

ELWELL SLAYER SUSPECT TO BE ARRESTED SOON

Ring of Evidence Tightens
About Race Track Friend
of New Yorker.

HEAR TWO QUARRELED

NEW YORK, June 26.—An arrest in the Joseph Elwell murder mystery within twenty-four hours was predicted today by police.

The man suspected of firing the shot that killed Elwell is said to be one of his race track associates who is known to have quarreled with Elwell over his moral code.

The man is middle-aged and wealthy. The ring of evidence which entangled this race track associate in Elwell's mysterious murder began when the man contradicted himself while undergoing examination by detectives.

The suspect repeatedly denied all association with Elwell in recent months, although police had positive information they were frequent associates. Together, Mrs. Marie Laren, Elwell's housekeeper, also gave the police a clear link with this suspect with the murder.

She contradicted earlier statements by saying there were three sets of keys to Elwell's mystery home.

She said Elwell carried one set, she the second and the third she found on the mantle in the "death room" the morning Elwell was shot.

Police believe the murder suspect carried the third set of keys.

His arrest, it was said, hinges on an interview with a woman associate of Elwell.

This woman, it is hoped, will establish whether the murder was committed over a money quarrel or due to the "unwritten law."

WATER CO. ASKS STOCK INCREASE

Directors Authorize \$2,000,000
Issue of Preferred.

A petition of the Indianapolis Water Company asking authority to issue \$2,000,000 of 7 per cent preferred stock today is before the public service commission of Indiana.

The petition was submitted yesterday that the company may be reimbursed for improvements made between Nov. 1, 1918, to May 31 of this year.

Notice has been filed with Ed Jackson, secretary of state, of the increase in the capitalization of the company from \$5,000,000 to \$7,000,000.

Authorization of the issuance of \$2,000,000 of the preferred stock was made today at a meeting of the board of directors and stockholders of the company.

The sale of \$80,000 of the bonds for part of the improvement reimbursement was approved by the public service commission in an order issued in December, 1918.

Due to general financial conditions on the market it was found the company could sell the bonds only at prices which were ruinous to the company, and the sale was withheld.

The bonds in question were part of the company's \$180,000 of its 4 1/2 per cent first mortgage bonds, the sale of which was approved by the commission.

Permission is now sought by the company to cancel the entire order involving the \$180,000 bonds.

In the petition it was stated the bonds were to be returned to the Bankers Trust Company of New York and Albert Baker, trustee, for destruction.

Almost \$300,000 was spent by the company in making improvements and betterments during the nineteen months preceding May 31 of this year.

Salvage from the sale of abandoned equipment amounted to \$2,167.90.

Among the principal items included in the betterment of the system are the following: Steam power pumping equipment, \$82,443.39; distribution mains, \$69,727.53; engineering expense during construction, \$28,856.67; and land at source of water supply, \$11,520.54.

You'll Have to Write Your Own Head Here!

CHICAGO, June 26.—Charles Voss today was the brother-in-law of his own brother and trying to get his head straight. He stood with his new mother-in-law, who was his stepmother.

Charles H. Voss, oldest stepson of Mrs. Charles Pore Voss, married her youngest daughter, Mrs. Pore, sister of her second stepson, J. Walter Voss, married her oldest daughter, Margaret T. Pore.

Mrs. Pore-Voss said today she and her husband had hoped their second and third marriages would intermarry, but never had mentioned it to the children.

The marriages, she said, were a surprise to her.

Baptists' Approval on \$900,000 Budget

BUFFALO, N. Y., June 26.—The Northern Baptist convention meeting here today adopted without opposition the program of the board of promotion.

The budget for \$900,000 for the board's work for the coming year was adopted. A resolution authorizing the assumption of debt by the convention amounting to \$750,000, which the board already has been forced to borrow, and of credit up to \$3,000,000, should borrowing become necessary, also was approved.

Approval also was given to a budget of upward of \$100,000 to carry on the work of the various societies and boards of the convention for the coming year.

Four Young Men Rob Batesville Grocer

BATESVILLE, Ind., June 26.—Four young men in a big automobile on which there were no license plates appeared in Batesville today and held up and robbed Albert Sears, a grocery keeper of \$20.

The robbers covered Sears with a revolver in his store, and after obtaining the money drove out of the town at a high rate of speed.

Henry Weinkle, marshal, traced the robbers for ten miles in the direction of Indianapolis.

All were young men wearing caps.

Lawyer Raves at Jury, Faints; Court's Done

WILMINGTON, Del., June 26.—John A. Shibley of Atlanta, Ga., representing the plaintiffs in the Coca-Cola injunction suit in the United States district court for Delaware, working himself up to a high pitch of excitement while arguing the case in the court yesterday afternoon, fainted to the floor in a faint.

