

MADE TO BE PATRICK'S DAY FEATURE

Irish Will Celebrate in True
Native Style Here Next
Wednesday.

TWO FLAGS FOR DISPLAY

St. Patrick's day—Wednesday, March 17—will be celebrated in true Irish fashion.

The Irish green flags are being unfurled, flowers tinted and the shamrocks fashioned.

An elaborate program has been prepared, including a parade, which will be held at 2 o'clock in the afternoon.

William M. Moran of Mattson, Ill., district attorney, will be the orator of the day, addressing a mass meeting in Tomlinson hall immediately after the parade.

The celebration is to be in charge of the Ancient Order of Hibernians of Marion county. Joseph M. Canany is chairman of the committee in charge of the arrangements and William J. Barrett is secretary.

SOLEMN HIGH MASS
To open celebration.
The celebration will begin with solemn high mass at St. John's church at 9 a. m., celebrated by Rev. Monsignor Francis Gavick, chaplain of the county order of Hibernians.

T. J. Blackwell has been named grand marshal of the parade, which will form at Meridian and Vermont streets. George Rice will marshal the first division, Thomas O'Connell the second and P. J. Sheridan the third. The parade will pass through the downtown section.

Timothy Harrington, past grand knight of the Knights of Columbus, will preside at the mass meeting. The resolutions committee, of which W. H. Foley is chairman, is expected to present resolutions dealing with the question of Irish freedom. Rev. Pierce Dixon of St. Anthony's church will speak on the religious significance of the observance.

TOMLINSON HALL
PROGRAM ARRANGED.
Following is the program arranged for the Tomlinson hall night entertainment by Chairman Harry Galloway:

1. "Emerald Isle," Chaucery O'leary.
2. "Star-Spangled Banner,"
3. "God Save Ireland,"
4. "The Emerald Isle," A. O. H. Accompanied by Mrs. Anna Mahoney.

5. Song—"Killarney"
6. Song—"The Emerald Isle,"
7. Song—"The Emerald Isle,"
8. Song—"The Emerald Isle,"

9. Song—"The Emerald Isle,"
10. Song—"The Emerald Isle,"
11. Song—"The Emerald Isle,"
12. Song—"The Emerald Isle,"

TWO FLAGS TO BE
CARRIED IN PARADE.
All merchants in the parade are asked to display the Stars and Stripes and the flag of the Irish "republic," green, white and orange.

St. Patrick, called the apostle of Ireland, was born near the close of the fourth century in Britanny, in the north of France. His father was a Roman soldier. The Irish had long been at war with the Gauls and in an incursion into Britanny Patrick was taken captive.

Then 16, he served as a herder of cattle in the north of Ireland for several years. He escaped from captivity, returned to France, became a priest and was commissioned Apostle to Ireland by Pope Celestine, who died in 432.

Hit by shrapnel and gassed in the Alsace district of France, March 3, 1918, Roland Walla, 21, is dead of the wounds in Richmond. He had suffered continuously. Often the young man had said he wished he would have died on the battlefield. A military funeral is being planned for him.

A three-legged calf belonging to Deputy Sheriff Walter Knisely of Kokomo is dead, the victim of indigestion. Knisely, who has a penchant for freaks, still has a two-legged calf and two-legged dog, both in good health.

Joseph B. Workman of Spencer is through as tax ferret in Elkhart county. Some say he made too much money. Anyway, the board of commissioners has asked that he cease to serve. In five years Workman placed \$3,500,000 of collected taxes on the duplicate and collected \$70,000 in taxes. He got 35 per cent of his collections. Joseph Higgs, his assistant, will soon sail for his home in England.

Under the terms of the will of the late Charles C. L. of Anderson, the First Presbyterian church of that city is to receive \$1,000.

Taking pity upon a chicken hatched late last fall which had no feathers to protect it against the winter A. Ross raised the fowl in his kitchen this winter. He is anxious for spring and still has weather that he can put the chicken out of doors. He is not unkindly that chickens are so price and that his sympathetic care has not been without profit.

The Herald and Journal, two republican Winchester newspapers have merged. In the future the paper will be known as the Journal Herald.

The net earnings of the Studebaker Corporation of South Bend during 1919 were \$9,312,233, according to the annual report just made public. This is an increase of almost 200 per cent over 1918.

Church Funeral for Mrs. Fannie Watson

Funeral services for Mrs. Fannie E. Watson, who died Tuesday, were held this afternoon at the Second Presbyterian church. Mrs. Watson was the widow of Chaucery R. Watson, a well known Indianapolis railroad man.

