

## O. P. CONTROL IN VOTERS' HANDS

(Continued From Page One.)

al the republican nomination for governor.

The fight between Warren T. McCray, with an enormous McCray organization, and J. W. Fessler, with the party's official organization, is going to be so close that Marion county's vote will decide it.

Fessler will carry Marion county, but McCray will receive so many votes in Fessler's home city that he will not be greatly harmed by Fessler's local victory.

Neither will he win enough votes to clinch the nomination in the primary with E. C. Toner in the race and the republican convention will eventually nominate McCray.

McCray will profit by the fight which has been made on behalf of the Leonard Wood presidential boom.

This boom was inflated by the Indianapolis News and a group of republicans who were struggling to retain their hold on the party and had control of the state and Marion county organization.

They have measured their whole strength, fired all their ammunition and found that their campaign is a failure.

As a result of their struggle they have learned what was known as the Watson effect of the party, and which included the greater part of the party, to get busy to protect itself.

The Watson, or regular republicans, have put on their fighting clothes and propose to demonstrate in the last week of the primary that they constitute the republican party of Indiana.

They will demonstrate it by placing Wood in third place in the primaries, by rolling up a vote for McCray that will insure him the republican nomination for governor, and by defeating the Jewett-Goodrich organization in Marion county.

The word has gone down the line from the real leaders of the republican party in Indiana to divide support between Hiram Johnson and Gov. Lowden of Illinois.

Johnson will get a large vote in the state, regardless of what the party leaders do, and Lowden will receive almost as much.

The result will be that Johnson and Lowden will run neck and neck in the primaries, Wood will be third and Harding will almost fade from remembrance.

**WATSON MAY BE G. O. P. DARK HORSE.**

When the convention meets it will be found that none of the presidential candidates has a sufficient following to elect delegates to the Chicago convention, and the convention will then name such delegates as are supposed to be a "dark horse" when it is necessary, and that dark horse will be James E. Watson of Indiana.

In the meanwhile there will be much talk about making Lowden the nominee at Chicago.

The same branch of the party that is in control of the state delegates in reference to electing national delegates will see that McCray is nominated for governor, regardless of the Fessler sentiment.

Fessler is essentially the candidate of the same interests that are supporting Wood and now taking a whipping for their presumption in attempting to control the party.

The "anti-organization" crowd in Marion county will be needed by the regulars to show that Fessler is not even a strong candidate in his own home. Therefore the anti will be helped by the regulars in Marion county, in their effort to eliminate the Goodrich-Jewett-News machine.

With the primary over, the close harmony that has so long existed between the state administration under Goodrich, the county and city administration under Jewett and the News crowd will be broken.

Without the co-ordinated efforts of these three factions the republicans can not carry Marion county. Without carrying Marion county they can not win the state. Therefore it is evident that for the Indiana democracy

## BOWLING

### HEBBLE TAKES SINGLES LEAD

FT. WAYNE, Ind., April 26.—In the state bowling tournament Saturday night the Hoosier Oil Company team of Indianapolis, with a score of 2,810, took second place in the five-man event.

The Graber five of Indianapolis hit 2,713 pins, which put them in seventh place.

A new leader heads the singles today. C. Hebble of Indianapolis taking the top of the list yesterday by spilling 630 pins.

J. Klingman of Indianapolis knocked over 630 for fourth place and H. Beckman of Indianapolis went in sixth position with 624.

