Williams county, Tennessee	1
Total	133

MONTGOMERY, Ala., April 21.—A death list totaling 133, with many more missing and injured and property losses running into the millions is the destruction left today in the wake of tornadoes.

The dead in Mississippi are estimated at 100; in Alabama at thirty and Tennessee three.

Hundreds were injured and the property damage will run into the millions. As word communication began to be restored further evidence of the terrific destruction in communities cut off came to light.

MISSISSIPPI HARDEST HIT

In Mississippi the storm reached its height in the eastern and southern parts of Meridian, where twenty-one persons, mostly women and children, lost their lives, and at Aberdeen, where the loss of life is placed also at twenty-one.

First reports of the tornado came from Bay Springs, Jasper county, where the death toll was seven.

The tornado swept over and demolished the Deemer lumber camp, near Philadelphia, Miss., leaving twelve dead in its wake.

In Alcorn county, in the Glenn section, ten lost their lives. At Rose Hill, Jasper county, and in the Ingomar vicinity in Union county, twelve more are dead.

Other known casualties are five at Egypt, Union county; five at Baker, Union county; three at Amory, Monroe county, and two each at Keownville, Union county, and at Russells Bridge, Lauderdale county.

The Starkville section of Oktibbeha county reports five missing.

DEATH LIST IN ALABAMA

The loss of life in Alabama was heaviest in the section around Waco, Little Cove, Sheffield and Gurley, where more than a score of bodies have been recovered, eighteen in Marion county, one at Waco, three at Little Cove, three at Gurley and five in the Nehama section of Colbert county.

In Tennessee two were killed near Burwood and one in Williamson county. In a number of these places, towns and villages were swept away, in some cases entire families falling victims to the storm.

Hundreds of injured are overtaxing the energies of local physicians and nurses and outside aid is needed.

FIVE DIE IN BLIZZARD

DENVER, Colo., April 21.—With another blizzard predicted for Colorado tonight, belated reports of the record-breaking storm that tied up rail transportation here from Saturday to Monday showed five persons were frozen to death and thousands of head of live stock had perished.

Hundreds of volunteer citizens are helping to dig out the Moffat railroad at Corona, "top of the world," to release storm-bound cattle.

Service meals were given to seven Boy Scouts last night at the semi-annual meeting of the Indianapolis Council of Boy Scouts held at the Chamber of Commerce.

They were Ralph Eram, Irvin Schaefer, Lloyd Schoener, Ralph Fink, Charles Newkirk, Roy Beebe and Robert Curry.

Efficiency medals for the patrol leaders' course this winter were given to Robert McMahon, John Wilson, Albert Howe, Irvin Schaefer, William Hatzman, Clark Goddard, Donald McLain, James Gaston and Howard Hardley.

Charles Brockman, 17, Troop No. 32, was presented with Eagle badge, the highest rank in scouting.

Awards were made by Thomas C. Howe, president of the council.

Who Knows Where Those Spuds Are?

Where are eighty cars of potatoes that were supposed to be on the Beech Grove tracks of the Big Four?

Anonymous letters have been received from several sources declaring there are eighty cars of potatoes on the tracks there.

The Big Four denies it. Investigators have failed to find them and police have been asked to find the writer of the anonymous postcards.

The Young Lady Across the Way

The young lady across the way says she regards anything above 8 per cent as positively uxorious.

REBEL RAILMEN REFUSE TO VOTE

(Continued From Page One.)

reports that the railroads have recognized their new organization," said Mr. Hynes.

"The obvious falsity of such reports will be discerned by the men, many of whom are ready to return to work now."

"If the railroad officials in Chicago had recognized the new union we would have no object to serve by denying it."

Freight handling facilities in the local railroad yards continued equal to strike exigencies today.

The Big Four, Belt and C. I. & W. are hiring new men as rapidly as possible.

Officials of the Big Four said nearly all important points on that line are manned with switching crews sufficient to handle the volume of traffic offered, normal demands being still greatly reduced by effects of the strike on other lines.

