

WHEN A GIRL MARRIES
A New Serial of Young Married Life

By ANN LISLE

CHAPTER XLVII.

Up until then Jim had been listening very seriously, but now his sternness was broken. With real amusement he reached down into one of his many pockets and fished up half a dozen little keys on a silver ring.

"Betty's! By Jove, I have them yet! I'm beginning to see just how you came to land here."

In my happiness and relief I actually forgot all about the sharp knife in the pocket and said that my hidden in the carved chest where I had thrust it. Then I glanced at the clock and gasped—my mind was sidetracked from everything but my preparations for dinner.

When Mr. Mason came Jim greeted him with an air too elaborately polite to indicate his real feelings but the two old men exchanged friendliness toward each other under the benevolent influence of dinner. Jim boasted that I was the only bride on record who was a good cook.

Over the coffee Tom Mason made a little effort to investigate our future plans.

"Going to get a job inspecting one of the ordnance plants, Jim?" he asked.

"I'm looking around—for a job. Don't just know what I will do," said Jim with truthfulness that managed to hide the real truth.

"Well, old man, I'll give you a berth in my office if you decide to leave Uncle Sam," said Mr. Mason.

It was so sincere that Jim kindled Jim to actual friendliness.

"I don't know the real estate game, Tom—but you're a bully sort to offer!"

We were interrupted by the doorknob. Jim answered, took an envelope from a uniformed man at the door and then vanished abruptly into the bedroom.

Tom Mason leaned forward and whispered confidentially:

"Say, little lady, it's great to be friends with Jimmie again. I told you he'd like this little place—like your coming here. Was the robe a success?"

He laid his hand upon my shoulder, but I shook it off, arose and faced him.

"I haven't told—Jim hasn't seen it yet!" I said in a low voice.

A quizzical smile flashed into Tom Mason's face:

"Oh, So it's a secret. Our secret!"

He gazed eagerly and followed, his eyes kindling.

"I'll get it for you now," I declared.

Your Hard Working Heart

LAST NIGHT'S DREAMS
—WHAT THEY MEAN—

Did you dream of hotels?

The consensus of opinion among the oracles appears to be that such a dream foretells departure on a journey before long and that it is an omen of a life of repose and competency.

A country tavern is not looked upon with as much favor as a hotel in town or at seaside resorts, as to dream of being in a tavern signifies a danger of losses if you do not look well after your business.

Some say that to dream you are living at a hotel means a life of mixed pleasure and pain—as most wives are.

Also some dream a long with suspicion upon a particularly handsome hotel, while others say such a dream denotes riches and much pleasant and profitable travel.

To dream of owning a hotel signifies you will meet with a great deal of success, brought about by your own efforts and intelligence.
