In their second game LaVille was defeated by the score of 41 to 34. Argos then surprised the Falcons giving them their first defeat 33 to 30, despite a fine effort on John Dillon's part scoring a dozen points. Steve Foresman led Liberty back on the winning trail putting in 19 points, winning over Oregon-Davis 43 to 34. South Bend Navarre then visited Liberty and escaped with a 49 to 43 win as Chris Stedman led the Falcons with a 20 point performance.

December 14th North Liberty hosted a four-way Holiday Tourney with Knox, Argos, Urey and North Liberty competing. Argos defeated Knox to reach the championship game while Liberty held off Urey 34 to 28 to set up the rematch with Argos who earlier dealt Liberty their first loss. North Liberty played one of their finer games of the season to completely dominate the Dragons claiming the tourney championship by a score of 41 to 31. Foresman and Stedman led the Falcons with 14 and 12 points. Dillon played a key role by defending Argos's top scorer and holding him to four first half points while scoring eight himself. Point guard Aaron West directed the offense adding four points along the way. Jamie Hevel played a fine all around game hitting one point as did Kent Zellers and Noel Snyder. Mike Beghtel played a hard game on the boards and Ricky Hummer and Jeff Sprunger provided strong guard play throughout. Shad Taylor and Derek Stull supplied the bench strength needed. Congratulations to the team for winning the tourney two years in a row.

The following week North Liberty faced another strong South Bend Edison team falling by the score of 53 to 41 despite 22 points by Foresman. The season record now stands at six wins and three defeats as they travel to South Bend to play St. Anthony's January 9th at 4:45 p.m.

Mishawaka Tops Glenn Girls By 64-44 Monday

The John Glenn girls basketball team returned to action Monday as they traveled to Mishawaka for a game postponed from earlier this season. After a very tight first half which found the Lady Falcons down by only two, 30-28, Mishawaka broke it wide open in the second half to winning going away 64-44. The loss dropped Glenn's record to 3-5 on the season and Mishawaka advanced to 6-3 for the year.

Again it was the senior trio of Theresa Northam, Angie McKesson and Jennifer Price holding the Lady Falcons in the game in the first half. Going to the foul line 24 times, and converting on 16, the Glenn team had Mishawaka in some foul trouble and trailed by two at the main intermission.

However, it all turned around in the second half. Behind their two big scores, Whitney Love and Shelly Johnson, the Cavewomen outscored Glenn 14-4 in the third period with Love getting eight and Johnson six while lone baskets were picked up by Northam and Salyer for Glenn. It was 44-32 after three and it just got worse in the final eight minutes as the hosts won going away 64-44.

Love and Johnson ended with 20 and 18 respectively for the winners and they had no fewer than 10 girls score in the victory. Glenn was led by Northam with 18, McKesson had 12 and Price 7, all in the first half from the foul line before getting in foul trouble and eventually

fouling out. It was another cold shooting night for the Glenn girls, hitting only 13 out of 47 for 27.6 percent while the victors hit half their shots, 26 of 52 in the victory. They also outrebounded Glenn 33-24 in this game.

B-Team loses Again

The Glenn B-Team dropped their eighth straight decision of the year by a 31-17 score. With the win Mishawaka moved to 3-7 for the season.

LETTER AWARDS IMPLIMENTED AT JOHN GLENN

John Glenn High School is implementing academic letter awards for this school year. Unlike the traditional honor roll system, which is based upon a single grading period, this letter system will be based upon the students' cumulative high school record.

Another unique feature of this system is that it "weighs" certain classes at John Glenn as being more difficult than others and points are awarded accordingly. For regular classes, a semester grade of an "A" is worth two points and a "B" is worth one point. For most college preparatory classes, a semester grade of an "A" is worth four points and a "B" is worth two points. No points are awarded for grades lower than a "B".

Sophomores will be awarded a letter if they accumulate at least 30

points by the end of their third semester. Juniors must earn at least 40 points by the end of their fifth semester for a letter. Seniors will be awarded a letter this year if they would have qualified as a sophomore or junior. Freshmen are not eligible for a letter because they do not have an extensive high school record yet.

Current underclassmen will have the opportunity to win pins and medallions in future years to attach to their letters.

By recognizing students who have consistently put forth their best effort throughout high school, John Glenn hopes to make one more step toward achieving its goal of academic excellence.
