FOUND CARDUI GREAT BENEFIT

South Carolina Lady Suffered Until She Couldn't Stay Up or Go Anywhere. Tells How Cardui Helped Her Get Well.

Batesburg, S. C.—In telling how she found relief from troubles that had caused her much suffering, Mrs. E. E. Oswalt of this place, says: "Each month I would begin to suffer with my back and head. My limbs would ache and I would chill. I wouldn't be able to stay up, no matter what I wanted to do, or where I wanted to go. My people tried giving me different medicines and teas and tonics, yet I didn't get any better.

"Some one told me of Cardui, and trouble at this time. I have taken it helped me. I kept it up. After a few months I didn't have any trouble. For about six months I used it, before . . .

"I found I was all right, and from that day to this have never had any trouble at this time. I have taken it since, a bottle or two in the winter, especially when I have been exposed, and would take a cold, for I consider it the best thing a woman can take to tone up the system, keep off nervousness, and increase the appetite. I certainly know it has been of great benefit to me."

If you are weak, nervous, or suffer from womanly troubles such as Mrs. Oswalt mentions, take Cardui, the Woman's Tonic.

For the Thin and Bloodless!

The thin and bloodless, with pale cheeks, white lips and frail angular physique, of this community have been much interested in the reports of physicians and others concerning the effectiveness of the treatment for increasing the red and white corpuscles of the blood, thus adding color and weight with its accompanying vigor to the depleted system. A gain of from 10 to 30 pounds is not at all unusual where the treatment is regularly used for several months, while the color improves almost from the beginning. Most good apothecaries supply it in the form of three-grain hypo-nuclane tablets, put up in sealed packets with directions for home use. Its action aids assimilation and absorption of the food eaten very promptly.—Advertisement.

Rupture Kills 7,000 Annually

Seven thousand persons each year are laid away—the burial certificate being marked "Rupture." Why? Because the unfortunate ones had neglected themselves or had been merely taking care of the sign (swelling) of the affliction and paying no attention to the cause. What are you doing? Are you neglecting yourself by wearing a truss, appliance, or whatever name you choose to call it? At best, the truss is only a makeshift—a false prop against a collapsing wall—and cannot be expected to act as more than a mere mechanical support. The binding pressure retards blood circulation, thus robbing the weakened muscles of that which they need most—nourishment.

But science has found a way, and every truss sufferer in the land is invited to make a FREE test right in the privacy of their own home. The PLAPAO method is unquestionably the most scientific, logical and successful self-treatment for rupture the world has ever known.

The PLAPAO PAD when adhering closely to the body can not possibly slip or shift out of place, therefore, cannot chafe or pinch. Soft as velvet—easy to apply—inexpensive. To be used whilst you work and whilst you sleep. No straps, buckles or springs attached.

Learn how to close the hernial opening as nature intended so the rupture CAN'T come down. Send your name today to PLAPAO CO., Block 673, St. Louis, Mo., for FREE trial Plapao and the information necessary.—Advertisement.

DOESN'T NEED ANY LAXATIVES NOW

Mr. Becker says life is a joy, without constipation or stomach trouble.

"I had catarrh of the stomach and head for three years. My stomach was so bad that every time I ate anything sweet, such as fruit or pastry, the burning hot water would run out of my mouth. I took a laxative every night.

"Since taking Milks Emulsion, my bowels move regularly. I have now taken ten bottles and have gained 10½ pounds. All my friends remark how fine I am looking, and it seems a pleasure to live again, without stomach trouble."—Bert Becker, Miami, Ohio.

Physics usually make slaves out of their users, and weaken the bowels instead of correcting them. Stomach trouble in many cases is directly due to constipation.

