

TERS REPEATS  
STRIKE CHARGEgain Says William G. Lee  
Was Sponsor.

An assertion that William G. Lee, President of the Brotherhood of Railway Trainmen, encouraged the present "outlaw" strike, was reiterated today Frank J. Peters, president of the Indianapolis Yardmen's association.

Peters declared that Vice President Bannon of the B. of R. T. advised the men to "call the bull by the horns" in the course of a speech at brotherhood headquarters in the Saks building here last January.

Marked improvement in freight handling facilities in local railroad yards was reported by officials today.

The Big Four moved the heaviest vol-

Seventy-one trains, including 3,133 loaded cars, were moved in and out of the Indianapolis terminal of the road.

One hundred and twenty-two new switchmen have been employed by the Big Four, and other lines have hired as many men as are needed at this time, officials assert.

Coal Prices Not Due  
to Miners, He Says