The standings:

Lincoln Lites, Ft. Wayne..... 2,993  
Hoosier Oil Five, Indianapolis..... 2,810  
Starter Clear, Ft. Wayne..... 2,790  
Berry Buffet, Ft. Wayne..... 2,777  
Pastime Five, Ft. Wayne..... 2,777  
Spartan Lunch, Kokomo..... 2,742

DOUBLES:

Kraft-Zuchner, Ft. Wayne..... 1,288  
Doehman-F. Funn, Ft. Wayne..... 1,156  
Kelly-C. Carr, Ft. Wayne..... 1,176  
Beckman-Farmer, Indianapolis..... 1,168  
Coval-Kirkhof, Indianapolis..... 1,163

SINGLES:

Hebble, Indianapolis..... 630  
Meyer, Indianapolis..... 625

E. Meyer, Indianapolis..... 1,588  
S. Farman, Ft. Wayne..... 1,593  
E. Kraft, Ft. Wayne..... 1,770

### HURT ALL OVER COULDN'T SLEEP

Suffered So Much and So Long, Indiana Lady Became Discouraged, and at Times Cared Little to Live.

Leavenworth, Ind.—Mrs. Hannah Peru of this town writes: "About six years ago I began the use of Cardui for female weakness. I suffered such fearful bearing-down pains at . . . It seemed like something was just pressing on the top of my head and it burned like fire. I was indeed a nervous wreck.

"For four years I couldn't do my housework. I was in bed most of the time. . . . I got so discouraged, and at times I wanted to die. I was in so much pain. At times I hurt all over. . . . At night I was restless and couldn't sleep. I had no appetite, in fact was a misery to myself and every one else.

"I continued in this condition until finally I began Cardui. . . . Took Cardui regularly until I took a number of bottles. It cured me. I can not say too much for this treatment, and highly recommend it to others."

For more than forty years Cardui has proven beneficial to suffering women.

## \$3,000 More for the Winner of Coming 500-Mile Auto Race

As a side dish for the \$50,000 prize entree, the American Bosch Magneto Corporation, Springfield, Mass., has posted a \$3,000 cash prize to go to the winner of the 500-mile International Sweepstakes to be held at the Indianapolis Motor Speedway, May 31.

Additional cash prizes will be awarded by the Bosch firm for second and third places, \$500 going to the second man under the wire and \$250 to the third.

These prizes are given to encourage drivers to enter the Speedway race because of wonderful developments that are fostered as a direct result of the grueling 500-mile attack on every part of a machine.

Automobile progress has been blazed on the Indianapolis race course.

The experiment of today, by virtue of its success at Indianapolis, has become the engineering laws of tomorrow.

The world owes a debt to the Indianapolis institution for the rapid advancement of automobile and airplane construction that is fostered, a development in which the 1920 race, by virtue of the new set of conditions that it imposes, is expected to open a new era, looking to the perfection of the now and yet undiscovered lightweight cars of the future.

Peter DePalma, nephew and riding mechanic of Ralph DePalma, arrived in Indianapolis yesterday to complete arrangements for Ralph in the next Speedway race.

DePalma served eight months with the American flying corps, but was unsuccessful in getting overseas.

He has ridden with DePalma in recent meets.

### STOMACH SO BAD SHE HAD LOST ALL HOPE

Suffered agony for 8 years, and then got well in a hurry.

"I suffered from stomach trouble for 8 years—had acute indigestion for 4 years. All that time I have not slept a wink before 2 in the morning, and lived on milk and soup. My stomach was one solid sore.

"Doctors said I had catarrh and neuritis of the stomach, also female trouble for which I needed an operation. I was nothing but a living skeleton and had given up hope.

"Then my husband brought home a bottle of Milk's Emulsion. From the second dose, I began eating, and now, after 10 bottles, I eat anything I want. I haven't had a pain in my stomach since the first dose, and my female trouble has fast disappearing."—Mattie Cartwright, Tyler, Texas.

The blessed relief which Milk's Emulsion gives in stomach trouble is only part of its good work. The benefit is both prompt and lasting. It costs nothing to try.

Milk's Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. It helps build flesh and strength and is a powerful aid in relieving and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milk's Emulsion under this guarantee—Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60¢ and \$1.20 per bottle. The Milk's Emulsion Co., Terre Haute, Ind. Sold by druggists everywhere.—Advertisement.

