

## SWEET TOOTH HOISTING PRICE OF SUGAR HERE

Abnormal Demand Shown by  
America's Gluttony and  
Neglect of Market.

### SPECULATOR IN GAME

America is paying dearly for her  
"sweet tooth."

And she is making the rest of the  
world pay for it, too.

This is one of the things found out by  
a reporter who went on the trail of the  
truth about the sugar situation.

He also found men who ought to know  
—being in the sugar business—who de-  
clared that speculators had taken ad-  
vantage of the situation and forced the  
price to an abnormal basis.

Another reason, so the reporter was  
told, is that Great Britain entered into  
competition with America in buying  
Cuban sugar, and took quite a big slice  
of it to the British Isles for afternoon  
tea and other uses.

**EXPERT ASSIGNS  
CAUSE OF PRICES.**

One man, who is classed as an author-  
ity on sugar, said that the high price of  
sugar is due, first, to the abnormal in-  
crease in the demand for sweets; second,  
to the railroad strike, which held up  
shipments, and third, to speculators.

America failed to get into the opening  
buying in Cuba until a late date for  
this year's crop, according to sugar  
dealers.

The general opinion in the sugar trade  
circles was that an open market with  
competition, following the end of gov-  
ernment control, would force down the  
price of sugar.

**SPECULATORS GET  
FINGERS IN PIE**

But speculators got their fingers in the  
pie in Cuba. Refiners did not  
grab the crop, and to keep refineries  
going they began to refine sugar for  
speculators—at about 3 cents a pound.

In January sugar was wholesaling in  
New York at 12½ cents a pound and  
dropped to 9½ cents a pound in February.  
A further drop was looked for  
and it didn't materialize.

Today the price of raw sugar is 13½  
to 20 cents, it is asserted.

**PER CAPITA USE  
SHOWS INCREASE.**

In 1913 the consumption of sugar per  
capita was eighty-four pounds.

In 1919 it was ninety-two pounds.  
With only 4,511,000 tons available for  
1920 against a demand for consumption  
of 5,600,000 tons a shortage of 240,000 tons  
appears, officials say.

With a growing demand for candies,  
soft drinks and all products, and with  
a world market for sugar, many sugar  
dealers predict that sugar will stay at a  
high price for three years at least.

**SUGAR IN CHICAGO  
TO BE 33 CENTS**

CHICAGO, April 23.—Sugar prices  
sagged to new high levels here today.

Wholesale grocers today were notified  
by sugar refiners that the best price  
they can be quoted is 29½ cents a  
pound.

This means sugar at 33 cents a pound  
to the consumer, wholesalers say.

"It is all due to an overestimation of  
the Cuban production," said B. L.  
Thomas, sugar buyer for the largest  
wholesale grocer in the west.

"The Cuban planters estimated four  
and half million tons.

"It was less than four million.  
"Unless some step is taken by the  
government to curtail its sale, the situ-  
ation will be serious."

"I believe eventually that the gov-  
ernment will have to ration sugar."

Thomas declared his firm's last pur-  
chases cost slightly over 15 cents a  
pound.

Today's quotations show a jump of 11  
cents a pound since then.

### CALLS ON WHITE PEOPLE TO HELP

Colored Attorney Asks Moral  
Support Against Lynchings.

Pleading for moral support of the  
white people to avoid lynchings in In-  
diana and the nation, W. E. Henderson, an  
Indianapolis attorney, delivered the chief  
address today before the delegates of the  
first Indiana convention of colored  
people, at the Bethel A. M. E. church.

Mr. Henderson's subject was "Anti-  
Lynch Laws."

Resolutions on the present race situ-  
ation in Indianapolis will probably be  
adopted by the convention late tonight,  
supporting resolutions adopted last  
night, condemning crimes committed  
against women and children and urging  
expedient execution of the law against  
the offenders.

George P. Stewart of Indianapolis pre-  
sided at the meetings today.

shooting with intent to kill, carrying  
concealed weapons, inciting to riot and  
shooting in the city limits.

