

SHORTAGE OF GAS JUMPS MEAT PRICE

Quickly Prepared Cuts Soar
15 Cents Per Pound.

Shortage of gas has caused a run on steaks, chops and all quickly prepared cuts of meats.
As a result, the price in neighborhood meat shops has jumped approximately 15 cents on the pound.
Porterhouse steak went from 40 cents to 55 cents and pork tenderloin from 60 cents to 75 cents in one northside shop.
Sirloin and round steak also increased in price.
The retailer said he could sell only the hind quarters.
The boiling, stew and roasting cuts were left on his hands, as people were unwilling to buy them on account of the difficulties in cooking with the limited gas supply.

Engineers' Society at Election Tonight

Election of officers for the year will be held tonight at a meeting of the Indianapolis branch of the American Society of Mechanical Engineers at the Claypool hotel.
Among the speakers will be Maj. Fred J. Miller, president of the national organization, who will talk on "Opportunities for the Engineer"; Calvin W. Rice, national secretary, and Harry A. Schwartz, metallurgical engineer of the National Malleable Castings Company of Indianapolis, whose subject will be "The Manufacture, Properties and Use of Malleable Castings."

Writer of 'Bubbles'

MRS. GEORGE ROCKWOOD.
"Bubbles," the musical show to be presented at the Murat next Tuesday and Wednesday nights for the benefit of the Boys' Club association, is the work of Mrs. George Rockwood, 1321 North Meridian street.
Mrs. Rockwood is not a novice in musical work, having composed a number of pleasing numbers.
"Sweet Bells of Venice," staged by the Dramatic club of Indianapolis some time ago, was one of Mrs. Rockwood's compositions.
"Marie of Gay Paree," a lyric featured

in "Peggy from Paris," and "Amorous Star," a melodious hit from "The South-erner," are among her song successes.
The music in "Bubbles" has been written to suit the personality of the local singers and dancers, who make up the cast.
"Bubbles" is not an opera, a musical comedy nor even a farce. It is what the name implies: a show full of happy harmony and dainty dancing.
Miss Florence Parkin, Mrs. Glenn Frier-mood and Mrs. James Murdoch will take the leading feminine roles.
Victor Richardson, Clarence Sweeney, Russell Johnston, Charles Raub, Charles Williams, Thomas Nealls and Meredith Nicholson make up the masculine players.
George Sommes is coaching the production and Louis Pike is in charge of the orchestra.
Mlle. Theo Hewes has charge of the ballet.
Mrs. R. Felix Geddes and Mrs. Rock-wood compose the general committee.

Circus Bringing 200 Acts Here Saturday

A total of 200 acts, during which there is not a dull moment, is the promise held forth by the Hagenbeck-Wallace circus, which will give exhibitions in Indianapolis Saturday afternoon and night.
Trained animals will vie with 500 human performers in the art of entertain-ment, amid color, thrill, comedy, beauty and music.
Animal acts include that in which the big elephant lies down upon his keeper, stretches himself and "wiggles," and the startling act in which a man armed only with a short stick enters a big steel cage and compels eight raging lions to do his bidding.
Fifty clowns provide the comedy, and there are boxing kangaroos. Performers number 300.

Same House Raided Second Time in Week

This is Margaret Schultz's unlucky week.
Twice this week she has been arrested by Lieut. Ball and a police squad, who raided her rooming house at 441 North Illinois street.
With a case pending in city court, she was arrested last night on a charge of keeping a resort.
On the first raid five women and three men were arrested and last night a man and woman found in the rooming house were taken to the police station.

'PIONEERS' TO BE AT CENTENNIAL

Pageant Costumes Will Be
Feature of Celebration June 8.

Costumes similar to those worn by the pioneers of Indianapolis will again be worn by persons who will take part in the centennial pageant to be staged in the coliseum at the state fair grounds Tuesday night, June 8, celebrating the one hundredth anniversary of the city.

An appeal for old authentic costumes was issued today by the general pageant committee, of which H. D. Tuttle is chairman. All persons in Indianapolis and Indiana who have old authentic costumes are asked to communicate with Mrs. Elizabeth B. Schofield, 2625 East Washington street, chairman of the costume committee.

Women who will be willing to aid in the sewing of costumes also are asked to get in touch with Mrs. Schofield or any of the following persons, all of whom are members of the costume committee: Mrs. W. O. Bates, Mrs. Leo K. Feiler, Mrs. Edgar R. Eskew, Mrs. Dora B. Evans, Mrs. Isaac Born, Mrs. John D. Johnson and Mrs. Edward Ferger.
Plans for the pageant are rapidly progressing.
George Sommes, director of the Little theater company, will be the director of the pageant, and already has started group rehearsals.
W. O. Bates is the author of the pageant book.
More than 3,000 persons in all are expected to take part in the pageant, which, from present indications, will be one of the most elaborate ever staged in Indianapolis or the state.