Mrs. Watson was a member of the Second Presbyterian church and a charter member of the Matinee Musicals. She was widely known in musical circles. She is survived by a daughter, Mrs. H. Dugwell, of Indianapolis, and a son, Chaucery R. Watson of Detroit, Mich.

Refuses Divorce in Case Tried Secretly

John F. Robinson, sitting as special judge in superior court, room 1, today refused to grant a divorce to Nick Musmann, former Indianapolis grocer, from Mrs. Bertha Musmann, according to an announcement made by the clerk of the court. The court ordered Musmann to pay \$25 additional attorney fees to his wife's counsel within sixty days.

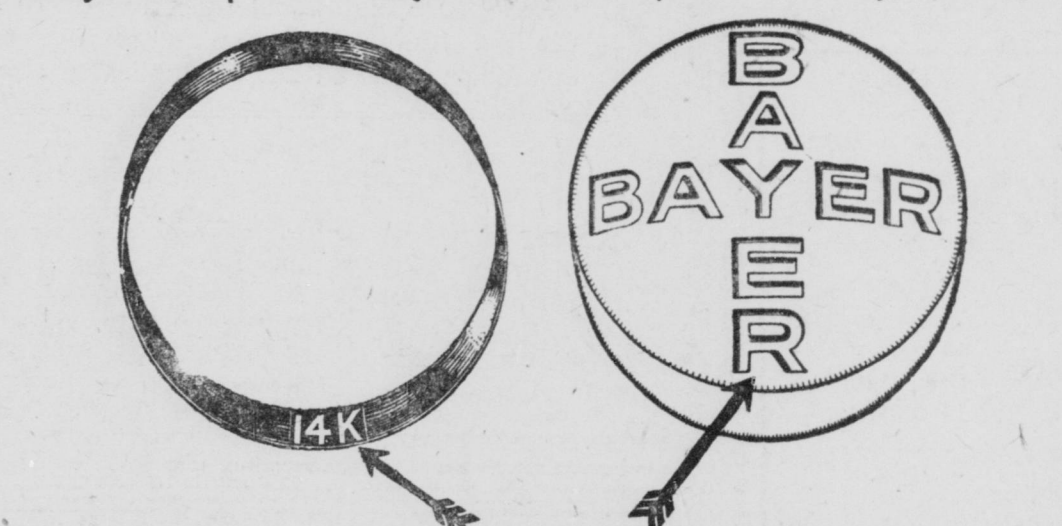

Mrs. Musmann contested the case. The testimony was heard behind closed doors, newspapermen being asked to leave the courtroom.

"BAYER CROSS" ON GENUINE ASPIRIN

Always insist upon true "Bayer Tablets of Aspirin"—In "Bayer package"

The "Bayer Cross" on Aspirin tablets has the same meaning as 14-Karat on gold. Both mean Genuine!

"Bayer Tablets of Aspirin" should be taken according to the safe and proper directions in each "Bayer package." Be sure the "Bayer Cross" is on package and on tablets. Then you are getting the genuine Aspirin prescribed by physicians for over eighteen years for the relief of Colds, Pain, Headache, Toothache, Earache, Rheumatism, Lumbago, Neuritis.

For a few cents you can get a handy tin box containing twelve tablets. Druggists also sell larger "Bayer packages." Aspirin is the trade mark of Bayer Manufacturing of Monoacetic-acidester of Salicylic acid.

THIN, NERVOUS PEOPLE NEED BITRO-PHOSPHATE

What It Is and How It Increases Weight, Strength and Nerve Force in Many Instances

SHOULD BE PRESCRIBED BY EVERY DOCTOR
AND USED IN EVERY HOSPITAL
Says Editor of "Physicians' Who's Who."

Take plain Bitro-Phosphate is the advice of these physicians to thin, delicate, nervous people who lack vim, energy and nerve force, and there seems to be ample proof of the efficacy of this preparation to warrant the recommendation. Moreover, if we judge from the countless cures and treatments which are continually being advertised for the purpose of making thin people fleshy, developing arms, neck and bust, and replacing ugly hollows and angles by the soft curved lines of health and beauty, there are evidently thousands of men and women who keenly feel their excessive thinness.

Thinness and weakness are often due to starved nerves. Our bodies need more phosphate than is contained in modern foods. Physicians claim there is nothing that will supply this deficiency so well as the organic phosphate known among druggists as Bitro-Phosphate, which is inexpensive and is sold by Haag's seven and also Hook's drug stores and most druggists under a guarantee of satisfaction or money back.

