

TEST LOYALTY OF CANDIDATES

100,000 Masons of State Plan
Americanization Move.

A movement to apply to every political candidate in the state a test of Americanism will be considered by 100,000 Masons in this state.

The loyalty test was urged at a banquet of the Scottish Rite convention last night.

Capt. E. H. Lougher, formerly with the intelligence branch of the department of justice, attacked bolshevism in his speech and scored those citizens who were content to sit idly and harbor the delusion that disloyalty can not gain foothold in America.

Col. Edmund D. Clark, formerly commander of base hospital No. 52, spoke on "War Surgery."

Other speakers were George N. Speigel, deputy master Adoniram grand lodge, who presided as toastmaster in the absence of Thrice Potent Master William H. Bochtaler; William B. Elise, Terre Haute, president of the state class, and William F. Cleary, president of the city class.

The gathering was a part of the program of the fifty-fifth annual reunion of the Scottish Rite of the valley of Indianapolis.

5 Stills Captured in Kentucky Raid

LEXINGTON, Ky., March 25.—Five moonshine stills, with a total capacity of 220 gallons, were destroyed and 1,000 gallons of beer captured by federal prohibition officers in two raids made in the Kentucky mountains this week.

Warning shots said to have been fired by mountaineers prevented the capture of three more stills.

Job Open in Texas for 'Boy' of 126

DALLAS, Tex., March 25.—Through a typographical error a printer here advertised for a boy who "must be more than 126 years old."

Fred G. Tongue wrote that he had a relative 126 years old and could recommend him for the place.

KING USES SOFT COLLAR TO SAVE

Alfonso First Royal Member
of Anti-Extravagance Club.

PARIS, March 25.—Members of the exclusive Jockey club resolved today to boycott taxicabs, owing to the extraordinary increase in taxi rates.

Any member infringing on this "covenant" will be fined \$20.

This is only one of innumerable instances showing what France means to do to beat down the prices.

The long-suffering middle class especially is rising in its wrath and is resolved to forego every unnecessary expense rather than "play the gougers' game."

King Alfonso of Spain is the first royal member of the new league for the repression of extravagance.

Thoroughly approving of the initiative taken by Maurice Rohschild, Edmond de Blane and other fashionable Parisians in appearing at the Auteuil race course in shabby old suits, to give society a lesson, the Spanish monarch will give some lessons of his own.

The king will forego stiff shirts and collars and wear in daytime only the more comfortable and less expensive sport shirts with soft, durable collars and soft cuffs.

President Deschanel is personally encouraging the economy movement. He has discarded the tradition of wearing a dress suit during the day when traveling.

The president's new traveling attire will be a rough tweed suit and a soft hat. Mme. Deschanel, recognized as the leader of French society and arbiter of women's fashions, intends to wear golf suits whenever possible.

Asquith Hurls Defi at British Premier

LONDON, March 25.—Herbert H. Asquith, former premier, in a speech today replied to Premier Lloyd George's declaration that all the old parties should unite against the labor party to prevent bolshevism.

Mr. Asquith said the appeal was for class cleavage and the most mischievous thing that had been done.

He branded the Irish bill "a most fantastic and impracticable scheme and the greatest travesty of self-government ever offered a nation."

MRS. GARDENER ACCEPTS POST

New Civil Service Member
Aided Next of Kin Society.

WASHINGTON, March 25.—Mrs. Helen Hamilton Gardner of this city, author, lecturer and suffragist, who has just been nominated by President Wilson to succeed Charles M. Galloway of Columbia, S. C., as a member of the Civil Service Commission, is the first woman to serve on that body.

Mrs. Gardner was associated with W. D. Boyce, owner of The Indiana Daily Times, in the incorporation of the Next of Kin society two years ago.

The Next of Kin organization was the predecessor of the American Legion.

WIDOW OF COL. DAY.

Mrs. Gardner is the widow of Col. Selden A. Day, U. S. A., retired, who died more than a year ago.

She was married at the age of 22, and in order to keep her nom de plume of Helen H. Gardner before the public she had the name legalized.

Born in Winchester, Va., sixty-two years ago, Mrs. Gardner has been prominent in suffrage work for a number of years.

She also is the author of many short stories and essays.

As vice president of the National American Woman Suffrage association she was closely associated with Dr. Anna Howard Shaw and Mrs. Carrie Chapman Catt in furthering the suffrage cause.

Recently there was formed the National League of Woman Voters, with headquarters in the Munsey building.

COUNSELOR OF LEAGUE.

Mrs. Gardner, from her knowledge of parliamentary law and practice, was made congressional counselor of the league.

With the appointment of Mrs. Gardner the reorganization of the civil service commission is complete.

Mr. Galloway was "ousted" from the commission last year after President Wilson had determined to reorganize it. Other members of the reorganized commission are Martin A. Morrison of Indiana and George P. Wales of Vermont.

RHEUMATISM LEAVES YOU FOREVER

Deep Seated Uric Acid Deposits Are Dissolved and the Rheumatic Poison Starts to Leave the System

Every drugist in this country is authorized to say to every rheumatic sufferer in this vicinity that if two bottles of Allenbur's, the sure conqueror of rheumatism, does not stop all agony, reduce swollen joints and do away with even the slightest twinge of rheumatic pains, he will gladly return your money without comment.

Allenbur's has been tried and tested for years, and really marvelous results have been accomplished in the most severe cases where the suffering and agony was intense and pitiable and where the patient was helpless.

Allenbur's relieves at once. Immediately after you start to take it the good work begins. It searches out the uric acid deposits, dissolves the secretions and drives them out of the body through the kidneys and bowels.

It's marvelous how quickly it acts. Blessed relief often comes in two days, and even in cases where the suffering is most painful all traces disappear in a few days.

Mr. James H. Allen, the discoverer of Allenbur's, who for many years suffered the torment of acute rheumatism, desires all sufferers to know that he does not want a cent of any one's money unless Allenbur's decisively conquers this worst of all diseases, and he has instructed Hag Drug Co. to guarantee it in every instance.—Advertisement.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Beautiful Lustre at Once.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks streaked, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred-fold.

Don't stay gray! Look young! Either prepare the recipe at home or get from any drug store a bottle of "Wyeth's Sage and Sulphur Compound," which is merely the old-time recipe improved by the addition of other ingredients. Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.—Advertisement.