A physician was summoned and Mr. Shibley taken to his hotel.

His condition is not regarded as serious.

Court adjourned until Monday morning.

OLDEST CITIZEN DIES.

MISHAWAKA, Ind., June 26.—Mrs. Mary Collins, 94, this county's oldest citizen, died yesterday.

She was born at Lubec, Me., Jan. 1, 1826, and had lived in Mishawaka this 65 years.

Mean Thief Steals Police Chief's Roll

WAUKESHA, Ill., June 26.—Ralph E. Hennick, chief of police of North Chicago, is a mad man.

Some crook stole \$221 from his desk in the police station by prying open a drawer. Finger prints have been taken of several persons who frequent the station and some startling disclosures are about to be made, according to the chief.

The chief overlooked \$500 of the city's funds which were in the desk at the time of the robbery.

TWO CONTESTS HOLD MEMBERS OF COMMITTEE

'TIGHTER RULES FOR ARCHITECTS'

President of Indiana Society
Addresses Convention.

The license or registration law and the matter of a building code were two of the principal matters discussed in a paper by E. Hill Turnock of Elkhart, president of the Indiana Society of Architects, at the semi-annual meeting of the body at the Hotel Lincoln.

In reference to a license or registration law he said it was one of the two subjects of paramount importance which must be considered at the convention.

The license or registration law, he said, should be blocked out as soon as possible and all its features thoroughly considered from all points of view.

PAST EFFORTS
MET DEFEAT.

"We have had poor success in our previous endeavors for a license law," he continued.

"Let us carefully consider the cause of our past failures and draw up a law that will receive the endorsement of our law-makers, inasmuch as it will thoroughly protect the health and safety of the citizens of our state."

In speaking of a building code, he said he believed it to be of equal importance with the license law.

"It will have a far-reaching effect," he said.

"It is a code that will govern building construction in every city of the state; that will insure against poor construction; that will guard against serious losses in fire, and that will preserve the health of the occupants of buildings and consequently of the community by reason of sanitary restrictions."

"This meeting session of the meeting was occupied by a session of the executive board, registration of members and a luncheon.

FRANK FOR
THERMOON.

The afternoon session included, in addition to the address by President E. H. Turnock, reports of officers and committees, election of new officers, directors and a board of arbitration, an illustrated lecture on "Housing and Town Planning," by Anton Scherger, a discussion of registration or license law, building codes, and other important subjects; a luncheon and a session of the executive board.

"We have been unable to sell the bonds, however, since they bear only 4 1/2 per cent interest."

"We are very unfortunate that we have not been able to proceed with our plan, since the water in both Fall creek and White river has been shown by a recent test made by the public health department to be far worse than at any previous time; to be positively insalubrious."

MAY RENT
"Y" POOLS.

Arrangements for renting the pools at the Y. M. C. A. and the Y. W. C. A. for the children during the summer were being considered by the recreation department, Mr. Jarvis stated.

He said that a survey had been made by the department to determine what parts of the city needed additional recreation centers.

"In order to promote the playgrounds we hold a meeting of the instructors each week at the recreation office, where the directors of Mr. Charles Tuck, who is in charge of the playgrounds, and suggestions are made by the instructors."

More extensive improvements had been possible under the park board than under the board of public health and charities, the opinion of Mr. Jarvis, since the funds for expenditures do not have to be drawn from the maintenance fund, as was necessary under the former board.

WE HAVE MANY
NEW PLAYGROUNDS.

The act passed by the legislature in 1917 provided for the "playgrounds, swimming pools, public baths and community centers" of cities of first class should be under the control of the park board of the city.

The new playgrounds this year are St. Clair park, Blind institute, the Tabernacle playground, located at Thirty-fourth street and Central avenue; the South Side Turners' playground, the Almont school and schools Nos. 39, 40, 41, 42, 43, 44, 45, 46, 47, 48, 49, 50, 51, 52, 53, 54, 55, 56, 57, 58, 59, 60, 61, 62, 63, 64, 65, 66, 67, 68, 69, 70, 71, 72, 73, 74, 75, 76, 77, 78, 79, 80, 81, 82, 83, 84, 85, 86, 87, 88, 89, 90, 91, 92, 93, 94, 95, 96, 97, 98, 99, 100.

Those which have been reopened are Riley, Brookside, Ellenberger, Garfield, Military, Spades, Willard and Riverside parks, and the new playgrounds at Brightwood, Greer street, Lauder, Christman, Ringgold, Commercial building, schools Nos. 9, 10, 20, 22, 40, 17, 23, 19, 24, 42 and 63.

