GARDEN TIME'S COME; TO HOES!

Call Sounded as 300 Citizens Apply for Spaces.

Ahoy, knights of the spade and hoe! The call has been sounded for the regular spring workout. Already the Patriotic Gardeners' association has about 300 applications for garden privileges on corner lots and unoccupied tracts.

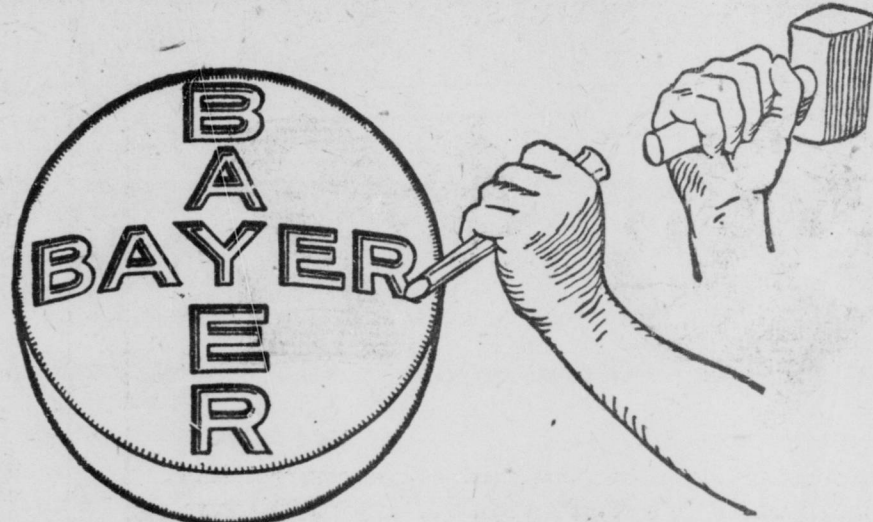

Backyard and corner lot agricultural endeavor will be just as popular as ever this year, officials of the association say. But it is reported vacant property will not be as plentiful. People aren't as willing to give up their lots for "city farming" as they were when the war spirit figured.
