

STAGE BEAUTY DIES AS 'SPY'

Budapest Ballet Leader Shot
by Rumanians.

BUDAPEST, May 7.—Ira von Pernyl, the leader of the Budapest ballet, has, according to news received here from Transylvania, paid a tragic penalty for her beauty.

Mlle. Pernyl, acknowledged to be the most beautiful woman in Budapest, long resisted all overtures for her hand. Shortly after the departure of the Rumanians from Budapest after a stay of several months, she was reported "missing."

It was rumored that a high officer on the staff of Gen. Maderescu had been fortunate enough to capture the heart of the capricious dancer.

A short paragraph in a Rumanian newspaper recently announced her death for spying against Rumania.

Mlle. Pernyl had apparently excited the envy and hatred of the Rumanian women, for from a letter she wrote to a friend before her death she declared she was the victim of a hideous plot, and that incriminating documents had been placed in her baggage, which formed so powerful an indictment against her that even her friendship with Gen. Maderescu's staff officer availed her nothing.

General resentment against the Rumanians is felt in Budapest, as Mlle. Pernyl was a universal favorite.

Schools to Compete for Parade Prizes

Five cash prizes will be given for the best floats entered by the schools of Indianapolis in the centennial parade, to be held Monday night, June 7, commemorating the 100th anniversary of the city.

The first prize will be \$100, the second, \$50, and three prizes of \$25 each will be given. The contest is open to the schools only, however, and every school is urged to enter a float.

From fifty to sixty symbolical floats will be entered by the schools. It is believed.
