DOG HILL PARAGRAPHS

The driver of the bread wagon for the Tickville bakery is laid up this week on account of injuries sustained while he was handling some bread and a loaf accidentally dropped on his foot.

Sidney Hocks, whose engagement last week was rumored to a young lady near Bounding Billows, states that he has nothing definite yet to give out for publication, as he lacks nine more dollars of having enough to get the ring.

Sick Teeth Often Cause Eye,
Ear and Nose Trouble

It is frequently the case that the eye, ear and nose specialist will refer a patient to the dentist. Diseased or decayed and ulcerated teeth disturb and disorder all the surrounding nerve area.

By the use of the X-ray machine, which is part of the equipment of this office, we are able to bring to light troubles that would not otherwise be properly treated. The prices are low.
