

## U. S. YOUTH MRS LOVE CALL

Dr. Carnot Declares Letters  
Pouring in on Him.

INDIANAPOLIS, June 2.—The male youth of America is answering the feminine call for France for husbands, Dr. Carnot of the University of Paris, who recently suggested an international marriage pool to relieve the shortage of French husbands, declares in the current number of the Paris Medical.

Dr. Carnot says he has received an avalanche of letters from every state in the American union.

"These letters have come from all social classes of Americans and all want to marry French girls," said Prof. Carnot today.

"I never thought that my proposal would bear such fruit, but the letters have come so rapidly and in such numbers that I believe tens of thousands of French girls will find happiness with American husbands."

"I now urge the formation of a committee of well known French women who are conversant with American customs, to co-operate with a similar committee in the United States to arrange the marriages."

"Many of the writers tell exactly what the brides they want."

The bulk of the letters are from the United States, but not a few come from Canada.

"All are apparently sincere and a large percentage say they are willing to be in France."

A pretty wedding of last night was that of Miss Eunice Chamberlin, daughter of Mr. and Mrs. Harry O. Chamberlin, 3015 Broadway, and Harold Harvey Hunter of Lawrence, Ind., which took place at the Second Presbyterian church.

Prof. Hansen, organist, played a program of bridal music.

Miss Marie Johnston, maid of honor, wore orchid corsage and carried roses of soft pastel shades.

Miss Ruth Derrin in blue and green and Miss Irma Ross, wearing pink, carried arm bouquets in the rainbow shades.

Maj. P. Harrison was best man.

The bride wore an ivory satin gown draped with point de esprit, fashioned with a court train. Her veil was arranged cap effect with orange blossoms. She carried a shower bouquet of roses and lilies of the valley.

Tall cathedral candelabras, palms and blooming plants formed the altar, chains of smilax forming the aisle.

Out-of-town guests included Mr. and Mrs. George Chamberlin of Minneapolis, J. W. Craig of Philadelphia, Mrs. P. M. McChesney and Miss Minna Chamberlin of Washington, D. C., and Miss Florence Robinson of Wawa, Pa.

Mr. and Mrs. Hunter will be at home after July 1 at 5015 Broadway.

Mr. and Mrs. Charles Stutz and Mr. and Mrs. Harry Stutz have gone to New York to attend the commencement exercises of Miss Emma Belle Stutz, who is graduating from Briarcliff Manor, N. Y., Dows school.

Mrs. Herman Wolfe of Chicago is the guest of her mother, Mrs. E. E. Flickinger, 2529 Broadway.

A feature of the Independent Social club anniversary party held at the home of Mrs. William Perkins yesterday afternoon, was the huge birthday cake lighted with fourteen tapers. Mrs. Perkins.

That Crust m-m-m!

"I DIDN'T know bread could be so good! That crust—m-m-m!"

Just you get some of that Long French bread, or a Jumbo Twist loaf, or a Big Vienna, or a Buster hearth-baked loaf from Porterfield's.

Then break or slice off a big piece and spread a lot o' butter on it, and my! but it's good.

FELT FAGGED,  
NO ACCOUNT

Result of Indigestion, Headache and Other Troubles—This Tennessee Lady Took Black-Draught and Found Relief.

Filmtville, Tenn.—Mrs. Addie Sanders, of this place, says: "I suffered from constipation a long time. This, of course, brought on sour stomach, indigestion and headaches. I felt fagged and no account."

"I started in taking Black-Draught. I found it was helping me. I continue to use it, and have for years. I don't know how to start to praise Theodor's Black-Draught."

"Today I am regular, no more constipation, headaches or indigestion. In fact, all I eat tastes sweet and good to me. . . . since my liver is cleansed by the use of Black-Draught."

"I am well and proud to make this statement of what Black-Draught has done for me."

Constipation often leads to serious disorders among those who do not understand its dangers, or who neglect to treat it without delay.

Theodor's Black-Draught is a medicine that every person should keep in the house, and use at the first sign of constipation, or torpid liver.

Theodor's Black-Draught liver medicine is right.

**The Autopiano**  
They Learned to Love  
Its Companionship "Over There"

**T**O MANY thousands of American boys who fought in battles that won the war in France, their first intimate introduction to music came through their contact with the Autopiano and Pianista in the canteens, rest-houses and huts established in Europe. It brought to them there the solace that only music can bring in times of strife and suffering. It lessened their hardships, whiled away their hours of weary waiting, stimulated their spirits and won their hearts forever.

The Autopiano today is first in peace as it was in war. Wherever veterans of the conflict meet it they hail it as a comrade of merry memories in field, in camp and in canteen.

An Autopiano in your home will be greeted with delight by every guest who saw service "over there" as well as by every one else who loves good music.

Prices and terms are moderate. Pianos taken in exchange.