Milks Emulsion is a pleasant, nutritive food and a corrective medicine. It restores healthy, natural bowel action, doing away with all need of pills and physics. It promotes appetite and quickly puts the digestive organs in shape to assimilate food. As a builder of flesh and strength, Milks Emulsion is strongly recommended to those whom sickness has weakened, and is a powerful aid in resisting and repairing the effects of wasting diseases. Chronic stomach trouble and constipation are promptly relieved—usually in one day.

This is the only solid emulsion made, and so palatable that it is eaten with a spoon like ice cream. Truly wonderful for weak, sickly children.

No matter how severe your case, you are urged to try Milks Emulsion under this guarantee. Take six bottles home with you, use it according to directions and if not satisfied with the results, your money will be promptly refunded. Price 60c and \$1.20 per bottle. BABY NAMED LYDIA E.

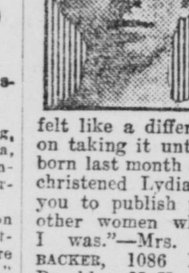
Because Her Mother Was Made Well by Lydia E. Pinkham's Vegetable Compound.

Brooklyn, N. Y.—"I could not write all my thanks for your blessed medicine, Lydia E. Pinkham's Vegetable Compound. I was in a very bad condition and had lost two babies. One of my good friends told me about Lydia E. Pinkham's Vegetable Compound and after I had taken eight or ten bottles I felt like a different woman. I kept on taking it until my baby girl was born last month and we have had her christened Lydia Elizabeth. I wish you to publish my letter to benefit other women who are suffering as I was."—Mrs. KATHERINE KURZBACKER, 1086 Manhattan Avenue, Brooklyn, N. Y.



Women who suffer from any feminine ailment should not lose hope until they have tried Lydia E. Pinkham's Vegetable Compound.

The many convincing testimonials constantly published in the newspapers ought to be proof enough for women who suffer from those distressing ills peculiar to their sex that Lydia E. Pinkham's Vegetable Compound is the medicine they need.

MILLIONS ARE NEAR THE BRINK OF RUIN AND DON'T KNOW IT, HE SAYS

Indianapolis has a vast multitude on physical and mental brink of ruin—What is being done to bring relief to sufferers—Many men and women give their testimony.

SAY THEY ARE AMAZED AT WONDERFUL RESULTS.

Mrs. Sallie King wants the world to know how she was quickly relieved of stomach trouble. John Bassinger says: "Your grand medicine has made me well and strong again."

"IT WORKS WONDERS—NEIGHBORHOOD SURPRISED."

"Physically and mentally on the brink of ruin, there are few sufferers who would not give anything they possess to live their lives over again in health and strength," declared a well-known authority on health and hygiene in a recent interview.

This place is full of half-sick people. Those who have good health should appreciate it—the others did not, and there is not one of them but in common sense would warn you against the danger of neglect.

It is mostly stomach trouble that is making this a place full of sick people—stomach trouble, its complications, and the many forms of kidney, liver, blood and bowel disorders that come mostly from stomach trouble.

Neglect of the first symptoms of stomach trouble brings on more ill health and vicious diseases; the uneasy feeling after eating, gas belching, undigested food in the stomach, constipation, dizziness, spots before the eyes, shortness of breath and many other little disorders may all be warning signals that something is wrong and will get worse unless attended to in time.

But there is good cheer and hope in the news that there has been introduced here a new root and herb medicine that is being pronounced a boon to all sufferers from stomach neglect. This wonderful natural medicine is called Dreco and is now being distributed at Claypool Drug Company.

No matter how slight or long-standing the case may be, no matter what kidney, liver, rheumatic or catarrhal complications may have set in, Dreco is promised to pave the way for quick recovery and return to health, strength and happiness.

Life Was A Constant Misery

"Life was a constant misery to me on account of stomach trouble, headaches and constipation," says Mr. Geo. M. Neal of 57 Portland avenue, Dayton, O., in a signed statement. "I suffered terrible pains in my side, and the muscles in my back seemed drawn up. My liver was sluggish and spots floated before my eyes; I felt that every one should know about this wonderful medicine, Dreco, which has relieved all my troubles."

