given
anywhere. It is a stupendous super-
circus that baffles description.

Captain and Mrs. Everett Jones re-
ceived word this morning of the safe
arrival of Captain Jones' sister, Miss
Helen Jones, in Naples, Italy, from
where Miss Jones will sail for Con-
stantinople, where she will be en-
gaged in Young Women's Christian
Association work. Miss Jones sailed
from New York on July 1, thirteen
days being required for the voyage.

Mr. and Mrs. R. M. Coleman, of In-
dianapolis spent Sunday with Mr. and
Mrs. A. J. Sweeney, who reside near
Limedale.

The Rev. Ray Banks, assisted by
the Rev. W. E. Houghton, of Frank-
lin, a singing evangelist will begin a
series of tent meetings on Monday,
August 4, at the Bethel Baptist
church, ten miles east of Greencastle.

Miss Zola Hancock has returned to
her work in the ten cent store, having
spent a two weeks' vacation in India-
napolis with friends.

Mr. and Mrs. F. C. Yeager and
daughter, Miss Beulah, have returned
from an excursion trip to Niagara
Falls. They report a splendid trip.

Mrs. Clark Bateman and two chil-
dren, of Bombay, India, are here the
guests of Mr. and Mrs. T. E. Evans.
Mrs. Bateman formerly was Miss
Veda Stevens, a DePauw student.

Louis Stewart was here from Leb-
anon to spend Sunday with Mr. and
Mrs. Fred Hixon and other relatives
and friends.

GRENADE SAVINGS BANK FOR SCHOOL CHILDREN

Indianapolis, July 28.—Indiana
school children will obtain hand gre-
nade banks through the banks in their
respective cities, according to an
announcement today by Robert E.
Springsteen, director of the Indiana
War Savings Committee. In making
this announcement, Mr. Springsteen
made public a statement by the War
Savings organization of the Seventh
Federal Reserve district, as follows:
"The hand grenade is the highest
modern development of a time-hon-
ored weapon. The war department
owned 15,000,000 when the armistice
was signed. Some of these are now
available through the savings division
of the treasury department for dis-
tribution to school children as savings
banks to encourage the forming of
habits of thrift.

"These hand grenade savings banks
are real hand grenades with the per-
cussion caps and high explosives re-
moved. The are, with the exception
of the money slot, externally the same
as those the Sammies used to clean
out crooks and bends in captured
trenches, enemy dug-outs and ma-
chine gun nests. A live hand grenade
was not dangerous until the ring and
pin had been withdrawn, which freed
the trigger that started a percussion
cap, resulting in a terrific explosion
within three or five seconds. The
small squares of steel thrown by the
explosion were deadly within a radius
of forty to fifty feet.

Every child or grown-up will want
one of these souvenirs of the world
war. Only those who are willing to
save and help their government can
have them, as the War Savings or-
ganization is the sole distributor in
the seventh federal reserve district
and we are distributing them through
banks to school children under a uni-
form plan, the conditions of which are
as follows:

1. One grenade is to be loaned by
the bank to any child under seven-
teen years of age signing the Thrift
agreement.
2. It is to be opened by the bank
when presented by the child, and
Thrift or War Savings Stamps given
in exchange for the contents.
3. It will become the property of
the child as soon as he has thus pur-
chased through the bank one or more
War Savings Stamps (maturity value
\$5.00 each), children under 10 being
required to buy one War Savings
Stamp and those over 10 two stamps.
4. The bank is to fill out and give
the child at the end of the vacation
period (if a school child) a certifi-
cate of his summer savings in
order that he may present same to his
teacher and get credit therefor in the
War Savings Society now or hereafter
organized in his grade.
5. If the bank so desires, it may
ask the children who earn these sou-
venirs to write essays on "How I Won
My Hand Grenade," offering such es-
say prizes and publishing such essays
as it desires. The War Savings or-
ganization requests a copy of the es-
say winning first honors.
6. After the schools have reopened
and the children have been supplied,
the hand grenade banks may be given
to anyone over 17 years of age who
purchases three or more War Savings
Stamps.

The federal reserve district officials
are writing to every bank in the state,
pointing out the advertising value to
the banks in issuing the hand gre-
nades. The bank will be permitted to
have a metal tag bearing its name
attached to each hand grenade bank.
Mr. Springsteen said that it is his be-
lief that at least 50,000 school chil-
dren of Indiana will receive this little
hand grenade savings bank. He based
his opinion on the large number of
children that pledged themselves to
their school teachers that they would
save during the summer.

