

MONDAY CLUB IN BIRTHDAY FROLIC

Charter Members Respond to Toasts During Program.

A huge birthday cake which was cut into seventy-two pieces was the feature of the silver anniversary luncheon of the Monday club held in the Rainbow room of the Severin hotel today.

Chairs of pink and white carnations were used in decorating the small tables with the "twenty-five candlepower" cake lighted in the center of the speakers table.

Mrs. J. F. Edwards, president of the club, presided.

The scheme for the toasts was the Monday club as a young girl. Charter members of the organization responded.

Mrs. Edwards opened the program with a few words of greeting and introduced the first speaker, Mrs. B. J. Robinson, whose topic was "The House Where She Was Born."

She told of the early days of the club, its founding and first meetings.

Mrs. Jean McCormick sang "Long Long Ago" after the talk.

Mrs. E. J. Clark talked on "Incidents of Her Early Childhood." Following her toast, Mrs. McCormick sang "I Did Not Know" (Vanderpool) and "The Glow of Spring" (Bungee), and "Apple Blossoms" (Kelle).

Mrs. H. B. Long of Cleveland gave the third response, "Her Hopes and Aspirations."

Miss Margaret Seegmiller played a group of violin selections, including "The Old Refrain" (Kreisler), "Serenade" (Drdia) and "Serenade" (Pielne). She responded to an encore playing "Loin du Bal" (Gillet).

Mrs. Edward Fenger talked on "Her Social Ambition," telling of the club's growth up to the present day.

The final musical numbers were songs with violin obligatos by Miss McCormick and Miss Seegmiller. They included "For You Alone" (Gehl), "Values" (Vanderpool) and "An Irish Folk Song" (Foots). Terry's "Southern Lullaby" was used as an encore.

Mrs. Edwards brought the formal program to a close, asking the members to all join hands and sing "Auld Lang Syne."

Out-of-town guests included Mrs. M. P. Johnson and Miss Margaret Fullenwider of San Diego, Cal.; Mrs. Harry Wade and Mrs. W. G. Oliver, first treasurer of the club, of Franklin.

Mrs. Henry Martin Wallick was in charge of the arrangements, assisted by

Sheer White Goods for Cotton Frocks

How much should I give to make this a better world?

A BUSINESS man filled out his income tax report.

It showed an income so large that his tax was 53%. And his total gifts to church and charity for the year were \$148.

Think of it—thousands spent for luxuries and pleasure for himself; and \$148 to leave the world a little better than he found it!

Most of us do better than that; but not so very much better.

Our average daily gift for all church causes is—
—less than we spend for daily papers
—less than a local telephone call
—less than a third of the day's car fare
—less than 3 cents a day

No wonder that 80% of the ministers of America are paid less than \$20 a week. No wonder that the church hospitals turn away thousands of sick people a year. No wonder that China has only one doctor for every 400,000 people. No wonder that every church board and charity society is forever meeting deficits, forever passing the hat.

It isn't because we are selfish; it isn't because we don't want to help. It's just because no one has ever put up a great big program to us, and asked us to think of the work of the church in a systematic businesslike way.

The Interchurch World Movement represents the united program of thirty great denominations. They have surveyed their whole task; no business could have done it better.

They have budgeted their needs; no business could have a more scientific budget. They have united to prevent the possibility of waste and duplication. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

And they come to the men and women who love America—to you—this week, asking you to use them as the channel through which a certain definite part of your income can be applied to make this a better world.

Only you can determine what part of your income that should be. The chart printed here is intended merely as a suggestion; it represents a scale of giving of 6%—or less.

Six per cent of your earning power; 15/16ths of your life for your own family needs, and 1/16th for your fellow men—is that more than you ought to give?

It's a good time right now to answer that question. We're passing through the world just once; how much better is the world going to be because you passed through?