Some witnesses say that at the time  
Harris was shot at least ten shots were  
fired, while some police officers claim but  
two were fired.

Gray carried the weapon in the holster  
strapped under his arm, the police say.

CALL GRAND JURY  
SESSION TOMORROW.

Claris Adams, county prosecutor, said  
every effort will be made to expedite  
justice for Ray.

He said a special session of the grand  
jury has been called for tomorrow morn-  
ing when the case of the confessed slayer  
will be taken up.

It will be necessary to swear in a  
new juror before this can be done, one  
of the jurors having been dismissed yes-  
terday because of illness and his plea  
that his services were needed on his  
farm.

More evidence to show that Ray preyed  
on many young white girls was obtained  
by the detectives today.

Helen McCaffrey, 12, daughter of Mr.  
and Mrs. Henry McCaffrey, 1610 Roose-  
velt avenue, viewed the man and said he  
was the same negro who attempted to  
lure her away with the promise of  
clothes Saturday morning.

Numerous other children previously  
had identified him.

The Huff girl's funeral was held yes-  
terday.

## Thanks for the Compliment

Long ago some wise man said, "Imitation is the sincerest form of flattery." Therefore,  
we thank the few firms who followed our lead in paying parcel post on tires and acces-  
sories. We believe we were the first mail order tire house in the country to make free  
deliveries. We pay parcel post on tires and all accessories, except liquids, dry cells  
and exceedingly heavy merchandise, to points within 300 miles of Indianapolis. Send  
for our catalogue—the largest we have ever issued. It is free for the asking.

## N. F. C. Standard Brand Tires Cost Less Here

"N. F. C." is an abbreviated term used by manufacturers, meaning "No further con-  
sideration." It is usually used on slightly blemished tires. Tires that are not strictly  
perfect, yet good enough to retain the maker's name and good enough for a mileage  
guarantee. Here, for example, we have a lot of tires of one of the most noted brands—  
identically the same brand and grade that others have advertised at prices averaging  
20% higher prices than ours. To justify the increase, a "joker" was used by tacking  
on their own guarantee of an extra one thousand miles to that of the maker's five-thou-  
sand-mile guarantee. For this extra one-thousand-mile home-made guarantee you are  
asked to pay on a 32x3½ tire exactly \$7.00 more than our regular price. Here, then,  
are our prices on—

# Does 3¢ = Americanism?

Did you know that 3c is MORE  
than the churches average  
from each member per day?

**WE AMERICANS** may be thoughtless.  
Sometimes we may appear selfish. But  
when a great need arises, no one can say that  
we have ever shirked.

Ask any son of France. Ask any soldier of  
Great Britain. Or ask any Armenian mother  
or a girl with a red cross on her sleeve or one  
with a tambourine in her hand.

And now the churches come to us for help—  
our churches. Not begging. Not asking alms.  
But with heads lifted high facing a task so  
worthy that we, as loyal Americans, ought to  
feel it a *privilege* to help.

### Here is the Plain, Unvarnished Truth

We don't need to be told that the church is the heart  
of the Nation. We admit its influence for lasting good in  
our children. We see its stabilizing influence on our com-  
munities. We know a little of its great hospitals, its homes  
for children, its schools and colleges here and abroad.

But most of us do not realize how pitifully inadequate  
the support of the churches is when compared to the  
urgent needs.

Less than 3¢ a day!

In spite of the great tasks which we expect our churches  
to carry out, those of us who give to the church—and the  
number is all too few—are now giving an average of *less*  
*than 3¢ a day for all church purposes.*

Less than 3¢ a day.

Shall our churches go on? It is for you to say.

Without your help the work of your church must be  
just that much less.

Give—and give from your heart as well as from your  
pocketbook.

### A World Survey Was Made

Our churches know the needs  
that must be met. They know  
exactly how every dollar—every  
penny—will be used for the great-  
est good without waste.

A world survey was made by  
the churches that astounds business  
men in its thoroughness. County  
after county was studied; the coun-  
tries of the world were visited and  
reported in minute detail.

