

TWO WORKOUTS DAILY ON TRIBE CARD FOR WEEK

Open Final Week of Training at St. Pete—Players in Form.

SMITH WILL REPORT

By EDDIE ASH, Times Sports Editor.
ST. PETERSBURG, Fla., March 29.—Opening the last week of training in St. Petersburg, the Indians today started upon a double workout shift of two practices daily.

With the exception of O'Mara and Cavet the squad is ready to go, and, with mid-summer weather prevailing, Manager Hendricks is confident of taking his team back north in top form.

FRIDAY NIGHT

A change has been made in the program, and if proper railroad arrangements can be made, the Indians will leave here Friday night for Chattanooga.

The players will attend the New York Giants game at the Polo Grounds on Saturday and Sunday and then practice at the Chattanooga park Monday, April 6.

The Southern League will be met in two exhibition games Tuesday and Wednesday, April 6 and 7, after which the Indians will depart for home, arriving in Indianapolis, Thursday, April 8.

Members of the Tribe spent a quiet Sunday by motoring, swimming and fishing. EMMICH SHOWS REAL FORM.

Outfielder Emeric, secured from the Phillies, reported yesterday, and was out for practice today, showing good form. Infielder Jimmy Smith is expected to report to the club in Chattanooga, but he will find it no easy matter to beat Louie Wolf out of his job at the second base.

Manager Jack and Owner Smith are troubled considerably over the situation of the pitching department. The big bosses are making every effort to obtain talent to get at this time. However, Hendricks is confident that he will land at least two new ones before the time the Indians roll into Indianapolis.

WIN EASILY FROM COLLEGIANS

The swatting of the Indians was the big feature in their 15-3 victory over the Southern college nine Saturday, and the thing that made Manager Jack sit back and stroke his chin in that old "I told you so" fashion. The Indians added their clubs like their fathers before them were wont to swing their bats and the ball got the habit of bouncing off all sections of the field. The Hoosiers gathered a total of seventeen hits, and Workmen, the hurler who batted them shortly after their arrival here, was forced to the showers. Oberholdt relieved him and he had a terrible time getting the Indians out of the eighth, in which round they worked a bunch of singles and doubles into seven runs.

BREWERS ENJOY REST

EVANSVILLE, Ind., March 29.—The Lawrenceville Hoosiers of Lawrenceville, Ill., scheduled to play the Milwaukee Brewers at Evansville yesterday, failed to show up, owing to the fact that rain water threatened early in the day. Joe Tinker's Columbus club of the American association is scheduled to play the Brewers here on Monday and Tuesday, April 5 and 6. The Brewers will play a local team here next Saturday.

COLONELS LOSE ONE

MOBILE, Ala., March 29.—Five bingles by the Mobile Bears in the ninth inning snatched yesterday's game from the grasp of the Colonels, 5 to 4. The Colonels were leading by 4 to 2 when the fatal ninth opened. The victory knotted the series at two-all. Saturday's game was stopped in the second inning by rain and the rubber contest probably will be played Tuesday. The Colonels will watch the Boston Sox and the New York Giants battle here today. Roy Massey, who reported Saturday, was in uniform yesterday and contributed a sparkling single.

Christamores Are Easy

Pickings for Turner Five

The Christamore basket artists failed to offer any opposition to the South Side Turner speed merchants Saturday night on the Turner court and were handed their next trimming, the final score being 77 to 17.

The east side, bolstered by the addition of several former high school stars, followed the ball fast in the first few minutes of play, but when Capt. Rice, captain of the ball from the middle of the floor for the Turners after three minutes of going, and Hennessey and Slawson followed with two markers from almost the same spot during the next minute, the Christamores seemed to lose all their pep and the south side lads registered almost at will from that time on. The Turners held a 15-to-5 lead at the end of the half.

Capt. Rice, Hennessey and Stevens were the big scorers for the Turners, getting twelve, eleven and ten baskets respectively. Goss was substituted for "Hank" in the second period, and he managed to hit for points three times. It was the wonderful guarding of the Turner and Seldensticker that kept the Christamore count down.

