Memorial Certificates to Be  
Given Relatives on Wash-  
ington's Birthday.

### LEGION IS DISTRIBUTOR

France will pay homage to Americans who died in the world war by sending memorial certificates to their next of kin on Washington's birthday. By arrangement with the United States army and navy departments distribution of the certificates will be made through American legion posts. It was announced today at American legion headquarters here.

Approximately 118,400 soldiers, sailors and marines, who died in France, and the thousands who died in this country, will be memorialized. Legion posts will be requested to arrange fitting ceremonial observances for the distribution.

A number of the certificates have been shipped from headquarters here to legion posts of Indiana in the following cities: Terre Haute, Kokomo, Connersville, Huntington, Hammond, Elkhart, Anderson, Logansport, Gary, Michigan City, New Castle, Richmond, Muncie, South Bend, Lafayette, Ft. Wayne and Marion. The certificates were addressed to recruiting stations in those cities and posts have been instructed by L. Russell Newcomb, state adjutant, to ascertain from the stations the number of memorials they are to present.

### QUOTATION FROM HUGO ON CERTIFICATE.

The certificate bears a group figure on a centopod on which is engraved the signature of President Poincaré and the inscription: "To the Memory of (blank) of the United States of America, Who Died For Liberty During the Great War, the Homage of France." An inscription above is a quotation from Victor Hugo: "The people should come to pray at the graves of those who died for their country."

The Indiana state department of the legion has enclosed in each shipment of memorials a suggestion by Franklin D'Olier, national commander, concerning the form of memorial service for distribution of the certificates. He advises post in each city to co-operate in

**How To Keep Young  
As You Grow Older**

It is possible to have a hale, hearty old age. The body in youth possesses more heat than the body of middle age or old age, because the blood contains more oxygen.

It is possible for middle aged and older men and women to increase the oxygen carrying capacity of their blood, and by pumping oxygen into the lungs, but by supplying the blood with the organic iron which attracts oxygen just as the magnet attracts steel.

Two warring forces—the red blood cells and the white blood cells are always contending in the blood. They are the processes of building up, and tearing down.

During youth the hot, red blood, vitalized with oxygen, enables the building up process to overcome the tearing down process, and the tendency of the body is all toward growth and development.

As middle age approaches, the two forces tend to equalize each other, and the body retains its vigor and vitality.

But, with the coming of old age, the victory of the tearing down process is manifested by the slow, gradual decay of the vital energies.

The stress of modern life makes us old at fifty, decrepit at sixty, and useless, helpless wrecks before we pass our seventieth year.

There is absolutely no necessity for this premature senility, this surrender of strength and vitality, this abandonment of the pleasures and responsibilities of life. The bodily forces and energy can be maintained, the arterial degeneration prevented, and a hearty, healthy, old age assured.

REOLO supplies to the cells of the body the organic iron—which is easily assimilated by the blood—and attracts oxygen just as the magnet attracts steel. It enriches the blood with cell-salts and vitalizes it with life-giving oxygen—increases the circulation, and by its power of cell nutrition and reconstruction—its tonic and stimulating qualities makes the entire body glow with health.

Start the REOLO TREATMENT today and you will be delighted with the steady improvement in your strength, energy and vitality. The large package of 100 pleasant, tasteless tablets, enough for two weeks' treatment, only costs \$1.

REOLO is sold in Indianapolis by Henry J. Huder, Washington and Pennsylvania streets, and Huder's Drug Store, cor. Illinois and Michigan—Advertisement.
