## 500 ROTARIANS GOING TO JERSEY

Special Train Leaves Here June 20 for World Convention.

The Hoosier special, leaving Indianapolis June 20, will carry more than 500 Rotarians to the annual convention of the International Rotary, to be held in Atlantic City June 21, it was announced today.

The special carrying Rotarians of the Indianapolis group will leave the Union station over the Pennsylvania lines at 3:05 o'clock in the afternoon and pick up special cars at various cities.

Indianapolis, Richmond and Ft. Wayne have been chosen as the three mobilization points where Rotarians will gather to join the special.

Indiana Rotarians will be out in force at the convention, boasting John N. Dyer of Vincennes for president.

Arrangements for badges, hat markers, advertising novelties, souvenirs and pamphlets have been made by the district committee.

An office has been opened in the Claypool hotel for the purpose of completing arrangements for the trip.

## Labor Party Calls Series of Meetings

Another series of noonday meetings in Indianapolis industrial plants in the interest of the labor party will be held this week.

Several such meetings were held last week.

A mass meeting has been called for Labor temple, 39 West Pearl street, for next Monday night, when prominent labor party speakers will talk.

H. H. Cramer, county chairman, and Charles Cattell will be the speakers at a meeting to be held in Wolf's hall, Morris and Nordyke streets, tomorrow night.

Labor party boosters of the Fifteenth ward will meet the same night at 2101 West Michigan street, when Charles Rogers, county organizer, will talk.

## DOG HILL PARAGRAPHS

Frisby Hancock says just about the time everything quiets down and the world looks like a beautiful place in which to live, a note falls due.

The trustees of the Wild Onion school did talk for a while like they might get a new school teacher, but they may not do so, as the building is small and the teacher they now have don't take up very much room.

Clab Hancock today tossed aside his old wool hat and came out in a new derby. Thus the old familiar landmark gradually faded away.

## ANTI-FAT

Art thou stout and getting stouter? Stop repining—cease to moan; Eie thee to the nearest drug store—Ask for "Tablets Arbolone."

Arbolone will stop that craving.

Make thee normal—that's well known.

Thou'lt forget that hungry feeling After taking Arbolone.

And the pounds away will dwindle—

Waist no longer like a zone; Thou'lt be thankful to the maker Of these Tablets Arbolone.

Note—This little poem was written by a literary woman of Los Angeles, Calif., as a testimonial to Tablets Arbolone. It so aptly and truthfully describes the virtues of this well-known antifat that the proprietors use it for advertising. Facts and gratitude are both expressed with admirable rhythm and metre.—Advertisement.

## RINGGOLD, GEORGIA, MAN WRITES

A thankful letter about the benefits received from using Sulphur Tablets. Its effects are like grandmother's remedy of sulphur, cream of tartar and molasses. But this consists of sulphur, cream of tartar and herbs, in a sugar-coated tablet, easy and pleasant to use, for bad blood, stomach, liver and bowel disorders.

John N. Plemons, Ringgold, Georgia, writes: "I had an awful bad case of stomach trouble and constipation, and had the service of a specialist with only temporary relief. I saw an advertisement of Sulphur Tablets and began using them, and in a short time noted very good results, and I further used them, and at this time am perfectly well as far as I can tell. I don't recommend anything unless I receive some good results. Some friends use them and they also note good results, etc." Druggists sell Sulphur Tablets everywhere. Don't take ordinary "sulphur" tablets and be disappointed.—Advertisement.

## Red Blood for Pale People!

A big supply of red blood corpuscles is what helps to make any man or woman have a healthy, pink complexion and cherry red lips. Resort to paint and powder are totally unnecessary and besides that, are harmful. Three-grain hypo-nucleic tablets, if used regularly for several months, seem to create a greatly added number of millions to the red and white corpuscles of the blood, and not only improve the color but add increased flesh to the thin and frail body. These tablets promote assimilation, absorption and digestion, and this splendid aid to nature's forces transforms the complexion and figure. They are prescribed by physicians, but being of a perfectly harmless character, self-administration is followed by many who obtain them direct from any well-stocked drug store.—Advertisement.

HELPED HER LITTLE GIRL. Children need all their strength for growing. A lingering cold weakens them so that the system is open to attack by more serious sickness. Mrs. Amanda Pitts, Route 4, New Philadelphia, O., writes: "Poley's Honey and Tar cured my little girl of the worst tickling cough. I had tried many things and found nothing to help until I got Poley's Honey and Tar." Girls' immediate relief from distressing, racking, tearing cough, soothes and heals. Good for colds, croup and whooping cough. Sold everywhere.—Advertisement.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid liver.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth"—bad breath—a dull, tired feeling—sick headache—torpid liver—constipation, you'll find quick, sure and pleasant results from one or two of Dr. Edwards' Olive Tablets at bedtime.

