LIGHT SAVING UP IN CITY COUNCIL

Backers of Extra Hour to Boost Measure Tonight.

Supporters of the proposed daylight savings ordinance are expected to fill the city council chamber tonight, when the measure will come up for consideration.

Notices of the ordinance's forthcoming consideration have been sent to all employers who wrote letters favoring moving the clock up an hour in the straw vote of the Associated Employers and other organizations. Of 500 letters received 400 favored the measure.

Representative of the Associated Employers, the Chamber of Commerce, the Board of Trade, the Industrial Association, the Science club and other organizations will appear in support of the ordinance. Central Labor union leaders are expected to oppose the change.

The Merchants Heat and Light Company and many wholesale and retail dealers have joined the movement to save an hour of daylight each afternoon, although the change might be calculated to injure their business in some degree.

City and state health authorities have been invited to attend the council meeting and express their views on the health betterment feature of the plan. The ordinance, if passed, would give the ordinance the same saving to working men and women an extra hour of daylight each day for recreation will prove beneficial in supplementing other forms of recreation which involve late hours.

LEGION, YEAR OLD, MILLION STRONG

Veteran Organization Now Has 8,475 Posts in U. S.

Today is the first birthday anniversary of the American Legion.

From a conference of Yank soldiers, sailors and marines held March 15, 1919, in Paris, the organization has grown to more than 1,000,000 members, it was announced at national headquarters, Madrid, Ind.

A previous conference had been held in Paris, but the first formal step toward organizing the legion was taken at the Madrid meeting. This caucus appointed a "committee of seventeen," which called a conference in St. Louis on May 8, 1919. The first formal convention was held in Minneapolis, Nov. 11. On this day the membership was 750,000.

There are today 8,475 American legion posts. New York has 1,200 with 501 posts; Illinois, 1,000 with 553 posts; Pennsylvania, 3rd, 511; Iowa, 462; Minnesota, 448; Ohio, 382; Missouri, 291; Michigan, 271; Indiana, 270; Massachusetts, 252.

Seven Cities Unite to Fight Gas Boosts

Benjamin Perk, public utility accountant of the firm of Coddell & Fiedrich, today is endeavoring to reduce the financial cost of the Northern Indiana Gas & Electric Company to a form that will enable municipal officers of seven cities to oppose the company's petition for rate increases before the state public service commission.

Mayors and city attorneys of Logansport, Wabash, Peru, Frankfort, Lebanon, Plymouth and Crawfordsville have had one conference here to consider plans for opposing the increased rates and confer again before the case comes up for hearing.

The officials are making a close study of the company's audit reports and expect to appear before the commission as complete and clear an analysis of the situation as the company will be able to offer.

South Bend Crash Kills One, Hurts Eight

Special to The Times.
SOUTH BEND, Ind., March 15.—Mrs. George L. Ladd, 28, and eight others are seriously injured as the result of a street car crash here late yesterday, when a south-bound Chicago, South Bend & Northern Indiana interurban plunged into an open switch near St. Mary's college and academy.

The switch on the college had been left open and the local car was backing into the switch. The interurban car crashed into the local car, killing one passenger and injuring eight others. Some of the passengers attempted to escape by jumping from the car as they saw the approaching interurban. All of the injured passengers were on the local car.

Terre Haute Utility Seeks Rate Increase

Needed improvements at an estimated cost of \$400,000 for the Terre Haute, Indianapolis & Eastern Traction company's light and power plant in Terre Haute have set out in the company's petition for new rates on file with the state public service commission today.

The petitioner asks for restoration of higher rates in effect prior to April 30, 1919, pending a hearing on the petition.

The value of the plant, as determined by the commission in 1919, was \$295,000. The company offers a present valuation of \$2,200,000, on which to base new rates.

What's coming to our schools? All the little boys are going to grow up and be Ty Cobb or Babe Ruths.

All the little girls are going to be Mary Pickfords.

And all the teachers are going out and get jobs that pay 'em enough to live on.

SUCH IS LIFE

Julius was the man that knew it, Knew that there was nothing to it, Knew the actress in the show, Knew her well and told you so, Now she gets a job and why; Also, she's the very best! Who—of course it's inside stuff! Julius always knew enough, If you chance to be conversing, To enchain you, helpless, cursing, Johnson killed him in his fury, Got medal from the jury.

What probably is the lowest type of landlord unscrupulous in America was found in Brownsville, N. Y.

He inserts this clause into leases:

"To be used and occupied for dwelling purposes only by father, mother and not more than two children."

Mothers of two children, expecting another, must move out of these tenement houses for "babies are not permitted to be born in this house," decree that landlord.