The Turners will close their season Saturday night, either at the "Y" or Turner hall. The Joy and Glooms, victors over the south side in the Indiana apple section of the state tournament, and the Debonairs, are anxious for a crack at the squad, and it is probable that they will both be taken on this week.

Better Start Savin'

Well, fans, you heard what President "Hickey" of the American Association said, didn't you?

Baseball players are getting more jacked, the ground keepers are in the game, the balls, bats, uniforms and all the other necessities of the game have increased in price, and in order to protect the owners, Mr. Public, is going to dig deeper in his strides when he prances up to the ticket window.

You can't sit out in the sun and get "boiled out" and watch a ball game at the same time this season for 50 cents. It's going to cost a half a buck.

To sit in the grand stand it is going to set you back six-bits instead of 50 cents.

The only way to escape the "high cost of baseball" is to grab off a reserve seat, they will still be 50 cents.

The "knot hole Willie's" might as well stay away from Wagon Park. Nothing's doing this year.

FRANKLIN CAPTAIN ELECTED

FRANKLIN, Ind., March 29.—Robert "Fuzzy" Vandiver was unanimously elected captain of the Franklin high school basketball team for the season at a meeting of the squad.

"Fuzzy" is a sophomore and has played two years.

Coaches Butler Nine

STANLEY FEEBLE.

When baseball spring training season rolled around the Butler diamond prospects were not the brightest in the world and there was some doubt as to whether or not the Irvington institution would send a team forth for battle. A few days ago the baseball bee got around to the neighborhood, gave the Butler faculty a good stinging and they immediately decided that Butler should have a nine.

The first step toward building a strong outfit was taken last week when Stanley Feeble, a veteran of the amateur and pro game, was signed to coach the team. The original Butler nine, known as the same outfit as well as the next one and the Butler followers believe he will turn out a first-class outfit.

Last week the new coach ran his small band of athletes through their paces on Irving field and after their 5-to-1 victory over the American club team Saturday afternoon, stated that he will soon have a squad whipped into shape that should be able to hold its own with the best college and university teams in the state. Although they showed lack of practice, the Butlerites were on their toes every minute of the Saturday afternoon contest and displayed the spirit that is a big boost toward the victory in any athletic contest.

The first regular season baseball schedule has been canceled, but Feeble has opened communications with the schools through the state and has arranged a series of dates with DePauw, State Normal, Washington, Rose Poly and Purdue. He also plans to schedule games with the independent teams and probably will bring the Bay City and Flint teams of the Michigan-Ontario League here.

Among the men who are trying for position on the Christian squad, likeington, Murray, Burke, Three-base hits—Covington, Heintze, Fulton, Sacrifices—Crum, Schreiner, Burke, Crum, 1; by Rehder, 3; by Fulton, 1; bases on balls—O'Mara, 1; off Rehder, 4; off Oberholdt, 1. Wild pitches—by Oberholdt, 2. Passed ball—Burke, 1. Hit by pitcher—by Crum 2 (Carter, Call); by Oberholdt, 1 (Heintze). Left on bases—Indians, 7; Southern, 10. Umpire—Gosselt.

BOWLING

LOW A. B. C. SCORES.

SPRINGFIELD, Ill., March 29.—H. Thomas and E. Votaw, who were at the score of 1,260, went into third place in the two-man events at the American Bowling Congress here Saturday. The scores were low and few changes in the high standings were made.

The most stars of last night of Indianapolis led all teams bowling last night, shooting for 2,344. A poor start kept the team from landing high up in the standing. It will place on the first twenty in the high list, however, and draw down a fair sized purse.

Indianapolis is a good city and the people in it are O. K., but our visitors don't show much hospitality to bowling knights.

The General Tire and Rubber quintet of Akron, O., stopped here on their way back from the A. B. C. tourney yesterday and had their socks washed off by a crack squad from the Central allies.

