

DEPAUW MAN HONORED
BY METHODISTS

Detroit, Mich., August 9.—Dr. John G. Benson pastor of Wesley Methodist church, Detroit, Mich., has been appointed secretary of the department of education and literature of the Methodist denomination, with headquarters in New York City. Announcement of Dr. Benson's selection was made following a meeting of the church leaders in Columbus, O.

Dr. Benson has received a singular honor through the appointment, for a world-wide search was made to find a man fitted to head this department, which is one of three large bureaus of the church promoting church extension and a practical religion for Methodism. In his new work he will have charge of the world-wide surveys, compilation and publication of all books and pamphlets, collection and distribution of lantern slides, publicity and other phases of the Methodist propaganda.

The Detroit pastor, who is 38 years old and a graduate of DePauw University, made a nation-wide reputation in community service work and is one of the leading exponents of community service in the Methodist church. Mrs. Benson formerly was Miss Margaret Jordon of Greencastle, Ind. During his pastorate of Wesley church the institution has come to be one of the leading churches of Detroit. Its community work in the downtown districts stands out as an example of what a church can do for the people living in the congested sections. The hotel for working boys is the largest in the country. The church grounds have been turned into a park which has been filled throughout the hot nights.

During the war Dr. Benson spent a year in Washington, where he took charge of the war emergency fund of \$1,000,000 raised by the church for war relief.

He has a national reputation as a Chautauqua speaker and two years ago was offered a contract for five years at \$10,000 a year to spend his entire time on the platform. He declined this offer because he did not wish to give up his work in the church. For the past three years he has had charge and has lectured at the Rockville, Ind., chautauqua. Dr. Benson's selection for his new position, which is one of the most influential places in the church, was the result of his showing as executive secretary in the Detroit area of the centenary drive of the church which just closed. Under his leadership this area was the first in the United States to raise its quota of the \$120,000,000 sought in the drive. This area not only went over the top in the allotted time of eight days but secured a large over-subscription.

NOT THE AGE OF JOY;
THE AGE OF REDEMPTION

"This is not the age of joy, this is the age of redemption," said the Rev. L. D. Dodd before a crowded church Sunday evening in the fifteen-day revival service he and Harry Maxwell of this city are conducting at Wesley Chapel. Many people were standing outside of the church listening, as they were unable to secure seats in the auditorium. Mr. Maxwell conducted spirited song services throughout the day's services. Sunday evening there were more than fifty in the choir. He sang as a solo, "Oh My Soul Bless Thou, Jehovah." Many groups from surrounding churches were present Sunday evening, among which were people from Mt. Pleasant, Brick Chapel, Bainbridge, and quite a large delegation from Greencastle.

The Rev. Dodd took for his text: "If any man will come after me, let him deny himself and take up his cross and follow me." The speaker emphasized that Christ came not into the world to be ministered unto, but to minister unto others. Likewise with the Christians of the world, their sole object in life should be to help others. "Self-denial consists of three things," said the Rev. Dodd. "In self-denial for service of others you must save your time, energy and talents for the uplifting of mankind." Among the good things which the speaker said are the following: "The cross of the human race is the burdens of the people. Let us bear them as Christ bore the cross. It is going to be the Christians who will save this world from anarchy, misery, strikes and wars; get in line and be with the crowd which does the worthy things of life." At the close of the service ten people came forward, making the total about thirty who have been converted. The meeting will continue until next Sunday night. Next Sunday an all-day meeting will be held, a basket dinner at noon being a feature of the day.

Mr. and Mrs. Fred Goodwine and Mr. and Mrs. Virgil Grimes drove to the Shades, Sunday, in the Goodwine car and spent the afternoon.

For men who don't smoke pipes and
kiddies who don't believe in Santa
—we hereby pass resolutions of
why.

Velvet Joe

There's Taste to It!

It's easy to find a mild tobacco that's tasteless. There are full bodied tobaccos that are strong. But there's one that's cool as a cucumber and lively as a cricket. And it's friendly. That's Velvet. Have some?

Liggett & Myers Tobacco Co.

Roll a cigarette with Velvet and
know now a cigarette ought to taste.

POLITICAL GOSSIP
FROM WASHINGTON

Washington, August 9.—"We've got too much politics—damn it—men are thinking too much about their party's future, too much of their own future. It's sickening. God give us real men to meet a crisis like this."

Such was the exclamation of a western Republican Senator uttered to me as he sat in his office and discussed the problems confronting Congress and the entire nation. He was plainly discouraged and considerably worried about general conditions. He spoke of his party and the probability that there would be an investigation soon into the appointment of a Republican to a high position in the Senate who might have had some intimate connection with the big packers prior to his Senate job.

Congress, at a time when co-operation and team work is necessary to meet the problems and solve them, is bitterly opposed to the President for political reasons. The campaign of 1920 is on and there are a large number of Republican Senators with presidential ambitions. Ordinarily they might have courage, but now when most needed their courage is stolen by "thinking too much about their own future."

It is becoming more apparent every day that Congress must soon face the issue of the high cost of living as well as the railroad problems. It cannot dodge and the thousands of letters reaching Washington—making it unmistakable that the people are tired of political by-play and the effort to shift responsibility. Instead of grasping the opportunity to show real leadership and the ability to govern the nation, there has been nothing but desire to let the President do it. Not

one of the leaders of the opposition in Congress has offered the President suggestions and assistance. Instead, curt and critical notes have returned to the White House in answer to the President's proposals for action and remedies.

The death of Miss Elberta Lucille Bettis, daughter of Mr. and Mrs. Thomas Bettis of Clinton Falls, occurred at her home Friday afternoon of consumption. Miss Bettis has been seriously ill for many months. The funeral services were held Sunday afternoon at 3 o'clock at the Dunkard church, the Rev. L. D. Dodd of this city had charge of the service. Burial was made in the Dunkard cemetery.

Dr. and Mrs. W. W. Tucker have returned from a two weeks' vacation trip in the mountains of North Carolina.

Fred Tucker, who recently returned from army service, was arrested Friday on a warrant sworn out by his uncle, Henry H. Dickey, who lives in Madison township, charging that Tucker had unlawfully taken his automobile. Tucker, it seems, went to the Indiana Portland Cement Company plant Thursday, and while his uncle was at work there took a Ford car belonging to the uncle and started off on a ride which did not end until after midnight that night. The uncle learned that the young man had taken the car and sworn out the warrant against him. Tucker said his uncle had told him to take the car at any time it needed working on and fix it and that he took the car to test out the engine. The uncle says that he had previously had Tucker work on his car, but had recently told him never to take it. Tucker refused to plead guilty and was sent to jail pending trial. His bond was fixed at \$200.

Mayor Bartley went up in the airplane Saturday. Mayor Bartley arrived in Greencastle from his vacation in the northern part of the state at 2:38 and immediately went to the aviation field and in a few minutes was taken up in the clouds by Earl Cochrane. Other Greencastle citizens who took the ride in the clouds were C. J. Arnold, Ed. Brockway, John Zuanos, Nick Miliotis and J. B. Hurst. When John Zuanos reached the earth he was asked by those standing by how he enjoyed his airplane ride. These were the words uttered by the Greek: "Fine, fine, great, great." He would say nothing else.

About fifty people of the College avenue Epworth League met at McLean Springs Friday evening and held a picnic supper. The evening was an enjoyable one for all. It is the plan of the league to hold a social once every two weeks.

The Putnam Realty Company, through its Indianapolis office, has sold the Mace farm in Warren township to Duane Phipps of Hendricks county for a consideration of \$11,000. There is 146 acres in the farm.

The Hargen farm of eighty acres in Franklin township has been sold through the First National Bank to Ed. Stoner for a consideration of \$10,500.

Robert McCammack, of near Belle Union, who has been in the Methodist hospital in Indianapolis, where he was operated upon, has returned home and is reported to be getting along as well as could be expected.

MARRIAGE LICENSE.

Mahala Scott, age 30, of Roachdale, daughter of Demsey Disney, of Roachdale, and Lanson Scott, age 45, of Roachdale, son of Mr. and Mrs. John Scott, of Roachdale. Mr. Scott is a farmer.

STRIKERS RETURN;

OTHERS WALK OUT

Chicago, August 11.—Striking federated railway men returned to work at a number of points today, while at others they voted to remain out until their demands for increase of wages were granted.

Plans for holding a national conference of strikers, called for next Thursday, went forward today by the Chicago district council.

"Action to be taken at this conference is now up to the director-general of railroads," J. D. Sanders, secretary of the Chicago council said. "We expect word from Washington today. Should the administration delay action further, the men will refuse to return to their jobs."

Widening of the breach between local units and the international heads was apparent with receipt of a telegram from B. M. Jewell, head of the railway division of the American Federation of Labor, declaring that striking locals would not be permitted to cast ballots in the vote being taken on the question of a strike August 24.

Reports were received at council headquarters that strikers had burned some of the ballots sent out from international headquarters.

SUDDEN DEATH OF
TILMAN RUARK SATURDAY

Tilman Ruark, who resided on the National Road about eleven miles east of Greencastle, died suddenly at near 1 o'clock Saturday afternoon at his farm of heart disease. Mr. Ruark was one of the country's most prominent men. Beside his widow he leaves four children, Mrs. Robert McHaffie of Stilesville, Mrs. Charles Walls of Danville, Mrs. Conrad Webb of Amo, and Ivan Ruark who lives just west of Greencastle.

OFFICE OF SPECIAL ELEC-
TION FOR COUNTY HOSPITAL.