Thousands take them every night just to keep right. Try them. 10c and 25c.

## MECHANIC AT MARMON PLANT SECURES FINE RESULTS FROM PEPGEN; STOMACH ILLS VANISH

Pepgen brings within your ken good health you never knew existed. It enables you to enjoy things you thought were beyond your grasp. It is like a fishing rod which a boy saw in a shop window. He had intended to loaf all summer, but he wanted that fishing rod. In order to obtain the fishing rod he had to have money. To get money he painted a fence, ran errands and mowed lawns. The knowledge that there was a fishing rod he would like to have if he worked made him a producer, not a dependent. The knowledge that Pepgen has turned many from dependents to producers should convince you that it is time for you to try it if you don't feel right. Mrs. A. G. Fiel, 1622 W. Morris St., relates the interesting experience of her father, N. Naegel, a mechanic with the Nordyke & Marmon Co., as follows: "For years, my father suffered with his stomach. He had to be very careful what he ate. He couldn't touch beans or anything of that nature. Of course, my mother tried to cook foods that would agree with him, but it was almost impossible. Several months ago my father looked bad. He was in a very run-down condition of health. Shortly after he started to take Pepgen he began to get better, and now a wonderful change has taken place. He is able to eat whatever foods he desires and he has a good dish of pork and beans. He says he is sleeping sounder, too. "My father has gained several pounds in weight, he looks a great deal better, and he told me recently that he has lost that tired feeling entirely." Pepgen is sold by Henry J. Huder's Drug Store, corner Washington and Pennsylvania Sts., Illinois and Michigan Sts., and by all other leading drug stores everywhere.—Advertisement.

## What Is Rheumatism? Why Suffer from It?

Sufferers Should Realize That It Is a Blood Infection and Can Be Permanently Relieved.

Rheumatism means that the blood has become saturated with uric acid poison.

It does not require medical advice to know that good health is absolutely dependent upon pure blood. When the muscles and joints become sore and drawn with rheumatism, it is not a wise thing to take a little salve and by rubbing it on the sore spot, expect to get rid of your rheumatism. You must go deeper than

that, down deep into the blood, where the poison lurks, and which is not affected by salves and ointments. It is important that you rid yourself of this terrible disease before it gets too far. S. S. S. is the blood cleanser that has stood the test of time, having been in constant use for more than fifty years. It will do for you what it has done for thousands of others. S. S. S. is guaranteed purely vegetable, it will do the work and not harm the most delicate stomach.

## The Aftermath of Flu

This is No. 1 of a series of advertisements, prepared by a competent physician, explaining how certain diseases which attack the air passages—such as Pneumonia, Influenza, Whooping Cough, Measles or even a long continued Cold—often leave these organs in an inflamed, congested state, thus affording a favorable foothold for invading germs. And how Vick's VapoRub may be of value in this condition.

Your doctor will impress upon you that following recovery from the active stage of influenza, there often remains an inflamed, congested condition of the air passages—throat, larynx, bronchial tubes and lungs.

Frequently the cough hangs on—soreness of the chest persists—you take cold easily and there may be obstinate catarrh. This condition is slow to clear up and if neglected may favor the development of pneumonia, or later on, serious disease of the lungs.

Such cases should continue under the care of their physician—should exercise moderately in the open air—eat plenty of wholesome food—avoid overwork and sudden chills.

Nightly applications of Vick's VapoRub may help nature to complete the process of repair. Because Vick's acts locally by stimulation thru the skin to

draw out the inflammation, attract the blood away from the congested spots and relieve the cough. In addition, the medicinal ingredients of Vick's are vaporized by the body heat. These vapors are breathed in all night long, thus bringing the medication to bear directly upon the inflamed areas.

Vicks should be rubbed in over the throat and chest until the skin is red—then spread on thickly and covered with hot flannel cloths. Leave the clothing loose around the neck and the bed clothes arranged in the form of a funnel so the vapors arising may be freely inhaled. If the cough is annoying, swallow a small bit of Vicks the size of a pea.

Samples to new users will be sent free on request to the Vick Chemical Company, 231 Broad Street, Greensboro, N. C.
