The North Liberty Women's Club will meet Friday evening, May 17, at 7:30 p.m. in the home of Mrs. Dell Pearce. Assistant hostess will be Mrs. Adolph Graf.

The speaker of the evening will be Miss Anna Kirsten Hundevad, this year's foreign exchange student to Mishawaka High School from Ulfborg, Denmark. While in

this country she is making her home with the Wilbur J. Schalliol family in Mishawaka.

She is the youngest in a family of five. Her father owns a furniture factory which exports most of its goods to America.

At home she was leader of her Girl Scout patrol. She has attended dancing school and studied piano.

With hopes of becoming a dentist or a teacher she plans to attend the gymnasium which corresponds to an American College when she returns home.

All members are urged to be present.

Speechcraft Club Entertains St. Patrick Women

Featured speakers were Mrs. John Garab Jr., "The Gift of Faith;" Mrs. Robert Lidy, "Cave Dwelling Broilers;" and Mrs. Calvin Michael, "Random Housewife." Mrs. Garab will be the Walkerton contestant when five other South Bend Speech Clubs vie for honors on May 23 at the South Bend YMCA. Mrs. Harley Mangus was toastmistress at the Wednesday meeting with baseball season her chosen theme. Mrs. Frank Kramer was table top chairman and Mrs. Ora Harder gave the Information speech.

During the business meeting, Mrs. Albert Van Wanzeele reported that the St. Patrick School children will be treated to a school picnic on the last day of school, May 24. The club will furnish the sandwiches, cookies and cool aid. The seventh and eighth grade picnic will be announced later.

Poppy Day In Walkerton Sat., May 25

Poppy Day here will be Saturday, May 25, according to the Poppy chairman, Mrs. Harry Malstaff, of the American Legion Auxiliary. It is tradition that the Auxiliary distribute the poppies each Saturday before Memorial Day. This year the headquarters will be at Reed's Electric with the Auxiliary, the junior Auxiliary and as last year, the Cub Scouts will be in charge of passing out these crepe paper flowers made by disabled veterans.

Remember the original conception of "Poppy Day" has changed. When we started offering poppies, it was solely to commemorate our war dead. Today, our annual poppy campaign honors our veterans of all war's living and dead. Today, with so many veterans, of such varied ages, the annual poppy program is vital in raising money to care for all needy veterans and their families and, when you consider that 56 per cent of the population of the United States are veteran's children, you realize how big a job we have to do to obtain the needed funds. Therefore, our slogan today is far more encompassing "Remember the dead by helping the living." All contributions collected on May 25 are used for the veterans in need.

Poppy Posters

The Poppy Posters made by the students here in Walkerton are on display in each of the stores down town in Walkerton. Please look them over. The winning poster in class 1, grades 4, 5 and 6 and the first and second winners in class 2, grades 7, 8 and 9, have been sent to District competition. Their names will be released at award day. There were no entries in grades 10, 11 and 12. Col. Forrest Creamer, Army retired and presently a teacher at Walkerton High School, was the judge. He has done a tremendous job these past years in this capacity and the Auxiliary is grateful for his time. He is a graduate of several art institutes and very qualified.

Use a hot blade for slicing fresh bread more easily. A knife with a jagged edge is perfect for cutting angel food cake.

Baking soda can be used for cleaning all sorts of things: remove onion odors with the paste of soda and water, tea and coffee stains on plastic cups and saucers and brighten enameled ware with it too.

Helen's Favorite:

Spaghetti Salad (Serves 6)

- 1 tablespoon salt
 - 3 quarts boiling water
 - 2 cups ready-cut spaghetti
 - ¼ quarter cup salad dressing
 - 1 5-ounce jar processed cheese and bacon spread
 - 3 hard-cooked eggs
 - 1 teaspoon salt
- Add 1 tablespoon salt to boiling water and cook spaghetti until tender. Drain in colander; rinse with cold water. Combine salad dressing and bacon-cheese spread. Add to spaghetti with eggs and salt, mixing thoroughly. Chill and serve garnished with salad greens.

Spread out waxed or paper toweling when you're ready to pare vegetables, unshell hard-cooked eggs or measure out ingredients. When finished, fold the paper, discard and you have a clean surface without wiping.

Use a pan with straight sides when cooking on top of the range to utilize fuel more effectively.

Tri-Kappa Honors Senior Girls With Tea

The annual tea for Walkerton High School senior girls and their mothers was given Wednesday afternoon by Epsilon Chi chapter of Tri Kappa sorority here.

The party took place at the Walkerton Community Building, with seventeen of the eighteen senior girls present.

A nautical theme was carried out in the decor. Red, white and blue streamers formed a canopy over the roof and flying pennants gave a shipboard effect. A seascape was displayed at one end of the room and life preservers were hung on the sidewalls.

Life preserver name tags worn by the students carried the message, "Bon Voyage, Walkerton High School." Receiving the guests were Mrs. W. S. Rautio, Mrs. Russell Hartsough and Mrs. Bryce Rohrer.

Pictures were taken of the girls with their mothers and then presented to the girls as mementos.

Preceding the entertainment, Mrs. Arthur Schmeltz, sorority president, gave the welcome and Mrs. Dale Aukerman introduced the speaker, Miss Farida Agha, of West Pakistan, who is studying at John Adams High School this year under the American Field Service plan.

Miss Agha talked of her home country and explained the class system there. She discussed the two religions and also demonstrated the wearing of saris. She showed ways her country women wear jewelry. When asked for her impression of this country, she mentioned the friendliness of Americans and said they proved to be much different in their own homes than as tourists in other countries.

Miss Judy Stump, North Liberty, a senior at Greene Township High School, entertained with several musical readings.

Refreshments were served from a beautifully appointed tea table centered with white lilacs. Mrs. Stanley Orcutt presided at the punch bowl and Mrs. A. F. Dailey poured the tea and coffee. Petits fours, nuts and mints were served also. Mrs. Robert Bauss was general chairman of the affair, assisted by Mrs. Orrin Hiler and Mrs. Aukerman.

Opening lead: Queen of diamonds.

East trumped the lead and returned ace of spades to set South immediately. East returned a club which South won with the ace and South cleared trumps and laid down the hand.

COMMENT: Everyone felt frustrated with this hand. East because he held a ten card suit for the first time and lost the bid; South because he was set before he had a chance to play the hand. East admitted that if he had not been vulnerable, he would have bid six and taken the loss.