Notice is hereby given to the legal
electors of Putnam County, Indiana,
by virtue of an order made and
recorded by the board of com-
missioners of said Putnam County
at its regular August term, 1919, of
the board. A special election was
ordered and will be held throughout
Putnam County on Tuesday, September
16, 1919, at the several voting places
said county, that on said day the
legal electors in said Putnam
County will be open for the purpose
of receiving and taking the vote of
the legal voters thereof upon the
question as to whether the proposed
"Putnam County Hospital" named in
petition filed and presented to
the board of commissioners on the
10th day of August, 1919, by J. F.
Pieper and 524 other resident free-
holders of said county, shall be
established at the city of Greencastle
in said county at a proposed cost of
\$100,000.

Given by order of the Board of
Commissioners of Putnam County, In-
diana, this 5th day of August, 1919.
JOE M. ALLEN,
Auditor of Putnam Co., Ind.
Aug. 8-15-22

NO MILL COMPANY ASKS
DAMAGES OF HEINZ BROS.

A cross complaint filed Monday
by the American Zinc Products Company
against the Heinz Brothers, con-
structing engineers, who recently filed a suit to
revoke a mechanics' lien on the
mill for \$18,000, were ignorant of
the facts necessary to build a zinc
mill, and as a result the zinc
mill company suffered a large finan-
cial loss. Damages of \$300,000 is
sought of the Heinz Brothers by the
mill company.
The cross complaint alleges that
the Heinz brothers contracted to
build a mill and install machinery to
process sheet zinc. The company alleges
that they failed to build the mill sat-
isfactorily and that they failed to
pay out their contract. The mill
company paid the Heinz brothers \$30,
000 of the \$40,000 agreed by contract,
but refused to pay the balance.
The mill company alleges that be-
cause of the ignorance of the Heinz
brothers regarding the construction
of the plate mills, the mill was not
properly built and that the company
is required to rectify the mistakes
of the Heinz brothers at a great cost.
The day in starting the mill is charged
with errors and poor management by
the Heinz Brothers. The mill com-
pany in its complaint asks \$300,000
damages because of the failure of the
Heinz Brothers to carry out their
contract.

JOY RIDING IN SKY

IS SURE GOOD SPORT

Having bade the members of the
immediate family friends and rela-
tives good-bye, arranged with the
undertaker and assured myself that
all insurance policies were in good
standing, the editor Saturday ac-
cepted the invitation of E. C. Coch-
rane, airplane pilot extraordinary, to
take a morning spin in the sky.
It was with some degree of anxiety
that the passenger buckled on a big
leather cap, placed some big goggles
on his eyes and allowed a most at-
tentive mechanic to strap him in the
seat of the Curtis biplane in which
the morning spin was to be taken.

It was explained that the strap was
to keep the passenger from jumping
out, which probably was all right, but
it sort of made me feel like an 18-
months-old child at the dinner table.
At any rate I submitted to all the
requests of Mr. Cochrane and his at-
tentive mechanic. At last all was
ready for the ride. About this time
I decided that maybe it would be just
as well to remain down on the ground
but there I was all strapped in and
the mechanic was out in front turning
the big propeller to get the engine
started, so there was no use trying to
escape.

Now I am glad they strapped me
in. For right at the start I might
have jumped out, and if I had I would
have missed some joy ride, for this
sky-riding is sure good sport.

I forgot to say that just before
we started Mr. Cochrane mentioned
the fact that it was just a little
windy and the air was quite choppy.
Of course he did this to reassure me,
and he did all right.

Suddenly the engine began to bark
and slowly we started to roll down
the long field. Soon I missed the
bumps of the wheels on the ground
and looking over the side I noticed
that the ground was dropping away.
That looked a little queer, but I
thought that maybe it would come
back all right. But the earth just
kept on falling away and I realized
that my first trip to the skies had
begun.

Soon I realized what Cochrane
meant when he said the air was a
little choppy, for as the machine
mounted higher it occasionally would
hit a hole or a bump. When the ma-
chine hit a hole it just felt like the
blamed machine was going to fall,
and then a bump would suddenly lift
it and make you feel like you were
going straight up. But in a few min-
utes you realized that the old boy in
the seat behind you had his hand on
the safety valve and that everything
was all right. Up and up we went
until an altitude of 3,000 feet was
reached. The sensation, after you
get accustomed to those holes and
bumps, is great. Then we sailed
away over Greencastle and out west
of town.

The town and city below presented
a most beautiful picture—it cannot
be described. It is beautiful. The
white rock roads, the railroad lines,
the big barns, cornfields, residence
districts and all present a most won-
derful sight. After a couple of wide
circles we started back to the landing
field on the Bridges farm.

We then were 3,000 feet high and
I began to wonder just how we were
going to get down. I soon found out.
All of a sudden Cochrane, the scamp,
began to dip down and circle. When
he began to do this I decided that it
was all right to get down but I did
not exactly relish his plan of descent.
I stuck to the ship, however, and let
him have his own way. That dipping
and circling with the airplane tilted
and nosing down all at the same time
makes a novice wonder if everything
is just as it should be.

I'm sure for Cochrane, however, for
after a few minutes of slanting, dip-
ping and other tricks of the game he
landed without as much as a jar. We
taxied down to where the crowd was
waiting for us and the same kind-
faced mechanic unstrapped me and
allowed me to get out.

And here is a tip, folks. If you get
a chance to go up in an airplane, es-
pecially with the said Mr. Cochrane,
don't miss the opportunity. It sure
is great.

There is only one thing I regret
about that ride. Just before we start-
ed—it was after the kindly mechanic
had strapped me in and I was feeling
just a little shaky—Mr. Cochrane in
a most gentlemanly manner suggest-
ed that we make a couple of loop-the-
loops. Like a nut I refused his kind
offer and informed him that just a
little of the plain stuff would be all
right.

Now I am sorry that I did not see
Greencastle while standing on my
head.

By the way, Mr. Cochrane was a
personal friend of the late Captain
Maurice Sharp and this morning
spoke most highly of the ability as a
flier and character of our late fellow
townsman.

PLAN FUND TO AID

INTERESTS OF FARMERS

Indianapolis, August 8.—Plans were
laid for the creation of a \$200,000
guaranty fund to protect the rights
and advance the interests of Indiana
farmers at a meeting here today of
the Indiana Federation of Farmers'
Associations, County and district
leaders from all over the state were
present and indorsed the following
program outlined by Lewis Taylor,
general secretary:

1. Agriculture should and will or-
ganize as capital and labor have or-
ganized, to protect itself and to de-
velop new phases of production.

2. Farmers must get together to
take up methods of meeting the prac-
tices of the packers and the grain
men, where these methods are not to
the benefit of agriculture or the
community at large.

3. Farmers must protect them-
selves on the question of freight
rates.

4. Problems of farm management
and business methods must be met.

5. Agriculture must be protected
against unjust and unfair legislation
by a group of alert students of farm
problems.

Mr. Taylor elaborated on each topic
to show how the farmer's conditions
can be improved by co-operative ac-
tion. The present railroad situation,
he said, hurts the farmer, who has no
means of defense.

"But if we were organized as cap-
ital and labor are organized," he de-
clared, "we could quickly stop such
outrageous as the railroad trouble by
the simple threat of withdrawing food
supplies. We could preserve the eco-
nomic peace and keep the wheels of
industry moving."

The strike trouble, he added, is only
one of many that confront the farmer
right now. Some means must be
found of removing the advantage held
over farmers by the packers and
grain men and freight rates and
charges must be equalized, according
to Secretary Taylor. All these prob-
lems are acute and must be solved,
he added, but probably the most seri-
ous problem ahead is that of taxes.

"If we had been organized months
ago," he declared, "we would not now
be at the mercy of such a taxation
system as is now imposed upon us.
We must get together and protect
our own interests in legislation at all
times."

The guaranty fund, which will be
used to further all these purposes, is
to be raised among the farmers them-
selves in a special campaign that be-
gins Monday, August 11, and runs to
September 26. The campaign was
recommended at a meeting of 250 rep-
resentative Indiana farmers recently.
It will be managed by ten district
leaders and ninety-two county chair-
men, all working in co-operation with
state headquarters at Indianapolis.

W. H. Hickman, of Montpelier, vice
president of the federation, presided
at the morning session, and John
Brown, president, of Monon, presided
in the afternoon. Both supplemented
Mr. Taylor's remarks and urged the
county and district leaders to take
special pains to show the farmers of
the state that the movement is their
own movement, for their own good.
Among the campaign leaders present
were the following:

John G. Klein, North Vernon; Clair
H. Scott, Howe; Calvin Perdue,
Frankfort; Grant Teeters and H. T.
Walker, Montpelier; Charles N.
Hanks, Peru; L. L. Adamson, Law-
rence county; J. W. Mertz, Corunna;
Ralph Test, Greencastle; W. S. Heaz-
litt, New Albany; George E. Allen,
Greensburg; A. W. McKeand, India-
napolis; Vere S. Calvin, Kewanna; T.
E. Cravens, Martinsville; F. M.
Shanklin, Lafayette; C. W. Coons,
Crawfordsville; S. A. Bastone, Ro-
chester; Byron Ford, Indianapolis;
Henry H. Miller, Indianapolis.

MODERN WOODMEN OF
AMERICA PICNIC AT CLAY CITY

The fourth annual Modern Wood-
men Picnic and Homecoming, which
takes place in Clay City Wednesday,
August 20, promises to surpass all
former events.

Two aeroplanes have been engaged
of the Kokomo Aviation Company,
which will carry passengers and do
fancy stunts all day.

Music and contests and other enter-
tainment assure the guests a busy
day in amusement and merry-making.

Ex-residents look forward to this
annual event, for it offers them an
opportunity to renew old friendships.
The picnic slogan is "Everybody's
Coming."

Miss Flossie May Knauer has re-
ceived a message from her brother,
Earl Knauer, who has been overseas,
stating that he has arrived safely
and expects to be home before many
days.

PRINCE ALBERT

the national joy smoke

NEVER was such right-handed-two-
fisted smokejoy as you puff out of a
jimmy pipe packed with Prince Albert!
That's because P. A. has the quality!