### How the Interchurch World Movement Originated

Our churches said: "The task of  
meeting the urgent needs shown by  
the world survey is too great for us  
to do individually as denomina-  
tions. We must do this work  
together."

So thirty great denominations  
are cooperating—each keeping its  
own purpose and identity—but all  
working together under the name  
of the Interchurch World Move-  
ment.

Because of this cooperation, it  
is estimated that over one million  
dollars will be saved alone in elimi-  
nating waste and duplication.

## STRENGTHLESS SEEMED DYING

So Weak She Could Hardly Move,  
Says Indiana Lady—One Bottle  
of Cardui Put Her on the  
Road to Recovery.

Tangier, Ind.—"Four years ago this  
summer I was sick in bed," writes  
Mrs. Lillie McElwee of this place. "I  
had been under the doctor's care for  
five weeks. . . . I was pretty bad,  
and I was just as nervous as I could  
be. . . . I could not sleep at night  
until 10 or 12 o'clock. When I would  
doze off and wake up I would be all  
of a tremble with nervousness."

"The doctor called my trouble ca-  
tarrh of the . . . It gave me such  
pains that at each one it would seem  
that I could not bear another one.  
Then I would chill. . . . The pains  
would just seem to shake me all  
over, and the next day I would be so  
weak I could hardly move. I would  
be so utterly strengthless that it  
would seem as if I were dying."

"After one of my bad spells . . .  
and I had almost died, I picked up  
the Home Treatment Book and de-  
cided to try Cardui. Before I had  
taken a whole bottle, I could sleep  
at night. . . . I don't remember just  
how long, but in a short time I was  
up and helping with the work."

Over forty years of successful use  
has proven the value of Cardui in the  
treatment of many common female  
ailments.

## Catarrhal Deafness and Head Noises

TELLS SAFE, SIMPLE WAY TO  
TREAT AND RELIEVE AT HOME.

If you have catarrh, catarrhal deafness  
or head noises caused by catarrh, or if  
phlegm drops in your throat and has  
caused catarrh of the stomach or bowels  
you will be glad to know that these dis-  
tressing symptoms may be entirely over-  
come in many instances by the following  
treatment which you can easily prepare  
in your own home at little cost. Secure  
from your druggist 1 ounce of Eucalypti  
(Double Strength). Take this home and  
add to it 1 pint of hot water and a little  
granulated sugar; stir until dissolved.  
Take one tablespoonful four times a day.  
An improvement is sometimes noted after  
the first day's treatment. Breathing  
should become easy, while the distressing  
head noises, headaches, dizziness, cloudy  
thinking, etc., should gradually disappear  
under the tonic action of the treatment.  
Loss of smell, taste, defective hearing  
and mucus dropping in the back of the  
throat are other symptoms which suggest  
the presence of catarrh and which may  
often be overcome by this efficacious  
treatment. It is said that nearly ninety  
per cent. of all ear troubles are caused  
by catarrh and there must, therefore, be  
many people whose hearing may be re-  
stored by this simple, harmless, home  
treatment.—Advertisement.

Proof That Arbolone Removes  
Craving for Wrong Foods.

Dissolves and Eliminates Fatty  
Tissues Harmlessly.

Any Anti-Fat treatment that fails to  
correct the perverted appetite and crav-  
ing for the very foods which make fat is  
certain to fail of permanent results. Mark  
that fact well! Five-grain tablets Arbo-  
lone removes the craving for undesirable  
fatty foods, restores natural appetite and  
digestion, while it dissolves fatty ac-  
cumulations in the body and eliminates  
slowly but surely, without weakening or  
other evil effects.

Mrs. L. Holly, Imperial, Cal., writes:  
"Kind Sirs: Have taken your Arbolone  
Tablets for obesity and in seven months  
reduced from 206 pounds to 132 pounds.  
I can not say enough for them, and any-  
body who is fat should take them. My  
health is better than ever, etc."
