

CHURCHES SEEK MANY MEMBERS BEFORE EASTER

Great In-Gathering Hoped for,
With Sunday Schools
Especially in View.

MONEY FOR COLLEGES

Plans are being developed for a great in-gathering of new members by churches in every part of Indiana preceding Easter.

"Not only in Indianapolis and Indiana, but throughout the country, pastor are looking forward to Easter as a time of personal decisions, baptism and reception of new members," says a statement issued by the Church Federation of Indiana, through Dr. Philip L. Frick, president, and Dr. Edgar L. Williams, secretary.

"We, therefore, urge Sunday schools to have decisions for Christ on the Sunday preceding Easter," the statement continues. "That wherever they can, superintendents of Sunday schools hold a prayer and conference meeting on this matter with their teachers, that all students in their schools be given opportunity of confessing Christ as their personal Savior."

Several county organizations will complete evangelistic campaigns at Easter.

Here's some educational puzzles in word mathematics in which we add and subtract words to get our results.

If that isn't clear to you, here's an example. Bore—bore. Working along that line with words instead of figures, here's a set of puzzles which give the names of some of the principal cities in the United States, with the words you must add and subtract to find out the name, represented in pictures.

Here are a few facts about the city, to help you out a little. This city has a population of over 600,000. Its growth has been helped by an excellent harbor. Many years ago it helped to make history.

cries BETRAYAL IN PARDON PLEA

Secret. Society Brother Accused in Unique Petition.

Promises of leniency extended by a brother member of a secret organization, who was also a railroad detective, caused him to plead guilty to a grand jury charge of treason. Britton, of Lake county, informed the state board of pardons.

When the court pronounced sentence of one to fourteen years in the state reformatory, Britton realized that the detective had employed their fraternal relationship to benefit himself in advancing his professional record, he claims. Britton said he had taken six cans of pickles from the depot at Gibson after they had been lying around the place for some time.

The current session of the pardons board is ended. Recommendations concerning cases heard will be made to the governor later.

Packers will instruct their salesmen to carry the message to meat dealers, and civic organizations will be asked to spread the message. Another meeting will be held at the Chamber of Commerce at 3 p. m. next Tuesday at which representatives of several organizations will be present.