You can't fool your taste apparatus any more than you
can get five aces out of a family deck! So, when you hit
Prince Albert, coming and going, and get up half an hour
earlier just to start stoking your pipe or rolling cigarettes,
you know you've got the big prize on the end of your line!

Prince Albert's quality alone puts it in a class of its own,
but when you figure that P. A. is made by our exclusive
patented process that cuts out bite and parch—well—you
feel like getting a flock of dictionaries to find enough words
to express your happy days sentiments!

Tippy red bags, tidy red tins, handsome pound and half-pound tin
humidors—and that classy, practical pound crystal glass humidor with
sponge moistener top that keeps the tobacco in such perfect condition.

R. J. Reynolds Tobacco Company, Winston-Salem, N. C.

"Put some
sugar on it, Mom."

If there was no other reason to do home-
baking than the effect on the children's
health and growth, that would be reason
enough. But think of the sheer delicious-
ness of home-baked things.

Wherever home-baking is appreciated,
Valier's Enterprise Flour is most appre-
ciated. Its quality is so much finer than the
ordinary flour that the baking is bound to
show the difference. If you haven't tasted
this difference, please do. You'll never be
satisfied again with ordinary baking results.

Phone your grocer today.

Milt Crawley, who has been em-
ployed by a threshing outfit for the
past few weeks, was knocked down
Thursday evening about 6 o'clock
when he was hit by an automobile
driven by W. S. Creverling of the
cement plant. The accident occurred
just as Crawley stepped from the
threshing machine in front of the
home of A. J. Sweeney, who resides
on the Manhattan road near Lime-
dale. Mr. Crawley had stepped from

the machine so as to direct the en-
gineer into the opening to the home of
A. J. Sweeney. Mr. Creverling was
going toward the cement plant when
Crawley suddenly stepped off of the
threshing machine into the road in
front of the car. Mr. Crawley could
not avoid him. Dr. A. E. Ayler was
called and stated that no bones were
broken, but Mr. Crawley was badly
bruised.

Grafton Longdon reports some
freak work done by the lightning
Wednesday evening. The lightning
first struck a wire fence on the farm
of Ed. Black, near the front porch of
the farm home of Mr. Longdon. The
bolt then followed the wire till it
came to a fence post and went to the
ground, where the ground was burned
for several feet around the post.

W. E. GILL, O. E. ANDERSON, Clerks.

WYCKOFF TO PROBE SUGAR SITUATION

Indianapolis, August 12.—With Indiana cities begging for sugar, Stanley Wyckoff, federal sugar distributor for the state, yesterday sought every possible way to cut the bands of war department red tape that are holding up the shipment of ten car loads of sugar from the government warehouse in St. Louis. The sugar was available for shipment last Friday morning and the federal distributor from Chicago had representatives at St. Louis to see that the cargoes were sent on their way to Indiana, but for some unaccountable reason, as yet not explained to Mr. Wyckoff, the officer in charge would not allow the shipments to depart.

The Chicago office, finding its efforts of no avail, yesterday appealed to Mr. Wyckoff to bring influences to bear on the war department in an effort to release the consignment and he promptly telegraphed Senators New and Watson to make represen-

tations to the department as to the urgent necessity of the immediate receipt of sugar in this state. He also talked with the New York sugar equalization bureau and invoked its aid in getting the supplies shipped.

TO CLOSE HOSPITAL AT FORT HARRISON

Indianapolis, August 12.—Col. Paul L. Freeman, commanding officer of the general hospital at Fort Benjamin Harrison, has received orders from the war department to close the hospital September 1. The post hospital will remain open, however, and cases now in the general hospital which do not require special attention, will be transferred there. Cases which require close attention will be sent to other general hospitals in the Middle West.

John Cherry and daughter, Miss Irene Cherry, were in Indianapolis Tuesday.

SHOPMEN'S STRIKE END SEEMS TO BE IN SIGHT

Chicago, August 12.—While only a few of the striking federated railway shopmen in the Chicago district have returned to work, railroad officials were optimistic today over prospects of an early return of workmen to their places pending a settlement of their wage demands or the result of a strike vote, for which ballots have been distributed from Washington by the international officers in the regular way.

The striking shopmen in plants near this city appear to be firm in their determination to hold out against instructions of the international officers and the appeal of President Wilson, but from many other parts of the country reports came that thousands of men had gone back to work or would return today.

MINISTER AND CAR TAKE BAPTISMAL TRIP INTO LAKE

Although a Methodist and believer in baptism by sprinkling the Rev. Don Nichols, pastor of the Locust street church, took part in a baptism by immersion a few days ago. The Rev. Nichols recently drove to Bethany Park Lake and one afternoon left his automobile standing on the beach near the lake. Evidently he had not set the brakes on his machine, for presently he noticed his car gliding down toward the water. The Rev. Nichols sprinted for the machine, but it beat him to the water and went into the lake in five feet of water. The Rev. Nichols secured the services of a teamster and team and got the car back onto the shore. Now he is stronger than ever for baptism by sprinkling. It might be added that the Rev. Nichols as well as the auto got a good drenching.

2,000,000 ARMY BLANKETS WILL BE SOLD TO PUBLIC

Washington, August 12.—Offering to the public of 2,000,000 surplus all-wool, cotton-and-wool and cotton blankets was announced today by the war department, arrangements having been completed for their distribution through postoffice and municipal channels on the same plan as that adopted for foodstuffs.

For individual purchasers, prices will be \$6 for new wool blankets and \$5 for reclaimed wool; \$5 for new cotton mixed and \$3.50 for reclaimed; \$3 for new cotton and \$1.25 for reclaimed cotton. The reclaimed, it is explained, are blankets used less than a year which have been renovated and laundered.

These selling prices will be fixed for stocks retailed through municipalities and postmasters.

H. J. COMSTOCK RESIGNS MANAGEMENT OF STORE HERE

H. J. Comstock, manager of the Trick Brothers five and ten cent store, has handed in his resignation to the owners, to take effect in two weeks. Mr. Comstock, who came to Greencastle from Benton Harbor, Mich., where he had a similar position with the Trick Brothers, will go to Monroe, Mich., where he will manage a five and ten cent store for the Hutchens syndicate. Mr. Comstock has efficiently managed the Greencastle branch store for more than six years. Monroe is a city of 12,000 inhabitants and is situated twelve miles from Toledo, O. Mr. and Mrs. Comstock expect to remove to their new home in Monroe within two weeks.

MISS EDITH COUK WEDS DAR ROBINSON

A pretty home wedding took place Tuesday afternoon at the home of Mrs. Mary J. Couk in Roachdale when her daughter, Miss Edith M. Couk, was wedded to Dar A. Robinson, a pharmacist of Indianapolis.

The Rev. A. S. Mayhall, of Roachdale, a life-long friend of the bride, performed the wedding ceremony. Only a few of the immediate friends and relatives were present. Mrs. Robinson is a graduate of the Roachdale high school and has been a student at Butler College. Mr. Robinson recently returned from France, where he was a druggist in hospital corps No. 32. After the wedding the young couple left for a trip on the Great Lakes. They will be at home to their friends within several days at their new home in Indianapolis.

Glen Sears, who has been visiting his parents, Mr. and Mrs. Joseph Sears, will return to his camp, Fort Oglethorpe, Ga., the latter part of the week. Sgt. Sears will be discharged from four years' service in March.

Mr. and Mrs. William Peck left this morning for Niagara Falls, where they will spend several days' vacation.

INSTITUTE PROGRAM IS ANNOUNCED

The Putnam County Teachers' Institute which begins August 18 and continues until August 22, promises to be one of interest throughout. Prof. W. W. Sweet, of DePauw University, has been secured by County Superintendent Frank Wallace to take the place of Mrs. Olcott, who recently sent word here she could not be on the program as planned on account of illness. Prof. Sweet will speak on the worth of history in the public schools. The institute this year will be held in the high school auditorium. The program has been planned by Prof. Frank Wallace as follows:

Monday Morning.
10:00 Music—Mr. Harry Maxwell.
10:20 Devotional exercises.
10:30 "Importance of Child Diagnosis in Education"—Dr. E. E. Jones, professor of education, Northwestern University.
11:00 "Why Do We Teach History?"—Dr. W. W. Sweet professor of history, DePauw University.
11:30 Professor F. C. Tilden, professor of comparative literature, DePauw University.

Monday Afternoon.
1:30 Music—Mr. Maxwell.
2:00 "Educational Tests as Instruments of Child Diagnosis"—Dr. Jones.
2:30 Recess.
2:45 Music—Mr. Maxwell.
3:00 "Facts Most Worth While in History"—Dr. Sweet.
3:30 Prof. Tilden.

Tuesday Morning.
9:30 Music—Mr. Maxwell.
9:50 Devotional exercises.
10:00 "Education of the Superior Child"—Dr. Jones.
10:20 Recess.
10:45 Music—Mr. Maxwell.
11:00 "Methods of History Study"—Dr. Sweet.

Tuesday Afternoon.
1:30 Music—Mr. Maxwell.
2:00 "Education of the Defective Child"—Dr. Jones.
2:30 Recess.
2:45 Music—Mr. Maxwell.
3:00 "The School History Library"—Dr. Sweet.

Wednesday Morning.
9:30 Music—Mr. Maxwell.
9:50 Devotional exercises.
10:00 "Principles of Vocational Guidance in Education"—Dr. Jones.
10:20 Recess.
10:45 Music—Mr. Maxwell.
11:00 "What the War Should Do for History in the Schools"—Dr. Sweet.

Wednesday Afternoon.
1:30 Music—Mr. Maxwell.
2:00 "Hereditry in Education"—Dr. Jones.
2:30 Recess.
2:45 Music—Mr. Maxwell.
3:00 "The Value of Local History in the Grades"—Dr. Sweet.