By feeding the nerves directly and by supplying the body cells with the necessary phosphoric food elements, Bitro-Phosphate should produce a welcome transformation in the appearance: the increase in weight frequently being astonishing.

Clinical tests made in St. Catherine's Hospital, N. Y. C., showed that two patients gained in weight 23 and 27 pounds, respectively, through the administration of organic phosphate; both patients claim they have not felt as strong and well for the last twelve years.

Increase in weight also carries with it a general improvement in the health. Nervousness, sleeplessness and lack of energy, which nearly always accompany excessive thinness, should soon disappear. Daily exercises ought to brighten and pale cheeks glow with the bloom of perfect health.

Physicians and hospitals everywhere are now recognizing its merits by its use in ever increasing quantities. Frederick Kolbe, M. D., editor of New York Physicians' "Who's Who," says: "Bitro-

LIBRARIANS TO ASK MORE PAY

Qualifications Same as Teachers, but Salary Less.

Salary increases for librarians throughout the state will be sought by a committee of the Indiana Library association and the Indiana Library trustees association, headed by Miss Ethel McCollough of the Evansville public library. It was announced today at the office of the Indiana public library commission.

Difficulty is being experienced in obtaining qualified employees for libraries in many cities, it was said. Salaries paid librarians in most cases are lower than those paid school teachers, although the qualifications are similar.

The annual meeting of the two state library organizations will be held at the Hotel Severn here Nov. 10 to 12. It rates be raised in a petition filed with the state public service commission today.

Miss Margaret Wade of the Anderson library was appointed chairman of the committee on the convention program. Members of the entertainment committee appointed were Miss Margaret Wade of the state library commission, chairman; Miss Elizabeth Obr of the Indianapolis public library and Miss Elizabeth Roman of the library commission.

Consumers Back Up Power Rate Boost

Four consumers of power in Crawfordsville joined with the management of the municipally owned light and power plant of that city, in requesting that rates be raised in a petition filed with the state public service commission today.

The power patrons who joined the city in the petition were the Crawfordsville Wire and Nail Company, the Crawfordsville Shale Brick Company, the Standard Shale Brick Company and the Boston Paving Brick Company.

Under the present rate the factories get power as cheaply as \$1.35 per kilowatt hour. The commission is asked to fix the minimum rate at \$1.65 per kilowatt hour net.

How To Keep Young As You Grow Older

It is possible to have a hale, hearty old age. The body in youth possesses more heat than the body of middle age or old age, because the blood contains more oxygen.

It is possible for middle aged and older men and women to increase the oxygen carrying capacity of their blood—not by pumping oxygen into the lungs, but by supplying the blood with the organic iron which attracts oxygen just as the magnet attracts steel.

Two warring forces—the red blood cells and the white blood cells are always contending in the blood. They are the processes of building up, and tearing down.

During youth the hot, red blood, vitalized with oxygen, enables the building up process to overcome the tearing down process, and the tendency of the body is all toward growth and development.

As middle age approaches, the two forces tend to equalize each other, and the body retains its vigor and vitality.

But, with the coming of old age, the victory of the tearing down process is manifested by slow, gradual decay of the vital energies.

The stress of modern life makes us old at fifty, decrepit at sixty, and useless, helpless wrecks before we pass our seventieth year.

There is absolutely no necessity for this premature senility, this surrender of strength and vitality, this abandonment of the pleasures and responsibilities of life. The bodily forces and energy can be maintained, the arterial degeneration prevented, and a hearty, healthy, old age assured.

REOLO supplies to the cells of the body the organic iron which is easily assimilated by the blood—and attracts oxygen just as the magnet attracts steel. It enriches the blood with cell-salts and vitalizes it with life-giving oxygen—increase the circulation, and by its power of cell nutrition and reconstruction—its tonic and stimulating qualities makes the entire body glow with health.

Start the REOLO TREATMENT today and you will be delighted with the steady improvement in your strength, energy and vitality. The large package of 100 pleasant, tasteless tablets, enough for two weeks' treatment, only costs \$1.

REOLO is sold in Indianapolis by Henry J. Huder, Washington and Pennsylvania streets, and Huder's Drug Store, cor. Illinois and Michigan—Advertisement.

Phosphate should be prescribed by every doctor and used in every hospital to increase strength and nerve force and to enrich the blood.

