

## Falcons Fall To Argos 76-60 In Bi-County

The Argos Dragons displayed plainly Thursday night why the 1980-81 version of their record breaking team was keeping the season unbeaten streak in tact. A 76-60 victory over John Glenn's Falcons in the first Thursday game of the Bi-County tourney was certainly a blow-out for the Dragons and not as close as the final score indicated.

The victory was the 61st in a row for Argos, pulling them into a tie with the Madison Cubs of the very late 50's and early 60's. It was just a matter of one more night until the record belonged to the Dragons all alone as they easily rolled up number 62 to set an all-time Indiana high school record.

The loss for Glenn was their fifth in 10 games this season, two to Argos in the Culver Holiday tourney as well as the Thursday game. In the Argos record streak, Glenn has had the dubious distinction of having the most losses, eight times, as they get more chances thanks to being paired with the Dragons in both tourneys yearly along with a season game each year.

Argos used some blistering early shooting by their two veterans of this year's team, Mike Scheetz and Rich Tuttle, to pull to a lead that was never really challenged. A pair of baskets by Scheetz, the first a fast-break lay-in and then a 17 footer, was followed by a 16 footer by the big center Tuttle for a 6-0 lead. Joe Harness put Glenn on the board with one of two from the foul line and then a lay-in, but Tuttle came right back with a 14 footer and after Harness hit a medium baseline jumper, Tuttle hit from short range on the side and Scheetz stole the ball from the Glenn guards and broke for an easy lay-in. Terry Davis broke the Scheetz-Tuttle domination with a 14 footer, but Scheetz came right back with a 10 footer on which he was fouled and converted the third point for a big 17-5 lead. From here it moved to 21-10 after one quarter.

For all practical purposes, the battle had been won. Argos got the first four points of the second stanza and this gave coach Phil Weybright the opportunity to play

all his team early and he substituted freely throughout the rest of the game. Coach Jim Waller tried all kinds of combinations, using a different starting line-up, but nothing he could come up with was going to derail the Argos express. The Falcons did battle the Dragons about even in the second period but it was a safe 38-25 lead at the main intermission.

The third quarter blew it wide open. The Falcons made things a little more interesting as Mike Arnett and Doug Miller hit the second half's first two baskets in less than one minute. However, before Harness could add a three-point play to Glenn's total, Steve Davis had put in seven straight Argos points to open the margin to 16 again. After Harness hit the 13 foot lane shot on which he was fouled for the third point with 5:28 showing on the clock, Glenn never scored again in this quarter as Argos moved to a 54-32 third period lead. In fact Glenn's next field goal didn't come until 5:52 remained in the game, picking up three free throws in the early fourth quarter, but making no progress at all against the Dragon defense.

The last six minutes did get a little wild and fast as basically all this time was played with mostly reserves for Argos, coach Weybright keeping just one or two starters in the game at a time. He finally emptied the bench completely and only then did the Falcons really do much right. They were dominating the play against the reserves and with a lot of loose action and pressure, and did whittle the Dragon lead until with just over a minute left they had cut the margin down to 69-60 and the Argos coach put his starters back in the game. They ended the night with seven fast points to set the final score of 76-60.

The game scoring honors went to Glenn's Harness, with 19 points on six baskets and seven free throws. Arnett added 14 points as he played a fine steady game and continued his flawless free throw shooting this season with another two of two attempts. No other Falcon reached double figures. Steve Davis and Scheetz topped the Dragons with 18 each and Tuttle had 14 to pace the winners.

### THE STORY OF FOUR CHAPLAINS

January, 1943 — The American troopship, the S.S. Dorchester, was loading at a Massachusetts port. An old ship, she was pressed into service as a troop transport. The young and uneasy soldiers — officers and enlisted men alike — were apprehensive of the appearance of the old weather-beaten ship.

Among the military were Four Chaplains — four men of God who had volunteered to serve their country and their fellowman on the battlefield. They were George L. Fox, Alexander D. Goode, Johnny P. Washington and Clark V. Poling. These four Chaplains were of three different faiths — two Protestants, one Jew and one Catholic.

Fox was the oldest. In Vermont he was called "The Little Minister" as he stood only 5 feet 7 inches. He lied about his age in 1917 and enlisted in the Marines as a medical corp assistant, receiving a Silver Star and the Croix de Guerre for outstanding bravery. After WW I, he became a public accountant, married, became the father of two children. Coming home from work one evening, he said he wanted to study for the ministry. Then war came again. "I've got to go. I know from experience what our boys are about to face. They need me", he said.

Alexander Goode was an excellent athlete and scholar in Washington, D.C. He planned to follow in his father's footsteps and become a Rabbi. When the body of the Unknown Soldier was brought

to Arlington Cemetery, Goode attended the ceremonies. He could just as well have ridden that fifteen miles but Alex thought if showed more respect to walk — and walk he did — all the way to Arlington and all the way back . . . thirty miles. That's how he felt about the unknown soldier. After he got his synagogue, he felt he still was not worthy. He would know better how to heal men's souls if he knew how to heal their bodies too. For three years he drove every day to Johns Hopkins University until he won his medical degree. (Next week, Washington and Poling will be described.)

As the ship got underway, matters went from bad to worse. The Four Chaplains knew the truth of their destination — the ice-covered lands of Greenland. Being an old ship, the Dorchester was having difficulty trying to keep up with the convoy. As the ship got farther from home, the attendance grew at worship services.

On February 2, 1943, the Dorchester broke away from the convoy, meaning they were nearing port. The Chaplains were smiling as they started for the cabin. There they received the message. "We are being followed by a submarine." The convoy was contacted but there were no planes to send.

(The conclusion of The Story of Four Chaplains will be next week previous to the observance of Four Chaplains Week.)

## SERVICE NEWS

ARMY/AIR FORCE HOMETOWN NEWS — Randall A. Neiryneck, son of Mr. and Mrs. Ronald L. Neiryneck, of Rural Route 1, Walkerton, recently enrolled in the Army's Delayed Entry Program.

This program is designed to allow the individual to take up to one year before actually entering active duty. Additionally, this delay insures that the individual will be able to select the training and even the location of assignment upon entry.

Upon entering the active Army, the individual will undertake basic training learning skills such as drill and ceremonies, marksmanship, map reading, tactics, military courtesy, military justice, first aid, and Army history and traditions.

Completion of basic training is but the first step. After graduation, the individual will be assigned for training in a specialty field.