Others among the proponents of McAdoo for president, however, said it was by no means certain that McAdoo's wishes would be followed.

BURRIS JENKINS, Kansas City, announced soon after his arrival that he would not be a candidate for president, but would support McAdoo.

Jenkins, Mrs. Fank, Mrs. Kellor Fairbank, and others, who were among the McAdoo's friends who talked the situation over.

It was intimated that a formal statement might be forthcoming from Jenkins within a short time.

But whether McAdoo's name is formally presented or not, his friends are confident he will show great strength.

Lunn today declared McAdoo will be nominated "hands down."

Loe also expressed confidence that a few ballots would suffice to win for McAdoo.

PLAN TO NOMINATE
MCADOO TAKES FORM

SAN FRANCISCO, June 26.—William G. McAdoo's friends here today announced that they would refuse to abide by the expressed wish that his name be not presented to the democratic national convention for the democratic presidential nomination.

"McAdoo's name will be presented as the names of other candidates," said Samuel B. Amidon, Kansas, who by common consent has assumed leadership of the McAdoo forces.

This declaration reached at a conference lasting until early this morning attended by all the leading McAdoo boosters here.

Amidon said there would be no formal statement, but that the McAdoo forces, confident he can poll from "30,000 to 50,000 more votes in almost every state than any other candidate," are going ahead to get him nominated.

Amidon said there would not be any fireworks or noise about the McAdoo campaign.

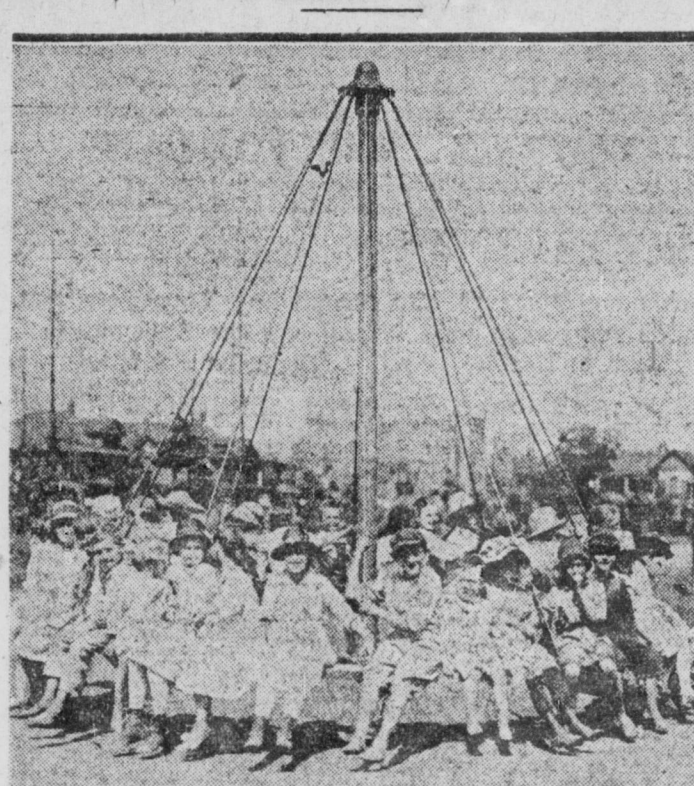

"We won't do any boasting," he said. "The candidacy doesn't require it."

SEE CLEAR WAY
FOR LEAGUE PLANK

RAN FRANCISCO, June 26.—Leading administration democrats today predicted the league of nations plank will be overwhelmingly accepted by the nation.

This plank will sidestep any mention of the records of democratic senators as to not embarrass or offend those who

Kiddies Happy at Playgrounds

Group of happy children on Maypole swing in Willard Park playground.

Happy children are swarming over the apparatus at the thirty-nine public playgrounds open for the summer under the supervision of the city recreation department.

Kids covet places on the swings and strive to monopolize the Maypoles. Ten new sets, in addition to the old ones, have been equipped as playgrounds by the recreation board.

"We expect at least 100,000 boys and girls to enjoy the advantages of the city's playgrounds this summer," declared Mr. W. Jarvis, director of the recreation department, in discussing the outlook for the season.

"We are planning a number of special features to promote both the children's and the parents' interest in the playgrounds and recreation centers," he said.

"Our big event of the season will be the open air pageant, taking place on August 15, in which over five hundred children will participate."

PLANNING FOURTH
CELEBRATION.

Special arrangements are also being made for a general Fourth of July celebration under the direction of Mr. Jarvis, at all the city playgrounds and parks.

The program will include relay races, swimming and general athletic activities, with which medals and prizes will be awarded.