The visitors showed signs of weariness and didn't get a heap of wood, but the locals were at their best and they got plenty, going up for a 1,025 total in the second round.

Johany Blue went big for one game with a 245 count.

Livingston took Harkensfelder's place as the double hundred count in the Bowling, shooting his three-game total up to 631.

Penn Basket Shooters Win

Title Game From Chicago

PRINCETON, N. J., March 29.—The college basketball championship of the United States was capped by the University of Pennsylvania basket toppers here Saturday night, when they defeated Chicago University, 23 to 21, in the final battle of the three-game series. The guarding machines of both teams worked to perfection and the forwards were forced to use the long range most of the time.

Both teams passed the ball well in the first period, but missed several shots and the score was held low. Penn leading, 11 to 7, at the rest period. Penn routed in the second half and held a 23 to 13 lead with but six minutes to play. At this time Chicago started a brilliant rally and were rapidly overtaking the easterners when the closing shot was fired.

Come Again, Please

DETROIT, March 29.—An offer of \$20,000 to George Carpentier to meet Battling Levinsky, a light heavyweight, in a ten-round bout here, has been announced by Max L. Barbour, president of the Wolverine A. C. Barbour proposes to stage the match either at Navin field or the state fair grounds.

Warming Up With The Tribe

By EDDIE ASH, TIMES SPORTS EDITOR

ST. PETERSBURG, Fla., March 29.—Baseball teams are valuable advertising mediums for cities and it is needless to state that Indianapolis is getting gobs and gobs of publicity through the visit of its baseball club to the southland. Since reaching Florida the Tribe has traversed many miles by rail, water and auto, and every stop has meant that much more publicity for the Hoosier capital. The club is training in Dixie at an expense of about \$5,000 and, though it will take many games and numerous large crowds at home to regain this amount, April 15 is game day and the chance in order that no other team in the American association will have any training advantage on its Hoosiers when the A. A. 1920 bell rings.

MANUAL TRACK MEN ENTERED IN FIVE MEETS

Coach Morrison Arranges Stiff Program for Red and White Varsity.

TWO SPECIAL EVENTS

MANUAL TRACK CARD.

April 16—Triangular meet with Anderson of Technicians at Willard park.

April 23—Martinsville at Martinsville.

April 29—Triangular meet with Lebanon and Shortridge at Willard park.

May 1—Invitational meet at Franklin college.

May 7—Culver at Culver.

SPECIAL EVENTS

April 2—Alumni meet, at Willard park.

April 9—Freshman meet, under auspices of Hoosier club.

The Manual high school track team is facing one of the stiffest programs that has ever been arranged for athletes at the south side school. Coach Rollin "Shorty" Morrison today announced a schedule of five events for his team, which will be met by the Hoosier club, and stated that he has one or two more meets in view. In the event that his team is strong enough to fight through those now scheduled.

Track stock at Manual is above par at this time because of the abundance of likely looking youngsters who are trying for positions on the team. Coach Morrison started drilling his men early and it looks like the Red and White colors will hang near the top of the honor pole before the season closes.

April 2 witnesses the Manual alumni meet, which will serve to bring together many former Manual stars who are now going big in a number of colleges and universities. Among others, Gates and Sparks of Illinois, O'Connor of Notre Dame, Cady and Nichols of the local canoe club and a half-dozen other former south side stars will be at Willard park.

April 9 the freshman meet, under the auspices of the Hoosier club, will occur. Anderson and Technical will be met in another triangular fracas on April 16. April 23, Red and White will journey to Martinsville for a battle with the Morgan county track and field men. April 29, Manual will meet Shortridge competing with Manual at Willard park.

Subscriptions in for Proposed Added Auto Classic Purse

Prominent Business Men of City Raise Fund to \$1,000 Mark.

Checks and subscriptions totaling \$1,000 rested in the hands of George M. Dickson, president of the National Motor Car and Vehicle Corporation, this morning in response to Dickson's suggestion that Indianapolis business men send a gift to the city in the form of a prize for the winner of the Indianapolis motor speedway, to be awarded to the winner of this contest on the basis of \$100 for each lap they are out in front.