Misses Frances and Caroline For-
cum have returned home from Craw-
fordsville, where they have been vis-
iting their aunt and uncle, Mr. and
Mrs. H. E. Crawford.

C. W. Otis left, Sunday, for Penn-
sylvania, where he will join his wife
for an Eastern motoring trip. Mr.
Otis will be on his vacation about one
month.

The funeral service for Jasper J.
Henry age 44, who died in Memphis,
Tenn., Friday, was held at 3 o'clock
Monday afternoon at the Brick Chap-
el church. Burial was in the Brick
Chapel cemetery. The Rev. Don
Nichols, pastor of the Locust street
church, was in charge of the funeral
service. Mr. Henry was the brother
of Mrs. Henry O'Hair of this city.
He was salesman for the Gibson Auto
Accessory Company of Indianapolis
and recently won first prize in a sales
contest.

Mrs. Hattie Thorpe, who has been
visiting Mr. and Mrs. C. O. Talbott,
who reside on East Hanna street, has
returned to her home in Kansas City,
Kans.

MANY PEOPLE REPORT BIG GAINS IN WEIGHT

THOUSANDS OF THIN, FRAIL
PEOPLE RESTORED TO
HEALTH BY TANLAC

MANY REMARKABLE EXPERIENCES TOLD

People in all Ranks of Life Tell
What Celebrated Medicine Has
Done for Them.

One of the most noteworthy fea-
tures in connection with Tanlac and
the one that stands out more promi-
nently than any other, perhaps, is the
very large number of well-known men
and women from all parts of the
country who have recently reported
astonishing and rapid increases in
weight as a result of its use.

When so many well known people
of unquestioned integrity make state-
ment after statement, each corrobor-
ating the other, the truth of such
statements can no longer be doubted.

Thousands have testified that this
famous medicine has completely re-
stored them to health and strength
after every other medicine and the
most skilled medical treatment have
failed.

One of the most remarkable cases
on record is that of Mrs. Viola Ives,
of 315 Cross street, Little Rock, Ark.,
whose statement appears below.

"In May of 1913," said Mrs. Ives,
"I suffered a complete breakdown of
my nerves and my entire system gave
way. About six weeks afterwards I
was carried to the hospital. I became
perfectly helpless—couldn't move any
part of my body and just lay there
in bed for five months, not knowing
anything or anybody. I was brought
home in October, 1913, and tried all
kinds of medicine and everything I
was told about.

"I read about so many people get-
ting relief by taking Tanlac and my
husband got me a bottle. After tak-
ing three bottles I began to feel bet-
ter. I have taken several bottles of
Tanalac now and I can walk anywhere
and sleep like a child. When I took
my first dose of Tanlac I weighed
only one hundred and twenty-two
pounds. I now weigh one hundred
and sixty-two—an actual gain of
forty pounds since I started on Tan-
lac."

Texas Man Testifies.

Another remarkable case was that
of John M. Crabtree, a general mer-
chant of Five Mile Station A, Dallas,
Texas:

"I have actually gained thirty-four
pounds on three bottles of Tanlac and
I now know what it is to enjoy good
health after suffering for twenty
years," said Mr. Crabtree.

"I suffered with catarrh of the
stomach and indigestion for twenty
years, and for eighteen months before
I started taking Tanlac I had to live
almost entirely on cereals. I spent
nearly all of one whole year in bed
and was unable to do anything at all
and I fell off in weight to 118 pounds.

"After using my third bottle of
Tanalac I found I had increased in
weight from 118 pounds to 152
pounds, making an actual gain of
thirty-four pounds—all my troubles
were gone, and I was feeling like an-
other man."

Captain Jeff D. Riggs, popular Y.
& M. V. engineer, running between
Vicksburg and New Orleans and re-
siding at 2020 Pearl street, Vicksburg,
in speaking of his experience with
Tanalac said: "Yes, sir, it's an actual
fact, I have gained twenty-five pounds
on Tanlac."

"When I began taking the medi-
cine," continued Captain Riggs, "I
was simply a nervous and physical
wreck and had dropped down in
weight from one hundred and forty to
one hundred and ten pounds.