Thursday Morning.
9:30 Music—Mr. Maxwell.
9:50 Devotional exercises.
10:00 "Importance of Environment in Education"—Dr. Jones.
10:20 Recess.
10:45 Music—Mr. Maxwell.
11:00 "The Teaching of Civics"—Dr. Sweet.

Thursday Afternoon.
1:30 Music—Mr. Maxwell.
2:00 "Parental Care in Education"—Dr. Jones.
2:30 Recess.
2:45 Music—Mr. Maxwell.
3:00 "Teaching and Life"—Dr. Sweet.

Friday Morning.
9:30 Music—Mr. Maxwell.
9:50 Devotional Exercises.
10:00 "Education and the Improvement of the Race"—Dr. Jones.
10:20 Recess.
10:45 Music—Mr. Maxwell.
11:00 "Present Day Importance of Latin American History"—Dr. Sweet.

Friday Afternoon.
1:30 Music—Mr. Maxwell.
2:00 "The Sort of Education a Democracy Needs"—Dr. Jones.
2:30 Recess.
2:45 Music—Mr. Maxwell.
3:00 "The People of Latin America"—Dr. Sweet.

Friday Evening.
8:00 Music—Mr. Maxwell.
8:30 America and the League of Nations—Dr. E. M. Linton professor of political science, Indiana University.

Mrs. Paul Cook has returned from a visit to Wheatland, Ind. Born, to Mr. and Mrs. Clarence Sanford Sunday evening, a girl. J. W. O'Daniels and son, William, drove to Cloverdale, Sunday, and spent the day.

ANDY THOMAS.

JOE ALLEN, Auctioneer.
LUNCH WILL BE SERVED.

He became ill Friday and grew lessened powers of resistance steadily worse. His advanced age and tened the end.

MANY FEATURES ARE ARRANGED FOR PICNIC DAY

The Greencastle band and a famous colored jazz band of Indianapolis will entertain the Putnam county people at the farmers' Greencastle Commercial Club picnic to be held Wednesday, August 20, in the Hazelett grove one-half mile east of Greencastle. And that isn't all. Frank Cannon, who is in charge of the entertainment of the day, announced Tuesday morning that a feature of the day will be a baby show in which all babies of Putnam county eighteen months or under should contest. Prizes will be awarded by competent judges as to the most beautiful baby, the sweetest baby and the best baby physically. So mothers bring your baby along and let him or her carry home a blue ribbon. Other entertaining features of the day will be a wheelbarrow polo contest in which the leans and the fats will participate. This event of the day will be most amusing, as one of the fattest men of Greencastle stated this morning that he will enter the contest and then one of these tall, beam-pole kind of human beings standing near said he would contest also. Who do you bet will win?

A tug of war between the "country jakes" and the "town licks" will follow the polo contest. Mr. Cannon has promised the rope will be a good one and won't break in the middle. Some

Greencastle young men who have heard of the coming contests have ordered ham and eggs for their future meals, so look out you country fellows.

G. I. Christie, assistant secretary of agriculture, with his offices in Washington, D. C., has accepted the invitation of the Putnam County Farmers' Association to speak here at the picnic grounds. This fact alone should draw thousands of people to the grounds for Mr. Christie is a man of national reputation and a speaker who deals with the present day questions with wonderful simplicity.

During the day two airplanes from the Kokomo aviation field will be on the grounds and take the folks air-gliding. That is, if the folks have the required \$1 per minute. Besides taking the people on pleasure trips, the aviators have promised to do some stunts for the crowd.

Mr. Cannon has received stacks of letters inquiring as to whether certain organizations or parties may place commercial drink stands upon the grounds, so there is little doubt that the thirst of the crowd will be quenched. Other amusements "too numerous to mention," among which will be a merry-go-round, small tent shows and the customary oddity agents, will be there.

The grounds will be electrically lighted and it was stated by those

having charge of the picnic that there will be practically no night, the grounds will be so brilliantly illuminated. There will be no charge for admission to the grounds or for parking space, and it might be added that all the air and cold water will also be without charge.

MARRIAGE LICENSE.

Dar A. Robinson, son of Mr. and Mrs. Edward Robinson, of Roachdale, and Miss Edith Marie Cook, daughter of Mr. and Mrs. Albert George Cook, of Roachdale. The marriage occurred this afternoon at Roachdale.

CHARLES DEICH, SUPT. OF SOUTHPORT SCHOOLS

Charles Deich, who has had charge of the office of Superintendent Frank Wallace while he is attending Indiana University this summer, has been elected as superintendent of the schools of Southport, Ind., a small town seven miles south of Indianapolis. Mr. Deich, besides becoming superintendent of schools, will have charge of a class in physics in the high school. The high school building which was recently built at a cost of about \$100,000, is one of the finest school buildings near Indianapolis. The attendance of the high school will be near 100 students. While in Greencastle Mr. Deich has written a very interesting thesis on "Genius or Exceptional Ability," a paper giving statistics relating to why the average student of Indiana attains his or her name upon an honor roll. Mr. Deich also has been pastor of the Methodist church at Putnamville along with his teaching at Clinton Center and occupying the place of Frank Wallace.

WILLIAMSON VS. WILLIAMSON.

After thirty-nine years of wedded life which she alleges has been full of hardships and cruelties, Mrs. Sarah M. Williamson has filed suit through her attorneys, Hays & Murphy, in the Putnam circuit court asking an absolute divorce from her husband, William Williamson. She also asks \$500 alimony and a sufficient amount for her maintenance. The complaint alleges that they were married in September, 1880, and separated August 2 1919. The couple have four children, all of whom have

FOR SALE—Jersey cow, young calf three weeks old. Extra good cow. Browning farm one mile west of Fillmore. It-d-pd

Mr. and Mrs. Alonzo Cook and children, Lloyd and Lillian, and Mr. and Mrs. D. V. Miller, of Terre Haute, have gone to Leland, Mich., where they will spend several weeks at Lake Leland, Mich.

Mr. and Mrs. C. C. Huestis have gone to Buffalo, N. Y., where they will spend several weeks.

Mr. and Mrs. John Dunlavy, who have been visiting Mr. and Mrs. Ernest Roller at Newman, Ill., have returned to their home here.

Dr. and Mrs. J. A. Throop and daughter, who have been at Lake Manitou on a week's fishing trip, have returned home.

Mrs. Luther Easter, who was injured Sunday evening when the machine in which she was riding turned over near Hamrick's Station, is doing nicely at the home of her brother, Dr. W. R. Hutcheson. Mrs. Easter as a result of the accident had two fingers partly amputated.

Miss Dorothy Beard, of Indianapolis, formerly residing here with her parents is in Greencastle visiting Miss Jeanette McWethy.

Word has been received here of the promotion of Selmer Petterson, of Wybauv, Mont., principal of the high school there, to superintendent of schools in Helena, Mont. Mrs. Petterson, who was formerly Miss Mary Welsh, taught in the third ward and has many friends in Greencastle who are pleased to hear of Mr. Petterson's promotion.

Mrs. Susan Ratliff and family have removed from their home at 207 South Vine street to 301 West Walnut street.

Mrs. Bessie Goldberg and children and Lester Sudranski drove to Indianapolis, Monday, on business.

Mrs. Edsel Jamieson has returned to her home in Chicago after visiting Mr. and Mrs. R. J. Snider, who reside northwest of town.

The Dobbs & Vestal real estate agency reports the sale of the J. E. Arnold farm in Monroe township to Gilbert Masten for a consideration of \$4,000.

Charles Southard, of the Langdon book store, was in Indianapolis Tuesday to attend the wedding of his cousin.

Mr. and Mrs. U. V. O'Daniels left Thursday morning for a motor trip to New York City, where they will visit their son and wife, Mr. and Mrs. Edgar O'Daniels.

A TRAVELING MAN'S EXPERIENCE

You may learn something from the following by W. H. Ireland, a traveling salesman of Louisville, Ky. "In the summer of 1888 I had a severe attack of cholera morbus. I gave the hotel porter fifty cents and told him to buy me a bottle of Chamberlain's Colic and Diarrhoea Remedy and to take no substitute. I took a double dose of it according to the directions and went to sleep. At five o'clock the next morning I was called by my order and took a train for my next stopping place, a well man."

NEW GASOLINE FIXTURES INSTALLED BY McDONALD

A new 820-gallon gasoline tank with an electrically operated pump is being installed today by William McDonald at his place of business on the north side of the square. The tank is built by P. W. Kennedy & Son, of Indianapolis. The pump is constructed by the Oil Tank and Pump Company of Fort Wayne. The pump is ten feet high and is beautifully lighted by electricity at night. There is a five-gallon glass jar about one-third of the way down on the pump which shows visibly to the customer that he secures the amount of gas he paid for. The motto which goes with Mr. McDonald's new fixtures is as follows: "To claim merit is one thing; to prove it another."

Mr. and Mrs. Ben T. Riley are the parents of a son, born Tuesday.

A GREAT REMEDY.

The merits of Chamberlain's Colic and Diarrhoea Remedy are well known and appreciated, but there is acquaintance with them and should occasionally a man who has had no read the following by F. H. Dear, a hotel man at Dupuyer Mont. "Four years ago I used Chamberlain's Colic and Diarrhoea Remedy with such wonderful results that I have recommended it to my friends."

NOTICE TO NON-RESIDENTS.

In Putnam Circuit Court September Term, 1919.
State of Indiana,
County of Putnam,
Samuel Taylor

LIGHTNING BOLT SHOCKS TWO PERSONS

A bolt of lightning during the storm at near 7:30 o'clock Wednesday evening struck the Methodist church at Cloverdale and at the same time knocked down Mrs. Briddle Gilmore, who resided near the church, and Louis Morrison of the Ford automobile agency. Neither Mr. Morrison or Mrs. Gilmore were badly injured.

