

# THIRD POSTPONEMENT MET BY INDIANS AND CLYMERITES

## TRIBESMEN AND SENATORS NOW PLAN TO LOAF

Not Going to Pay Any More Attention to Weather—Just Like Idle Rich.

Good joke on the weather man! Here he has been working overtime shooting rain and storms at Indianapolis in an effort to prevent the Indians and Senators from playing baseball and today it was made known that the teams really do not want to play, and therefore the weather man has been playing right into their hands.

Ha, ha! All that work for nothing! At least that is the attitude taken by the club managers today. It is a sort of "fool's" attitude, in other words, camouflage. By just loafing around and appearing to forget about baseball and rain the athletes hope to cross up the weather shark and fool him into laying off the shower stuff.

Here's hoping they have struck the right plan, because this business of postponing games daily is becoming tiresome. In line with the "I don't care" tactics adopted by Hendricks and Clymer, both say if they never meet they will never be friends, so let it rain!

But Carv is pitching 1,000 and won't object to closing the season right now. Cal Crum would like to see the same before fall, but says he's not going to beg for sunshine.

At any rate, the third game of the unplayed series with the Columbus outfit went the same way as the first two scheduled contests, postponed on account of wet grounds today and so the athletes put in one more day of loafing. The club quarrel has taken to slugging "Somebody."

But seriously speaking, the Indians and Senators hope to play Wednesday. Cal Crum is carried to hurt for the Tribe and Sherman for Columbus.

Jimmy Smith is slated to work at second base Wednesday. He has been anxious to break in regularly, but his lack of condition and the weather held him back.

Owner Smith departed for the east last night to attend the funeral of a relative. The Tribe president received short notice of the death and he had to hustle to make the train.

Jack Hendricks says the Indians will deliver all right despite the weakness in the pitching staff. He declares he'll obtain the needed talent in time for the long road trip, which starts next week.

Indianapolis has been beaten out in the competition for the league opening day attendance trophy. Louisville is said to have topped the local figures, while Toledo expects to top Louisville if the Hens keep winning before reaching home for their opening.

Including today, out of seven games scheduled the Tribe had four postponements. April is slipping when it comes to delivering baseball weather. It never did hit hard, but this year it evidently means to bat like a pitcher.

Harry Frazee and Babe Ruth are still passing a few gites now and then. The big fellow who was president of the strong shoulders hands this one to the Red Sox manager.

"Take the Ruth day at Boston last season, for instance. The Knights of Columbus, of which I am a member, turned out to honor me, and what did he do?"

"He raised the price of the grand-stand seats, and held them up. The game he called me into the office and gave me a nickel cigar for drawing 32,000 people to the park."

Members of the St. Louis Browns have already cashed in and the season has only started. They defeated the Cardinals in the spring series and because that each team was presented with a check for \$100, signed by President Phil Ball. Nice, eh?

**ZIM TRIES FOR RELEASE.** NEW YORK, April 20.—Heine Zimmerman, an outcast from the Giants ranks, though still on the reserve list, is earnestly seeking to obtain his unconditional release and it is reported the Red Sox are after him.

Heine has dogged the steps of McGraw since the Giant leader returned from the south, but as yet McGraw has not been convinced McGraw that he is entitled to his release.

Having played ten years in the major leagues, Zim is eligible for an outright release, providing the other clubs in the National and American leagues are willing to waive.

**FRISCO GETS LOVE.** CLEVELAND, April 20.—The release of E. P. (Slim) Love, left-handed pitcher, to the San Francisco club of the Pacific Coast league was announced Monday by Manager Hughie Jennings of the Detroit American league club.

**Native of Greece Wins American Marathon; Now Wants to Be a Yankee**

BOSTON, April 20.—The American marathon road race, commemorating the feats of a Greek soldier who ran from the plain of Marathon to Athens with a military message and then dropped dead, was won Monday by a native of Marathon, Peter Trioulidas.

A resident of New York, but still a subject of Greece, he proved the fastest of a field of sixty runners.

The twenty-five-mile race was the first official test for selection for the United States representative at the Olympiad.

Trioulidas' time was 2 hours, 29 minutes, 31 seconds.

Second to the Greek was Arthur V. Roth of the Dorchester club, Boston, who won the race in 1918.

Last year's winner, Carl W. A. Linder of Quincy, who was second to Linder a year ago, was fourth, and Edwin H. White of Holy Cross Lyceum, New York, was fifth.

Thousands of spectators lined the course from Ashland to Boston.

Trioulidas, who did his first running over the course which the Soldier Philodromides made in 490 B.C., is a heady runner. Trioulidas is 29 years of age and has been in this country three years.

He said after the race that he would apply at New York next Thursday for first citizenship papers.

**New League Ready** RICHMOND, Ind., April 20.—Officials of the newly formed Tri-State baseball circuit, composed of teams in Indiana, Ohio and Michigan, announced here today that the opening games will be played May 12 or 13.

The clubs have been instructed to post their forfeit money with H. S. Dickerson, Grand Rapids, before tomorrow noon.

St. Wayne and Richmond are the Hoosier towns in the league and they will both bid high for the first day.

**COLLEGE GAME OFF.** TERRE HAUTE, Ind., April 20.—The Indiana university Normal baseball game, scheduled for Bloomington today, was postponed on account of wet grounds.

A telegram from the Indiana university management stated that it would be impossible to play the game, offering May 13 as a substitute date.

The local management will accept the date, which will give the teachers five games during the week of May 10-15.

**Big League Stuff**  
By JACK VEECH.  
STAR BATTLES A DAY. Hays of the Red Sox, who was presented with the Yanks with five hits in the first game at Boston yesterday, finally's hitting—he got four singles—joined Boston's second victory.

Ross Young's trusty bludgeon worked overtime in the pinches and the Giants broke into the win column as a result.

The Phillies unspooled three double plays, Dots Miller to Bancroft to Fallette, in their game against the Giants.

Steve O'Neill hammered out a two-bagger in a pinch in the ninth inning after Les Nauvaster, who was playing first base, had singled and stole second. So the Speakerites trimmed the Tigers.

The bases were full when Garrity came to bat for Washington in the fourth against the Athletics and slammed out a double. Al Schacht pitched shut out ball for the Grifflins.

Jim Vaughn's single, which scored a runner and Flack's double which scored two more in the twelfth inning enabled the Cubs to defeat St. Louis.

Two errors by Rabbit Maranville contributed largely to Boston's defeat at the hands of the Dodgers.

**Stecher Toses Londos**  
BOSTON, April 20.—Joe Stecher, wrestling champion, defeated Jim Londos last night in one hour, 58 minutes, 45 seconds with the body scissors.

## MEETING FOR PARK NET MEN

Players to Be Registered in City Association Saturday.

Indianapolis racket players who have been playing on the city park courts; in other words, city park tennis players who desire to register in the newly formed City Tennis association, will have the opportunity to do so at a meeting scheduled for Saturday afternoon in the recreation office, city hall.

At a meeting of the city association last week it was voted to admit the park players to the ranks and S. Walter Jarvis, director of recreation, is busy lining up the municipal players.

The new ruling makes every park player in the city eligible for entry in the city loop, therefore, eligible for competition in every one of the seven tournaments carded for this year.

In former years the park players not belonging to local clubs have been confined to special tournaments conducted for them.

Players who are not fully informed on the subject are requested to attend the Saturday afternoon meeting, which will be called at 1:30, and Mr. Jarvis will go into details with them.