"Self-government among the boys is a new experiment on the Indianapolis playgrounds this summer," continued Mr. Jarvis, "and is something new for any city."

"We find that it keeps order, thus being an assistance to the instructor. We have two special teachers who give lessons in art at the playgrounds. They are Miss Rose Lind and Miss Edith Hall."

"Mrs. Murrill Carr also gives lessons in music and drama at the playgrounds. The story-telling hour is very popular," declared Mr. Jarvis.

"Some special story-tellers are furnished by the Indianapolis city library under the direction of Mr. Charles Tuck, who is in charge of the playgrounds. Lessons in esthetic dancing under the direction of Miss Jane Sickle and Miss Gertrude Hacker are also new on the playgrounds this summer."

MOVING PICTURES ARE ENJOYED.

Moving pictures are shown at different points, and Mr. Jarvis plans to secure new ones, increasing the number of entertainment and recreation centers.

"We are planning to have band concerts at the playgrounds as well as the parks," Mr. Jarvis stated.

great support from the farmers, both those in the non-partisan league and those outside it; further, that he would be a great publicity getter because of his association with the best hope for world lasting peace and that it, therefore, should be refuted immediately without changes that would change its central integrity.

Bryan and those with him who want the reservation plank are busy among delegates educating them on the subject.

The delegates for the most part seem unable to understand the vital difference between the Bryan and the Bryan view points, and a large majority of them seem to favor standing by the president on the question.

COUNSELS MILD
IRISH PLANK

SAN FRANCISCO, June 26.—Agitation of a vigorous Irish plank in the democratic platform were very busy today.

After a conference at the offices of the American commission on Irish independence here it was announced all the organizations in the Irish freedom movement had pooled their forces for a concerted effort to get the plank in the platform.

A strong expression of sympathy for Irish nationalist aspirations.

Senator David I. Walsh of Massachusetts, who is in the city, was also present, and with Ireland, which the senate adopted, counseled moderation.

NEWBERRY VOTE
SCANDAL GOES UP

Final Step Taken in Appeal to
U. S. Supreme Court.

GRAND RAPIDS, Mich., June 26.—The final step in the appeal of the Newberry vote scandal case was taken in the United States district court here today when Judge C. W. Sessions signed the bill of exceptions presented by Attorney John D. Lindsay of the law firm of Martin W. Littleton of New York and assistant Attorney General Frank C. Daltrey of Indianapolis.

The record of 10,000 pages must be printed before further action can be had.

The case goes directly to the United States supreme court, the court of appeals at Cincinnati being passed over by consent of attorneys for both sides.

Senator Newberry and sixteen others were convicted here March 22 on charges of conspiring to gain a senatorial election by the excessive use of money.

The government claims nearly \$1,000,000 was expended, of which only \$178,000 was accounted for in the campaign expense statement filed.

The national corrupt practices act limits the expenditure to \$3,750, the amount named in the Michigan law.

FINDS SELF WELL FINED.

RICHMOND, Ind., June 26.—Henry J. Gresswell, proprietor of a soft drink place on South Sixth street, who was fined \$100 and costs in April 8 for giving away whisky and was given thirty days in jail, all of which he has settled, has been fined \$1,000 by the United States government for violation of the federal law, making a total of nearly \$1,200 in fines.

Commercial Men Name State Officers

MICHIGAN CITY, Ind., June 26.—The convention of the Indiana Commercial Secretaries' association adjourned today after electing the following officers: President, William H. Howard, Indianapolis; vice president, S. H. McClary, Terre Haute; treasurer, L. E. Reeves, editor of Anderson (Ind.) Bulletin; L. M. Vaughn, Laporte; directors, C. W. Coons, Crawfordsville; Frank J. Greene, South Bend; E. H. Hyman, Evansville; A. F. Rothstein, Logansport, and W. C. Sutter, Connersville.

SITUATION CALM AT LONDONDERRY

British Troops Bring Order—
Report Few Riots.

DUBLIN, June 26.—Although the situation at Londonderry had calmed today as a result of activities of British troops, authorities here were apprehensive of outbreaks in other parts of Ireland, where feeling between orangermen and Sinn Feiners is strong.

Reports were received of rioting in several Irish districts today.

What appeared to be a concerted attack on Sinn Feiners occurred at Bantry when a man named Crowley was murdered by a crowd of masked men.

Shooting of Crowley precipitated a general fight and resulted in many being wounded.

Several shops and houses were burned down.

An unsuccessful attempt was made to destroy a quantity of military stores on the Bantry quay.

An armed band boarded the mail train bound from Belfast to Dublin at Ballyhale Junction and seized official mail.

An effort was made to resume normal business activity at Londonderry today, but citizens did not venture into the streets.