Gains 11 Pounds in Two Weeks.

Mr. Chas. Stephens, the well-known carpenter of 204 South Grant street, Columbus, O., says: "As bad as I need the money, I wouldn't take \$1,000 for what Dreco has done for me. My back ached so bad it felt like some one was jabbing a knife into me; I couldn't sleep for the awful pains I had; if any one had slapped me on the back I would have fainted, but tonight I am a well and strong man again and I owe it all to Dreco. It's wonderful what Dreco has done. There was a time I couldn't sleep at all, but now I sleep so sound I don't hear the whistle blow in the morning. Why I gained 11 pounds in two weeks, and I want to tell every one about this wonderful medicine.

It's a Godsend To Us.

Mr. William Stamm of the Davis Sewing Machine Works, Dayton, O., says: "Your medicine, Dreco, has been a Godsend to me and my wife. We have both been great sufferers from stomach trouble, indigestion, constipation, nervousness and a sluggish liver. No medicine we ever took helped us, but Dreco went direct to the seat of the trouble and relieved us completely."

Dreco Within the Reach of All.

There are just a few cases selected at random from the mass of signed testimonials received from scores of men and women in all walks of life. Who is there can doubt the plain, straightforward statements of these people?

Dreco is not an expensive medicine. It is easy to get, easy to take and remarkably quick in it's action.

Mr. Williamson, the well-known Dreco expert, has headquarters at the Claypool Drug Co., to meet the local public and explain the merits of this great remedy. See him today.—Advertisement.

SAYS TREAD OF MIGHTY PERSHING ARMY WOULDN'T EXCITE HER NOW

"I Wouldn't Praise Trutona If I Didn't Know Its Merits," Experienced Nurse Asserts

MRS. JULIA CRYER.

A STRIKING feature of the scores of testimonials given daily in behalf of Trutona, is the number that come from doctors and nurses, many of whom have heretofore been disinclined to publicly indorse any preparation.

Mrs. Julia Cryer, a Muncie nurse who lives at 1523 South Franklin street, in her twenty years of experience has become familiar with the merits of many medicines and the fact that she thinks Trutona the best of them all is certainly a tribute to the merit of the Perfect Tonic.

"I'd never recommend Trutona to the hundreds who know me if I wasn't thoroughly convinced of its merit," Mrs. Cryer said recently, "but I know the medicine is worthy of my recommendation.

"I began using Trutona after I had suffered for ten years from indigestion. I had previously tried numberless medicines, but none of them helped me. Gas would form in my stomach after meals and I'd always feel bloated. I had to take a laxative every day or so.

"I could tell Trutona was helping me after the first few doses. Now, no matter what I eat I'm not bothered with the gas formations or bloating and I don't have to use laxatives any more. My kidneys have ceased to bother me at night, too.

"I have been nursing the sick for the past twenty years and I know the effect of a medicine on a person. By this fact, I know I'm safe in recommending Trutona to my hundreds of friends."—Advertisement.

LOCAL WOMAN'S NERVES STEADY; THANKS TRUTONA

Mrs. Herman Declares Tonic Proved Only Medicine to Reach Her Troubles.

BETTER EVERY WAY

"Before I took Trutona I was so nervous that if any one stepped up on the porch I would jump and my heart would flutter, but I don't believe it would excite me now if Pershing's army were to walk up on the porch," Mrs. Myrtle Herman, wife of a car inspector for the I. U. T. Co., and well-known Indianapolis woman who lives at 831 South Chadwick street, declared recently.

"I had tried so many different medicines without getting any relief from my indigestion and nervousness that I was skeptical about any preparation," she continued. "Everything I ate seemed to sour in my stomach and I would belch up such bitter, sour stuff after meals. I was annoyed by heartburn all the time and I was very constipated. In fact, I was in a terrible condition when I began using Trutona.