The Belt line is moving about 675 cars daily and is handling foodstuffs and livestock satisfactorily.

MOTHER!

"California Syrup of Figs"

Child's Best Laxative

Accept "California" Syrup of Figs only—look for the name California on the package, then you are sure your child is having the best and most harmless physic for the little stomach, liver and bowels. Children love its fruit taste. Full directions on each bottle. You must say "California."—Advertisement.

LAWYER'S CASE HELD UP AGAIN

(Continued From Page One.)

he was in court with a lot of witnesses, among whom was Charles A. Bookwalter, former mayor of Indianapolis.

These gentlemen sat in the courtroom for an hour or more waiting for Harry Parsons to appear to make good his charges against Rollinson.

After the long wait a rumor reached the courtroom that Parsons was before the county grand jury, where an effort was being made to push through an indictment against Rollinson that would make it unnecessary for the state to give him a hearing before the May primaries.

A forthwith subpoena was issued by Judge Cox and a policeman sent to bring him into court.

While the policeman went one way others went the other. Parsons was brought into court where he declared that he had been about his usual employment wholly without knowledge that the Rollinson case was set for trial.

Parsons declared that he had several other witnesses he wanted heard in the case and Judge Cox then continued the hearing until this morning.

Judge Cox then swore all the witnesses present and admonished them to be present today.

He had previously taken occasion to tell Parsons that if he had been instructed to appear in court he would have been punished for his failure to be there.

When asked for an explanation of the failure to issue subpoenas for the session yesterday Ralph Spass, deputy prosecutor, declared that he knew nothing more about the case than was contained in the rather lengthy affidavit made by Parsons, and could not summon witnesses as he did not know of any to summons.

He did not explain why Parsons was not ordered to appear to prosecute the case he had started.

John Robbins, now a law partner of Mayor Jewett's former law partner, did not appear in the city court yesterday afternoon.

He had appeared with Parsons when Parsons made his first affidavit against Rollinson, and he was expected to appear today.

An Ounce of Accident Prevention Saves a Barrel of Trouble.

Dr. Curtiss Clark's AUTO-BRAKE RENEWER

For automobile brakes and clutches, also a preservative for all leather belts. Will make your new brakes last twice as long and will make the old ones work as good as new ones. Works like a charm.

Once you use it you will never go without it. The only original brake renewer on the market. To get the genuine look for the signature of Dr. C. A. Clark on the label. Price 60c per tube. Large cans, \$2.00. Sold by first-class dealers.

Safety First, Last and All the Time.

Thinness Easily Over-

come.

(From "Health and Beauty".)

Further evidence is being presented almost daily that a recent compound of new chemical elements combined in a way with hypophosphites is really proving a blessing to the abnormally thin men and women, for it can be demonstrated beyond doubt that the regular course of three or four months' treatment brings an increase in weight of from 10 to 30 pounds, with a decided improvement of health and color, too. For self administration the most popular form is in the form of a grain, hypophosphite tablets, obtainable in sealed packages from the best apothecary shops, with full directions.—Advertisement.

Headaches

INDIANAPOLIS METAL WORKER

GIVES PEPGEN SEVERE TEST;

PROVED BEST FOR DYSPEPSIA

"To all my friends who may chance to read my statement I want to say that Pepgen is a far better medicine than you can realize until you try it," says C. C. Cash, metal worker, 1514 East Market Street, Indianapolis.

"My experience was as follows: For several months my stomach was so sore that I could scarcely bear to touch it. I also had several slight hemorrhages of the bowels. I can surely say that I suffered untold agonies."

"My nerves seemed as tightly drawn as tight strings. I was able to sleep until about three o'clock, at which time I would invariably wake up. From then on until morning I usually sat in a chair rather than to roll and toss in bed."

"Several months ago, while at work at my trade at Holcomb & Hoke's, about 4 o'clock in the afternoon I was attacked by very sharp pains in my stomach. I was compelled to stop work and come home. On my way home I

stopped at Mr. Huder's drug store and obtained a bottle of Pepgen. As soon as I reached my house I took a large dose and in 30 minutes I felt relieved. At supper time I took another dose. I went to bed that night and slept the whole night through—something I had not done before in months."