Joseph D. Harrigan, former visiting specialist to North Eastern dispensary, says: "Let those who are weak, thin, nervous, anemic, or run-down, take a natural, unadulterated substance such as Bitro-Phosphate and you will soon see some astonishing results in the increase and nerve energy, strength of body and mind, and power of endurance."

Bitro-Phosphate is made entirely of the organic phosphate compound referred to in the National Standard Dispensary as being an excellent tonic and nerve and a preparation which has recently acquired considerable reputation in the treatment of neurasthenia. The standard of excellence, strength and purity of its substance is beyond question, for every Bitro-Phosphate tablet is manufactured in strict accordance with the U. S. Pharmacopoeia test requirements. Bitro-Phosphate is therefore not a patent medicine and should not be confused with any of the secret nostrums, so-called tonics or widely advertised "cure-alls."

CAUTION:—While Bitro-Phosphate is unsurpassed for the relief of nervousness, general debility, etc., those taking it who do not desire to put on flesh should use extra care in avoiding fatty and rich foods.—Advertisement.

All Biliousness, Headache and Constipation gone!

What Is Rheumatism?

Why Suffer from It?

Sufferers Should Realize That It Is a Blood Infection and Can Be Permanently Relieved.

Rheumatism means that the blood has become saturated with uric acid poison.

It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and swollen with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than that, down

deep into the blood where the poison lurks and which is not affected by salves and ointments. It is important that you rid yourself of this terrible disease before it goes too far. S. S. S. is the blood cleanser that has stood the test of time, having been in constant use for more than fifty years. It will do for you what it has done for thousands of others. S. S. S. is guaranteed purely vegetable, it will do the work and not harm the most delicate stomach.

Have You a "Gone" Feeling?
Fagged Out in the Morning?

Do you get any rest at night? Or are your nights filled with restlessness—in the morning you are more fatigued than the evening before?

Many suffer needlessly from kidney trouble. The function of the kidneys is to filter the blood. If they fail in this, your life is made unhappy by poisoned blood coursing through your veins, making you irritable, stupid, quick-tempered and utterly miserable all the time.

Stop it! Your only hope is in awakening your slumbering kidneys—putting them to work at purging your system of germ-laden waste matter.

Dodd's Kidney Pills will aid you effectively in cleaning your system of all poisons, restoring tired organs and muscles, and putting you on the road to good health. Make your life a series of bright, happy days. Each morning be looked forward to as a time of good cheer. Open up the windows—enjoy the fresh air. Don't be a slave to ill health.

You can get Dodd's Kidney Pills (three D's in the name) at your druggist, unless he's sold out. This sends him in stamps for the free, round box. Address Dodd Medicine Co., Buffalo, N. Y.

ARE YOU CONSTIPATED? Dian and Driner Pills are mild cathartics that are healthful and pleasing. No ill after-effects.

TELLS HOW PEPGEN RELIEVED
HIS CHILD OF STOMACH TROUBLE

"I gave Pepgen to my son, who has had a very bad stomach, and it helped him," says J. W. Watz, a prominent carpenter contractor who lives at 1342 Union street, Indianapolis.

"My wife and I are both pleased with Pepgen and think it is a great medicine for children. It is safe medicine to give children because it doesn't contain any alcohol or poisonous drugs."

"Besides having a bad stomach our boy was nervous. However, our worries are over now. His stomach doesn't bother him in the least and we feel that we owe a big debt of gratitude to Pepgen. It has relieved thousands of cases of headache, constipation, indigestion, dyspepsia, sluggish liver and other ailments because it induces good digestion."

of Cardui Put Her on the
Road to Recovery.

Tangier, Ind.—"Four years ago this summer I was sick in bed," writes Mrs. Lillie McElwee of this place. "I had been under the doctor's care for five weeks. . . I was pretty bad, and I was just as nervous as I could be. . . I could not sleep at night until 10 or 12 o'clock. When I would doze off and wake up I would be all of a tremble with nervousness."

"The doctor called my trouble catarrh of the . . . It gave me such pains that at each one it would seem that I could not bear another one. Then I would chill . . . the pains would just seem to shake me all over, and the next day I would be so weak I could hardly move. I would be so utterly strengthless that it would seem as if I were dying."

"After one of my bad spells . . . and I had almost died, I picked up the Home Treatment Book and decided to try Cardui. Before I had taken a whole bottle, I could sleep at night. . . I don't remember just how long, but in a short time I was up and helping with the work. . ."
