Worship is the greatest privilege of our lives. For it is through worship that we come near to God and share our lives with Him. In worship we come to God with the assurance that He will forgive our sins, strengthen us in our weakness, help us with our problems, and guide us in our distress. Our welcome is extended to you to worship with us this week.

E. U. B. REBEKAH CIRCLE
Mrs. Raymond Smith was hostess for the July 16th meeting of the E. U. B. Rebekah Circle.
After the opening prayer, offered by Mrs. David Eiler, a pot luck supper and a turkey prepared by the hostess, was enjoyed. Mrs. Leland Welch gave the lesson on Esther, followed by a lengthy discussion.
Mrs. Smith presided over the business meeting, in which it was decided as our project to start a nursery for children up thru the age of six, during the church service. So bring your children and enjoy church. Next Sunday Mrs. E. Cole and Mrs. R. Kickbush will be in charge of the nursery. If you have small children and would be willing to help one Sunday a month, call Mrs. D. Northam.

The next meeting will be August 20 at the home of Mrs. D. Eiler, with Mrs. Edgar Cole as leader. Rev. Eiler will speak to us about the extended session for the children we hope to plan later.

Mrs. R. Schaeffer closed the

meeting with prayer. Mrs. Wm. Bacewic and children were guests.

PHILATHEA CLASS PICNIC

The Philathea Class of the Methodist Church held their picnic last Thursday at the residence of Mr. and Mrs. Edward Hostetter. Guests were Miss Eileen Travis, Edward Hostetter and Rev. and Mrs. Harold E. Williams.

Mrs. Emma Gouker led the devotion and Mrs. Charles Worrell gave the lesson. The next meeting will be held in the church parlor August 9th.

LIFELINES

To the ordinary, quiet, hardworking people of God:

You would never have called yourself a person of strong character; you have seen the possibilities ahead, but you would have wondered how those possibilities can ever be made real. You have not felt at all a suitable person for the jobs that are clearly waiting to be done.

There is a very important message for you: God understands you, and it is God who is opening that door. Never mind your little strength. He assesses it correctly, and he loves you the more because you are honest about it. You have hardly realized, probably, that He really loves you, loves you with ardour and with strength and force. That is an amazing fact. You have just gone on quietly for so long, doing what came your way for Him and with Him. You have kept your allegiance unbroken: He is keeping it for you now you know. Do not worry any more about your lack of personality or drive or general ability. All you have has been given to Him: now realize He is in charge. People like you can use as pillar to prop the world.