## Wabash Relay Stars Cop Two-Mile Event; Speedy Time Made in Big Meet.

DES MOINES, Ia., April 26.—Fast time was made in nearly all Drake relay events Saturday.

In the two-mile college event, Wabash topped first place, with Brown, Eastlack, Manley and Gutofson doing the work. Cornell college was second and Carleton third.

Notre Dame finished third in the one-mile university class. Illinois won the event. The Notre Dame runners were Hoar, Merceth, Kasper and Meehan.

Iowa State won the two-mile university relay in 7:53.1-5, which is one-fifth more than the world record.

Higgins, one of the Iowa men, stumbled over the curbing and lost a fraction of a second in that race.

Schools of Missouri again was winner of the 100-yard dash, his time being 10:4-5, the same in which he made it when he won this race two years ago.

Illinois won the second section of the one-mile university in 3:21.1-5, the former record being 3:21.4-5. Illinois also took the four-mile university.

Cedar Rapids, Ia., clipped one second off the best time of the meets here for the two-mile high school by winning in 8:33.4-5.

The same school also reduced the previous record for the high school relay by finishing in 6:51.3-5. The old record was 6:56 in 1916.

## AMATEURS

Two victories were turned in by the Christiansburg team yesterday. The Cubs defeated the Marion Ramblers and the Juniors hung a kayo wallop on the dreams of the Military Juniors, both scores being 1 to 0. Clayton Rae stole home for the only tally in the first game, while Durant stole third and came home on an overthrow in the Junior scrap.

Playing the kind of ball that cops state independent championships, the Indianapolis Merits defeated the Crawfordville Eagles, 4 to 0, at Crawfordville yesterday. It was the opening game of the season for the Indianapolis crew.

Players are needed for a team that is to be organized this week to play in the fastest company. For information call Circle 658 and ask for Robert.

The St. Phillip boys won their third straight game yesterday, defeating the Rhodius A. C. 13 to 0, in a game featured by the pitching of Shays.

"As challengers, the Militaries are university graduates, but as ball players, they make grade school boys." So says Jack Massing, manager of the Indianapolis Tigers, 8-to-0 victors over the west stars in a slow game at Riverside diamond No. 1 yesterday afternoon. The Tigers potted the apple to all corners of the lot and Ettman lowered the curtain with a circuit crash.

## THE BASEMENT STORE

Again The Basement Store Starts  
Something—A Sale of

# New Silk Dresses

For Women and Misses

Sale Price

# \$16.75

Before our saleswomen were informed of the sale price we asked them to express frank, unbiased opinions of the values of these dresses. The lowest quotation received was \$25—the majority said they "looked like \$30 dresses."

When we explained that the dresses would be \$16.75 they thought we were joking. Their amazement was evident.

They were bought a week ago from a maker who devotes himself exclusively to dresses of the finer kinds—rushed in by parcel post.

Imagine a fine Georgette crepe dress with drop silk bodice and underslip, elaborately beaded, at \$16.75—or dresses of good, firm taffeta in the season's most approved fashions—at the same price.

Many are bead trimmed and hand embroidered—some have touches of finest embroidery—on many are ruffled and pleated collars of same material or embroidery. Every dress is a copy or an adaptation of a highly favored costly original.

If you really knew the kind of values these are, you'd set aside household duties for the moment and make it a point to be in The Basement Store when the doors opened. Sale price, \$16.75.

MATERIALS—			
Taffetas	Messalines	And combinations of these materials.	
Georgettes	Satins		
COLORS—			
Navy	Plum	Silver	Seal brown
Copenhagen	Taupe	Bisque	Nickel
Black	Flesh	White	Burgundy
	Sand	Myrtle green	Gingham checks
Overdrape styles. Ruffled skirt models.		Bouffant hip dresses. Long or short sleeve models.	

Styles for the miss—14 to 20 years.

Styles for women—38 to 46.
