

WEHR TO PICK CYCLE RACERS FOR OLYMPICS

Local Man Will Select Indiana
and Kentucky Riders
for Trials.

STATE RACES CARDED

By CHARLIE LOGAN.
Charles E. Wehr, Indiana and Kentucky representative of the National Cycling association, will select a group of the fastest amateur pedal pushers in the two states over which he has jurisdiction for competition in the elimination trials to determine the riders who will represent the United States in the cycle races on the Olympic program.

In former years, when cycle racing stood out as one of the most prominent features on the sport card, Indiana and Kentucky turned out as many real pedal pushers as any other states in the country and it is believed that a few amateurs can be found in this region who will have little trouble in making the American team. Through the efforts of Wehr, cycle racing has been on the incline in Indiana and Kentucky for the last two years, especially in Hammond, and the youngsters have been hanging up records that look much better than those of their predecessors. In 1917 and 1918 more amateur races were staged in Indiana than in any other city in the country.

Wehr stated today that all amateur pedal pushers in the two states under his control will be given every opportunity to show what sort of stuff they are made of in various races that will be staged before the time for the elimination trials, which will be held either in Chicago or St. Louis during the latter part of July.

STATE MEETS

CARDED FIRST.

In order to determine the riders best qualified to participate in the eliminations, state meets will be staged in Indiana and Kentucky during the first week of July and the men showing the best in these events will be picked to try for the national team. The Indiana meet will be held here and the Kentucky meet probably will be put on in Louisville. All riders who desire to participate are requested to communicate with Wehr at his office, 22 the Hume-Mansur building, as soon as possible. Registration blanks will be mailed on request.

Many local riders are already training for the big event and the previous work of such speedsters as Root, Kirk, Gibson, Frankhouse and Johnson indicates that this city will be well up in the running. Root and Gibson are youngsters of exceptional ability, and they should offer strong competition to the strongest riders in the country.

SEVERAL LAY

EVENTS CARDED.

Although Wehr is busy with his duties as a member of the national advisory committee, he has not forgotten his duties as director of city park cycle racing. He has outlined an elaborate program for the coming year and local fans will be treated to some real programs. Present plans call for three races each month, starting May 2, on which date a five-mile road race will be staged at Riverside park. The national cycle trade directorate has awarded prizes valued at \$800 for the winners of the various events carded here.

Page Coming Sunday to Talk Over Plans for Butler College

Chicago Coach Expects to Assume Duties at Irvington School About April 1.

Pat Page, now general director of athletics and coach at Butler college, will be in the city Sunday to talk over preliminary plans before he takes active charge at the Irvington school.

In a letter to R. F. Davidson, chairman of the alumni athletic committee of Butler college, Page intimated that he would be ready to assume his duties here about April 1.

The coming of the former star University of Chicago athlete, who turned out a championship basketball team for the Maroons in the Big Ten this year, is awaited with much interest.

Reed Elected Captain of Purdue Track Squad

LAFAYETTE, Ind., March 12.—Paul E. Reed of Alplie was unanimously elected captain of the Purdue university track team last night by members of the Boilermaker squad. He was one of two track letter men in school eligible for the captaincy and for three years has been one of Coach O'Connor's most consistent performers in the quarter-mile. Capt. Reed and his men will start training immediately for the indoor conference meet to be held at Evanston, March 20.

East Bids Fair to Cop World Basketball Title

ATLANTA, Ga., March 12.—The east with the New York university and Rutgers in the running, today threatened to take first honors in the world's series basketball play here. Only the middle west and the Great Lakes region, represented by the Kansas City and Detroit fives, remained in the play.

The south, Pacific and far west were eliminated in last night's play. Pairings for the semi-final play tonight are: Kansas City vs. New York university and Rutgers vs. Detroit. M. C. A.

Notice, Joy and Glooms
The manager of the Joy and Glooms basketball team is requested to call Prospect 629 between 6 and 7 this evening and ask for John.

BREAK ROLLER RECORD.

MILWAUKEE, March 12.—A new roller skating record for an indoor track was set Thursday night by Paul Drew and William Skivane of Chicago, when they won the five-mile team championship. The time was 13:35.

BOWLING

Claman Bros. five of Capitol No. 1 league, rolling on the Capitol alleys, smothered the Taggart Baking quintet for three straights.