"I have been taking Pepgen regularly ever since and now my stomach troubles have disappeared. I am so much stronger that I am able to walk to work and back, two miles each way."

"I was frequently troubled with headaches. If she went to a picture show she was sure to have a headache. Since taking Pepgen she is not annoyed that way and she can go to the 'movies' whenever she desires."

Pepgen is sold by the Henry J. Huder Drug Co., corner Washington and Pennsylvania Sts., Michigan and Illinois Sts., and by all other leading drug stores everywhere.—Advertisement.

Corner Market and New Jersey Sts. Weekly Rate on Application.

Beauty Shop Patron Charges Acid Hurling

CHICAGO, April 21.—Handsomeness as handsome does—but not in a beauty shop.

Miss Edna Shelley, beauty shop proprietor, was charged by Miss Catherine McHugh, patron, with having thrown manuring acid on her while in her shop here.

After Judge Pritchard had insisted on an affidavit being made against Rollinson, Parsons fled two, the last of which was to the effect that Rollinson got \$1,000 from Parsons by pretending that an Evansville man had raised \$2,000 with which to convict Parsons of receiving stolen automobiles for which offense Parsons was indicted, in spite of the fact that Rollinson was permitted to examine witnesses in Parsons's behalf before the county grand jury.

When this latter fact was published in The Times, Adams grew so indignant that he joined others in asking the criminal court to cite The Times and Rollinson for contempt.

The court ordered Adams to prepare the citations last week but Adams has not yet produced them.

Charles Adams is the same Adams under whose name long letters urging people to support J. W. Fessler for governor are being distributed broadcast.

He is known as Marion county manager for Fessler.

SPRING AILMENTS

Relieved by a Well-Known Medicine of Superlative Merit.

Spring ailments are due to impure, impoverished, devaluated blood. Among them are pimples, boils and other eruptions, loss of appetite, tired feeling, a run-down condition of the system, and sometimes chronic weaknesses made worse.

Hood's Sarsaparilla combines the roots, barks, herbs, berries and other medicinal plants that have been found, in many years of intelligent observation, to be most effective in treatment of these ailments.

Successful physicians prescribe these ingredients for diseases of the blood, stomach, liver and kidneys, and in cases where alterative and tonic effects are needed.

Hood's Sarsaparilla is the spring medicine that purifies the blood and revitalizes your blood, increasing power of resistance to disease.

For a laxative take Hood's Pills.—Advertisement.

Says Fat People Now Rejoice

Testimony Proves Arbolone Safe, Sure Reducer.

Enjoy Wide Sale Amongst Educated Wealthy Set.

The physician who originated the Anti-Fat treatment known to physicians and druggists as "five-grain tablets Arbolone" is being praised and thanked by scores of women in the class known as "society devotees."

A literary woman in Los Angeles, being so highly elated over her success in reducing, has written a clever little poem, which recites the facts and expresses deep gratitude as well.

To safely and surely reduce from 20 to 60 pounds is easily accomplished when tablets Arbolone are used regularly. They are not drastic or dangerous, need no dieting, but simply and surely dissolve the fatty elements and eliminate from the system. Also, they remove the craving for such foods as are not desirable for fat folks to use. Herein, Arbolone is superior to all other anti-fat medicines, as it automatically overcomes the abnormal, perverted appetite for starchy foods, etc. Sold by all druggists in sealed tubes with full directions.—Advertisement.

GET RID OF "SPRING FEVER"

If you lack energy, if you are tired and languid, if you do not feel like exerting yourself—if you lack "pep"—the chances are that your bowels are sluggish. A Foley Cathartic Tablet is a good and wholesome physic that will rid you of biliousness, gas, bloating, sick headache, sour stomach or other troubles that attend indigestion and constipation. They cleanse the bowels, sweeten the stomach and invigorate the liver. Sold everywhere.—Advertisement.