Mr. and Mrs. Roy C. Evens and son and Mrs. Evens' sister were passing the church in their auto just as the bolt struck. One of Mr. Evens' feet was slightly burned by the bolt but none of the others in the car felt the electricity.

Some weather boarding and plaster were knocked off the church but the damage to the building was slight.

Mr. Morrison felt the bolt more severely than any of the others.

MARRIAGE LICENSE.

Reggie Williams, age 25, daughter of Mr. and Mrs. Albert Williams, of Putnamville, and Claude W. Glover age 24, son of Mr. and Mrs. W. W. Glover, of Putnamville. Mr. Glover is a farmer.

FROM HERE AND THERE IN INDIANA

Ground limestone gave an increase of eleven bushels of barley per acre when used on acid soil in Jay county. County Agent Leroy Hoffman has arranged for elevators of Portland to keep limestone on hand the year round so that farmers may purchase and haul it home as they bring grain or other produce to market.

"Nip" and "Tuck" are the names given two pigs belonging to Loren and Roy Teutsch of near Butler, DeKalb county. Both are members of the pig club started by the farmers' institute there. The pigs are running so closely in the feeding contest that these names were chosen by their young owners.

Thrashing ring captains in Hancock county are co-operating with County Agent M. E. Cromer to demonstrate the treatment of seed wheat to prevent smut. They are calling all the men in the ring together at a central point so that the county agent, assisted by the captains of the rings, can show the method of treatment with formaldehyde and the value of it.

Porter County Holstein breeders will exhibit two car loads of purebred animals at the Indiana State Fair.

Erickson Brothers of LaPorte county obtained thirty-five bushels of wheat to the acre on a thirty-acre tract of black loam. They applied 200 pounds of acid phosphate to the acre.

J. W. O'Daniels has purchased a seven-passenger Studebaker car.

EX-COUNTY AGENT FOUTS TO REMAIN IN THIS CITY

R. S. Fouts, who recently resigned as county agricultural agent of Putnam county, has decided to stay in Greencastle and open a real estate and farm loan office. Mr. Fouts' brother, R. C. Fouts, assist him with this new work. The two brothers have formed a partnership and will operate their Tippecanoe county farm and run the real estate business together.

Mr. Fouts said today that he had been planning to move to the farm, but because of his brother being in rather poor health they have decided to run the farm with hired labor and open a real estate office here. Mr. Fouts said: "I have been living in Putnam county for about two years and have made a lot of mighty good friends. Greencastle and Putnam county are good enough for me and I guess I'll stay and make this my home."

Mr. Fouts' broad acquaintance with the farms and farmers of the county should be a valuable asset to him in his new work. The firm will operate under the name of the Fouts Brothers Realty Company and the office will be opened soon in the downtown district.

EXPERIMENTS SHOW BARLEY GOOD FEED

Lafayette, Ind., August 7.—Barley is an efficient feed for hogs when fed with tankage, and is almost equal to corn in fattening hogs for market, according to results obtained in two feeding trials, the second of which has just been completed at the Purdue University Experiment Station.

"To secure information on the comparative values of corn and Indiana grown barley and on methods of feeding barley to fattening hogs, six lots of 125-pound shoats were fed for sixty days" said C. M. Vestal of the animal husbandry staff who had charge of the feeding. "Two lots were fed corn and tankage, two lots barley and tankage and two lots corn, barley and tankage. There were eight hogs in each lot and all were self fed. In three of the lots the feeds were mixed before being put into the feeder and in the other three the hogs were given their choice."

The results show that: The usual rating of 90 per cent of corn efficiency is a safe standard for barley when fattening hogs. In this trial barley was more than 90 per cent as efficient as corn.

Hogs fed barley and tankage according to appetite (in separate compartments of the self-feeder) ate an excessive amount of tankage.

Combinations of corn, barley and tankage have excellent feeding values.

If barley is cheaper per hundred than corn, a greater reduction in cost of gains results from forcing the hogs to eat more barley by mixing it with the corn and tankage.

These facts were brought out by the experimental work:

That barley should be ground, rolled or soaked when used as a hog feed.

That finely ground barley is not palatable to hogs; they like it medium or coarsely ground.

That barley is a good feed for growing shoats or stock hogs.

That it produces a good firm quality of pork.

Barley when ground, rolled or soaked, is not injurious in any way. If soaked, it should be fed while in fresh condition—a rule which applies to all hog feeds.

It cost \$13.39 to produce a hundred pounds of pork on one lot receiving corn and tankage and \$14.11 on the other, and those receiving barley and tankage consumed \$13.10 and \$13.17 worth of feed respectively for each 100 pounds gain while those receiving the corn, tankage and barley, free choice ate \$13.61 for every 100 pounds of fat they put on and those with the mixed feed ate only \$13.09 worth. The lot making the greatest daily gain, 1.71 pounds, received a mixed ration of forty-six parts corn, forty-six parts barley and eight parts tankage, and the cost of this lot was \$13.09 per hundred, the cost of any lot.

Walter Feld, age 19, son of Mr. and Mrs. F. W. Feld, who reside south of Greencastle on the Bloomington pike, was severely injured at 11:30 o'clock this morning when he caught his right and left hand in the stove rollers at the zinc plate mill, where he is employed. Although the fingers and thumbs of each hand were mashed, Dr. W. R. Hutcheson, who attended the injured man, stated this noon that there are hopes of saving the hands. Feld was brought to Dr. Hutcheson's office on East Washington street after the accident and Dr. Hutcheson, with the aid of Dr. Gordon Thomas and Dr. George Cook, who happened to be visiting in Greencastle, placed the young man under an anaesthetic so as to perform the necessary medical treatment. Feld was suffering intensely from the injury.

MARRIAGE LICENSE.

Harley G. Murphy, age 28, of Lena, Ind., son of Mr. and Mrs. W. P. Murphy, of Clay county, and Maybell A. Newton, age 26, daughter of Mr. and Mrs. Daniel Newton, of Lena, Ind. Mr. Murphy is a clerk.

REAL ESTATE TRANSFERS.

Jewell J. Evans and husband to Emerson Michael and wife, land in Cloverdale township. Consideration, \$86,000.

Lena Larkin, et. al., to Hugh H. Parker, land in Mill Creek township. Consideration, \$1.

Mr. and Mrs. Frank Johns and daughter are removing to Warren, O., where Mr. Johns will take up his business interests. While in Greencastle Mr. Johns has been connected with the zinc mill.

HE BEQUEATHS \$1,000 TO THE CITY SCHOOLS

The Greencastle city schools and the district school on the National Road five miles south of Greencastle are beneficiaries of the will of the late Judge William A. Peck, of Denison, Texas, whose will has just been made public.

The Greencastle schools are to receive \$1,000 for library purposes and the school south of town is to receive \$500 for the same purpose. Thad Peck is named as joint executor in the will, which recently was probated in Denison. The estate is said to amount to near \$50,000. Item 7 of the will is the item which bequeaths property to the city and township schools. This item is as follows:

Item 7.—I give and bequeath to Emma Cox Jones, wife of Paul Jones, of Parsons, Kansas, the sum of fifteen hundred dollars out of the estate belonging to me in Putnam county, Indiana; and to the trustees of the Little White Public School, formerly known as District No. 1, five miles south of Greencastle Ind., on the National Road, about 200 yards east of the intersection of said road with the Cloverdale road, I give the sum of five hundred dollars to be used in supplying books and for the betterment of said school; and to the trustees of the public schools of Greencastle, Ind., I give the sum of one thousand dollars to be used in supplying books and for the betterment of said public schools of Greencastle Ind. All the bequests in this Item 7 are to be taken from the property belonging to me in Putnam county, Ind., and in no event shall any part of the bequests made in this Item 7 be taken from any interest I may have in Texas. The remainder of all property, real and personal, belonging to me in Putnam county, Ind., I give and bequeath to my sister, Nannie Layman, of Greencastle, Ind., or to her next of kin, per stirpes.

Judge Peck, who was born and reared in Putnam county, was a brother of the late Isaac Peck. Judge Peck had come to Greencastle to look after business connected with the estate of his brother and had started home when he was stricken and died suddenly in Memphis, Tenn. Thad Peck, who went to Denison to attend the funeral, arrived home this week bringing with him a copy of the will. W. C. Griffith of Terrell, F. B. Hughes of Denison and Thad Peck of Greencastle are named as executors with bond not to exceed \$5,000 each.

A brief statement of the will's provisions follows:

1. Direction is made that all debts of the estate and funeral expenses be paid and the sum of \$1,000 be placed in the two national banks of Denison to be used for the care and upkeep of the graves of his deceased wife, son and himself.

2. All books and cases are to be given to Denison public schools.

3. The real estate belonging to the estate is not to be sold for five years, but the income is to be devoted to the upkeep and maintenance of the Augusta Charlton Peck Library of said public schools.

4. All household effects are bequeathed to the children of Mrs. Fonden deceased, who was a sister of Mrs. Peck, now deceased.

5. One-tenth of the income of the estate for five years is devoted to benevolences.

6. At the expiration of five years property to be sold and proceeds distributed, two-thirds of all in Grayson county to next of kin of his deceased wife, remaining one-third to Denison public schools.

7. To Emma Cox Jones, of Parsons, Kan., is bequeathed the sum of \$1,500. A little white country school near Greencastle, Ind., where the testator first taught school when a young man is bequeathed \$500. The schools of Greencastle, Ind., are bequeathed \$1,000, and all other property in Putnam county, Ind., is bequeathed to his sister, Mrs. Layman.

8. All other property in one-third is bequeathed to Nannie Layman, to next of kin of Augusta Peck, deceased, and Denison public schools.

John Browning has sold his home on South College avenue to Henry O'Hair for a consideration of \$4,500. Mr. Browning is building a new home on South College avenue.

