

INDIANS STEP OUT WHEN JACK GIVES HOLIDAY

Fishing, Joy-Riding and Court-in' Main Attractions of Day.

ROUNDING UP WELL

OUTFIELDER OBTAINED.
ST. PETERSBURG, Fla., March 26.—Outfielder Emerick, a player obtained from the Phillies, will report at the Tribe camp, Saturday or Sunday, ready for trial, according to word received by Manager Hendricks from Manager C. R. Smith of the Phillies today. Emerick was obtained by the Indians to take the place of Callahan, who was purchased from the Phillies to report, but refused to report unless paid a bonus. The new player is a youngster with plenty of speed. He bats right handed and throws from his right side.

By EDDIE ASH,
Times Sports Editor.

ST. PETERSBURG, Fla., March 26.—Oh boy. Some picnic. Today was a holiday for the Indians. Manager Jack Hendricks decided that the Hoosiers needed a recess. He announced the Tribe was free to fish or fool away the fleeting hours any fashion they saw fit.

And at the rate some of the followers of Walton went today, the fun tribe of the tropical waters about St. Petersburg will be depopulated before the week is out.

Many of the Indians went joy-riding. Some of them dined up and went calling. All of them enjoyed the day of rest after a brisk spell of spring training.

"They are rounding up well," said Hendricks, "and I believe that the day will help the team to get into the spring explaining the occasion of the holiday."

The monotony of the training grind was, therefore, broken by the day off, and every member of the Indian squad expressed his joy for the opportunity to gambol—hold on, there, wife, don't get this wrong, g-a-m-b-o-l and g-a-m-b-l-e. Please consult N. Webster).

MAY GET NEW FIELDER.

A new outfielder is supposed to be on the way to join the Indians, a deal having been entered into by the Tribe and the Philadelphia Athletics.

This information was handed out when it was learned that Leo Callahan, purchased from the Phillies some time ago, but who refuses to report because of a demand for bonus money, was to be replaced by another outfielder from Manager Cravath.

"Gavvy says this new man is a young man and a better all-round athlete than Callahan," explained the Tribe's manager.

Hendricks said he lost no time wiring for the new player to report, and if he shows up the Tribe will be about all set in the garden posts.

CASEY DEAL CALLED OFF.

Late yesterday Manager Hendricks called off the heat for Joe Casey of the Cincinnati Reds, because crafty Pat Moran refused to relinquish the reins on the youthful son of Erin.

When the deal was first put up to Hendricks he accepted it under the impression that Casey would be handed over with a clear title, but Moran later stated that he desired to send the young backstop under an optional agreement. Owner Smith does not want players with "strings" tied to them.

However, with Jack Leary available later, and presuming that he will join the club in June, the Indians will be well fixed in the outer-greens with Gossett, Henline and Leary.

PITCHING STAFF BOTHERS BOSS.

The heavens' department continues to be the big bug in Hendricks' managerial eye just now. Wires have been burned up trying to secure S. O. S. aid. The Giants wired today that the market was cleared out as clean as a licked plate at present. The Reds also have failed to offer any encouragement.

The bait set for Bresler was not grabbed up by the Reds, whose manager, it appears, desires to retain this south-paw because of other bids from major leagues, who entered the market when the Indians sought to secure him.

Thus, at present, the Tribe's hurling staff consists of Cavet, Crum and Rogge, with Adams and youthful Murray excellent possibilities.

CUBANS CANCEL SECOND BATTLE.

When the second game of the Cuban Stars series was called off yesterday by the Islanders, the Indians staged a practice game with a number of St. Petersburg "pick-ups," composed of high school stars and underbrush leaguers. Of course it was a runaway for the Hoosiers, but they were benefited by the running and hitting practice.

HENS LET TWO GO.

PADUCAH, Ky., March 26.—Roger Bresnahan, Mud Hen boss, returned to camp Thursday after what he called a successful scouting trip. The announcement that Pete Kalsky, veteran outfielder, had been released to San Antonio, and that Camp's services had been disposed of, followed his arrival.

Georges, in Sparring Bout, Looks Like the Goods

NEW YORK, March 26.—Some two thousand New Yorkers are ready to testify today that Georges Carpentier looks like a fighter when he gets into fighting togs.

Georges boxed a short exhibition bout with Max A. J. Drexel Biddle last night as the feature at a dinner given by the International Sporting Club.

The men merely removed their coats and collars.

Carpentier showed himself to be a shifty, fast moving boxer in the short workout.

When introduced before the dinner, Carpentier said in good English:

"Ladies and gentlemen: I am very sorry not to be able to speak English. I want to thank you all for your good reception and your hospitality. I hope to fight Dempsey soon. I hope to make a good fight. I hope the best man wins."