Maintenance Men Investigate Books

DETROIT, April 22.—Investigation was proceeding today into charges made public yesterday of "gross extravagance" and "irregularity" against Allan E. Barker, former international grand president of the Brotherhood of Maintenance of Way and Railway Shop Laborers, in handling brotherhood funds.
The charges were filed by four members of the brotherhood, who allege "the books show that over \$500,000 had been spent and there are no entries to show the brotherhood had received anything in return."
Barker recently resigned.

France Pays Honor to Will H. Brown

Will H. Brown of the Nordyke & Marmion Company has been made an officer in the French Academy of Art and awarded the silver palm for his services as a colonel in the motor transport corps of the United States army during the past war, according to announcement made here.
Mr. Brown was also a member of the liquidation committee sent to France by the United States government and was cited for his services with the A. E. F. by Gen. Pershing.

The latest honors from the French government were included in a certificate signed by L. Laffere, French minister of public instruction, which arrived here yesterday, having been forwarded by the adjutant general of the army.

CHICAGO "PROMOTER" HELD.
NEW YORK, April 22.—Theodore A. Frey of Chicago is held in \$2,500 bail for examination on Friday on a charge of grand larceny. William E. Keating of Brooklyn says he gave \$135 to Frey on April 18, 1919 to buy oil stock and has seen neither stock nor money since.

USES OF ASPIRIN TOLD BY "BAYER"

When the Bayer Company introduced Aspirin over eighteen years ago, physicians soon proved it a marvelous help in relieving Rheumatism, Colds, Headache, Neuralgia, Earache, Toothache, Lumbago, Neuritis, Aching Joints, and Pain in general.
To get this same genuine, world-famous Aspirin you must ask for "Bayer Tablets of Aspirin," marked with the "Bayer Cross." You will find safe and proper directions in every unbroken package.
Handy tin boxes of 12 tablets cost only a few cents. Druggists also sell larger "Bayer" packages. Aspirin is the trade mark of Bayer Manufacture of Monoaceticacidester of Salicylicacid.—Advertisement.

I hate to get up
I hate to get up
I hate to get up in the Morning

Unless you are constitutionally lazy, there is a reason why the morning call is unwelcome. You, undoubtedly, are afflicted with some form of catarrh from which ninety-seven percent of the people suffer. Perhaps your stomach is deranged, liver sluggish, bowels irregular, catarrhal poisons in the blood, all of which tend to slow up the human machinery and bring on a condition we call Spring Fever. You need something to wake up and cleanse your entire system. By starting now, your health will be improved and you will be better able to resist disease and the enervating effects of hot weather to come.

PE-RU-NA

A Woman's Mistake

Substitutes Often Worthless
It is a well-known fact that Lydia E. Pinkham's Vegetable Compound is the most successful remedy for woman's ills obtainable. Actually thousands of women have proved this to be true. Notwithstanding, some women make the mistake of trying something else, said to be just as good, simply because it is new.
Is it not foolish to risk the possible bad results of such experiments—and is it not better to depend upon a medicine that you know is reliable—a medicine that has had no equal for more than forty years?

Read what these Women Think About It

North East, Md.—"I was in ill health four or five years and doctored with one doctor after another but none helped me. I was irregular and had such terrible pain in my back, lower part of my body and down each side that I had to go to bed three or four days every month. I was very nervous, tired, could not sleep and could not eat without getting sick. A friend asked me to take Lydia E. Pinkham's Vegetable Compound and I am sorry I did not take it sooner for it has helped me wonderfully. I don't have to go to bed with the pain, can eat without being sick and have more strength. I recommend your medicine and you are at liberty to publish my testimonial."—ELIZABETH WEAVER, R. 2, North East, Md.

Utica, N. Y.—"I was all run down and had no energy or ambition and no strength to do my work. I went to the doctor's office every other day and could hardly crawl to get there and back. My husband wanted me to try Lydia E. Pinkham's Vegetable Compound and he got me a bottle and in two weeks this medicine did me more good than the doctor's medicine had done in ten. I kept on until I had taken ten bottles and felt like a new woman. Now I do all my own work besides all kinds of dressmaking and sometimes paper hanging. I will recommend Lydia E. Pinkham's Vegetable Compound as long as I live and you may publish my testimonial."—Mrs. R. C. TANNER, 616 Plant St., Utica, N. Y.
