## Indians Well on Way to Camp in Dixieland

Tribe Athletes in Good Spirits as Special Penetrates Southern Landscape.

ARRIVE THURSDAY NIGHT

By EDDIE ASH,

Times Sports Editor.

CINCINNATI, March 10.—(On board the Indiana baseball special)—Members of the Indianapolis baseball squad looked out upon Cincinnati this morning, the first stop on the way south to the Tribe training camp. St. Paul, Minn., the Hoosiers' diamond athletes, occupy one couch of a through train and when they pulled out of here at 8 o'clock they started to put the first big dent in Owner Smith's wallet by breakfasting sumptuously in the diner in true spring training trip style, the eating all being at the expense of the "other fellow," meaning the Tribe.

On board are President Smith, Manager Hendricks, Catchers Gossett and Henline, Pitchers Cram and Ferrell, Infielders Schreiber, Wolf and Long, Outfielder Zwilling and newspapermen. The latter pulled out of Indianapolis at 4:35 this morning and the squad is to land in St. Petersburg. Thursday evening about 10 o'clock, Pitcher Cartet, First-baseman Covington and Outfielder Rehg, notified Manager Hendricks they would go to the camp directly from their homes.

Ollie O'Meara has been placed in the holdout class officially, while Shortstop Jimmy Smith, the second baseman, Pittsburgh, and just what his status is has not been determined. He was sent a contract and it has not been returned, so it is evident that he intends to hold up with the Hoosiers later. Practice will be started Friday morning in St. Petersburg, in order to put the Indians in shape as early as possible for the string of exhibition games to be staged on various dates in St. Petersburg, Tampa and Miami.

Trainer Morgan is already on the job at the camp, and according to his last message to Manager Hendricks, the natives of the "Sunshine City" have prepared a big welcome for the Indians when they land there tomorrow night.

Steve League sessions, card playing (shh) and "that reminds me" gatherings were in order today as the whoo-choo penetrated the southern landscape. Owner Smith is a genial host and entertainer and his stories of the pony tracks kept the players in high spirits throughout the day. The annual spring training fair about the Miami and Dixon line was sprung and one of the rookies spent an hour gazing in the window in the hopes of seeing it. Eddie Zwilling and Dick Gossett are still sporting silk shirts won by hitting triples last season, and the rookies eyes bulged when Zwilling dropped a remark to the effect that he hadn't worn anything but silk all winter.

THE BOWLING

## BOWLING

The Brunswick Phonos and the Baldwin Phonos are the leaders in Bowling's No. 1 League on Beam's ally, and the Brunswick's put away three straight.

Tegeler rolled consistently for the Brunswick's, and M. C. Mott was the shining light for the Baldwin's.

The Krels Transfers stepped all over the Brookside for three straight.

Hinchman stepped out in his first game with a 200 for the Krels crew, and Kaisler of the same aggregation turned in 207 for his third effort.

The Highland Vulcanizing quintet and their representatives bowled three-close games with the grovers taking only one of the three.

Hart of the M. O'Connor team spelled 200 pins in his third game. No High-way roller got near the coveted 200 mark.

The Acton Trust Company took two wins from the Prudential Life five.

The Prudentials, with the true instinct of the bowler, settled, stuck it with and topped the third game by a twenty-nine pin margin.

Schott for the Insurance five bowled three 180 games, but his efforts were discounted by the low scores of his teammates.

The Hoosier Oils used the Irvin-Robins rough in their first two games, and in the third both the auto body boys came back strong and topped.

The Hamiltons of Capitol No. 2 league took two games to the Feeney team five on the Capitol alleys.

The furniture fellers nosed out in the game by an eighteen-pin lead.

E. Stierlich, 229 and 200 for the Feeney, in his second and third games, Lindenup upset 202 for the Hamiltons in his first game, but couldn't connect in his other two games.

The Thornton Coffee Shop knights were gassed three in a row by the Capital Specials. The second and third games were close.

Krauss Bros. and the Fernandes mixed and when it was all over the Krauss had annexed two out of three.

Deubig rocked over 205 for the Fernande game in his third game. Elmore took 206 and Stritt 215.

The Lucky Strikes and the Stegemers came together and the Stags got the better of the argument by a two-to-three count. The Lucky Strikes had their luck with them in the second scrimmage.

The New Style Lagers dropped the first two games to the Hoosier Coffees, but grabbed the third one.

Faust Jr. of the Lagers got 205 in his third game. Since his team mate, turned in 210 in his first attempt, turned into a tie again.

## BROWNS.

TAYLOR, March 10.—With Gallia and Carl Wellman missing, and a lot of doubt as to whether they will be present for the opening games of April, it is difficult to say that Jimmie Burke is grooming Allen Solhoron, Urban Shucker and Frank Davis for the three most promising Brownhounds. The three most promising Brownhounds, however, are Solhoron, Shucker and Davis, who are working a regular schedule of thirty-minute periods each, dishing them up to the swimmers.

Preparations Under Way for Meet at Bloomington

The Cathedral High school basketball team closed their season last night with a 12-to-11 win over the Y. P. C. quintet on the Marion club floor. The first half closed with the "Yips" leading, 7 to 5, and Kelly, their star forward, increased the margin to 10 points after the second period opened. Within only a short time to go, the Cathedral boys rallied and Granian put them in front, shot from under the ring. The Cathedral's defense, however, were the big factors in the Cathedral's victory.

Last night's game closed the scheduled two-best-of-three series between the two teams. The high school had won the first game by a 37-to-9 score.

I. A. C. Picks Strong Outfit for Junior Indoor Track Meet  
Lipps Going After Honors With Eight Men—Mott Has Big Task.

Athletic Director George Lipps of the Independent Athletic club has announced the names of the eight men who will represent his organization in the junior indoor, I. A. C. track and field championships at the state fair grounds coliseum March 17, and on paper, the team "listens" good enough to go south with a few first place medals. After a month of hard work with the host of forms high school and college men in the club's Lipps separated his eight best men from the rest and the next week will be spent in grooming them for the meet.

Crawford Mott will probably turn in the big number of points for the Indianapolis team, the youngster having entered in three events, the 220 and 440-yard dashes and the 880-yard run, and he is expected to finish well near the top of the list of finishers. Lipps has another member of the team who has a heavy burden to carry. He will compete in the 50 and 440-yard dashes and 880-yard run. Eddie Liebert's specialty is the 880 yards. His time for this distance in practice has been exceptionally low and he is expected to finish first in the event.

The men picked to fill the positions on the Indianapolis team and the events in which they will compete, follows: Justin Harvey, one mile; M. C. Mott, 220 and 440-yard dashes and the 880-yard run; and Frank Franklin, 50 and 440-yard dashes and 880-yard run.