Subscriptions in addition to those previously announced were received from the following: Fred E. Moscovitz, in behalf of the Nordyke & Marmore Co.; A. H. Adams, Adams Sales Company; W. F. Flood, Keyless Lock Company; Earl C. Howard, LaFayette Motors Company; Charles S. Crawford, Premier Motor Corporation; Russell M. Seels, R. M. Seels Company, and A. Bennett Gates, Hotel Severin.

CITY'S APPRECIATION

With the subscriptions came letters enthusiastically endorsing Dickson's suggestion and offering for the gratification of a long-felt desire to show appreciation of the Indianapolis speedway race for the prestige that it has brought Indianapolis in all quarters of the civilized world.

Earl C. Howard of the LaFayette Motors Company, had a constructive suggestion to offer in this connection, his letter reading in part as follows:

"Though a newcomer to the city, I would like to be among the first to express my appreciation of what the Indianapolis race means to the city. It seems to me that the city as a whole ought to get behind this contest, not only in making the event itself more attractive, but also in leaving the impress of genuine Hoosier hospitality and courtesy upon the thousands of racing enthusiasts who annually attend the event from afar. What a wonderful thing for the city it would be to send away the hosts who annually come to the race with a pleasant impression of the city's hospitality, its hotel and traffic accommodations, its public officials and private citizens. It is an opportunity to win lasting friendship and good will that other less fortunate cities would give a good deal to enjoy. Let us make the most of it."

DICKSON WILL RECEIVE SUBSCRIPTIONS

All subscriptions received by Dickson are being turned over to the Indianapolis Motor Speedway to be held in trust until the proposed \$20,000 fund is completed. Dickson desires to assume responsibility for the completion of the fund, though temporarily he is willing to continue receiving subscriptions, until the work can be turned over to some organization, the Hoosier Motor club having been prominently mentioned in this connection.

BURKE VS. MARTIN

NEW ORLEANS, March 29.—Martin Burke, former national amateur heavyweight boxing champion, has accepted terms to battle Bob Martin, American expeditionary force champion, fifteen rounds on July 5 either at Akron or Canton, O. Mattie Hinkle of Cleveland is the promoter.

Warming Up With The Tribe

By EDDIE ASH, TIMES SPORTS EDITOR

ST. PETERSBURG, Fla., March 29.—Baseball teams are valuable advertising mediums for cities and it is needless to state that Indianapolis is getting gobs and gobs of publicity through the visit of its baseball club to the southland. Since reaching Florida the Tribe has traversed many miles by rail, water and auto, and every stop has meant that much more publicity for the Hoosier capital. The club is training in Dixie at an expense of about \$5,000 and, though it will take many games and numerous large crowds at home to regain this amount, April 15 is game day and the chance in order that no other team in the American association will have any training advantage on its Hoosiers when the A. A. 1920 bell rings.

The Cuban team, playing in Tampa and St. Petersburg, is a crack outfit. The islanders are in shape the year around and they put many kinks in the records of the American teams before the Yankees get in condition. In Tampa, when the Cubans play, there is ceaseless jabbering in the bleachers, because that city has a large Cuban population of cigar makers, and apparently all are baseball fans.

At the recent Indianapolis-Cincinnati game played in St. Petersburg, and in which the Indians humbled the world's champs, ten sport writers from the north and south were present as well as local newspaper men. A flock of scribes from Cincy was here, three from Indianapolis and two roving scribes, one from Philadelphia and one from Cleveland, who were present to cast an eagle eye on the Reds and then attempt to figure out the Cincy chances in the next pennant race. Baseball is going to go bigger than ever next season and the south is filled with sport writers, who are busy sending back all the fan fodder they can collect.

Catcher Henline is gamely trying to correct his weakness behind the bat—of dropping balls—and if determination counts he's going to stick in the association. He has the same brand of ginger possessed by