"Trutona has proved to be the one medicine that would reach my case and I simply feel like a new woman in every respect since taking it. I'm not one bit nervous now, and I can eat just anything without suffering the former bad after effects. I have some appetite, too. Why, I eat like I never did before. My bowels act as regularly as clockwork now. I sleep like a log all night long, also.

"Yes, I can heartily recommend this medicine Trutona to every one who suffers as I did."—Advertisement.

ENGINEER'S WIFE SUBMITS OPINION TO HELP OTHERS

"Trutona's the Best Tonic I've Ever Used," Asserts Mrs. Barckdall.

Mrs. B. P. Barckdall, whose husband is an engineer for the Merchants Heat and Electric Company, and who lives at 2640 Ethel avenue, is a well-known Indianapolis woman and it is safe to say that she has scores of local friends who will be interested in what she has to say about Trutona, the Perfect Tonic, and the relief she gained through its use.

"I had suffered for several years from constipation and lately my system generally has been run down," Mrs. Barckdall told the Trutona representative. "My appetite was so poor that I'd sometimes go all day without eating anything. I seemed to have no ambition at all. Well, I tried different medicines, but nothing seemed to give me any permanent relief until I began using Trutona.

"But Trutona—well, with the first few doses of the medicine I started to improve, and now my bowels are more regular than they've been for several years. I eat as I never did before, and what is more, I thoroughly enjoy my meals. I can do twice as much work in a day now as I could before taking Trutona.

'The last time my husband went to the drug store they tried to sell him a different preparation, but he would buy nothing but Trutona, because he knew how much good it was doing me. I can highly recommend Trutona as the best tonic I've ever taken."—Advertisement.

COFFEY STREET BLACKSMITH HAS WORD OF PRAISE

Cliff Lauds Trutona as Only Medicine That Removed Cause of Troubles.

"Trutona is the only medicine I have ever taken that got down to the root of my trouble and removed the cause," Andy Cliff, an Indianapolis blacksmith, who lives at 637 Coffey street, told the Trutona representative recently.

"For several years I had suffered with chronic constipation," he continued. "My bowels would never act without the aid of a laxative. There seemed to be a lump of lead in my lower bowels—it felt that way, at least. My appetite was very poor and I didn't enjoy anything I ate.

"I decided to try Trutona after it had been recommended to me as a medicine particularly designed to overcome stomach troubles. It's almost hard to believe but my bowels act as regularly as a clock now. And I eat like a man should eat nowadays. What is more, I thoroughly enjoy my meals. I'm never bothered with the heavy, lumpy feeling in my stomach any more.

"Yes, sir, I'm glad to recommend Trutona to Indianapolis people."—Advertisement.

WIFE IS FINDING IT DIFFICULT TO MEET DEMANDS

Mrs. Rice Can Hardly Cook Enough for Mate Since He's Taken Trutona.

Mrs. John Rice, local woman of 525 Kentucky avenue, is having a hard time to cook enough to satisfy her husband's appetite, since he's taken Trutona, according to her following statement made recently.

"Yes, I can't cook enough for him since he's taken this medicine, it seems," Mrs. Rice said. "For several years Mr. Rice had been bothered with nervousness and constipation. If anyone happened to address him abruptly or sharply he would become very excited and the least noise caused him to jump. Of late my husband's appetite had failed him and he just had to force down the little he ate. Mr. Rice couldn't gain strength, although he tried different medicines and he was just 'dragging along' when he began using Trutona.

"Mr. Rice declares now that it's a pleasure to him to recommend such a medicine as Trutona. He's not one bit nervous now and he says his bowels are more regular than they've been since he can remember. And his appetite—well, I said I couldn't cook enough for him to eat. The food strengthens him now, also and he's able to do a real man's work without trouble. My husband is glad to recommend Trutona to suffering Indianapolis people."—Advertisement.
