

Look Ahead—and Get Ahead

It's a thousand times wiser to look ahead and save than to look back later and wish you had. And now—right now—is the time to realize it.

Dance Evil Scored by Policewoman

Private club dances which are charged and those held in high class halls often are worse than public dances, according to Miss Clara Burnside, supervisor of policewomen.

She made the statement in a talk before the Parent-Teacher Association of Shortridge High school last night, in which she discussed dance hall evils. A nominating committee composed of Mrs. J. W. Moore, Mrs. Della Thompson, Mrs. Curtis Hodges, Mrs. J. E. Pierce and Miss Elizabeth Brayton was named to select candidates for officers of the association.

State Delta Upsilon at Banquet March 27

The annual state banquet of the Delta Upsilon fraternity will be held at the Claypool hotel March 27, according to announcement made today following a meeting of the Indianapolis Delta Upsilon association held at the Board of Trade yesterday. There are 100 alumni members in Marion county. The association has decided to hold its regular luncheon on the third Wednesday of each month instead of the third Thursday, as heretofore.

Heat and Light Co. to Issue Bonds

The Merchants Heat and Light Company of Indianapolis will issue \$200,000 ten-year 5 per cent bonds at not less than 85 per cent of par and \$40,000 in common stock to reimburse its treasury for the purchase of the Ayrdale coal mine. It was learned today, after the granting of authority for the issue by the state public service commission.

MILLION DAILY IN GOLD GOING FROM AMERICA

Exports of Precious Metal Far Exceed Record Marks Set Last Year.

ARGENTINA GETS THIRD

WASHINGTON, March 18.—The outflow of American gold to foreign capitals now exceeds \$1,000,000 a day, reports to the treasury indicated today.

Gold exports at this rate far exceed the record marks established last year, and heavier demands, calling for still larger shipments, indicate exports may overtop the present high total.

Federal reserve board officials now estimate that gold exports for 1920 may reach \$400,000,000.

ONE-THIRD GOES TO ARGENTINA.
Tabulations on shipment of the precious metal abroad show that South America gets the larger share. Practically one-third of the gold shipped since Jan. 1 has gone to consignees in Argentina. Almost equally large shipments went to China and Japan.

The steady drain upon the American gold supply is but slightly offset by imports. Imports scarcely amount to one-eighth of exports.

Federal reserve board officials saw no occasion for alarm in the steadily maintained heavy export record. Officials pointed to latest figures showing total gold assets of the United States, both in gold coin and bullion, amount to \$2,104,000,000. This is made up of \$435,000,000 gold coin and \$1,729,000,000 in gold bullion.

LIABILITIES IN NATION'S GOLD COLUMN.

As against the great gold supply still available there are listed in Uncle Sam's liabilities column gold certificates outstanding amounting to \$294,000,000. The gold settlement fund totals \$1,104,000,000. Gold reserve amounts to \$152,000,000. There remains \$223,426,000 available gold in the general fund.

Settle 3-Year-Old Suit Against City

Richard Baker has dismissed his suit for damages, filed three years ago, one of the superior courts against the city of Indianapolis for damages sustained when playing baseball in Garfield park. The lower court awarded damages to the extent of \$250 to Baker, but the appellate court reversed the decision and sent the case back for trial. It is announced that a satisfactory settlement has been made out of court.

Four Recovering After Car Mishap

Four persons who suffered injuries last night when a Shelby street car split a switch at Shelby street and LaGrande avenue are recovering today. The front truck of the car turned east on the Beech Grove interurban tracks and the rear trucks jumped the track. Those injured are Mrs. Katherine Cook, 50 years old, 1231 Wade street; Mr. and Mrs. Andrew Walz, 1215 Wade street; Mrs. Dulcine Darnell, 1221 Wade street; and Mrs. George A. Neely, 1342 Wade street. Mrs. Neely was not a passenger, but fell while running to get out of the way of the car after it headed for the sidewalk.

Baby Farms

Chickens!

Time was—'speak YOU remember it, when the country parson or "preacher," as he was called, got the credit for putting CHICKENS, NOT on the map, but on the menu as a delicious tid-bit—people just naturally raised chickens, IF for no other reason than the proverbial "Sunday dinner."

Don't-cha think it's about time you were issuing a vote of thanks to the parson of other days for introducing chicken as a necessity to the correct menu—in so doing some folks learned that CHICKEN RAISING is a highly profitable business—

If YOU'RE not convinced, take a look at your winter's grocery bill—note the prices paid for fresh EGGS and CHICKENS—hold in mind, too, that Indianapolis people (statistics show) eat 75,000,000 EGGS annually and 6,000,000 pounds of POULTRY—chances are you'd have a ready market for any surplus—Cost of raising is nominal, compared to financial returns. BABY FARMS (Suburban tracts) will be utilized this summer, as little CHICKEN farms, by numbers of people who look to future needs—CHICKENS hatched in March and April mean a surety of WINTER EGGS—Statistics show that the early hatched pullet begins to lay in October and November—Think it over, then take a look at STERLING FARMS (Our 15th addition). Call us for details—Do it NOW.