Fast Christamore Seconds

Defeat Clayton Quintet

The Christamore Seconds defeated the C. V. Cells of Clayton, Ind., 41 to 40, in an overtime basket battle at Christamore gym last night. Christamore Seconds are exceptional form for juniors and made things interesting from the word go. At the close of the initial period the Christamores held a 24 to 21 lead.

The Christamore Seconds are training hard for their game with the South Side Turners at the Turner gym Saturday night. These two teams clashed in the city amateur league and the game resulted in a one-point victory for the Turners.

However, Coach Hensley has his athletes in good form for tomorrow's game and he is confident of a victory. It is not known how the next visitors will start the scrap, but their mentor has passed on the word that he has a guard who will stop "Henk" Stevens, former Northridge high school star, who is now in Turner harness.

Bowie to Open

ANNAPOLIS, Md., March 26.—The Maryland senate today assured racing opening at Bowie track on April 1 by passing an amendment to the Bowie race track bill declaring it an emergency measure going into effect immediately on its passage by the house and its signing by the governor. The house will undoubtedly pass a similar amendment, and Gov. Ritchie will sign the bill as soon as it reaches him.

"T" TRIALS COMPLETED.

Trials in the events of the national Y. M. C. A. hexathlon track meet were completed at the local "Y" yesterday. The first two days of the five-day meet were following work in the five divisions for the past two weeks. Statistics of the local showing will be completed before the week-end. E. P. Stocks, assistant physical director of the Y. M. C. A., who has had charge of the event, announced:

More than seventy entrants competed in the local meet. Boys under 18 years of age were eligible for the tournament in the five classes.

Bare Foot Walking Only Free Exercise Carded These Days

Price Setters Smashing All Records—Baseballs Cost Small Fortune.

Exercise is no longer a poor man's privilege. Inquiry today among leading sporting goods dealers here showed that prices of all sporting goods are coming up this year. The only thing that won't cost more is walking, if you do it in your bare feet. Hiking shoes will cost from \$10 to \$15 dollars, an increase of 20 per cent.

The only new trills in sports this year will be in swimming and golf. Bloomers for women and a new set of iron clubs which allows the golfer to hit the ball from any angle were shown. There are ten clubs to the set.

Swimming suits will be one place affairs this year. The new list of prices just out, baseballs will cost 50 cents more; league balls will cost \$2.50 each, and balls for sund-jot game will cost 50 cents. Baseball gloves will cost as high as \$25. The cheapest will be a dollar boys' flannel glove. Baseball shoes, which sold last year for \$12, now cost in the neighborhood of \$15.

Chest protectors and masks have gone sky high.

Golf clubs will cost \$6 and upward, while the minimum charge for a golf ball will be 60 cents.

Tennis balls are quoted at 60 cents, an increase of 10 cents.

Football, boxing gloves, punching bags, basket balls, etc., experience similar boosts in prices.

The increase is due to higher cost of labor and material, it was said.

BOXING

FRENCH FLASH BEATS KABAKOFF

ST. LOUIS, March 26.—Benny Valger, the French flash, knocked out Harry Kabakoff, St. Louis, in the sixth round of one of the fastest and hardest fights seen here in several years. The French champion had the better of every round, except the second, which was even. Kabakoff was floored three times in the sixth and Referee Heisner stopped the bout.

Tommy Sullivan, before whose club the bout was staged, is trying to arrange for a match with some leading featherweights in the east to meet Valger here some time in April.

MASON WINS FROM EPSTEIN

GRAND RAPIDS, Mich., March 26.—Frankie Mason, America flyweight champion, outpointed Solly Epstein of Indianapolis, in ten whirlwind rounds here last night. The popular newspaper verdict gave Mason five rounds, two for Epstein, and the rest even.

Herb Brodie of California beat Estling Lundy in an eight-round go.

HERMAN WINS.

JERSEY CITY, N. J., March 26.—Pete Herman of New Orleans, bantamweight boxing champion of the world, outpointed Patsy Johnson of Trenton, N. J., in a fast eight-round bout here last night.

BOWLING

CHANGES IN A. B. C. STANDING

PEORIA, Ill., March 26.—J. Hradek of Chicago went into first place in the all-events at the American Bowling Congress here last night, scoring 1,888 pins in his nine games. He replaced B. Meyer of St. Louis. Hradek also shot for 882 in the individuals, taking third place.

Changes among the leaders came thick and fast late yesterday. M. Leuchter, Chicago, had made after the individuals when he scored 779. B. Bruns of Chicago, moved into fifth place in the all-events with 1,558. W. Vanbeck and S. Lardoue, Green Bay, Wis., went into fifth place in the two-man events with 1,250 pins.

They got some snappy looking timber in the Elk No. 2 circuit last night.

Hoffman and his Tongues gave the Muscles a good fight for two games, but they weakened at the last minute and dropped the old contest.

The Thyroids had the Hearts skinned every way they turned.

Wood gave the Hearts the only two century counts of the match.