Mr. and Mrs. Warren Newgent received word today of the safe arrival of their son, Roy Newgent, at Camp Mills, N. J., August 4.

Mr. and Mrs. John Moran have received word of the safe arrival in New York of their son, Albert, from France. Albert has been in the service one year in France.

J. B. Craver, a Greencastle boy who is in the United States marine service, has sailed from New York on the S. S. Bay Head for a three months' cruise during which the ship will visit ports in Turkey, East Africa and Egypt.

Mrs. Walter Dills, of Oklahoma, is here visiting her parents, Mr. and Mrs. William Brothers.

Anyone entitled to the Spanish-American war medal must make application for it in letter form in duplicate, giving a brief statement of the applicant's service and directed to the Adjutant General, U. S. A., Washington, D. C.

Miss Rae Shiveley, of Lafayette, is visiting her sister Mrs. Robert Longdon, and other friends in the city.

Mr. and Mrs. Charles Ewan have received a card from their son, Earl, who is now enjoying a vacation at Moody Institute Cedar Lake Ind., stating that he has been put in charge of all the row boats on the lake. Paul VanArsdel, son of Mr. and Mrs. V. C. VanArsdel of this city, and who is Earl's classmate in DePauw, is in charge of the sixty-passenger steam boat which makes regular trips around the lake.

Mr. and Mrs. Ott Webb and family have removed from their farm near Mt. Meridian to the Andrew Hanna home on East Washington street.

S. A. HAYS MADE PRESIDENT OF BAY VIEW ASSEMBLY

Silas Hays has been elected president of the Bay View, Mich., assembly for 1920. Mr. Hays has been attending this assembly for many years. Mr. Hays and family driving there in a car each summer. He has been connected officially with Bay View as a trustee for several years.

ASK \$18,000 SUIT AGAINST ZINC COMPANY

Nicholas L. Heinz and William V. Heinz, constructing engineers, who built the American Zinc Products Company plant east of town have through their attorneys, Myers, Gates & Ralston, filed suit against the American Zinc Products Company in the Putnam circuit court asking the foreclosure of a mechanic's lien and judgment of \$18,000. Ex-Governor Ralston was here Friday from Indianapolis to file the suit.

The Heinz brothers in their complaint allege that in September, 1917, they were engaged by Warren Kerr, acting for the American Zinc Products Company, to build the mill and that it was agreed in contract that they were to receive \$40,000 for their work.

They allege that only \$30,000 of this amount was paid them and that they did additional work amounting to \$7,000 for which they did not receive compensation.

Last August the men filed a mechanic's lien against the property of the plant for the amount they allege is due them and they now are filing suit asking that a lien be foreclosed and that they be awarded judgment of \$18,000, which included interest on the amount alleged to be due them.

WAR DEPARTMENT HALTS PUBLIC BUILDING CAMPAIGN

Will Turn Energies to Placing Professional and Technical Men in Civilian Jobs.

"The war department has today decided to stop the campaign for public building throughout the United States," it is today announced by Colonel Arthur Woods, assistant to the secretary of war.

This decision was taken because the decrease of unemployment in many localities has been so marked that some difficulty is reported in obtaining soldier labor for the normal industrial operations. It is therefore considered that the further stimulation of public building at this time would be inadvisable.

The energies devoted in the past to the stimulation of public building, it was further decided, will now be turned particularly into assisting professional and technical men in finding jobs. The work of placing this class of ex-soldiers presents unusual difficulties because the demand for the high grade of ability possessed by these men is not at present in such great demand as ordinary labor. An active campaign, however, is being conducted to secure information from trade associations, technical societies, professional societies and large employers with a view to finding all possible opportunities for discharged army men who qualify in this way.

REAL ESTATE TRANSFERS.

Lena Larkin, et. al., to Hugh H. Parker, land in Mill Creek Twp. Consideration, \$1.

Charles E. Webb to Fannie Webb, land in Clinton Twp.

William K. Gildewell to Carrie and Jane Gildewell land in Greencastle Twp.

Miss Harriet Burkhardt, of Patton, Calif., is visiting her sister Mrs. Julius Bryan.

POLITICAL GOSSIP FROM WASHINGTON

Washington, August 8.—What is there in the increase in price of shoes which Speaker Gillett and other Republican leaders fear to have the public know?

That is a question heard daily among members of Congress now that Gillett and Representative Mondell, Republican floor leader, have smothered every attempt to get before the House the Igoe resolutions proposing an immediate investigation into shoe prices.

The resolution was deprived of some of its force by amendments added to it by a Republican committee. Representative Igoe proposed that a report should be made by the federal trade commission in thirty days. The committee struck out the time limit over Igoe's protest. Then the resolution came to the floor of the House with assurance of practically a solid Democratic minority and sufficient Republican support to rush it to adoption.

Speaker Gillett and Representative Mondell about that time had arranged a plan whereby the House would take a "vacation" even in disregard of the request of the President that the members stay on the job and study the high cost of living. Igoe's resolution would have required ten minutes for consideration. Igoe refused to give his consent to a vacation until he was assured his resolution would be passed. He made this plain to the House and then was ruthlessly ruled off the floor along with former Speaker Clark, who came to his assistance.

Some of the Republican papers in the East, and even in St. Louis, printed a statement that Gillett's attitude toward the Igoe resolution may have been caused by the fact that he had large shoe manufacturers in his home state. But the Democratic members are not ready to make such a charge. They believe that Gillett and Mondell feared the inquiry might develop something that would require Republican action against the interests that party has always served.

But the public sentiment now aroused to the question of the high cost of living is not going to be mollified with efforts to hide evidence. One letter which came to Representative Igoe today was from a large shoe merchant in New York City. He praises the idea, insisted it would be found that profiteers were at work without conscience, and that nothing would be found to justify the proposed increase in the price of shoes. Letters, telegrams and visitors are coming to Washington every day to inform Igoe they are ready to support him and to urge him to fight Gillett and Mondell to the last stand.

Gillett now insists his only reason for refusing Igoe's permission to get his resolution before the House—something which by the way is guaranteed by all law and precedent and never before was refused by a Speaker—is that Igoe tried to force his will upon the House. The Republicans having decided upon a "rest," wanted to get away for five weeks, and their plans had been completed when the President stepped in and forced them to remain in session. Then they devised a three-day recess plan which would permit them to take a vacation without at the same time giving the impression that they were shirking the task of solving the high cost of living. And just then Igoe had to make his way into the scene and show up the scheme. Therefore Gillett said he was disgusted with Igoe's intentions and actions.

The Gillett-Mondell action has aroused quite a number of Republicans to Igoe's support. They have even crossed the aisle in plain view of Gillett and have informed Igoe while Gillett looked on that they would support him even despite any claim the Republicans might have upon them. With this support Igoe is assured of passage of his resolution the moment it gets before the House.

Even though Gillett and his followers continue their present practices, the same resolutions may be gotten through the Senate. It is proposed now that they be pushed in that body and that in doing so the Gillett-Mondell Czarism will be repudiated. It also will give the Republicans in the Senate an opportunity to pull the party back into the good graces of those who have been driven away by the House tardiness.

REFUND MONEY TAKEN BY COLORED GIRL

Mattie Franklin, age 16, daughter of H. C. Franklin, a colored preacher, who several years ago lost an arm in an accident at the A. & C. Stone Company plant, today was before Judge Hughes sitting in the juvenile court. The girl pleaded guilty to forg

ing two checks on Van Denna Thompson of the DePauw school of music at whose home she formerly had been employed. On the promise of the parents that they would make good the forged checks and send the girl to Tennessee, where she will live with a sister, she was allowed to go.

One of the checks was passed at the Allen & Stoner grocery store and one at the Bushy & Frazier grocery store. One was for \$10 and one for \$7. Judge Hughes had the girl before him on Friday afternoon but delayed judgment until he could further investigate the case. Further investigation developed that the girl had had a bad record. She has been employed at several local homes and at each home where she has worked she has been suspected of taking things which did not belong to her.

At the home of Prof. and Mrs. H. B. Longden she took a diamond ring and a watch, but when Prof. Longden charged her with taking the jewelry she acknowledged the theft and returned the property to Mr. Longden. She also was employed at the home of William Baney and Charles Huffman and at each of these places things, including money, disappeared. The girl denied the thefts, but it now is believed that she knew something about them.

The girl's story that destitution caused her to forge the checks proved to be false. It is said that she attempted to pass other forged checks, one at the Kelley store but that she failed in her attempt.

FARMERS JOIN IN FIGHT AGAINST THE HIGH COST

Indianapolis, August 8.—Farmers must combine to eliminate profiteering.

This was the declaration today of W. H. Hickman, vice president of the Indiana Federation of Farmers' Associations in describing the purpose of today's meeting to plan the collection of the \$200,000 Farmers' Fund. The present agitation against the High Cost of Living he says, shows the importance of agricultural organization.

CAPTAIN EARL LANE SECURES DISCHARGE

Captain Earl Lane, who recently arrived in Greencastle from overseas, came home from Camp Taylor Friday morning, where he secured his discharge from military service. Captain Lane stated this afternoon that as yet he has not decided upon his future business plans, but most probably whatever he does he will remain with his family in this city.

"The consumers are right in their demand that the cost of living should be reduced," declared Mr. Hickman. "We are with them. In our view the profiteer is to blame. The situation just now is the gravest crisis the farmers have ever faced. For this reason we are starting today a campaign to raise \$200,000 with which to fight to protect the farmer's interests. It is, in fact, a fight fund."

"The farmers in a crisis like this are the first to be affected. The decline of \$1.50 on hogs at the local market in two days and 8½¢ on a bushel of corn is not an indication of the reduction of the high cost of living, but merely apprehension that shipment may be arrested by a strike."