"I have just finished my second bot-

WAS TWICE EXAMINED AND
TOLD OPERATION WOULD
BE HER ONLY HOPE

"I have just finished my third bot-
tle of Tanlac and have gained twenty-
seven pounds," was the truly remark-
able statement made by Mrs. Charles
Peden, residing at 55 Mill street,
Huntsville, Ala.

"When I commenced taking the
medicine," she continued, "I only
weighed ninety-eight (98) pounds;
now I weigh 125 pounds, and never
felt better in my life. For years I
have suffered with a bad form of
stomach trouble, constipation and
pains in my side and back. At times
the pains took the form of torture,
and I was twice examined and each
time I was told that I had appendi-
citis and that an operation would be
my only hope.

"I had made all preparations for
the operation and called in my sister
to tell her good-bye, as I did not know
whether I would live to see her again
or not. My sister begged and pleaded
with me not to allow them to cut on
me and told me to wait and try a good
tonic for awhile. The next day, as I
returned from the consultation room,
I thought of what she said and as I
had heard so much about Tanlac I
decided to try it and got a bottle.

"I never returned for the operation,
but just kept taking the Tanlac.
Right from the start I began to feel
better. The medicine seemed to take
hold right at once.

"I was so happy over the wonderful
improvement in my condition that I
sent for my neighbors to tell them
how much better I felt. I sent and
got another bottle of Tanlac, and have
just finished taking my third bottle
and feel as if I have been made all
over again into a new woman."

tle of Tanlac, have gained twenty-five
pounds and I feel like a new man."

Old-Time Engineer Talks.

Engineer Charles J. Weeks, who
runs the Seaboard Air Line fast train
"Fox" between Jacksonville and Tam-
pa, bears the distinction of being the
second oldest engineer in point of
service with this road, having been
with the company for thirty-five
years.

"I have gained twenty pounds on
seven bottles of Tanlac and feel as
well and happy as I did when a boy,"
said Mr. Weeks.

"For twenty years I suffered with
nervous indigestion of the worst sort,"
he continued, "and at times during
the past fifteen years I didn't think I
would last much longer. To tell you
the truth, I finally reached the point
where I didn't much care whether I
lived or died."

Thousands of other people all over
the country have reported the same
astonishing gains in weight after tak-
ing Tanlac. Among these are: Mrs.
E. O. Wilson, of 197 Bass St., Atlanta,
Ga., who gained 25 pounds; Edward
Reno, 1721 Broadway, Kansas City,
Mo., who gained 25 pounds; Mrs. W.
C. Cochran, of Julietta, Idaho, who
gained 22 pounds; Mrs. Doll Davis,
of 108 Samuel Ave., Peoria, Ill., who
gained 30 pounds; Charles E. Shaffer,
508 W. Charleston St., Portland, Ore.,
who gained 24 pounds; Mrs. Amelia
Mann, R. F. D. No. 2, Ogden, Utah,
who gained 25 pounds; W. S. Hukill,
7308 Park Ave., Tacoma, Wash., who
gained 20 pounds; Mrs. B. W. Smith,
3113 Burdett St., Omaha, Neb., who
gained 35 pounds; Fred W. Saunders,
710 Market St., San Francisco, Cal.,
who gained 24 pounds, and many
others too numerous to mention.

Tanalac is sold in Greencastle by R.
P. Mullins.

LOW SALARIES CAUSE RESIGNATIONS AT I. U.

Bloomington, Ind., July 28.—Resig-
nation of several Indiana University
faculty members and the rumor that
others may resign has caused a stir
in local educational circles.

The recent resignation of Dr. Will
D. Howe, head of the department of
English, who soon will go to New
York where he is to be connected
with a newly organized publishing
house, was followed Saturday by the
announcement that Professor C. J.

Sembower, of the English depart-
ment, will leave the faculty at the
close of the present summer session
to enter business in Indianapolis.
Professor J. L. Parks and Professor
Scott Rowley of the law school, also
resigned recently.

Lack of money to provide higher
salaries is said to be at the bottom of
at least two of the resignations. Of-
ficials of the university, although they
have issued no official statement to
this effect, have let it be known that
they are powerless, because of insuffi-
cient money, to avert the threatened
blow to the faculty.
