

## CAILLAUX PUTS ON SMILE IN FINAL ORDEAL

Eyes Prosecutor Through  
Monocle and Challenges  
Traitor Accusations.

PARIS, April 15.—Wearing a monocle and a sarcastic smile, former Premier Joseph Caillaux, accused of treason, listened calmly today while Theodore Lescoeur, the public prosecutor, concluded his summing up.

The defendant interrupted the prosecutor a number of times and once he remarked:

"This is not a police court, but the senate sitting as a high court of justice."

M. Lescoeur took up Caillaux's South American trip, telling of his connections with Count James Minotto.

Then he discussed Caillaux's visit to Italy at great length.

He declared that the Italian testimony clinched the case against the former premier, "although he should be convicted on the other evidence as well."

The prosecution may conclude its case tonight.

## LEGION'S NEXT DRIVE APRIL 25

Ohio Organizer to Help Launch  
Americanism Program.

The Americanism campaign of the American legion will be launched April 25 at a meeting for members. It was announced today.

Col. Ralph D. Cole of Ohio, one of the organizers of the legion, will speak and present plans for the Americanism work were discussed at a dinner in the Columbia club last night which was attended by officers of the legion.

Preliminary plans for Americanization work were discussed at a dinner in the Columbia club last night which was attended by officers of the legion.

The following general committee has been appointed to direct the campaign: Col. J. J. Swan, chairman; Howard C. Marmon, secretary; Col. Will H. Brown, Dr. Charles B. Sowder and J. A. Minnuna.

A dance will be given by the Robert E. Kennington post No. 24 Friday evening at the Marsh Dance studio, at North and Illinois streets, which will be featured by an exhibition of classic dancing by Miss Lois Butler, who recently returned from New York.

Plans for a dinner and smoker, including a vaudeville entertainment and athletic exhibition, to be given Monday evening, April 26, at the Athenaeum, have been completed by the Kotho-McIlvane post No. 153.

Franklin D'Oiler, national commander of the legion, in a statement made yesterday, advised all posts and departments to get in touch with national headquarters before taking a stand on legislative matters.

It was pointed out that many posts of the legion have taken varied views on certain legislation and, while the officials do not care to dictate to the membership, it is desired to have the entire organization stand solidly in support of legislative matters now being pushed by the legion.

Yetter-Munier post, American legion, has been assigned permanent quarters.

## STAY OFF SPUDS, CRY HOUSEWIVES

Telephone Used in Boycott to  
Bring Down Prices.

Members of the Marion County Housewives' league began a telephone campaign today to influence their friends to abstain from the use of potatoes in the two weeks beginning Tuesday, April 20. Their slogan is: "S. O. S.—Stay Off Spuds."

Purpose of the boycott is to bring about a reduction in the price of the vegetable, which league leaders said has become "almost prohibitive to the average household, due largely to manipulation."

The housewives' league is fostering a bill, drawn by Senator Negley for introduction at the next Indiana legislature, which is aimed against permitting farm produce to rot on the ground to keep the market up.

According to Mrs. W. H. Hart, president of the league, it was found last year

52¢  
How would YOU  
like a raise  
like this?

—and for  
34 Years Work

THAT is the kind of increase in salary the

minister has received. His living expenses

have risen just as fast and as far as yours.

But he is paid on the average just 52 cents

more per church member than he was paid 34

years ago.

## The Minister Never Fails You

Every officer of the Government with a war message to

deliver appealed to the ministers first of all.

But 80% of the ministers receive less income than govern-

ment economists figure as a minimum for the support of an

average family.

When hospitals need money they enlist the support of the

ministers—and receive it.

But when sickness visits the minister or the members of

his family they must be treated in a charity ward. His pay

is less than a day laborer's.

## We Pay Him Half the Wages of a Mechanic

8 out of every 10 ministers receive less than \$20 a week—

about half the pay of a mechanic. And of these pitifully in-

adequate salaries, how much do you contribute? Nothing if

you are outside the church; an average of less than 3c a day

if you are a church member.

All of us share in the benefits of Christian ministers to the

community. They marry us; bury us; baptize our children;

visit us when we are sick. In their hands is the spiritual

training of the youth.

## We Are All Profiteers at Their Expense

Part of the Interchurch World program is this—a living

wage for every minister of Jesus Christ; an efficient plant and

a chance to do a big man's job.

If you want better preachers, help to pay the preachers

better. It's the best investment for your community—and

for your children—that you can make.