Sticker crashed the wooden babies hard for the Livers and gave that quietest a three-game win over the Brains.

The Lungs started out by dropping one to the Adrenines and they didn't stop until they had thrown three perfectly good games to the winds.

Double centuries were quite popular in the Central ladies' loop.

Mrs. Agnes hit up in the 213 class for the Capitol women, but they didn't have a bit of luck with the Central No. 1 squad.

The Central No. 5 gang got away big and made it three straight over the Central No. 4 outfit.

The Centrals No. 3 didn't have a full house and it was easy for No. 2 team to beat them.

A brace of double centuries by West-over enabled the Block Opticians to put up a stiff fight with the Em-Kees, but they didn't win anything.

A last minute rally gave the Federal Patterns a win over the Strauss Says bunch. The Patterns were far behind in the first two.

Ochiltree and Snyder turned in nifty counts for the O'Donnell Transfers and the Capitol Alley five had nothing to do but drop a brace of games.

The Deschler Monograms stepped out in front for a couple of wins over the Schoen Bros.

Claman Bros. and Graber's five clashed. Two 900 totals gave the Clamans as many victories.

Ferner's Tigers tore the socks off the Taggart Bakers. Beat 'em three times.

PEORIA, Ill., March 26.—Whitting and Harknider of Indianapolis, members of the Central Alleys team, took Hank Marino and Sykes Thoms into camp in a match game on the Saratoga drives yesterday.

Two sets of doubles were rolled and the Indianapolis team won both. They copped the first by a count of 1,191 to 1,174 and the second 1,114 to 1,111.

MAT MEET POSTPONED.
BLOOMINGTON, Ind., March 26.—Because of the coal shortage, which has canceled all night meetings at the campus the dual wrestling meet between the Indiana Grapplers and Ohio State, to have been held tomorrow night, has been postponed. Coach Rathbun has arranged an interclass wrestling meet, the finals and semi-finals to be held tonight and Saturday. The "11" men will be the judges of the meet.

BROAD RIFLE NINE.
The Broad Rifle Independents will practice next Sunday afternoon and all those wishing to try for positions, are requested to be present. Games with fast teams are desired for the latter part of April. Address: Baseball Manager, Broad Rifle Nine.

COLORS "Y" BASKETBALL.
The colored Y. M. C. A. basketball quintet will perform tonight on the Seneca avenue floor, the locals meeting the Evansville, Ind., "Y" team. The two squads have never met before, but comparisons show that the visitors will be able to hold their own with the Hoosier lads. The home boys have won their last eight games and are determined to close up a successful season.

"Bab" Matten requests all members of last year's Indianapolis Athletic and Clubbing team to report at a meeting at the Em-Roe sporting goods store, Wednesday evening.

WITH THE BIG LEAGUERS

SPOKES.

NEW ORLEANS, March 26.—Manager Speaker believes the southpaw hurlers will be able to assist the Spokes materially in the bunting race and as a result he announced that he will probably retain the four in camp now. Owing to a heavy rain yesterday the annual game between the left and right handers was postponed until today.

TIGERS.

EASTMAN, March 26.—Manager Jennings is beginning to worry over the showing of the Tigers against the Boston Braves, the latter having won three straight games and had a heart-to-heart with his men over today's clash. He will send Bernie Boland or George Dauss in in the hope to stop the slaughter.

YANKS.

JACKSONVILLE, March 26.—Manager Miller Huggins of the Yankees today declared Pink Rodie will be sold or traded. Rodie left the club yesterday. Huggins wishes to go to New York for personal reasons.

PIRATES.

WHITE SOX.

WACO, March 26.—Buck Weaver today is on his way to Chicago to confer with Owner Comiskey about a raise in salary necessary, he claims, to retain him by the White Sox. He said he would demand a transfer to the New York Americans if he failed to get his increase in pay.

Pennsylvania Beats Chicago in Second Contest of Series

Meet Tomorrow Night on Princeton Court in Title Scrap.

PHILADELPHIA, March 26.—The national collegiate basketball championship series between Pennsylvania and Chicago was ended up last night when the Quakers defeated the Maroons, 29 to 18, in a fast contest that was marred by the rough tactics brought to use by both squads.

The third and final game of the series will be played Saturday night on Princeton's floor. The dope is this battle favors Penn.

Pennsylvania registered only seven times from the court, while the Maroons counted five, but the accurate foul shooting of Mike Sweeney, who made good fifteen chances, gave them a big total.

Twenty-four fouls were called on the Chicago team and during the second period they played without the services of Capt. Hinkle, who was banished on four personals. Fourteen offenses were called on the Pennsylvania quintet.

Penn opened up with a wonderful offensive in the second half and brought the ball down the court several times only to miss easy shots. The five-man defense of the Red and Blue was also seen in this period and Vollmer and Kirkhoff were the only Chicago men who found the net.