C. Hackard for the Clamans spilled 214 in his third game, while Patterson, his teammate, rocked over 192.

The Grabers and O'Donnell Transfers took on a double header. The Grabers took two out of three in the first set, the trunk smashers coping the third in a strong finish.

Chryst and Snyder for the O'Donnells turned in scores of 209 and 210 for their third games.

McCallough for the Grabers ran wild; 239, 234 and 213 were three of his totals.

In the second series the Grabers took two more, with a score of 1,041 for the second game. The Transfer then grabbed the third one by a ten-pin margin. The final count stood 910 and 900.

The Federal Pattern boys believe in "treating 'em rough." They stepped all over the Schoen Bros. representatives for six straight in a double header.

The Pattern Workers scored an even 1,000 in the third game of the first set.

Paust, Jr., was hooking the head pin; 236, 210, 254 and 192 were four scores he turned in.

The second set was a reversal of the first with the Opticals on the long end, of a two-to-one count. The Strauss bunch took the second game by a three-

teen-pin lead, but the Block representatives came back in the third and copped by eight pins.

Bumer kept the pin boys busy; 244, 214, 208, 190, 193 and 187 his sheet showed.

Deschler's Monograms copped two from Ferner's Tigers. The second round went to the Tiger's with a total of 1036.

Danbig, for the Tigers, after spilling 236 in his first game, withdrew in favor of McCarthy, who contributed 256 and 180 as his effort.

Deelinger, with 245 led the Monograms. Powers upset 227, Harrigan 206 and Peachy 200 for the same aggregation.

Meyers got 234 in his second game for the Tigers, but couldn't connect in his other two tries.

The eye glass specialists got hostile over their first two bloomers and piled up 1049 in their third attempt. This swamped the necktie salesmen.

The Strauss Says and the Block Opticals mixed it fast and furious in a double-header. The clothiers took the

first set by a two to one count; but, oh boy, they were close; ten pins won the first game and eleven the second.

The Capitol Fives split the honors of a double-header with the Em-Roes.

The Capitol fives split the honors of one to the St. Clair Place fives, after from making their winning set three straight by four pins in the last game. The final count was 948 and 930.

The Capitol turned in ten two-century scores or better in the six games, while the Em-Roes counted nine.

The Kestlers took two out of three from the Fernales in Beam's No. 2 league, rolling on Beam's alleys.

The Fernales grabbed the last scrap by twenty-eight pins, the final count standing 974 and 846.

Nord's Tigers trimmed the Prospect Gas five three straight. Evans for the Tigers was the individual winning light. He turned in 188, 210 and 209.

The Brunswick Tires dropped the third one to the St. Clair Place five, after winning the first two. Twelve pins

turned the trick. The final count was 861 and 839.

The Y. M. S. walloped the Triangles two straight, but dropped the third one by thirty pins.

Smith for the Triangles knocked over 211 in his third game. This was the Y. M. S. Waterloo.

The Andrelins of the Elks No. 2 league, rolling on the Central alleys, took the first and third games from the Phylroids, but dropped the second by six pins.

The Lungs lost the first game to the Livers, but came back strong in the last two and copped.

Walker of the Phylroids was the only roller of either team to upset 200 pins, and he just did get under the wire in his

third attempt with a double-century score.

Lauck for the Lungs counted 209 in his third game. This was the best score of the series.

The Hearts forfeited a game to the Toungues. Hoffman led off in his first game with 202, but that was the finale for any further 200 scoring by any of his teammates.

Brain triumphed over Muscle in two out of three games. Muscle took the first, but Brain came back and annexed the other two.

There wasn't a 200 score turned in by either team. It must have been brains that won.

Mrs. Reynolds of the Capitols chalked up strikes and spares with reckless abandon in her first game and frames were totaled she had.

SMITH MAY LEAD BOWLERS

PEORIA, Ill., March 12.—John Smith of Buffalo, traffic manager for the Interstate commerce commission, is slated for the presidency of the American Bowling congress. The election was set for this afternoon, when delegates from all parts of the country will be here to attend the session. Buffalo appeared to be the unanimous choice of delegates for the 1921 tournament. First out-of-town bowlers were scheduled to take the drives tonight. Chicago, Buffalo, Cleveland, St. Louis, Milwaukee, Indianapolis and Toledo teams will roll.

The Carpenters' Union team of Peoria, with 2,524 pins, remains on top in the five-man standing.
