

CITY FREIGHT BEING CLEARED OF CONGESTION

Embargoes Gradually Lifted
and All Expected to Be
Removed Soon.

BIG FOUR FREES CARS

Freight congestion on all railroads is gradually being relieved, according to Indianapolis railroad men.

Many of them predict that practically all embargoes on freight will be lifted within the next two or three weeks, barring adverse weather conditions.

At the present time freight shipments are speeding on all lines running out of Indianapolis.

There has been an embargo on trap and ferry cars on the Big Four and Pennsylvania lines for several weeks, due to an accumulation of freight in the local freight houses.

Trap and ferry cars are used for hauling shipments from factory warehouses to railroad freight houses.

RELIEF MEASURE
TAKEN BY BIG FOUR.

The embargo on these cars was lifted yesterday on the Big Four road, as was the restriction of shipments of less than a carload into the city.

The local embargo is expected to be lifted on the Pennsylvania lines.

There is still considerable congestion on eastern lines, according to railroad officials, these lines not having recovered from the terrific storms which recently struck the east.

Officials of the Lake Erie & Western road report heavy embargoes at eastern points, although it is said there is little delay in shipments going west.

Lack of equipment and shortage of labor are the big items now interfering with railroad shipments, it is said.

LOCAL AUTOMOBILE FACTORIES SUFFER.

Local automobile factories are greatly handicapped and, according to traffic managers, it is almost impossible to get shipments out of the city.

This, they say, is due to a lack of automobile freight cars.

The congestion on this class of freight has become so acute that automobile men are resorting to the practice of driving cars to receiving points.

During the last week the Stutz Motor Company sent cars to Baltimore, Washington, Milwaukee, North Carolina, Chicago and other points by road.

Automobile factories also report delays in receiving material shipped from points outside of Indianapolis.

A shortage of freight handlers in local railway freight houses is attributed as one of the major causes of delays in incoming shipments.

EXPRESS SHIPMENTS GREATLY DELAYED.

Express service from points outside of the city is in a bad way and all shipments of express are greatly delayed.

The congestion of express is said to be due to the strike in Chicago and accumulation of shipments in St. Louis and Cincinnati, as well as to a shortage of labor.

The return of railroads to private ownership has had little effect on the service, according to officials of the various roads.

AMAZED BY NERVE OF BOY MURDERER

Evansville Home Friends of
Jess Walker Aghast.

Special to The Times.

EVANSVILLE, Ind., March 26.—Friends of Jess Walker, 19, stand aghast today at the bravado of the youth sentenced yesterday to die in the electric chair in New York for murder.

Young Walker's mother and several sisters live in this city.

His mother is Mrs. Anna Walker-Foster.

Just before Walker was sentenced to die he told the judge:

"Well, I didn't fire the shot that killed him, but at that, I didn't come here to hear a lecture."

"I came to be sentenced."

He took the death edict of the court without demonstration.

Walker killed Samuel Welch, a New York merchant, in March last year.

He was listed here as a deserter from the navy before he was arrested.

Says Rid the System With Sulphur Tablets Easily.

Springtime always brings with it joy and distress. The distress is in the form of catarrh, neuralgia, rheumatic pains, constipation, inactive kidneys and usually a feverish, sluggish lethargy that is hard to throw off.
Do you remember how grandmother fed you sulphur and molasses every spring to purify the blood? It was a good, old-fashioned, but nauseous remedy. Now you can take sulphur, cream of tartar and herbs in tablet form. A better remedy, easy and pleasant to take is Sulphur Tablets. Sold by all druggists. A laxative, blood purifier of unequalled merit for those who are constipated and suffering in any way from such pent-up poisons. Each package is guaranteed to give wonderfully satisfactory results. Be sure you get Sulphur Tablets (not sulphur tablets).—Advertisement.

"BALMWORT" FOR RHEUMATISM
Mr. J. M. Hunter, Longmont, Colo., writes: "I have been taking Balmwort Kidney Tablets for my rheumatism and find they help me more than anything I ever took," etc. Some forms of rheumatism are caused by failure of the kidneys to secrete and throw off the waste and poisons of the body. If kidneys and bladder are not doing their full duty, Balmwort Kidney Tablets will thoroughly revive their activity. Sold by all druggists.—Advertisement.