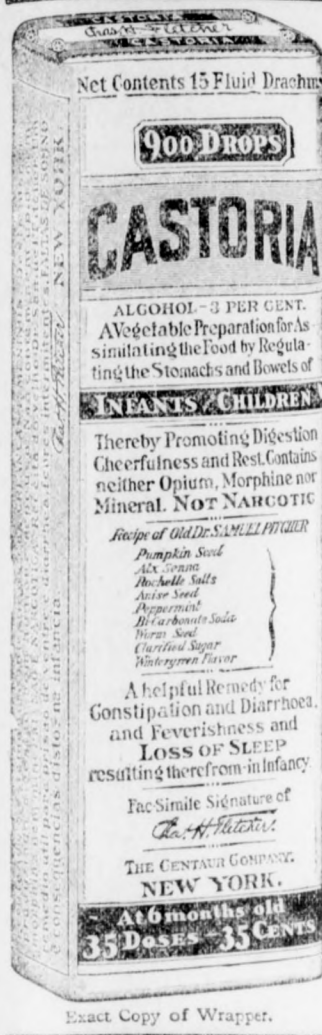

"While they are trying to force down the prices of food, there is little being done to force down prices of binders and other farm machinery. What works one way should work the other way just as well. We are told the price of shoes and clothing is to increase 100 per cent and the farm machinery dealers tell us to look for another increase. There is more than one side to this question, and the farmers are looking forward to a square deal in this matter."

"Our idea now," said Mr. Hickman, "is to let the public know that we are in the fight against profiteering and serve notice that we intend to stand for our rights."

Delegates were present at today's meeting from practically every county in the state.

Fay Hall, grandson of Frank Hall, who resides on Spring avenue, while driving his grandfather's Ford touring car, came near having a serious accident Friday morning. The lad was driving west on Franklin street and in attempting to turn south on Market street struck a hitching post in front of the Allen & Stoner grocery store. The hitching post, which was in a rotten condition possibly saved the lad from having a more serious accident. It broke off when hit by the radiator of the Ford.

Mr. and Mrs. Frank Farmer, Sheriff and Mrs. H. S. Harris and Mr. and Mrs. H. H. Runyan attended the funeral of Tilman Ruark, a prominent farmer of near Stilesville, Monday afternoon. Mr. Ruark dropped dead while working Saturday afternoon.

**NAZARENE TENT MEETING
CLOSED WITH LARGE CROWD**

Sunday was a great day at the Nazarene tent meeting. At the morning service the blessing of the Lord came on the people and eight souls came to the altar before Evangelist Effie Moore had a chance to preach. The afternoon meeting was turned into an old-fashioned testimony meeting and the blessing of God was upon the people as they told of how the Lord had saved and sanctified them.

Evangelist Effie Moore preached at night from the text: "How shall we escape if we neglect so great salvation." The largest audience that ever attended a Nazarene meeting in Greencastle listened as the evangelist showed the awful penalty of neglecting the great salvation provided in the atonement. This meeting has been one of the best yet held in Greencastle by the Nazarenes. Between forty and fifty people were either saved, sanctified or reclaimed during the meetings.

The Nazarenes will proceed with the remodeling of their new building and they hope to have a comfortable auditorium in which to worship within the next few weeks. The regular church meetings will be held at the tent this week.

TO THE HERALD.

Sergeant Estel B. Johnson, headquarters company, 7th United States infantry, writes as follows:

To the Herald:
I see some of the boys who have returned to the States have had printed that the third U. S. division in Germany has never seen any service on the front. Well, I would like to state to you people that we are the only division in Europe that can wear six stars on our victory ribbon, although the 42nd and first and second divisions have done their part in the world war. But to say the third division has never seen any service—show me any other division can wear six stars on their victory ribbon.

Wait until the regular fighting divisions return home and then all the people of American can see who was the ones to suffer in this wonderful war.

Here are the six fronts we were on: Aisne defensive, Champagne Marne defensive, Aisne Marne offensive, Marne sector, St. Mihiel offensive, Meuse Argonne offensive. Here are where we rank our six stars more than any other division ever fought in Europe.

I thank you for this little space in the paper but please remember that the third division is in Germany watching the Rhine.

SERGEANT ESTEL B. JOHNSON.

Fred Tucker who was arrested last week on a charge of taking an automobile belonging to his uncle, Henry H. Dickey, Monday morning pleaded guilty to the charge and was released by order of the judge on the promise of the young man that he would get a job and go to work. The charge was not dismissed but will be held over the young man pending his good behavior.

A party of Greencastle folks coming from Brazil Sunday evening about 9 o'clock witnessed three automobile accidents during the eighteen mile trip. The first accident was a large truck with one of the back wheels off. The second was a Paige touring car in the ditch and the third was the Hutcheson Overland touring car turned over this side of Hamrick's Station. The party stated they were certainly glad to arrive home safely.

The following Greencastle girls are spending a week's vacation at Short's grounds, near Clayton: Miss Estella Shoptaugh, Miss Frances Rector, Miss Clairona Rector, Miss Lillian Daniels, Miss Beulah Yeager, Miss Margaret Myers and Miss Edna West. Mr. and Mrs. F. C. Yeager drove there Sunday and spent the day with their daughter Miss Beulah. Mrs. Milo West and Mrs. G. H. Meyers went to the camp today to be there for the rest of this week.

Miss Carrie Neece, of Poland, was in Greencastle Monday on business.

Miss Lucile Gillespie, daughter of Dr. R. J. Gillespie, made the trip in the airplane here Saturday. Others to go up were Mrs. Robert Kerr and Johnny Stairwalt, daughter of Mr. and Mrs. John Robe.

Why Have Tractor Troubles?

LUBRICATING oil is inexpensive — the cost of a burned-out bearing will pay for the lubricants necessary to keep the machine in order for months. The Standard Oil Company (Indiana) manufactures three lubricating oils for tractors—

Heavy Polarine Oil
Stanolind Tractor Oil
Extra Heavy Polarine Oil

One of these three is the correct oil for your tractor.

Our Engineering Staff has prepared a chart showing which one will give the best results in your particular tractor. The nearest Standard Oil representative will be glad to show it to you.

Write for "Tractor Lubrication," which you will find a valuable reference book of 100 pages and we believe it will save you many days of tractor idleness with the resultant money loss.

It's free to you for the asking. Address

STANDARD OIL COMPANY

**SAYERS AND BITTLES
ARE THE WINNERS**

Frank Bittles, playing a net 92, with a handicap of 22, won the Saturday and Sunday golf tournament on net score while S. C. Sayers, with a gross score of 80, was the winner in that class.

Elmer Vancleave was second and Sam Hazelett third on low net scores, while Dr. Sweet was second in the low gross score.

The scores of the players who participated in the tournament are:

Score	cap	Total
J. A. Clement	96	20
W. W. Sweet	90	10
Fred Hixon	90	10
S. Sayers	80	8
A. G. Brown	108	25
Frank Bittles	92	22
C. C. Gillen	98	22
Chas. McGaughey	102	26
C. J. Arnold	107	18
Earl Harris	111	25
J. Stringer	108	23
S. Hazelett	102	27
E. Stoner	111	30

E. B. Taylor	90	10	60
E. Vancleave	90	19	71
N. C. O'Hair	21		
Ed. Hamilton	20		

Hereafter there will be a tournament every two weeks.

Notes of the Tournament.
S. C. Sayers played his usual consistent game.

Fred Hixon's teeth bothered him and he was off a few strokes.

Earl Harris had a slice and his drives, while long, were in the wrong direction.

Ernest Stoner's "Jonah" is No. 6 gully. He believes you ought to be allowed to carry your ball over.

Prof. Clement and Dr. Sweet did not play quite to form. Sweet's Hercules driving iron was working well.

Charles McGaughey is cultivating the wind-up drive.

Ivan Stringer says he is last, as usual.

Elmer Vancleave played a consistent game and had a good score.

Frank Bittles won the tournament and in consequence has had his handicap cut. In fact, a number of handicaps have been sliced.

Ed. Hamilton and Neely O'Hair R. W. Shaffer returned Saturday evening from Cincinnati, where he has been for the past few days on business.

started over three different times and finally gave up in disgust. The ball refused to behave for them.

E. B. Taylor went out in 41 but fell down coming in and finished with 90. He made the long drive of the year, driving into the road from the ninth tee.

A. B. Hanna made a birdie two on the Bull Rivers hole and said he would soon challenge S. C. Sayers.

Marshall O'Hair received word Monday afternoon from a farmer living five miles east of Greencastle that he had found an auto casing tube, tire and rim which probably was the outfit stolen from the Chevrolet car of

Henry Kovener, of Crothersville, which was stolen near Reelsville several weeks ago. The outfit answers the description of the lost articles. Marshall O'Hair has written to Mr. Koerner of the find.

Once-a-Week Polish
Keeps Teeth Stainless

Do so many use pumice stone, tooth powder, or other harsh, dangerous substances to remove the unsightly yellowish or blackish tinge from the teeth. Simply because they have never been able to find any tooth powder that would do the work. The new tooth stains are so difficult to remove that they are covered with a thin film, or "plaque," which the usual tooth powder cannot penetrate or dissolve. The problem of removing these obnoxious films has finally been solved by a well-known dentist, who has originated what he calls "Once-a-Week Tooth Polish." This polish not only removes all coloration easily and quickly, but without the least injury to enamel or other qualities not found in any other preparation in the market. Once-a-Week Tooth Polish, obtainable at any drug store, is not intended as a substitute for dentures, but to be used in addition to them—once a week, as the name implies. It should be used by children, as well as adults, as a preventive of stains, tartar, decay, germs and pyorrhea.

HUSBAND SAVES WIFE

From Suffering by Getting Her Lydia E. Pinkham's Vegetable Compound.

Pittsburgh, Pa.—"For many months I was not able to do my work owing to a weakness which caused backache and headaches. A friend called my attention to one of your newspaper advertisements and immediately my husband bought three bottles of Lydia E. Pinkham's Vegetable Compound for me. After taking two bottles I felt fine and my troubles caused by that weakness are a thing of the past. All women who suffer as I did should try Lydia E. Pinkham's Vegetable Compound."—Mrs. JAS. ROHRBERG, 620 Knapp St., S. E., Pittsburgh, Pa.

Women who suffer from any form of weakness, as indicated by displacements, inflammation, ulceration, irregularities, backache, headaches, nervousness or "the blues," should accept Mrs. Rohrborg's suggestion and give Lydia E. Pinkham's Vegetable Compound a thorough trial.

For over forty years it has been correcting such ailments. If you have mysterious complications write for advice to Lydia E. Pinkham Medicine Co., Lynn, Mass.

MRS. EASTER INJURED

IN AUTO MISHAP

Mrs. Luther Easter, who lives west of Putnamville, suffered a serious accident Sunday evening at near 7 o'clock when with Mr. Easter and three friends from Lafayette their car turned over this side of Hamrick's Station when coming to Greencastle to attend evening service at the Christian church. As a result of the accident Mrs. Easter had to have amputated the right third finger at the second joint and the second finger on the right hand at the first joint.

Dr. W. R. Hutcheson of this city, brother of Mrs. Easter, was called and rendered medical aid. Mr. Easter, who was driving in their Overland car, went to go around the automobile of John Hinton of this city which was stalled in the middle of the road. In doing so Mr. Easter got his car into the loose gravel and consequently the auto turned over. Mrs. Easter was sitting in the back seat with her hand upon the right side door when they went to go around the car. When the car turned on its side Mrs. Easter's hand was caught between the door and the roadway, crushing her two fingers. Mrs. Easter was brought to the home of Dr. and Mrs. W. R. Hutcheson.

THESEKNLYESTATESVEN

Theodore Hurst and wife to Alva A. Nichols, land in Greencastle Twp. Consideration, \$5. 1

Ray Black to William Sutherland, lot in Cloverdale. Consideration, \$1. City of Greencastle to William Morgan, lot in Forest Hill cemetery. Consideration, \$15.

PRETTY HOME WEDDING IS SOLEMNIZED

At high noon Tuesday, August 12, at the home of Mr. and Mrs. T. E. Evans, occurred the marriage of Miss Rachel Tessa Evans and Mr. Cyprian Carroll Brinson, of St. Petersburg, Fla.

The house was artistically decorated with palms, ferns, gladiolas and roses. Candelabra were used in the two parlors.

Before the ceremony Miss Calita Pritchard accompanied by Miss Helen Fraley, fraternity sisters of the bride, sang "Beloved, It is Morn" and "At Dawning."

While the Mendelssohn wedding march was being played the bridal party took their places in front of an altar of palms and ferns. T. E. Evans, father of the bride, gave her away.

The simple and impressive double ring ceremony was performed by Rev. Blaine E. Kirkpatrick of the College avenue Methodist Episcopal church. Miss Fraley softly played the "Flower Song" during the service.

The attendants were Miss Beatrice Evans and Captain William P. Evans of Indianapolis, sister and brother of the bride. Miss Evans wore a light green taffeta frock and a corsage of pink and white gladioli.

Little Miss Mary Lou Craven, of Indianapolis, and Elizabeth Evans Beasley, of Terre Haute acted as flower girls.

The bride was charming in a gown of white silk Georgette crepe over satin and wore a wedding veil adorned with orange blossoms. She carried a shower bouquet of Ophelia roses, orchids and lilies of the valley.

A wedding breakfast was served immediately following the ceremony. In the dining room the pink and white color scheme was also carried out in the decorations, ices and confections.

Miss Evans is a graduate of De Pauw University, where she took an active part in all social and college activities and is a member of the Alpha Phi and Phi Beta Kappa fraternities.

Mr. Brinson who is the elder son of Mrs. Mary Brinson, is a resident of St. Petersburg, Fla., where he is a well known young business man.

Mr. and Mrs. Brinson left for St. Petersburg. Mrs. Brinson traveled in a dark blue silk nancette suit with hat to match. She wore a corsage of Russell roses.

Those from out of town who attended the wedding are Misses Enid Richardson and Mary Anna Clark, of Booneville, Ind.; Mrs. T. A. Harris, Baldwin, Kans.; Miss Ellen Hantz, of Muncie; Mrs. Clarke Bateman, Bombay, India; Dr. and Mrs. E. A. Evans, D. E. Evans, of Clinton; Mr. and Mrs. William E. Evans, Dr. Ray M. Evans, Thomas M. Evans, Mr. and Mrs. Will V. Evans, Mr. and Mrs. Bert Beasley, Mr. and Mrs. George M. Evans, Miss Mary Evans, Major and Mrs. T. J. Rukes, Mr. and Mrs. George Hough, of Terre Haute; Miss Irene Foster, of Attica; Mr. and Mrs. Jay A. Craven, of Indianapolis; Miss Dorothy Burris, of Cloverdale; Miss Verda Knox, of Darlington and Mr. and Mrs. W. L. Jennings, St. Louis.

"MERRY DANCERS" DISTURB WIRE SERVICE OF NATION

*New York, Aug. 12.—Telegraph and telephone communication throughout the United States and Canada was seriously interrupted and in many places stopped shortly after noon yesterday by the aurora borealis, the "merry dancers" of Arctic explorers. The electrical phenomenon put out of commission thousands of miles of wire and made its influence felt as far south as Kansas City, Mo., according to reports to the Western Union Telegraph Company.

CLINTON FALLS.

Elberta Lucille Bettis, daughter of Thomas and Sallie Bettis, passed away at her home August 8 after many months' suffering. The funeral was at the Dunkard church Sunday afternoon at 2 o'clock by Rev. Dodd. Burial in the cemetery near by.

Mrs. Emily Boswell spent Saturday night with her daughter, Mrs. Eula Staggs.

Mrs. Rose Hall, who was called here by the death of her niece, Lucille Bettis, spent Saturday night with her mother, Mrs. Sarah Bettis.

Mrs. Sarah Bettis and Zella Thomas spent Thursday with Mrs. Lida Pierce.

Mr. and Mrs. Ben Wells and son visited Mr. and Mrs. Ben Ruark.

Misses Runa and Ethel Fulford have returned home from where they have been visiting.

Mr. and Mrs. Charles Arnold and George Christy left in the Christy automobile Tuesday morning for a two weeks' vacation at Bay View.

MRS. CHAS PEDEN GAINS 27 POUNDS

Was Twice Examined and Each Time Told Operation Would Be Her Only Hope.

"I have just finished my third bottle of Tanlac and have gained twenty-seven pounds," was the truly remarkable statement made by Mrs. Charles Peden, residing at 550 Mill street, Huntsville Alabama. Mrs. Peden is one of the best known and most highly respected women of that thriving little city where she has made her home for a number of years.

"When I commenced taking the medicine," she continued, "I only weighed ninety-eight (98) pounds; now I weigh one hundred twenty-five pounds and never felt better in my life. For years I have suffered with a bad form of stomach trouble, constipation and pains in my side and back. At times the pains took the form of torture and I was twice examined and each time told that an operation would be my only hope. I had fallen off until I only weighed ninety-eight pounds and was so weak I could hardly get around."

"I had no appetite scarcely at all, and what little I did eat would cause gas to form in my stomach, which gave me palpitation of the heart, sick headaches and a dizzy feeling about the head. When those spells came on me I would get awfully nervous. I worried about myself until I could rest and sleep but little."

"I had fallen off until I was almost 'skin and bones' and my strength and energy were slowly leaving me. I had a dread of the future and could see nothing but the operating table and the knife. I had a perfect horror of an operation but had made up my mind that it was either life or death and prepared to submit to it. I had made all preparations for the operation and had called on my sister to tell her goodbye, as I did not know whether I would live to see her again or not. My sister begged and pleaded with me not to allow them to cut on me and told me to wait and try a good tonic for a while. The next day as I returned from the consultation room I thought of what she said, and as I had heard so much about Tanlac I decided to try it as a last resort and stopped at the drug store and got a bottle. Of course I had lost heart and had no faith in medicine, but to please my sister I made up my mind to take it, and oh what a happy day that was for me!"

"I never returned for the operation but just kept taking Tanlac and my improvement has been so rapid that none of my clothes fit me. Right from the start I began to improve. The medicine seemed to take hold right at once. It had a soothing effect and in a few days I felt no pain at all. I was so happy over my wonderful improvement that I sent for my neighbors to tell them how much better I felt. I sent and got another bottle of Tanlac and have just finished my third and feel like I have been made all over again into a new woman."

"As I have said before I now weigh one hundred twenty-five pounds and none of my clothes are big enough for me, and I will have to make them over again. I now have a ravenous appetite and my husband says I am simply eating him out of house and home. I have even gone back to my coffee which I was told not to touch. Those horrible pains in my back and head have all disappeared and I sleep like a child. I am no longer nervous and when I get up in the mornings I feel refreshed, cheerful and bright. I am now able to attend to my household work again and I feel as if I had started life all over. My husband is highly delighted and my recovery is the talk of the neighborhood. I do nothing but rejoice all day long over the recovery of my health and praise Tanlac to everybody."

"I feel so grateful for my escape from the operating table and the knife that you may publish what I have said; you may if you wish tell other women suffering as I was to come and see me and I will be glad to tell them about my case."

Tanlac is sold in Greencastle by R. P. Mullins, druggist.—Adv.

AN OLD FAULT FINDER.

An irritable and fault finding disposition is often caused by indigestion. A man with good digestion and good natured. When troubled with indigestion or constipation take Chamberlain's Tablets. They strengthen the stomach and enable it to perform its functions naturally. They also cause a gentle movement of the bow-
